Dear Sir / Madam,

Sub.: Outcome of the Board Meeting - SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

In terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions, if any, the Board of Directors of the Bank in its meeting held on May 06, 2020 have approved the Audited Standalone Financial Statements of the Bank for the Quarter (Q4) and the year ended March 31, 2020 and the Audited Consolidated Financial Statements of the Bank for the Year ended March 31, 2020.

Copies of the Audited Results along with Auditor's Report thereon and Statement on the Impact of the Audit Qualifications on the Standalone and Consolidated Financial Results are enclosed herewith.

A press release and Investor Presentation on the financial results for quarter and year ended March 31, 2020 are also enclosed herewith.

The Board Meeting commenced at 04:45 P.M. and concluded at 10:10 P.M.

You are requested to take note of the same.

Thanking you,

Yours faithfully,
For **YES BANK LIMITED**

Shivanand R Shettigar

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

INDEPENDENT AUDITOR'S REPORT To the Board of Directors of YES Bank Limited

Report on the Audit of the Standalone Annual Financial Results

Qualified Opinion

We have audited the accompanying standalone annual financial results of YES Bank Limited ("the Bank") for the year ended 31 March 2020, attached herewith, (the "standalone Financial Results"), being submitted by the Bank pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"), except for the disclosures relating to Pillar 3 disclosure as at 31 March 2020, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the standalone Financial Results and have not been audited by us. Attention is drawn to the fact that the figures for the last quarter ended 31 March 2020 and the corresponding quarter ended in the previous year as reported in these standalone Financial Results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matters described in the 'Basis of Qualified opinion' section of our report, these standalone Financial Results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard except for the disclosures relating to Pillar 3 disclosure as at 31 March 2020, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the standalone Financial Results and have not been audited by us; and

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Qualified Opinion (continued)

- (ii) give a true and fair view, in conformity with the recognition and measurement principles laid down in the applicable accounting standards, RBI guidelines and other accounting principles generally accepted in India of the net loss and other financial information for the year ended 31 March 2020.

Basis for Qualified Opinion

We draw attention to Note 15 of the standalone Financial results, which indicates that during the year ended 31 March 2020, the Bank has breached the regulatory requirements of RBI regarding maintaining the minimum CET 1 and Tier 1 capital ratios which indicates the position of capital adequacy of a bank. The breach is primarily on account of the increase in the provision for advances during the year ended 31 March 2020 as the Bank has decided, on a prudent basis, to enhance its Provision Coverage Ratio on its non-performing asset (NPA) loans over and above minimum RBI loan level provisioning. Further, the write back of the AT 1 bonds on 14 March 2020 also resulted in the breach of Tier 1 capital ratio as at 31 March 2020. The CET 1 ratio and the Tier 1 capital ratio for the Bank as at 31 March 2020 stood at 6.3% and 6.5 % as compared to the minimum requirements of 7.375% and 8.875% respectively. This implies that the Bank will have to take effective steps to augment its capital base in the year 2020-21. Further, in view of the RBI norms relating to the breach of the aforesaid ratio, there is uncertainty around RBI's potential action for such a breach. We are unable to comment on the consequential impact of the above regulatory breach on these standalone Financial Results.

We draw attention to Note 14 to the standalone Financial Results, which discloses that the Bank became aware in September 2018 through communications from stock exchanges of an anonymous whistle-blower complaint alleging irregularities in the Bank's operations, potential conflicts of interests in relation to the former MD and CEO and allegations of incorrect NPA classification. The Bank conducted an internal enquiry of these allegations, which resulted in a report that was reviewed by the Board of Directors in November 2018. Based on further inputs and deliberations in December 2018, the Audit Committee of the Bank engaged an external firm to independently examine the matter. During the year ended 31 March 2020, the Bank identified certain further matters which arose from other independent investigations initiated by the lead banker of a consortium on the companies allegedly favoured by the former MD. In March 2020, the Enforcement Directorate has launched an investigation into some aspects of dealings and transactions by the former MD basis draft forensic reports from external agencies which further pointed out to conflict of interest between the former MD and certain companies and arrested him. In view of the fact that these enquiries and investigations are still ongoing, we are unable to comment on the consequential impact of the above matter on these standalone Financial Results.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results* section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Financial Results, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

4

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Material uncertainty related to going concern

We draw attention to Note 15 to the standalone Financial Results, which indicates that the Bank has incurred a loss of Rs 16,418 crores for the year ended 31 March 2020. Particularly during the last six months, there has also been a significant decline in the Bank's deposit base, an increase in their NPA ratios resulting in breach of loan covenants on its foreign currency debt and credit rating downgrades resulting in partial prepayment of foreign currency debt linked to external credit rating. The Bank has also breached minimum Statutory Liquidity Ratio (SLR) and Liquidity Coverage Ratio requirements of RBI during the year and has provided an amount of Rs.334 crores for the expected penalty on the SLR breach. The Bank has also breached the RBI mandated Common Equity (CET1) ratio and tier 1 capital ratio which stood at 6.3%.and 6.5% as compared to the minimum requirements of 7.375% and 8.875% respectively. This requires the Bank to take effective steps to augment its capital base in the year 2020-21. The breach of the CET1 requirement was also impacted by the decision of the Bank to enhance its Provision Coverage Ratio, on a prudent basis, on its NPA loans over and above RBI's minimum loan provisioning norms. Further, on 5 March 2020, the Central Government, based on the RBI's application imposed a moratorium under section 45 of the Banking Regulation Act, 1949 for a period of 30 days effective 5 March 2020. The RBI, in consultation with the Central Government and in exercise of the powers under section 36ACA of the Banking Regulation Act 1949, superseded the Board of Directors of the Bank on 5 March 2020. The above indicators of financial stress and actions taken by the RBI resulted in a significant withdrawal of deposits. On 13 March 2020, the Government of India notified the Yes Bank Limited Reconstruction Scheme 2020 ('the Scheme') [notified by the Central Government, in exercise of the powers conferred by sub section (4) and subsection 7 of section 45 of the Banking Regulation Act, 1949]. Under this Scheme the authorized share capital of the Bank was increased to Rs.6,200 crores. The Bank has received capital from investors amounting to Rs.10,000 crores on 14 March 2020. The State Bank of India (SBI) and other banks and financial institutions invested in the Bank at a price of Rs.10 per equity share of the Bank (Rs.2 face value with a Rs.8 premium). SBI is required to hold upto 49% with a minimum holding of 26% by SBI in the Bank (which is subject to a 3 year lock in). Other investors are subject to a 3 year lock in for 75% of the investments they make in the Bank under this Scheme. Existing investors (other than investors holding less than 100 shares) in Yes Bank are also subject to a lock in for 75% of their holding as per this Scheme. A new Board of Directors, CEO and MD and Non Executive Chairman have also been appointed pursuant to the Scheme. In addition, the moratorium imposed on the Bank on 5 March 2020 was vacated on 18 March 2020 as per the Scheme. RBI has also granted short-term funding to the Bank for the period of 90 days. The Bank has submitted a proposal seeking extension for a period of one year. The draft reconstruction scheme proposed on 6 March 2020 had also envisaged that the Bank would be able to write back Additional Tier 1 (AT1) securities amounting to Rs. 8,695 crores to equity. However, the final Scheme issued by the Government of India on 13 March 2020 does not contain any reference to the write back of the AT1 securities. Based on the legal advice on the contractual terms of the AT 1 bonds, the Bank has fully written back AT 1 bonds aggregating to Rs 8,415 crores on 14 March 2020. This action by the Bank has been legally challenged through a writ petition in the Hon'ble Bombay High court.

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Material uncertainty related to going concern (continued)

In line with the RBI's COVID-19 Regulatory Package dated 27 March 2020 and 17 April 2020, the Bank has granted a moratorium of three months on the payment of all instalments and/or interest, as applicable, falling due between 1 March 2020 and 31 May 2020 to all eligible borrowers classified as Standard, even if overdue, as on 29 February 2020.

In the opinion of the Bank, based on the financial projections prepared by the Bank and approved by the Board for the next 3 years, the capital infusion, lines of liquidity provided by RBI and the reconstruction Scheme, the Bank will be able to realize its assets (including its deferred tax asset) and discharge its liabilities in its normal course of business and hence the financial results have been prepared on a going concern basis. The said assumption of going concern is inter-alia dependent on the Bank's ability to achieve improvements in liquidity, asset quality and solvency ratios and mitigate the impact of Covid-19 and thus a material uncertainty exists that may cast a significant doubt on the Bank's ability to continue as a going concern. However, as stated above, as per management and the Board there are mitigating factors to such uncertainties including the amount of capital funds that have been raised in March 2020, the nature and financial resources of new investors who have infused funds in the Bank, the new Board of Directors, CEO and MD and part time Chairman appointed as per the Scheme and the extent of regulatory support provided to the Bank by the RBI.

