In accordance with the application made by State Bank of India, the Hon'ble National Company Law Tribunal, Ahmedabad bench ("**Adjudicating Authority**"), vide its order dated 18 July 2017 had ordered the commencement of the corporate insolvency resolution ("**CIR**") process in respect of the corporate debtor, i.e., Alok Industries Limited ("**Company**") under the provisions of the Insolvency and Bankruptcy Code, 2016 (the "**Code**"). An Interim Resolution Professional ("**IRP**") was

In accordance with the provisions of the Code and the NCLT order, the Approved Resolution Plan is binding on the corporate debtor and its employees, members, creditors, guarantors and other stakeholders involved in the resolution plan.

As per the Approved Resolution Plan, during the period between the NCLT Approval Date (as defined in the Approved Resolution Plan) and the Closing Date (as defined in the Approved Resolution Plan) ("**Interim Period**"), a monitoring committee was constituted ("**Monitoring Committee**") which during the period following the date of approval from Competition Commission of India ("**CCI**") and until the Closing Date, comprising of 4 (Four) representatives of the Financial Creditors, 2 (Two) representatives of the Resolution Applicants and the Erstwhile Resolution Professional managed the affairs of the Company as a going concern and supervised the implementation of the Resolution Plan. 10. MANAGEMENT OPINION ON THE QUALIFICATIONS/EMPHASIS OF MATTERS/NOTES GIVEN BY AUDITORS IN THEIR STANDALONE AND CONSOLIDATED REPORTS:

(A) QUALIFICATION ON STANDALONE REPORT:

(1) Auditors' Qualification:

As per Indian Accounting Standard 36 on Impairments

of Assets, the Company is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However, the Management of the Company has not done impairment testing for the reasons explained in note no. 6 of the Statement. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Standalone Financial Results is not ascertainable. The audit report on the Standalone Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management opinion:

During the year under review, the Company's level of operations, at about 30% of the capacity, was not an indication of the future performance of the Company. The Approved Resolution plan for the company was yet to be fully implemented and the new management had not yet taken over as of 31st March 2020. The new management is expected to set strategies and develop a business plan, post which reliable projections of availability of future cash flows of the company supporting the carrying value of Property, Plant and Equipment will be available. Accordingly, impairment testing under Ind AS has not been performed while presenting these financial results.

(2) Auditors' Qualification:

As mentioned in note no. 9 of the Statement, the Company continued to recognize deferred

tax assets of ₹ 1,423.11 crores. Considering pending full implementation of Approved Resolution Plan including constitution of the new Board of Directors and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Standalone Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management opinion:

The net deferred tax assets recognized till 31 March 2020 amounts to ₹ 1423.11 Crore (Previous Year ₹ 1423.11 Crore). As of the year end, the approved Resolution Plan for the company has been substantively implemented with some steps remaining, including constitution of the new Board of Directors. The new management is expected to devise strategies and develop a business plan post which reliable projections of availability of future taxable income with probable certainty will be available. Accordingly, increase in the deferred tax assets for the current period and at the Financial Year end is presently not recognized and the net deferred tax assets as at the end of the previous financial year have been carried forward.

(3) **Auditors' Qualification:**

As mentioned in the note no. 11 (c) of the Statement, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited

is not carried out. Therefore adequacy of the Provision for doubtful loan of Alok Infrastructure Limited in the books of the Company is not ascertainable.

Management opinion:

Alok Infrastructure Limited, Wholly owned subsidiary has not carried out any impairment testing of investment property and therefore the correct carrying value of investment property in the financial result is unascertainable.

(4) **Auditors' Qualification:**

A mention is made in the note no. 7 regarding non-provision of trade receivables amounting to ₹89.02 crore by one of the joint ventures for the year ended March 31, 2019. Had this provision been made, the current assets and profit would have been lower by ₹89.02 crore and the net worth would have also been eroded to that extent. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty about realisation of the carrying amount of the investments as on March 31, 2020. We are unable to ascertain the consequent effect on the investments held by the company and profit for the year.

