nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, the SEBI Circular(s) and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 3 to the accompanying Statement which describes the uncertainty related to estimates and assumptions used by management of a subsidiary company based on legal opinion and other developments in the matter with respect to its assessment of recovery of the insurance claim recognised in the books of the subsidiary, Daawat Foods Limited, amounting to ₹ 13,410.53 lakhs (net of impairment of ₹ 4,400 lakhs). The claim has been repudiated by the insurance company vide its letter dated 4 February 2016 and the subsidiary company has filed a civil suit against repudiation with the District Court of Raisen, Bhopal, the final outcome of which is pending. Our conclusion is not modified in respect of this matter.

These interim financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Further, of these subsidiaries, associates and joint ventures, certain subsidiaries are located outside India, whose interim financial results have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial results of such subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based on the review report of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.