Our conclusion on the standalone Financial Results is not modified in respect of this matter.

Emphasis of Matter

We draw attention to note 12 of the standalone Financial Results, which states that the Bank has a total deferred tax asset of Rs. 8,281 crores as at 31 March 2020. As per the requirements of AS 22 – Income Taxes, based on the financial projections prepared by the Bank and approved by the Board of directors, the Bank has assessed that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The Bank expects to have a taxable profit for the future years. Our conclusion is not modified in respect of this matter.

We draw attention to note 18 of the standalone Financial Results which states that the Bank had made an additional provision of Rs. 15,422 crores for the period ended 31 December 2019 on a prudent evaluation of the status of NPAs based on discussion with regulator over and above the RBI norms relating to the minimum provision to be made by banks on their loans and advances. The additional provision is judgmental based on the quality and status of specific loans identified by the Bank as at 31 March 2020. We believe that this judgment exercised by the Bank is appropriate. Our conclusion is not modified in respect of this matter.

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Responsibilities of Management and those Charged with Governance for the Standalone Annual Financial Results

These standalone Financial Results have been prepared on the basis of the standalone annual financial statements and reviewed quarterly standalone Financial Results upto the end of the third quarter. The Bank's Management and Board of Directors are responsible for the preparation of these standalone Financial Results that give a true and fair view of the net profit/ loss and other financial information in accordance with the recognition and measurement principles laid down in the Accounting Standards specified under Section 133 of the Act, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Results, Management and Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results (continued)

if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Results, including the disclosures, and whether the standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Auditor's Report on the Standalone Annual Financial Results of YES Bank Limited pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results (continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes:

- The results have been taken on record by the Board of Directors of the Bank at its meeting held in Mumbai today. There are qualifications in the auditor's report for the quarter and year ended March 31, 2020. The information presented above is extracted from the audited financial statements as stated.
- During the year ended March 31, 2020 the Bank has issued 23,10,55,018 equity shares of ₹ 2 each for cash pursuant to Qualified Institutions Placement (QIP) at ₹ 83.55 per share aggregating to ₹ 1,880 crore (net of share issue expenses).
- During the quarter and year ended March 31, 2020, the Bank allotted NIL shares and 43,84,174 shares respectively, pursuant to the exercise of stock options by certain employees.
- On March 13, 2020, the Government of India notified the "Yes Bank Ltd. Reconstruction Scheme, 2020" (Scheme). As per the Scheme, authorized capital has been increased from ₹ 1,100 crore to ₹ 6,200 crore. The State Bank of India (SBI) and other investors invested in the Bank at a price of ₹ 10 per equity share of the Bank (₹ 2 face value with a ₹ 8 premium). As per the scheme, SBI is required to hold upto 49% with a minimum holding of 26% by SBI in the Bank (which is subject to a 3 year lock in). Further, as per final reconstruction scheme of the Bank, Bank has issued 1,000 crore equity shares at ₹ 10 each aggregating to ₹ 10,000 crores.

The share allotment under reconstruction scheme is given below:

Sr No.	Name of Investor	Subscription Amount (₹ in crore)	Number of Equity Shares Allotted (in crore)
1	State Bank of India	6,050	605
2	Housing Development Finance Corporation Limited	1,000	100
3	ICICI Bank Limited	1,000	100
4	Axis Bank Limited	600	60
5	Kotak Mahindra Bank Limited	500	50
6	The Federal Bank Ltd	300	30
7	Bandhan Bank Limited	300	30
8	IDFC First Bank Limited	250	25
	TOTAL	10,000	1,000

- Other income includes fees and commission earned from guarantees/letters of credit, loans, financial advisory fees, selling of third party products, earnings from foreign exchange transactions and profit/loss from sale of securities.
- Return on assets is computed using a simple average of total assets at the beginning and at the end of the relevant period.
- The disclosures for NPA referred to in point 17(iv) above correspond to Non Performing Advances.
- As at March 31, 2020, the total capital infused and outstanding is ₹ 149.0 crore in Yes Securities (India) Limited, ₹ 89.5 crore in YES Asset Management (India) Limited and ₹ 0.5 crore in Yes Trustee Limited. All three are wholly owned subsidiary companies of the Bank. As per the RBI master circular on Prudential Norms for Classification, Valuation and Operation of Investment Portfolio by Banks, the Bank has provided ₹ 40.3 crore for impairment of investment in subsidiaries.
- As the business of the Bank is concentrated in India; the segment disclosures made pertain to domestic segment.
- During the year ended March 31, 2020, the Bank has made a loss and as a consequence to that the Bank has not declared any dividend. Further, the Reserve Bank of India, vide its circular dated April 17, 2020, has declared that bank's shall not make any further dividend payouts from profit pertaining to financial year ended March 31, 2020, until further instructions with the view that banks must conserve capital in the environment of heightened Uncertainty caused by COVID-19.

S.R

- 11 During the year ended March 31, 2020, the Bank has sold and transferred securities from HTM category exceeding 5% of the book value of investment held in HTM category at the beginning of the year. The 5% threshold referred to above does not include onetime transfer of securities to/from HTM category with the approval of Board of Directors permitted to be undertaken by banks as per extant RBI guidelines, sale of securities under pre-announced Open Market Operation (OMO) auction to the RBI and sale of securities or transfer to AFS / HFT consequent to the reduction of ceiling on SLR securities under HTM. The book value of HTM investment sold during the year ended March 31, 2020 was ₹ 24,159 crore. The market value of investments (excluding investments in subsidiaries) under HTM category was ₹ 31,694 crore and was higher than the book value thereof as at March 31, 2020.
- 12 The Bank has a total deferred tax asset of ₹ 8,281 crore as at March 31, 2020. During the year ended March 31, 2020, the Bank has made loss of ₹ 16,418 crore, however it had taxable profit in the year ended March 31, 2020. The Bank continues to carry such deferred tax asset in its Balance Sheet, as basis financial projections approved by the Board of Directors, there is reasonable certainty of having sufficient taxable income to enable realization of the said deferred tax asset as specified in Accounting Standard 22 (Accounting for Taxes on Income).
- 13 During the quarter ended September 30, 2019, the Bank had elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Bank had recognised Provision for Income Tax and re-measured its deferred tax assets basis the rate prescribed in the aforesaid section and recognized the effect of this change by revising the annual effective income tax rate. The rate of income tax is changed from 34.944% to 25.168%. The re-measurement of accumulated deferred tax asset had resulted in a one-time additional charge of ₹ 709 crore.
- 14 The Bank became aware in September 2018 through communications from stock exchanges of anonymous whistleblower complaints alleging irregularities in the Bank's operations, potential conflict of interest of the founder and former MD & CEO and allegations of incorrect NPA classification. The Bank conducted an internal enquiry of these allegations, which was carried out by management and supervised by the Board of Directors. The enquiry resulted in a report that was reviewed by the Board in November 2018. Based on further inputs and deliberations in December 2018, the Audit Committee of the Bank engaged an external firm to independently examine the matter. In April 2019, the Bank had received the phase 1 report from the external firm and based on further review/ deliberations had directed a phase 2 investigation from the said firm. Further, during the quarter ended December 31, 2019, the Bank received forensic reports on certain borrower groups commissioned by other consortium bankers, which gave more information regarding the above mentioned allegations. The Bank at the direction of its Nomination and Remuneration Committee (NRC) obtained an independent legal opinion with respect to these matters. In February 2020, the Bank has received the final phase 2 report from the said external firm. Meanwhile, in March 2020, the Enforcement Directorate has launched an investigation into some aspects of transactions of the founder and former MD & CEO and alleged links with certain borrower groups. The ED is investigating allegations of money laundering, fraud and nexus between the founder and former MD & CEO and certain loan transactions. The Bank is in the process of evaluating all of the above reports and concluding if any of the findings have a material impact on financial statements/ processes and require further investigation. The Bank has taken this report to the newly constituted Audit Committee and Board and will progress further action basis the guidance and recommendations.
- During the year ended March 31, 2020, the Bank had received various whistleblower complaints against the Banks management, former MD & CEO and certain members of the Board of Directors prior to being superseded by RBI. The NRC, basis investigations conducted by the management has, post its review, concluded that they have no material impact on financial statements.

