Further, as the business is growing, it is appreciated that the Company would need more quantum of Options in view of its increasing human resources particularly with a view to attract, retain, and motivate critical resources and growth drivers, both existing and those joining in future for ensuring better and sustained corporate growth and profitability.

Item No. 6:

As per the provisions of Section 188 of the Companies Act, 2013 ("Act"), transactions with related parties which are on an arm's length basis and in the ordinary course of business, are exempted from the obligation of obtaining prior approval of members. However, as per the provisions of Regulation 23(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), such transactions, if material, requires the approval of members through a resolution, notwithstanding the fact that the same are on an arm's length basis and in the ordinary course of business.
