Further as informed earlier your Company is pioneer in this field and being 100% EOU, largest exporter and a Star Export House. It has established its name as a quality supplier in the international market as it is ISO 9001: 2008, ISO 14001:2004, OHSAS 18001:2007 and Oeko Tex Standard 100 Company.

We are pleased to inform our shareholders that Melt Blown line is in operation since January 2018 and in short time it is very well accepted in the market. Due to demand far exceeding the supplies, our products are much in demand by the Customers at a much better price.

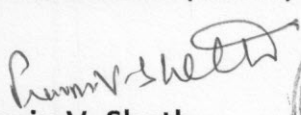

Last year ending 31<sup>st</sup> March, 2018 your Company had made Consolidated Turnover of Rs. 286.12 Crores (Against 31-03-2017 Rs. 130.37 Cr) and Net Profit of Rs. 36.31 Crores (Against 31-03-2017 Rs. 17.24 Cr). The book value of shares is Rs. 57. The present Quarter was further progressive and we hope to continue better performance in future.

Mr. Bhavesh Sheth congratulated the team of Technicians and our US marketing team, for their continuous efforts. Due to devaluation of Rupee the export is very attractive and profitable.