In January 2020, the then Chairman of the Audit Committee of the Bank highlighted certain concerns around corporate governance and other operational matters at the Bank. The then Board decided to get this investigated by an independent external firm. A preliminary report has been received by the Board. While most of the allegations are unsubstantiated, the Board has requested the external firm for detailed recommendations highlighting areas where corporate governance can be further strengthened.

- 15 In the aftermath of the IL&FS crisis in September 2018, the financial sector had been heavily constrained from a liquidity stand-point. Also, rising defaults in Power and Infra sector in second half of 2019 have taken a toll on the stressed book of various Banks and NBFCs. In this macro environment, given its low capital covers, the Bank has been adversely impacted on account of elevated slippages in its corporate book especially in power and infra sector. The Bank reported a marginal profit for the quarters ended June 30, 2019 and reported loss in the quarter ended September 30, 2019. For the quarter ended December 31, 2019, as a consequence of increase in NPAs, additional recording slippages post period end and increase in PCR, the reported loss was ₹ 18,560 crore. The Bank had also breached the RBI mandated Common Equity (CE1) ratio which stood at 0.62% at 31 December 2019 as compared to the requirement of 7.375%. The delay in capital raising triggered the downgrade of the Bank's rating by Rating Agencies.

In addition the deposit outflow in early October on account of a combination of events such as invocation of Promoter's pledged shares\IT glitches for Yes Bank (and others)\ problems arising from financial distress in Punjab and Maharashtra Cooperative Bank led to a continuing breach in Statutory Liquidity Ratio (SLR) and Liquidity Coverage Ratio (LCR) starting October 2019 and continues till date. The Bank's deposit base has seen a reduction from ₹ 209,497 crore as at September 30, 2019 to Rs 165,755 crore as at December 31, 2019. The deposit position as at March 31, 2020 is ₹ 105,364 crore and has reduced further to Rs 102,717 crore as at May 02, 2020. The Bank had also prepaid ~USD 1.18 billion (₹ 8,500 crore) by February 29, 2020. On March 5, 2020, the Central Government, based on the RBI's application imposed a moratorium under section 45 of the Banking Regulation Act, 1949 for a period of 30 days effective March 5, 2020 which was lifted on 18th March, 2020. Further, the RBI, in consultation with the Central Government and in exercise of the powers under section 36ACA of the Banking Regulation Act 1949, superseded the Board of Directors of the Bank on March 5, 2020. As per the moratorium a restriction was imposed on the withdrawal by depositors of amounts up to ₹ 50,000 and the Bank also could not grant or renew loans or make any investments.

S.R

On March 13, 2020, the Government of India notified the "Yes Bank Ltd. Reconstruction Scheme, 2020" (Scheme). As per the Scheme, authorized capital has been increased from Rs 1,100 crore to Rs 6,200 crore. The State Bank of India (SBI) and other investors invested in 1,000 crore shares at a price of Rs 10 per equity share of the Bank (Rs 2 face value with a Rs 8 premium). The Bank has received capital amounting to Rs 10,000 crore as of March 14, 2020 from a consortium of Banks and Financial Institution led by State Bank of India. SBI is required to hold upto 49% with a minimum holding of 26% by SBI in the Bank (which is subject to a 3 year lock in). Other investors are subject to a 3 year lock in for 75% of the investments they make in the Bank under this Scheme. Existing investors (other than investors holding less than 100 shares) in Yes Bank are also subject to a lock in for 75% of their holding as per this Scheme.

A new Board of Directors, MD & CEO and Non Executive Chairman have also been appointed under the Scheme. The Bank has since obtained a Board approval to raise additional equity of upto Rs 15,000 crore. As a consequence of the reconstitution the Bank was deemed to be un-viable. Consequently, write-back of certain Basel III additional tier 1 Bonds ("AT 1 Bonds") issued by the Bank had been triggered. Hence, such AT 1 Bonds amounting to Rs 8,415 Crore have been fully written down permanently. The Trustees, on behalf of the holders of AT 1 Bonds have filed a writ petition seeking to challenge the decision of the Bank to write down AT 1 bonds. The Bank, based on the legal opinion of its external independent legal counsel is of the view that the merits of the Bank's decision to write back the AT 1 bonds is in accordance with the contractual terms for issuance of AT 1 Bonds.

The Bank had also been granted a short term special liquidity facility for 90 days (ending on June 16, 2020) from the RBI. The Bank has written to RBI for an extension of the same for a year. The Bank also raised CDs of Rs 7,200 crore as at March 31, 2020. As a consequence of the above factors the Bank's loss post tax and AT 1 write back (exceptional income) is Rs 16,418 crore. The Bank's CET1 ratio is 6.3% (regulatory requirement with CCB of 7.375%) and tier 1 capital ratio is 6.5% (regulatory requirement of 8.875%) as at March 31, 2020. The Bank has substantially enhanced its PCR and strengthened its Balance Sheet. However, RBI's current framework on 'Prompt Corrective Action' (PCA) considers regulatory breaches in CET as a potential trigger. The Bank remains in constant communication with RBI on the various parameters and ratios and RBI has not imposed any fine on the Bank for the regulatory breaches.

The Bank's deposit base has seen a reduction from Rs. 2,27,610 crore as at March 31, 2019 to Rs. 105,364 crore as at March 31, 2020 (Position as at May 02, 2020 Rs 102,717 crore). Consequently, the Bank's quarterly average 'Liquidity Coverage Ratio' (LCR) has fallen from 74% for the quarter ended December 31, 2019 to 40%, for the quarter ended March 31, 2020 (regulatory limit 100%) and position as at May 02, 2020 34.8% (regulatory limit 80%). The Bank also has a deferred tax asset of Rs. 8,281 crore as at March 31, 2020. Though the Bank has made a loss of Rs 16,418 crore for the year ended March 31, 2020, the Bank has a taxable profit for the year ended March 31, 2020.

In the month of March 2020, SARS-CoV-2 virus responsible for COVID-19 continued to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian financial markets and a significant decrease in global and local economic outlook and activities. On March 11, 2020, the COVID-19 outbreak was declared a global pandemic by the World Health Organization. On March 24, 2020, the Indian government announced a strict 21-day lockdown which was further extended across the country to contain the spread of the virus. The extent to which the COVID-19 pandemic will impact the Bank's future results will depend on related developments, which remain highly uncertain.

While further reduction in deposits lost post moratorium may cast material uncertainty, particularly in the current COVID scenario, the Bank under the leadership of new management and Reconstituted Board is confident that it can tide over the current issues successfully.

This belief is reinforced by the pedigree of new investors of the Bank (led by State Bank of India and other Financial Institutions). Further, The Bank's management and board of directors have made an assessment of its ability to continue as a going concern based on the projected financial statements for the next 3 years and are satisfied that the proposed capital infusion and the Bank's strong customer base and branch network will enable the Bank to continue its business for the foreseeable future, so as to be able to realize its assets and discharge its liabilities in its normal course of business. As such, the financial statements continue to be prepared on a going concern basis.

