Dear Sir,

This is in further to our letter dated June 23, 2020 pertaining to the disclosure under Regulation 30 SEBI (LODR) 2015 regarding material impact of Covid-19 pandemic on the Company.

The Company would like to elucidate that the Financial Results of the Company for the quarter and year ended March 31, 2020 will be submitted in due time according to the SEBI circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/106 dated June 24, 2020.

Further, to maintain the confidence of the investors, the Company would like to clarify regarding its future business activity as mentioned below:

1. At present, the Company has 35 Acres of Land at Allahabad which it intends to sell in small parcels or as plots depending upon the response from the market. Due to the Covid-19 pandemic, real estate is badly effected and thus it will take some time to sell this land.
2. Besides the above, the Company has 72 residential flats in the same compound which it intends to repair/refurbish and sell at best market prices. The Company may further go on for building more residential towers depending upon the response.
3. Once, we are able to earn income from sale of land and flats, then we would be thinking of going it for trading in Glass or some other project depending on the market scenario and economic recovery.

This is for your information and record purpose.
