Spark Minda enters into a strategic alliance with Global Japanese Player for manufacturing of Smart Vehicle Access Systems.

Noida, February, 2024: Minda Corporation Limited (referred to as “Minda Corp” or the “Company”; NSE: MINDACORP, BSE: 538962), the flagship company of Spark Minda has been awarded a significant order for a leading 2W OEM in India to manufacture Smart Key Systems.

The awarded products will be manufactured at Spark Minda's state-of-the-art facility in Pune.

The partnership is in phase 1 which is for manufacturing and underlines Spark Minda's commitment towards enabling unique and customised solutions backed by cutting-edge technology to enhance user experience and comfort.

With increasing customer expectations for product premiumization, this partnership will strengthen company’s leadership position as a future-ready organization in the area of vehicle access.

Speaking about this partnership, **Mr. Aakash Minda, Executive Director** said, This Important partnership and significant order win underlines our commitment towards “Make in India” and become a global leader in the space of vehicle access solutions. We will continue to push the boundaries further to grow our product and technology offerings.