- 16 As mentioned above, RBI invoked Section 45 of the Banking Regulation Act, 1949 and reconstituted the Bank on March 13, 2020. As a consequence of the reconstitution the Bank was deemed to be un-viable and accordingly, the conditions for a write-down of certain Basel III additional tier 1 Bonds ("AT 1 Bonds") issued by the Bank were triggered. Hence, such AT 1 Bonds amounting to ₹ 8,415 Crore were been fully written down permanently on March 14, 2020 (disclosed as an extraordinary item in the results for the period ended 31 March 2020). The Trustees, on behalf of the holders of AT 1 Bonds have filed a writ petition seeking to challenge the decision of the Bank to write down AT 1 bonds. The Bank, based on the legal opinion of its external legal counsel is of the view that the Bank's decision to write down the AT 1 bonds is in accordance with the contractual terms and regulatory framework, as applicable for issuance of these AT 1 Bonds.
- 17 As per the requirement of SEBI circular CIR/CFD/CMD1/120/2019 dated October 31, 2019, Divergence in Asset Classification and Provisioning identified by RBI in the Bank's Risk Assessment Report (RAR) for the financial year 2019 was informed to NSE & BSE vide our letter dated November 19, 2019.
- 18 The Bank considers slippages in Corporate NPAs post the period end till the date of financial results, while determining NPAs and related provisioning requirements. Further, the Bank had decided, on a prudent basis, to enhance its Provision Coverage Ratio on its NPA loans over and above the RBI loan level provisioning requirements. As a result, the Bank recognized additional provisions of ₹ 15,422 crore for the period ended December 31, 2019. Subsequently, RBI issued guidelines on COVID-19 Regulatory Package, under which, the Bank granted a moratorium of three months on the payment of all installments and / or interest, as applicable, falling due between March 1, 2020 and May 31, 2020. For all such accounts where the moratorium is granted, the asset classification shall remain stand still during the moratorium period (i.e. the number of days past-due shall exclude the moratorium period for the purposes of asset classification under the Income Recognition, Asset Classification and Provisioning norms) and as the asset classification as of March 31, 2020 has been retained based on the overdue status as at February 29, 2020. Hence on account of above mentioned RBI circular dated April 17, 2020, Bank has not considered slippages post March 31, 2020 till the date of result. In line with RBI requirements, the Bank holds necessary provisions as at March 31, 2020 against the assets where the asset classification benefit has been extended on account of standstill requirements.
- 19 The figures of the last quarter in each of the years are the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures up to the third quarter of the respective financial year.
- 20 Interest on Additional Tier I Capital (Unsecured, Non-Convertible, Tier I Subordinated Perpetual Bonds in the nature of Promissory Notes issued under Basel II guidelines) amounting to ₹ 8.4 crore was not paid by the Bank as the regulatory ratio of the Bank were lower than the minimum required.
- 21 Previous period figures have been regrouped / reclassified wherever necessary to conform to current period classification.

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

INDEPENDENT AUDITOR'S REPORT

To Board of Directors of
YES Bank Limited

Report on the Audit of the Consolidated Financial Results

Qualified Opinion

We have audited the accompanying Statement of Consolidated Financial Results of YES Bank Limited ("the Bank"/the parent) and its subsidiaries (the parent and its subsidiaries together referred to as "the Group"), for the year ended 31 March 2020, being submitted by the Bank pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations") except for the disclosures relating to consolidated Pillar 3 disclosure as at 31 March 2020, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the consolidated financial results and have not been audited by us. Attention is drawn to the fact that the figures for the last quarter ended 31 March 2020 and the corresponding quarter ended in the previous year as reported in these consolidated financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of reports of other auditors on separate audited financial statements of the subsidiaries, except for the effect of the matters described in the 'Basis of Qualified opinion' section of our report the aforesaid consolidated annual financial results:

(i) include the annual financial results of the following entities

- YES Bank Limited
- YES Securities (India) Limited
- YES Trustee Limited
- YES Asset Management (India) Limited

B S R & Co (a partnership firm with
Registration No. BA61223) converted into
B S R & Co LLP (a Limited Liability Partnership
with LLP Registration No. AAB-8181)
with effect from October 14, 2013

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

- (ii) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations except for the disclosures relating to consolidated Pillar 3 disclosure as at 31 March 2020, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the consolidated financial results and have not been audited by us; and
- (iii) give a true and fair view, in conformity with the applicable accounting standards, RBI guidelines and other accounting principles generally accepted in India, of the consolidated net loss and other financial information of the Group for the year ended 31 March 2020.

Basis for Qualified Opinion

We draw attention to Note 15 of the consolidated financial results, which indicates that during the year ended 31 March 2020, the Bank has breached the regulatory requirements of RBI regarding maintaining the minimum CET 1 and Tier 1 capital ratios which indicates the position of capital adequacy of a bank. The breach is primarily on account of the increase in the provision for advances during the year ended 31 March 2020 as the Bank has decided, on a prudent basis, to enhance its Provision Coverage Ratio on its non-performing asset (NPA) loans over and above minimum RBI loan level provisioning. Further, the write back of the AT 1 bonds on 14 March 2020 also resulted in the breach of Tier 1 capital ratio as at 31 March 2020. The CET 1 ratio and the Tier 1 capital ratio for the Bank as at 31 March 2020 stood at 6.3%.and 6.5 % as compared to the minimum requirements of 7.375% and 8.875% respectively. This implies that the Bank will have to take effective steps to augment its capital base in the year 2020-21. Further, in view of the RBI norms relating to the breach of the aforesaid ratio, there is uncertainty around RBI's potential action for such a breach. We are unable to comment on the consequential impact of the above regulatory breach on these consolidated financial results.

We draw attention to note 14 to the consolidated financial results, which discloses that the Bank became aware in September 2018 through communications from stock exchanges of an anonymous whistle-blower complaint alleging irregularities in the Bank's operations, potential conflicts of interests in relation to the former MD and CEO and allegations of incorrect NPA classification. The Bank conducted an internal enquiry of these allegations, which resulted in a report that was reviewed by the Board of Directors in November 2018. Based on further inputs and deliberations in December 2018, the Audit Committee of the Bank engaged an external firm to independently examine the matter. During the year ended 31 March 2020, the Bank identified certain further matters which arose from other independent investigations initiated by the lead banker of a consortium on the companies allegedly favoured by the former MD. In March 2020, the Enforcement Directorate has launched an investigation into some aspects of dealings and transactions by the former MD basis draft forensic reports from external agencies which further pointed out to conflict of interest between the former MD and certain companies and arrested him. In view of the fact that these enquiries and investigations are still ongoing, we are unable to comment on the consequential impact of the above matter on these consolidated financial results.

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Basis for Qualified Opinion (continued)

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. ("Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Financial Results, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to Note 15 to the consolidated financial results, which indicates that the Bank has incurred a loss of Rs 16,418 crores for the year ended 31 March 2020. Particularly during the last six months, there has also been a significant decline in the Bank's deposit base, an increase in their NPA ratios resulting in breach of loan covenants on its foreign currency debt and credit rating downgrades resulting in partial prepayment of foreign currency debt linked to external credit rating. The Bank has also breached minimum Statutory Liquidity Ratio (SLR) and Liquidity Coverage Ratio requirements of RBI during the year and has provided an amount of Rs.334 crores for the expected penalty on the SLR breach. The Bank has also breached the RBI mandated Common Equity (CET1) ratio and Tier 1 capital ratio which stood at 6.3%.and 6.5% as compared to the minimum requirements of 7.375% and 8.875% respectively. This requires the Bank to take effective steps to augment its capital base in the year 2020-21. The breach of the CET1 requirement was also impacted by the decision of the Bank to enhance its Provision Coverage Ratio, on a prudent basis, on its NPA loans over and above RBI's minimum loan provisioning norms. Further, on 5 March 2020, the Central Government, based on the RBI's application imposed a moratorium under section 45 of the Banking Regulation Act, 1949 for a period of 30 days effective 5 March 2020. The RBI, in consultation with the Central Government and in exercise of the powers under section 36ACA of the Banking Regulation Act 1949, superseded the Board of Directors of the Bank on 5 March 2020. The above indicators of financial stress and actions taken by the RBI resulted in a significant withdrawal of deposits. On 13 March 2020, the Government of India notified the Yes Bank Limited Reconstruction Scheme 2020 ('the Scheme') [notified by the Central Government, in exercise of the powers conferred by sub section (4) and subsection 7 of section 45 of the Banking Regulation Act, 1949]. Under this Scheme the authorized share capital of the Bank was increased to Rs.6,200 crores. The Bank has received capital from investors amounting to Rs.10,000 crores on 14 March 2020. The State Bank of India (SBI) and other banks and financial institutions invested in the Bank at a price of Rs.10 per equity share of the Bank (Rs.2 face value with a Rs.8 premium). SBI is required to hold upto 49% with a minimum holding of 26% by SBI in the Bank (which is subject to a 3 year lock in). Other investors are subject to a 3 year lock in for 75% of the investments they make in the Bank under this Scheme.

4

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Material uncertainty related to going concern (continued)

Existing investors (other than investors holding less than 100 shares) in Yes Bank are also subject to a lock in for 75% of their holding as per this Scheme. A new Board of Directors, CEO and MD and Non Executive Chairman have also been appointed pursuant to the Scheme. In addition, the moratorium imposed on the Bank on 5 March 2020 was vacated on 18 March 2020 as per the Scheme. RBI has also granted short-term funding to the Bank for the period of 90 days. The Bank has submitted a proposal seeking extension for a period of one year. The draft reconstruction scheme proposed on 6 March 2020 had also envisaged that the Bank would be able to write back Additional Tier 1 (AT1) securities amounting to Rs.8,695 crores to equity. However, the final Scheme issued by the Government of India on 13 March 2020 does not contain any reference to the write back of the AT1 securities. Based on the legal advice on the contractual terms of the AT 1 bonds, the Bank has fully written back AT 1 bonds aggregating to Rs 8,415 crores on 14 March 2020. This action by the Bank has been legally challenged through a writ petition in the Hon'ble Bombay High court.