Management opinion:

The company has investments in two Joint Ventures with equity stake of 49% each (JVs). Both these JVs have incurred losses for the last three consecutive years. The auditors of one of the JVs had issued a qualified opinion regarding recoverability of trade

receivables and were of the opinion that the provision for doubtful debt should have been made for ₹89.02 crores. The non-provision for receivables has resulted in the Net Worth of the JV continuing to be positive.

The Approved Resolution Plan has provision for the Resolution Applicants to deal with the Subsidiaries, JVs and Associate Companies and since the plan was under implementation, the Resolution Applicants had confirmed that post the implementation of the Approved Resolution Plan and reconstitution of the new Board of Directors, appropriate decisions with regard to the Subsidiaries, Joint Ventures and Associate Companies shall be taken. In view of this, no provision for impairment in the value of investments has been made.

(B) **QUALIFICATION ON CONSOLIDATED REPORT:**

(1) **Auditors' Qualification:**

As per Indian Accounting Standard 36 on Impairments of Assets, the Holding Company is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However the Management of the Company has not done impairment testing for the reasons explained in note no. 6 of the Statement. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the Standalone Financial Results is not ascertainable. The audit report on the Standalone Financial Results for the year ended March 31, 2019 was

Directors' Report to the Shareholders

also qualified in respect of this matter.

Management opinion:

The Company current level of operations, at about 30% of the capacity, may not be an indication of the future performance of the Company. The approved Resolution plan for the company is yet to be fully implemented and the new management has not yet taken over. The new management is expected to set strategy and develop a business plan post which reliable projections of availability of future cash flows of the company and these supporting the carrying value of Property, Plant and Equipment will be available. Accordingly, impairment testing under Ind AS has not been performed while presenting these results.

(2) **Auditors' Qualification:**

As mentioned in note no. 9 of the Statement, the Holding Company continued to recognize deferred tax assets of ₹ 1,423.11 crores. Considering pending full implementation of Approved Resolution Plan including constitution of the new Board of Directors of holding company and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Consolidated Financial Results for the year ended March 31, 2019 was also qualified in respect of this matter.

Management opinion:

The net deferred tax assets recognised as on 31 March

2020 amounts to ₹ 1423.11 Crore (Previous Year ₹ 1423.11 Crore). The approved Resolution Plan for the company has been substantively implemented with some steps remaining, including constitution of the new Board of Directors. The new management is expected to devise strategies and develop a business plan post which reliable projections of availability of future taxable income with probable certainty will be available. Accordingly, increase in the deferred tax assets for the current period and at the Financial Year end is presently not recognised and the net deferred tax assets as at the end of the previous financial year have been carried forward.

(3) **Auditors' Qualification:**

As mentioned in the note no. 11 (c) of the Statement, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore, the adequacy of carrying value of the assets of Alok Infrastructure Limited in the consolidated financial statement is not ascertainable.

Management opinion:

Alok Infrastructure Limited, Wholly owned subsidiary has not carried out any impairment testing of investment property and therefore the correct carrying value of investment property in the financial result is unascertainable.

(4) **Auditors' Qualification:**

A mention is made in the note no. 7 regarding non-provision of trade receivables amounting to ₹89.02 crore by one of the joint ventures for the year ended March 31,

2019. Had this provision been made, the current assets and profit would have been lower by ₹89.02 crore and the net worth would have also been eroded to that extent. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty about realisation of the carrying amount of the investments as on March 31, 2020. We are unable to ascertain the consequent effect on the investments held by the company and profit for the year.

Management opinion:

The company has investments in two Joint Ventures Non-current investments (long term investments) with Equity Investments of 49% each (JVs). One of the JV has incurred losses for last three consecutive years. The auditors of one of the JV had issued a qualified opinion regarding recoverability of trade receivables and are of the opinion that the provision for doubtful debt should have made for ₹89.02 crores. The non-provision for receivables has resulted in the Net Worth of the JV continuing to be positive.

