Update on Merger with Lakshmi Vilas Bank

- Received approval from Competition Commission of India [CCI] in June 2019
- Application for approval of merger has already been made to RBI, NSE and BSE
- To ensure continuity, the Board of Directors of IBH has recommended that Mr. Sameer Gehlaut be proposed as the non-executive chairman and Mr. Gagan Banga as the MD and CEO, of the amalgamated bank
- The amalgamated bank will focus on the MSME/ LAP loans and housing loans business opportunities
 - Commercial Real Estate [CRE] book is being reduced through refinance etc
 - MSME/LAP loan book share is being increased

- Since the announcement of merger in April 2019, in under three months, IBH has reduced its CRE exposure by ₹ 6,005 Cr through refinance etc.
- These assets have been bought/ refinanced by some of the most marquee names in the industry, which is a testament to the quality of our developer loan portfolio

- ₹ 1,932 Cr have been recovered in the last five years, which corresponds to 71% of the
 ₹ 2,735 Cr of incremental slippages in this period of cases of > ₹ 10 Cr exposure
- Secured loan assets ensure a high degree of recoverability as demonstrated by the recent recovery from Palais Royale case, where the SARFAESI process was upheld by the Supreme Court and the money was recovered after four years since the project first went into litigation
- IBH's OakNorth Bank stake valued at ₹ 3,000 to ₹ 3,500 Crs is also available to create additional provisioning buffer if required, without impacting profits