In line with the RBI's COVID-19 Regulatory Package dated 27 March 2020 and 17 April 2020, the Bank has granted a moratorium of three months on the payment of all instalments and/or interest, as applicable, falling due between 1 March 2020 and 31 May 2020 to all eligible borrowers classified as Standard, even if overdue, as on 29 February 2020.

In the opinion of the Bank, based on the financial projections prepared by the Bank and approved by the Board for the next 3 years, the capital infusion, lines of liquidity provided by RBI and the reconstruction Scheme, the Bank will be able to realize its assets (including its deferred tax asset) and discharge its liabilities in its normal course of business and hence the financial results have been prepared on a going concern basis. The said assumption of going concern is inter-alia dependent on the Bank's ability to achieve improvements in liquidity, asset quality and solvency ratios and mitigate the impact of Covid-19 and thus a material uncertainty exists that may cast a significant doubt on the Bank's ability to continue as a going concern. However, as stated above, as per management and the Board there are mitigating factors to such uncertainties including the amount of capital funds that have been raised in March 2020, the nature and financial resources of new investors who have infused funds in the Bank, the new Board of Directors, CEO and MD and part time Chairman appointed as per the Scheme and the extent of regulatory support provided to the Bank by the RBI.

Our conclusion on the consolidated Financial Results is not modified in respect of this matter.

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Emphasis of Matter Paragraph

We draw attention to Note 12 of the consolidated financial results, which states that the Bank has a total deferred tax asset of Rs. 8,281 crores as at 31 March 2020. As per the requirements of AS 22 – Income Taxes, based on the financial projections prepared by the Bank and approved by the Board of directors, the Bank has assessed that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The Bank expects to have a taxable profit for the future years. Our conclusion is not modified in respect of this matter.

We draw attention to Note 18 of the consolidated financial results which states that the Bank had made an additional provision of Rs. 15,422 crores for the period ended 31 December 2019 on a prudent evaluation of the status of NPAs based on discussion with regulator over and above the RBI norms relating to the minimum provision to be made by banks on their loans and advances. The additional provision is judgmental based on the quality and status of specific loans identified by the Bank as at 31 March 2020. We believe that this judgment exercised by the Bank is appropriate. Our conclusion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Consolidated Annual Financial Results

These Consolidated Financial Results have been prepared on the basis of the consolidated annual financial statements and reviewed quarterly consolidated financial results up to the end of the third quarter. The Bank's Management and Board of Directors are responsible for the preparation and presentation of these consolidated Financial Results that give a true and fair view of the consolidated net loss and other financial information of the Group including its associates and jointly controlled entities in accordance with the Accounting Standards specified under section 133 of the Act, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the entities included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Financial Results that give a true and fair view and are free from material.

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Responsibilities of Management and Those Charged with Governance for the Consolidated Annual Financial Results (continued)

misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Bank, as aforesaid.

In preparing the consolidated Financial Results, the respective Management and Board of Directors of the entities included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Auditor's Responsibilities for the Audit of the Consolidated Financial Results (Continued)

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Financial Results, including the disclosures, and whether the consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/statements of the entities within the Group to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Bank and such other entities included in the consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Auditor's Report on the annual Consolidated Financial Results of YES Bank Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

YES Bank Limited

Other Matters

We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of Rs. 53.7 crores as at 31 March 2020, total revenues of Rs. 1.9 crores and net cash outflows amounting to Rs. 19.1 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by another auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, insofar as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary is based solely on the report of the other auditor.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Notes:

- The results have been taken on record by the Board of Directors of the Bank at its meeting held in Mumbai today. There are qualifications in the auditor's report for the quarter and year ended March 31, 2020. The information presented above is extracted from the audited financial statements as stated.
- During the year ended March 31, 2020 the Bank has issued 23,10,55,018 equity shares of ₹ 2 each for cash pursuant to Qualified Institutions Placement (QIP) at ₹ 83.55 per share aggregating to ₹ 1,880 crore (net of share issue expenses).
- During the quarter and year ended March 31, 2020, the Bank allotted NIL shares and 43,84,174 shares respectively, pursuant to the exercise of stock options by certain employees.
- On March 13, 2020, the Government of India notified the "Yes Bank Ltd. Reconstruction Scheme, 2020" (Scheme). As per the Scheme, authorized capital has been increased from ₹ 1,100 crore to ₹ 6,200 crore. The State Bank of India (SBI) and other investors invested in the Bank at a price of ₹ 10 per equity share of the Bank (₹ 2 face value with a ₹ 8 premium). As per the scheme, SBI is required to hold upto 49% with a minimum holding of 26% by SBI in the Bank (which is subject to a 3 year lock in). Further, as per final reconstruction scheme of the Bank, Bank has issued 1,000 crore equity shares at ₹ 10 each aggregating to ₹ 10,000 crores. The share allotment under reconstruction scheme is given below:

Sr No.	Name of Investor	Subscription Amount (₹ in crore)	Number of Equity Shares Allotted (in crore)
1	State Bank of India	6,050	605
2	Housing Development Finance Corporation Limited	1,000	100
3	ICICI Bank Limited	1,000	100
4	Axis Bank Limited	600	60
5	Kotak Mahindra Bank Limited	500	50
6	The Federal Bank Ltd	300	30
7	Bandhan Bank Limited	300	30
8	IDFC First Bank Limited	250	25
	TOTAL	10,000	1,000

- Other income includes fees and commission earned from guarantees/letters of credit, loans, financial advisory fees, selling of third party products, earnings from foreign exchange transactions and profit/loss from sale of securities.
- Return on assets is computed using a simple average of total assets at the beginning and at the end of the relevant period.
- The disclosures for NPA referred to in point 17(iv) above correspond to Non Performing Advances.
- In accordance with RBI circular DBR.No.BP.BC.1/21.06.201/2015-16 dated July 1, 2015 on 'Basel III Capital Regulations' read together with RBI circular DBR.No.BP.BC.80/21.06.201/2014-15 dated March 31, 2015 on 'Prudential Guidelines on Capital Adequacy and Liquidity Standards - Amendments' requires banks to make applicable Pillar 3 disclosures including leverage ratio and liquidity coverage ratio on a consolidated basis under Basel III Framework. The Pillar III disclosures have not been subjected to review or audit by the statutory auditors. The Bank has made these disclosures which are available on its website at the following link. https://www.yesbank.in/pdf/basel_iii_disclosure_mar_31_2020.pdf
- As the business of the Bank is concentrated in India; the segment disclosures made pertain to domestic segment.
- During the year ended March 31, 2020, the Bank has made a loss and as a consequence to that the Bank has not declared any dividend. Further, the Reserve Bank of India, vide its circular dated April 17, 2020, has declared that bank's shall not make any further dividend payouts from profit pertaining to financial year ended March 31, 2020, until further instructions with the view that banks must conserve capital in the environment of heightened Uncertainty caused by COVID- 19.