The Approved Resolution Plan has provision for the Resolution Applicants to deal with the Subsidiaries, JVs and Associate Companies and since the plan is under implementation, the Resolution Applicants have confirmed that post the implementation of the approved Resolution Plan and reconstitution of the new Board of Directors, appropriate decision with regard to the Subsidiaries and Associate Companies shall be taken. In view of this, no provision for

4. The Holding Company's Management under RP/MC is responsible for the preparation of the abridged consolidated financial statements in accordance with the first proviso to section 136(1) of the Act and proviso to rule 10 of the Companies (Accounts) Rules, 2014.
The Company's Management under the direction of RP/MC is responsible for designing, implementing and

maintaining internal control relevant to the preparation and presentation of the abridged standalone financial statements that are consistent with the audited standalone financial statements and are free from material misstatement, whether due to fraud or error; and also includes appropriate interpretation and application of the relevant provisions of the Rules and the Act.

- report on the Standalone Financial Statements for the year ended March 31, 2019 was also qualified in respect of this matter.
9. As mentioned in note no. 18 of the abridged standalone financial statements, the Company continued to recognize deferred tax assets of ₹ 1,423.11 crore. Considering pending full implementation of Approved Resolution Plan including constitution of the new Board of Directors and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Standalone Financial Statements for the year ended March 31, 2019 was also qualified in respect of this matter.
 10. As mentioned in the note no. 19 (c) of the abridged standalone financial statements, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. 11. A mention is made in the note no. 22 of the abridged standalone financial statements, regarding non-provision of trade receivables amounting to ₹89.02 crore by one of the joint ventures, for the year ended March 31, 2019. Had this provision been made, the current assets and profit would have been lower by ₹89.02 crore and the net worth would have also been eroded to that extent. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty about realisation of the carrying amount of the investments as on March 31, 2020. We are unable to ascertain the consequent effect on the investments held by the company and profit for the year.

Emphasis of Matter

12. We draw attention to Note 12 of the abridged standalone financial statements, as regards the management's evaluation of COVID-19 impact on the future performance of the company. Our opinion is not modified in respect of the above matter.

Auditor's Report on Standalone Financial Statements

To the Members of ALOK INDUSTRIES LIMITED

Report on the Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the standalone Ind AS financial statements of **ALOK INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss, Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as "Standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020 and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

1. As per Indian Accounting Standard 36 on Impairment of Assets, the Company is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However, the Management of the Company has not done impairment testing for the reasons explained in note no. 54 of the standalone financial statements. In the absence of any working for impairment of the fixed assets, as per Ind AS 36, the impact of impairment, if any, on these Standalone Financial Statements is not ascertainable. The audit report on the Standalone Financial Statements for the year ended March 31, 2019 was also qualified in respect of this matter.
2. As mentioned in note no. 40 of the standalone financial statements, the Company continued to recognize deferred tax assets of ₹ 1,423.11 crore. Considering pending full implementation of Approved Resolution Plan including constitution of the new Board of Directors and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Standalone Financial Statements for the year ended March 31, 2019 was also qualified in respect of this matter.

3. As mentioned in the note no. 41 (c) of the standalone financial statements, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore adequacy of the Provision for doubtful loan of Alok Infrastructure Limited in the books of the Company is not ascertainable.
4. A mention is made in the note no. 44 of the standalone financial statements, regarding non-provision of trade receivables amounting to ₹89.02 crore by one of the joint ventures for the year ended March 31, 2019. Had this provision been made, the current assets and profit would have been lower by ₹89.02 crore and the net worth would have also been eroded to that extent. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty about realisation of the carrying amount of the investments as on March 31, 2020. We are unable to ascertain the consequent effect on the investments held by the company and profit for the year.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to Note 34 of the Statement, as regards the management's evaluation of COVID-19 impact on the future performance of the company. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming

our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management under the direction of the Resolution Professional (RP)/ Monitoring Committee (MC) is responsible for the other information. The other information comprises the Board's Report, Report on Corporate governance but does not include the financial statements and our auditor's report thereon.