BR

- 11 During the year ended March 31, 2020, the Bank has sold and transferred securities from HTM category exceeding 5% of the book value of investment held in HTM category at the beginning of the year. The 5% threshold referred to above does not include onetime transfer of securities to/from HTM category with the approval of Board of Directors permitted to be undertaken by banks as per extant RBI guidelines, sale of securities under pre-announced Open Market Operation (OMO) auction to the RBI and sale of securities or transfer to AFS / HFT consequent to the reduction of ceiling on SLR securities under HTM. The book value of HTM investment sold during the year ended March 31, 2020 was ₹ 24,159 crore. The market value of investments (excluding investments in subsidiaries) under HTM category was ₹ 31,694 crore and was higher than the book value thereof as at March 31, 2020.
- 12 The Bank has a total deferred tax asset of ₹ 8,281 crore as at March 31, 2020. During the year ended March 31, 2020, the Bank has made loss of ₹ 16,418 crore, however it had taxable profit in the year ended March 31, 2020. The Bank continues to carry such deferred tax asset in its Balance Sheet, as basis financial projections approved by the Board of Directors, there is reasonable certainty of having sufficient taxable income to enable realization of the said deferred tax asset as specified in Accounting Standard 22 (Accounting for Taxes on Income).
- 13 During the quarter ended September 30, 2019, the Bank had elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Bank had recognised Provision for Income Tax and re-measured its deferred tax assets basis the rate prescribed in the aforesaid section and recognized the effect of this change by revising the annual effective income tax rate. The rate of income tax is changed from 34.944% to 25.168%. The re-measurement of accumulated deferred tax asset had resulted in a one-time additional charge of ₹ 709 crore.
- 14 The Bank became aware in September 2018 through communications from stock exchanges of anonymous whistleblower complaints alleging irregularities in the Bank's operations, potential conflict of interest of the founder and former MD & CEO and allegations of incorrect NPA classification. The Bank conducted an internal enquiry of these allegations, which was carried out by management and supervised by the Board of Directors. The enquiry resulted in a report that was reviewed by the Board in November 2018. Based on further inputs and deliberations in December 2018, the Audit Committee of the Bank engaged an external firm to independently examine the matter. In April 2019, the Bank had received the phase 1 report from the external firm and based on further review/ deliberations had directed a phase 2 investigation from the said firm. Further, during the quarter ended December 31, 2019, the Bank received forensic reports on certain borrower groups commissioned by other consortium bankers, which gave more information regarding the above mentioned allegations. The Bank at the direction of its Nomination and Remuneration Committee (NRC) obtained an independent legal opinion with respect to these matters. In February 2020, the Bank has received the final phase 2 report from the said external firm. Meanwhile, in March 2020, the Enforcement Directorate has launched an investigation into some aspects of transactions of the founder and former MD & CEO and alleged links with certain borrower groups. The ED is investigating allegations of money laundering, fraud and nexus between the founder and former MD & CEO and certain loan transactions. The Bank is in the process of evaluating all of the above reports and concluding if any of the findings have a material impact on financial statements/ processes and require further investigation. The Bank has taken this report to the newly constituted Audit Committee and Board and will progress further action basis the guidance and recommendations. During the year ended March 31, 2020, the Bank had received various whistleblower complaints against the Banks management, former MD & CEO and certain members of the Board of Directors prior to being superseded by RBI. The NRC, basis investigations conducted by the management has, post its review, concluded that they have no material impact on financial statements.
- In January 2020, the then Chairman of the Audit Committee of the Bank highlighted certain concerns around corporate governance and other operational matters at the Bank. The then Board decided to get this investigated by an independent external firm. A preliminary report has been received by the Board. While most of the allegations are unsubstantiated, the Board has requested the external firm for detailed recommendations highlighting areas where corporate governance can be further strengthened
- 15 In the aftermath of the IL&FS crisis in September 2018, the financial sector had been heavily constrained from a liquidity stand-point. Also, rising defaults in Power and Infra sector in second half of 2019 have taken a toll on the stressed book of various Banks and NBFCs. In this macro environment, given its low capital covers, the Bank has been adversely impacted on account of elevated slippages in its corporate book especially in power and infra sector. The Bank reported a marginal profit for the quarters ended June 30, 2019 and reported loss in the quarter ended September 30, 2019. For the quarter ended December 31, 2019, as a consequence of increase in NPAs, additional recording slippages post period end and increase in PCR, the reported loss was Rs. 18,560 crore. The Bank had also breached the RBI mandated Common Equity (CET1) ratio which stood at 0.62% at 31 December 2019 as compared to the requirement of 7.375%. The delay in capital raising triggered the downgrade of the Bank's rating by Rating Agencies.

In addition the deposit outflow in early October on account of a combination of events such as invocation of Promoter's pledged shares\IT glitches for Yes Bank (and others)\problems arising from financial distress in Punjab and Maharashtra Cooperative Bank led to a continuing breach in Statutory Liquidity Ratio (SLR) and Liquidity Coverage Ratio (LCR) starting October 2019 and continues till date. The Bank's deposit base has seen a reduction from Rs 2,09,497 crore as at September 30, 2019 to Rs 1,65,755 crore as at December 31, 2019. The deposit position as at 31 March 2020 is Rs 1,05,364 crore and has reduced further to Rs 102,717 crore as at May 02, 2020. The Bank had also prepaid ~USD 1.18 billion (Rs 8,500 crore) by February 29, 2020.

On March 5, 2020, the Central Government, based on the RBI's application imposed a moratorium under section 45 of the Banking Regulation Act, 1949 for a period of 30 days effective March 5, 2020 which was lifted on 18th March, 2020. Further, the RBI, in consultation with the Central Government and in exercise of the powers under section 36ACA of the Banking Regulation Act 1949, superseded the Board of Directors of the Bank on March 5, 2020. As per the moratorium a restriction was imposed on the withdrawal by depositors of amounts up to Rs 50,000 and the Bank also could not grant or renew loans or make any investments.

SR

On March 13, 2020, the Government of India notified the "Yes Bank Ltd. Reconstruction Scheme, 2020" (Scheme). As per the Scheme, authorized capital has been increased from Rs 1,100 crore to Rs 6,200 crore. The State Bank of India (SBI) and other investors invested in 1,000 crore shares at a price of ₹ 10 per equity share of the Bank (₹ 2 face value with a Rs 8 premium). The Bank has received capital amounting to ₹ 10,000 crore as of March 14, 2020 from a consortium of Banks and Financial Institution led by State Bank of India. SBI is required to hold upto 49% with a minimum holding of 26% by SBI in the Bank (which is subject to a 3 year lock in). Other investors are subject to a 3 year lock in for 75% of the investments they make in the Bank under this Scheme. Existing investors (other than investors holding less than 100 shares) in Yes Bank are also subject to a lock in for 75% of their holding as per this Scheme.

A new Board of Directors, MD & CEO and Non Executive Chairman have also been appointed under the Scheme. The Bank has since obtained a Board approval to raise additional equity of upto ₹ 15,000 crore. As a consequence of the reconstitution the Bank was deemed to be un-viable. Consequently, write-back of certain Basel III additional tier 1 Bonds ("AT 1 Bonds") issued by the Bank had been triggered. Hence, such AT 1 Bonds amounting to Rs 8,415 Crore have been fully written down permanently. The Trustees, on behalf of the holders of AT 1 Bonds have filed a writ petition seeking to challenge the decision of the Bank to write down AT 1 bonds. The Bank, based on the legal opinion of its external independent legal counsel is of the view that the merits of the Bank's decision to write back the AT 1 bonds is in accordance with the contractual terms for issuance of AT 1 Bonds.

The Bank had also been granted a short term special liquidity facility for 90 days (ending on June 16, 2020) from the RBI. The Bank has written to RBI for an extension of the same for a year. The Bank also raised CDs of ₹ 7,200 crore as at March 31, 2020. As a consequence of the above factors the Bank's loss post tax and AT 1 write back (exceptional income) is Rs 16,418 crore. The Bank's CET1 ratio is 6.3% (regulatory requirement with CCB of 7.375%) and tier 1 capital ratio is 6.5% (regulatory requirement of 8.875%) as at March 31, 2020. The Bank has substantially enhanced its PCR and strengthened its Balance Sheet. However, RBI's current framework on 'Prompt Corrective Action' (PCA) considers regulatory breaches in CET as a potential trigger. The Bank remains in constant communication with RBI on the various parameters and ratios and RBI has not imposed any fine on the Bank for the regulatory breaches.

The Bank's deposit base has seen a reduction from ₹ 2,27,610 crore as at March 31, 2019 to Rs. 105,364 crore as at March 31, 2020 (Position as at May 02, 2020 Rs 102,717 crore). Consequently, the Bank's quarterly average 'Liquidity Coverage Ratio' (LCR) has fallen from 74% for the quarter ended December 31, 2019 to 40%, for the quarter ended March 31, 2020 (regulatory limit 100%) and position as at May 02, 2020 34.8% (regulatory limit 80%). The Bank also has a deferred tax asset of Rs. 8,281 crore as at March 31, 2020. Though the Bank has made a loss of ₹ 16,418 crore for the year ended March 31, 2020, the Bank has a taxable profit for the year ended March 31, 2020.

In the month of March 2020, SARS-CoV-2 virus responsible for COVID-19 continued to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian financial markets and a significant decrease in global and local economic outlook and activities. On March 11, 2020, the COVID-19 outbreak was declared a global pandemic by the World Health Organization. On March 24, 2020, the Indian government announced a strict 21-day lockdown which was further extended across the country to contain the spread of the virus. The extent to which the COVID-19 pandemic will impact the Bank's future results will depend on related developments, which remain highly uncertain.

While further reduction in deposits lost post moratorium may cast material uncertainty, particularly in the current COVID scenario, the Bank under the leadership of new management and Reconstituted Board is confident that it can tide over the current issues successfully. This belief is reinforced by the pedigree of new investors of the Bank (led by State Bank of India and other Financial Institutions). Further, The Bank's management and board of directors have made an assessment of its ability to continue as a going concern based on the projected financial statements for the next 3 years and are satisfied that the proposed capital infusion and the Bank's strong customer base and branch network will enable the Bank to continue its business for the foreseeable future, so as to be able to realize its assets and discharge its liabilities in its normal course of business. As such, the financial statements continue to be prepared on a going concern basis.

- 16 As mentioned above, RBI invoked Section 45 of the Banking Regulation Act, 1949 and reconstituted the Bank on March 13, 2020. As a consequence of the reconstitution the Bank was deemed to be un-viable and accordingly, the conditions for a write-down of certain Basel III additional tier 1 Bonds ("AT 1 Bonds") issued by the Bank were triggered. Hence, such AT 1 Bonds amounting to ₹ 8,415 Crore were been fully written down permanently on March 14, 2020 (disclosed as an extraordinary item in the results for the period ended 31 March 2020). The Trustees, on behalf of the holders of AT 1 Bonds have filed a writ petition seeking to challenge the decision of the Bank to write down AT 1 bonds. The Bank, based on the legal opinion of its external legal counsel is of the view that the Bank's decision to write down the AT 1 bonds is in accordance with the contractual terms and regulatory framework, as applicable for issuance of these AT 1 Bonds.
- 17 As per the requirement of SEBI circular CIR/CFD/CMDI / 120/2019 dated October 31, 2019, Divergence in Asset Classification and Provisioning identified by RBI in the Bank's Risk Assessment Report (RAR) report for the financial year 2019 was informed to NSE & BSE vide our letter dated November 19, 2019.
- 18 The Bank considers slippages in Corporate NPAs post the period end till the date of financial results, while determining NPAs and related provisioning requirements. Further, the Bank had decided, on a prudent basis, to enhance its Provision Coverage Ratio on its NPA loans over and above the RBI loan level provisioning requirements. As a result, the Bank recognized additional provisions of ₹ 15,422 crore for the period ended December 31, 2019. Subsequently, RBI issued guidelines on COVID-19 Regulatory Package, under which, the Bank granted a moratorium of three months on the payment of all installments and / or interest, as applicable, falling due between March 1, 2020 and May 31, 2020. For all such accounts where the moratorium is granted, the asset classification shall remain stand still during the moratorium period (i.e. the number of days past-due shall exclude the moratorium period for the purposes of asset classification under the Income Recognition, Asset Classification and Provisioning norms) and as the asset classification as of March 31, 2020 has been retained based on the overdue status as at February 29, 2020. Hence on account of above mentioned RBI circular dated April 17, 2020, Bank has not considered slippages post March 31, 2020 till the date of result.
In line with RBI requirements, the Bank holds necessary provisions as at March 31, 2020 against the assets where the asset classification benefit has been extended on account of standstill requirements.
- 19 The figures of the last quarter in each of the years are the balancing figures between audited figures in respect of the full financial year and the unaudited published year-to-date figures up to the third quarter of the respective financial year.
- 20 Interest on Additional Tier 1 Capital (Unsecured, Non-Convertible, Tier I Subordinated Perpetual Bonds in the nature of Promissory Notes issued under Basel III guidelines) amounting to ₹ 8.4 crore was not paid by the Bank as the regulatory ratio of the Bank were lower than the minimum required.
- 21 Previous period figures have been regrouped / reclassified wherever necessary to conform to current period classification.

(appointed by RBI)

Partha Pratim Sengupta
SBI Nominee Director

Swaminathan Jankiraman
SBI Nominee Director

Safety + Credibility

New Journey - Strategic Objectives

Rebuild Trust amongst stakeholders
Market share gains through Digital Capabilities

Rebuild Liabilities and Liquidity Buffers

Cost Optimization

Stronger governance and underwriting frameworks

Focused Stressed Assets Resolution

Stable liability mix and lower cost of funds: CASA Ratio > 40%

Granular Advances: Retail/ MSME >60%

Corporate flows and Cross sell through Transaction banking

RoA greater than
1.0% (1-3yrs)
1.5% (3-5yrs)

Predictable and Sustainable Earnings
Return value to shareholders

Rebuild the foundation & calibrate growth (6-12 months)

Medium Term Objectives

Liquidity Headwinds - Receded

Key Updates

Outflow in Deposits post March 31, 2020 has receded

Analytics driven extensive customer outreach program underway

Acquisition engine continues to demonstrate resilience despite multiple headwinds

Short term credit rating of A2 by CRISIL

Customer Engagement

Post moratorium, successfully recouped cash management / payments business from various customers viz. one of the largest UPI merchant aggregators, one of the largest telecom service providers, large money transfer company etc.

In April, the Bank made the highest ever contacts made across all sales and service roles

In April, number of retail FDs booked, higher than any month of FY20

Launched Covid-19 Protection Plan in partnership with Reliance General insurance

Customer Acquisition

Thrust on leveraging superior existing fintech and supply chain relationships for mass acquisitions of NTB customers

Recent mandates to aid pickup in Deposits traction include:

- Collection of donations for PM CARES Fund to fight Covid19
- Collection of contributions to Rajasthan CMRF Covid19 mitigation fund
- E-Kharid mandate from Govt. of Haryana for collections and payments to farmers
- and many others

Cost Optimization

Cost Optimization and productivity transformation backed by Digital and Analytics, target **minimum 5% savings in FY21**

Human Capital Management

Focus on Manpower optimization
Consolidated monitoring and management of all outsourced manpower and activities

Profitability

Reallocation of costs as per medium- long term business objectives
Focus on key initiatives like ATM, branch, client, and product profitability

Identifying Changing Trends

Examine impact on workforce centralization due to COVID-19
Turbocharge processes, e.g. entirely digital account opening process

Operations and Digitization

Centralize credit monitoring operations with automated trigger-based MIS generation and analytics-led decision making
Analytics-led cost breakup of key areas with higher than industry costs

Stronger Governance and Underwriting Framework

Simplified Organization Structure

To enable the bank to synergize, build scale and efficiencies

Multiple Corporate Products & Relationship units have been aggregated into Wholesale Banking, which will be **Asset Light, Liability Led and Transaction Heavy**

Independent Oversight

Risk underwriting and Risk Oversight functions have been segregated with separate Chief Risk Officer and Chief Credit Officer

Chief Risk Officer to report directly to the Risk Monitoring Committee of the Board

Separate vertical for Stressed Asset Resolution

Separate vertical to surgically work towards stressed asset resolution with specialized skill set

Strengthening the team to ~100 (vs. ~40 earlier)

To unlock value from the stressed assets pool

This will unclog the growth bandwidth of the management

Segregation of assets / management to facilitate strategic spin off of these assets to a separate legal entity / sale to ARC at a later stage

Platform in Place to Aggressively Ramp Up Low Cost Retail Deposits

- Pan India Presence with **1,135 branches** and **1,423 ATMs**
 - 250+ Hub Branches
 - 850+ Spoke Branches
 - ~85% of Branches with Vintage > 3 years
- Complete suite of products with customers at the fore including superior experience through digital channels
- Liability Led acquisition in Metro & Urban areas
- Target customers in Metro and urban areas:
 - NRIs,
 - Senior Citizens,
 - HNIs,
 - Trust Associations Schools & Clubs
- Asset led acquisition in semi urban/rural areas
- Leverage POS and corporate relationships

Granular Advances

Best in Class Retail Assets Platform

Complete suite of products offered with clear strategies to target the low retail finance penetration in India