The Annual Report is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we are not expressing any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's Report, and Report on Corporate Governance, if we conclude that there is a material misstatement therein, we are required

to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements:

The Company's Management under the direction of the RP/MC is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments

Auditor's Report on Standalone Financial Statements

and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management under the direction of the RP/MC is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management under the direction of the RP/MC either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management under the direction of the RP/MC is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we

are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ALOK INDUSTRIES LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management under the direction of the RP/MC is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (The "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over

financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management under the direction of the RP/MC of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates. The Company's exposure to the risk of changes in market rates relates primarily to the Company's non-current debt obligations with floating interest rates. As at the end of the reporting period, the Company had long term variable interest rate borrowings amounting to ₹ 5110.30 Crore.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(₹ In Crore)

| Particulars | Currency | Increase / decrease in basis points | Effect on profit before tax |
|-------------|----------|--|--------------------------------|
| 31-Mar-20 | INR | 50 | 25.55 |
| | INR | -50 | (25.55) |

For the previous year ended 31st March, 2019, the Company was under NCLT proceedings and no Interest was payable, accordingly impact of interest rate sensitivity was not ascertained.

Upon implementation of the Approved Resolution Plan, the new management may decide on measures like interest rate swaps etc. to effectively manage the risk of interest rate fluctuation.

iii) Investment in Equity Price Risk

The Company is exposed to normal risks associated with equity investments. Equity investments are held for strategic rather than trading purposes. The equity investment by the company in its subsidiaries and joint ventures is not listed on the stock exchanges. During the year the company has made provision for diminution in value of its investments in subsidiary companies amounting to ₹ 10.49 Crore (Previous year ₹ 9.82 Crore).

C. Liquidity Risk:

i) Liquidity risk management

A substantive part of the Approved Resolution Plan has been implemented as highlighted in the earlier part of these Notes to Accounts. The Resolution Applicants have infused funds into the Company as per the terms of the said Plan and have also arranged for working capital funds from commercial banks. The amount disclosed in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

The Company maintains policies and procedures to value financial assets or financial liabilities using the most relevant data available. In addition, the Company as and when required, also engages independent registered valuers to assist in the valuations of certain instruments.

The fair value of the financial assets and liabilities are included at the amount at which the instrument that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- i) Fair value of security deposits have been estimated using a DCF model. The valuation requires management to make certain assumptions about interest rates, maturity period, credit risk, forecasted cash flows.
- ii) Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the company based on parameters such as interest rates, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables. As of reporting date the carrying amounts of such receivables, net of allowances are not materially different from their calculated fair values.
- iii) Carrying value of loans from banks, other noncurrent borrowings and other financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. The own non-performance risk as at reporting date was assessed to be insignificant.

The following table provides the fair value measurement hierarchy of Company's assets and liabilities grouped into Level 1 to Level 3 as described in significant accounting policies – Note 1(j). Qualified Opinion

6. In our opinion and to the best of our information and according to the explanations given to us the aforesaid abridged consolidated financial statements prepared in accordance with the first proviso to section 136(1) of the Act and proviso to rule 10 of the Companies (Accounts) Rules, 2014 which are derived from the audited consolidated financial statements of the Company for the year ended March 31, 2020, prepared in accordance with Indian Accounting Standard specified under section 133 read with the Companies (Indian Accounting Standard) Rules, 2015 of the Act and accounting principles generally accepted in India, are a fair summary of those Consolidated financial statements.
7. However, our report dated July 31, 2020 on the audited consolidated financial statements contains a Qualified Opinion, Material Uncertainty Related to Going Concern with respect to one subsidiary company, Emphasis of Matter and Other matter paragraph which may have possible effect on the functioning of the Group and on the amount disclosed in audited consolidated financial statements. The Basis of Qualified Opinion, Material Uncertainty related to Going Concern with respect to one subsidiary company, Emphasis of Matter and Other Matter paragraph are as under:

Basis for Qualified Opinion:

8. As per Indian Accounting Standard 36 on Impairments of Assets, the Holding Company is required to determine impairment in respect of fixed

assets as per the methodology prescribed under the said Standard. However, the Management of the Holding Company has not done impairment testing for the reasons explained in note no. 33 of the abridged consolidated financial statements. In the absence of any working for impairment of the fixed assets, as per Ind AS 36, the impact of impairment, if any, on the abridged consolidated financial statements is not ascertainable. The audit report on the abridged consolidated financial statements for the year ended 31st March, 2019 was also qualified in respect of this matter.

9. As mentioned in note no. 21 of the abridged consolidated financial statements, the Holding Company continued to recognize deferred tax assets of ₹ 1,423.11 crores. Considering pending full implementation of Approved Resolution Plan of the Holding Company including constitution of the new Board of Directors and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the abridged consolidated financial statements for the year ended March 31, 2019 was also qualified in respect of this matter.
10. As mentioned in the note no. 23 (c) of the abridged consolidated financial statements, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore, the adequacy of carrying value of the assets of Alok Infrastructure Limited in the consolidated financial statement is not ascertainable. The audit report on the abridged consolidated financial statements for the year ended 31st March, 2019 was also qualified in respect of this matter.
11. A mention is made in the Note no. 15(b) of the consolidated financial statements regarding non-provision of trade receivables amounting to ₹89.02 crores by one of the joint ventures for the year ended March 31, 2019. Had this provision been made, the current assets and profit would have been lower by ₹89.02 crores of the said joint venture. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty about the realisation of the carrying amount of the investments as on March 31, 2020. We are unable to ascertain the consequent effect on the investments held by the holding company and profit for the year.

12. **Emphasis of Matter**

We draw attention to Note 12 of the abridged consolidated financial statements, as regards the management's evaluation of COVID-19 impact on the future performance of the Group. Our opinion is not modified in respect of this matter.

Material Uncertainty Related to Going Concern

13. Independent Auditors of Alok Infrastructure Ltd in their audit report on Financial Statements for the year ended March 31, 2020 have incorporated in their report, Material Uncertainty Related to Going Concern paragraph, as under:

'We draw attention to note no.23 (b) of the abridged consolidated financial statements, which indicates that the Alok Infrastructure Ltd. incurred a net loss of ₹13.50 crore during the year ended March 31, 2020 and, as of that date, the Alok Infrastructure Ltd total liabilities exceeded its total assets by ₹ 933.27crore. As stated in note no. 23 (a) of the abridged consolidated financial statements, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.'

Other Matter

14. The Abridged Consolidated Financial Statements include the Unaudited Financial Statements of one subsidiary whose Ind AS Financial Statements excluding consolidation eliminations, reflect total assets of ₹217.05 crores as at March 31, 2020, total revenue of ₹35.03 crores and ₹ 162.25 crores, net loss after tax of ₹ 2.14 crores and ₹ 5.47 crores, net loss after tax of ₹ 2.14 crores and ₹ 5.47 crores, and total comprehensive income amounting to ₹(2.14) crores and ₹(5.47) crores for the quarter and year ended on that date, and Financial Statements of two joint controlled entities whose financial statements reflect Group's share of net loss is ₹ 0.22 crores and ₹0.99 crores for quarter and year ended March 31, 2020, as considered in the Abridged Consolidated Financial Statements. Our opinion, in so far as it relates to the amounts included in respect of these subsidiaries and joint control entities, is based solely on such unaudited management certified Financial Statements. Basis for Qualified Opinion

- (i) As per Indian Accounting Standard 36 on Impairments of Assets, the Holding Company is required to determine impairment in respect of fixed assets as per the methodology prescribed under the said Standard. However, the Management of the Holding Company has not done impairment testing for the reasons explained in note no. 57 of the consolidated financial statements. In the absence of any working for impairment of the fixed assets, as per Ind AS 36, the impact of impairment, if any, on the Consolidated Financial Statements is not ascertainable. The audit report on the consolidated Ind AS financial statements for the year ended 31st March, 2019 was also qualified in respect of this matter.
- (ii) As mentioned in note no. 45 of the consolidated financial statements, the Holding Company continued to recognize deferred tax assets

of ₹ 1,423.11 crores. Considering pending full implementation of Approved Resolution Plan of the Holding Company including constitution of the new Board of Directors and absence of certainty and convincing evidence for taxable income in future, as required by the Ind AS 12, we are unable to ascertain the extent to which these deferred tax assets can be utilized. The audit report on the Consolidated Financial Statements for the year ended March 31, 2019 was also qualified in respect of this matter.

- (iii) As mentioned in the note no. 47 (c) of the consolidated financial statements, the Impairment testing of the assets of the wholly owned subsidiary, Alok Infrastructure Limited is not carried out. Therefore, the adequacy of carrying value of the assets of Alok Infrastructure Limited in the consolidated financial statement is not ascertainable. - (iv) A mention is made in the Note no. 39 of the consolidated financial statements regarding non-provision of trade receivables amounting to ₹89.02 crores by one of the joint ventures for the year ended March 31, 2019. Had this provision been made, the current assets and profit would have been lower by ₹89.02 crores of the said joint venture. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty about the realisation of the carrying amount of the investments as on March 31, 2020. We are unable to ascertain the consequent effect on the investments held by the holding company and profit for the year.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and jointly controlled entities, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Financial Statements.

We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Auditor's Report on Consolidated Financial Statements

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit and that of the respective auditors of subsidiary, and jointly controlled entities in relation to companies audited by them. We and respective auditors have conducted the audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that the auditors comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and other auditors in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's, and its jointly controlled entities, incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management under the direction of the RP/MC of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur

and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020 Consolidated Ind AS financial statements of the

Holding Company, and these material weakness do not affect our opinion on the Consolidated Ind AS financial statements of the Holding Company.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to :

1. One subsidiary company which is incorporated in India is based on the report of the one of the joint auditor of the Holding Company.
2. We do not comment on the adequacy and operating effectiveness of the Internal Financial Controls over Financial Reporting of Jointly control entity companies incorporated in India, whose financial statements are unaudited and have been furnished to us by the Management.
3. The auditor of one of the jointly controlled entities i.e. New City of Bombay MFG. Mills Limited has issued a disclaimer of opinion in their previous year report dated August 08, 2019.

Our Report is not modified in respect of these matters.

12 Note on COVID 19

The World Health Organisation declared outbreak of Coronavirus Disease (COVID-19) as a global pandemic on March 11, 2020. Consequently, Government of India declared a nation-wide lockdown on March 23, 2020 and the parent Company temporarily suspended operations in all its units in compliance with the lockdown instructions issued by the Central and State Governments. The parent Company had, accordingly made a disclosure in terms of Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015. COVID-19 has impacted the normal business operations of the parent Company by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lock down of production facilities etc. during the lock-down period which was extended till May 17, 2020. However, production and supply of goods had commenced during various dates at certain manufacturing locations of the parent Company after obtaining due permissions from the appropriate government authorities during the lockdown period.

The parent Company has made detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment, intangible assets, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the parent Company reasonably expects to recover the carrying amount of these assets. The situation is dynamic and changing rapidly giving rise to uncertainty around the extent and timing of the potential future impact of the pandemic which may be different from that estimated as at the date of approval of these standalone financial statements. The parent Company will closely monitor and account for any material changes arising out of future economic conditions and impact on its business.

Notes

to the Abridged Consolidated Financial Statements for the year ended 31st March 2020

The management however believes that there may not be significant impact of Covid-19 pandemic on the financial position and performance of the parent Company, in the long-term.