Asset Quality	Risk and Yields	Rural Banking	Credit Cards	Customers & Strategy	Technology
<ul style="list-style-type: none">▪ Low risk portfolio with large proportion of cash flow-based financing with adequate collateral▪ Focus on internal / salaried customers for unsecured products	<ul style="list-style-type: none">▪ Portfolio built on low risk, offering room for higher yielding products as it has attained scale▪ Focus on building a more granular book reducing concentration	<ul style="list-style-type: none">▪ Business Correspondent model (~0.5 mn)▪ Tie-ups with Fintech companies to identify potential geographies (YES Villages)▪ Presence across Tier II – VI cities▪ Agri Potential with 416 branches across 150 Districts in 9 Focused States	<ul style="list-style-type: none">▪ Credit cards in force: 5+ lakh cards with an outstanding balance of INR 1000 Crores+▪ Spends grew by 64% YoY in FY20▪ Cross sell of liability products to new credit customers▪ Multiple variants of Consumer / Commercial Cards▪ World Class Technology	<ul style="list-style-type: none">▪ Focus segment of salaried and self-employed customers▪ Utilize branch channel, manufacturing tie-ups and technology aided service delivery▪ Tapping liability customers	<ul style="list-style-type: none">▪ Usage of data analytics and Fintech risk engines for risk mitigation▪ Ensuring seamless service by leveraging investments in digital/tech capabilities

Granular Advances Retail

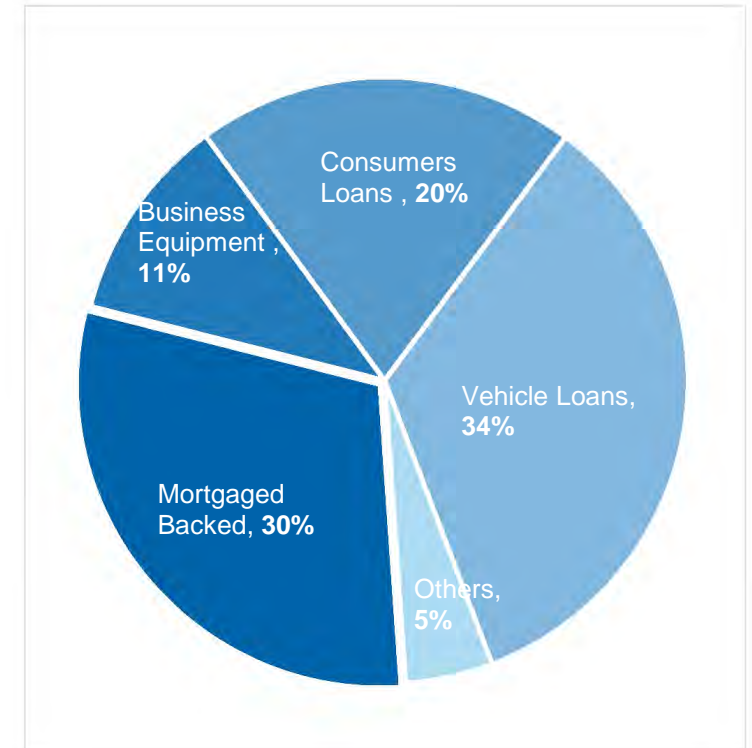

Higher profit contribution from Retail franchise: a key strategic focus area

- Deeper geographic penetration into Tier II/ III cities
- Targeting lower ticket sizes while maintaining best in class asset quality
- Lowering the cost of acquisition by leveraging digital capabilities
- One of lowest NPA ratios in the Industry*

Retail share has been rapidly increasing
Share of retail advances (%) in overall advances

FY20 split of Retail advances

* As per Credit Bureau Reports

Granular Advances

Enhancing MSME Capabilities through Partnerships

Supply Chain Banking

Financing vendors of corporates

- Strong corp. relationships
- Utilizing tech. & analytics to automate limit enhancement
- Market leader in Electrical & Electronic Goods Segment

Knowledge Banking

Tie ups with trade/industry associations

- Sector specialists with vast industry knowledge
- Working relationships with leading domestic & international institutions

Branch Banking & CRM

Liability business through branches & CRM based sourcing

- Cash flow-based underwriting
- Strong Risk assessment framework ensuring adequate collaterals and risk-based pricing

YES MSME Mobile application for speed banking and reduction in transaction costs with overall increase in productivity

YES First Business and YES Privilege Business offerings for MSMEs

Granular Advances MSME

MSME business built on robust risk management platform, with potential for meaningful growth

- Granular Portfolio
- Strong Collateral
- Diversified across sectors

Growth marginally higher, asset quality much better vs. the overall sector*

MSME at 20% of Advances

Self Sourced without any intermediaries

From “Supply Chain Financing” to “Ecosystem Banking”

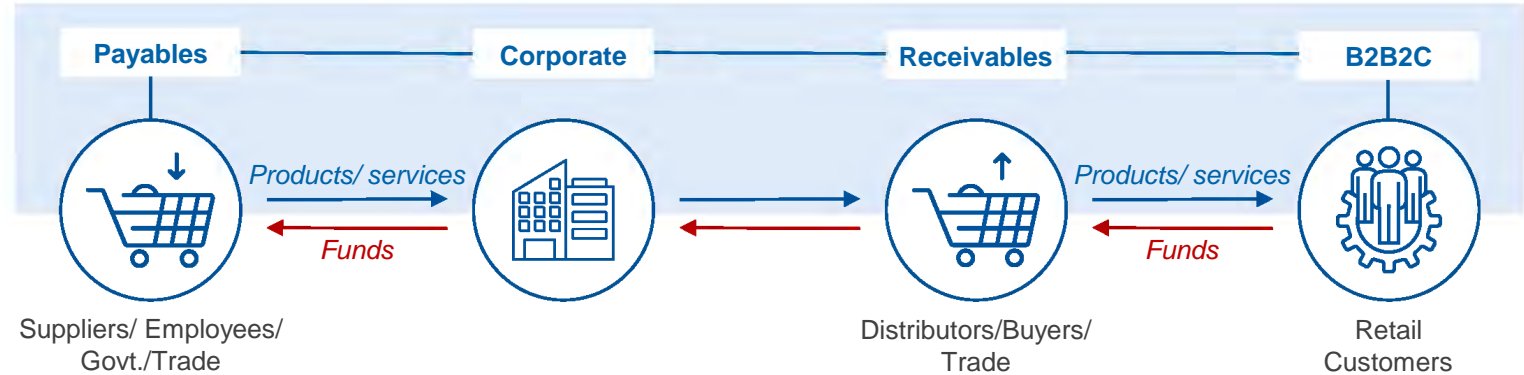

Digital Handholding to scale up MSMEs from Tier 2/ 3 cities

50 dedicated SME branches in SME hubs

*Sector Advances and NPA data sourced from TransUnion CIBIL’s quarterly “MSME Pulse” report; latest available report contains data as of September 30, 2019; Definition of “MSME” however may vary between the Bank classification and TransUnion CIBIL

Corporate Flows and Cross Sell through Transaction Banking

Technology enabled Product Suite for next generation banking

Digital Payments Leadership

COVID-19 Impact

Operational Impact

Leveraging Technology to minimize disruption impact due to lockdown

YES for the
Community

One of the contributing partner to the
PMCARES fund

The Bank donated INR 10 Crores to the
PMCARES fund

Employees voluntarily donated their salary
amounting to 1.9 Crores to PMCARES fund

- The Bank ensured availability of services in 95%+ of all branches / ATMs
- Our electronic & digital channels are available round the clock to provide banking services to our customers
- Quickly ramped up our remote access capability and were able to cover critical activities from day 1, at this stage we deployed **10,000+ remote users** working towards supporting business using remote access systems with the ability of further expansion as needed.
- Sequential planning of employee working shift with twin objectives was introduced. This extended the window for customer service at branches and avoided employee travel at peak hours.
- Critical v/s non-critical activities were immediately reviewed, where **1,000** critical users were already performing their activities from remote locations as part of business as usual before lockdown.

- In accordance with **the RBI guidelines relating to COVID-19 Regulatory Package**, the Bank has offered a moratorium of three months on the payment of all unpaid installments and / or interest, as applicable, falling due between March 1, 2020 and May 31, 2020 to all eligible borrowers classified as Standard as on Feb 29, 2020. Operationalized the RBI regulatory Package within days of RBI announcement
- Eligible borrowers with overdue exposures as on Feb 29, 2020 had a Total O/S of INR 14,956 Crores as on March 31, 2020, of which
 - NPA Standstill - INR 2,713 Crores against which **provisioning of INR 238 Crores**

Indicative range of customers that have opted in for moratorium

Segment	# of Customers	Value Terms
Corporate	15% to 20%	40% to 45%
MSME	15% to 20%	35% to 40%
Retail	20% to 25%	40% to 45%

COVID 19 to accelerate changes in operating model

1. Ensure bankability for customers through Digital and Smart Banking Solutions
2. Operationalize remote capabilities
3. Digitizing the Risk Processes

YES Bank is ready to operate under this new normal through its smart fintech partnerships and superior technology & digital platforms