- 13** As per the Approved Resolution Plan, the debt of parent company assigned to JM Financial Asset Reconstruction Company Limited does not carry any interest for the first eight years from the Closing Date.
- 14** During the year, the parent Company has incurred a net gain of ₹ 1,224.55 crore and as of 31st March 2020, the parent Company's accumulated losses amounted to ₹ 14,354.04 crore, as against the parent Company's Net worth of ₹ (12,922.18) crore as at 31st March 2019. Total liabilities of the parent Company as on 31st March 2020 exceeded total assets by ₹ 10,688.68 crore.

15 Trade Receivables

- a) As on June 2017, the parent company had an amount of ₹11,623.94/- crore receivable from trading debtors on account of sale of fabric ("Outstanding Trading Dues"). As at 31st March 2019 the parent Company had created full provision against said receivables by charging it to the statement of profit and loss in earlier years. As per the Approved Resolution Plan, if any of the trading debtors make payment towards the Outstanding Trading Dues or any person is required to contribute to the assets of the parent Company under any legal process against the Outstanding Trading Dues and has contributed the same, such amounts (net of any income tax payable by the parent Company on account of such receipt of the Outstanding Trading Dues) shall be deposited in a designated escrow account ("Escrow Account") to be opened in the name of the parent Company. Provided however, nothing contained in this clause shall oblige the Resolution Applicants or the Company to take steps for recovery of the Outstanding Trading Dues. Any information that may be required for this purpose will be furnished by the Company as per Applicable Law.

Accordingly, the company has an obligation to deposit into the escrow account any collections received out of the "Outstanding Trading Dues" or otherwise, as stated above, for the benefit of the Financial Creditors and as a result therefore, the risk and reward associated with the Outstanding Trading Dues now belong to the Financial Creditors. The company has treated these Outstanding Trading Dues and its provision accordingly in its books of accounts.

- b) During the financial year 2018-19, the auditors of one of the Joint Venture Company had issued a qualified opinion regarding recoverability of trade receivables and are of the opinion that the provision for doubtful debt should have made for ₹89.02 crores. Had this provision been made, the current assets and reserve & surplus would have been lower by ₹89.02 crores and the losses for the year would have been higher to that extent.

The parent Company maintains policies and procedures to value financial assets or financial liabilities using the most relevant data available. In addition, the parent Company as and when required, also engages independent pricing advisors to assist in corroborating the valuations of certain instruments.

The fair value of the financial assets and liabilities are included at the amount at which the instrument that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The fair value and carrying value of instrument may undergo material change on account of implementation of Approved Resolution Plan.

The following methods and assumptions were used to estimate the fair values:

- i) Fair value of security deposits have been estimated using a DCF model. The valuation requires management to make certain assumptions about interest rates, maturity period, credit risk, forecasted cash flows.
- ii) Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the company based on parameters such as interest rates, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables. As of reporting date the carrying amounts of such receivables, net of allowances are not materially different from their calculated fair values.
- iii) Carrying value of loans from banks, other noncurrent borrowings and other financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. The own non-performance risk as at reporting date was assessed to be insignificant.

Notes

to the Abridged Consolidated Financial Statements for the year ended 31st March 2020

During the year ended 31st March 2020 and 31st March 2019 there were no transfers between level 1 and level 2 fair value measurements and no transfers into and out of level 3 fair value measurement.

The management assessed that cash and cash equivalents, trade receivables, trade payables, cash credit and all other current financial assets and liabilities approximates their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- Receivables are evaluated by the company based on parameters such as interest rates and individual credit worthiness of the customer. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables.
- The fair values of the unquoted equity instruments have been estimated using a net adjusted fair value method. The valuation requires management to make certain assumptions about the assets, liabilities, investments of Investee Company. The probabilities of the various assumptions can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments based on the best information available to the Company.
- The fair value of quoted equity instruments are derived from quoted market prices in active markets.
- The Company presently has not entered into any foreign exchange forward contracts.
