## Independent Auditor's Review Report on Quarterly Standalone Financial Results

To

The Resolution Professional of

Premier Limited (A Company under corporate insolvency resolution process)

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of M/s. Premier Limited ('the Company') for the quarter & half year ended 30<sup>th</sup> September, 2022 (the 'Statement') being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, as amended. This Statement is the responsibility of the Company's Management. However, as mentioned in note no. 1 to this statement, the Honorable NCLT, Mumbai Bench has admitted the petition for commencing Corporate Insolvency Resolution Process under the Insolvency & Bankruptcy Code, 2016 ('the Code') against the Company vide its order dated 29<sup>th</sup> January, 2021. Further, until the resolution is approved by the Honorable NCLT, moratorium shall continue to be in effect and accordingly, the Resolution Professional ('RP') shall continue to manage the operations of the Company on a going concern basis during the CIRP.
2. This Statement, which is the responsibility of the Company's Management and has been approved & certified by the RP on 14<sup>th</sup> November, 2022, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India and in compliance with the Regulations. Our responsibility is to express our conclusion on the Statement based on our review
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan & perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to enquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

#### 4. Basis for Qualified Conclusion

- a. *We draw your attention to the fact that the Net Worth of the Company has been completely eroded as at the half year ended 30<sup>th</sup> September, 2022. Further, the company has incurred a further loss of Rs. 755 Lakhs (excluding other comprehensive income) for the half year ended 30<sup>th</sup> September, 2022.*

*Further, the operations of the company have continued to remain suspended during the half year ended 30<sup>th</sup> September, 2022 owing to the lack of working capital available to the company as mentioned in note no. 3 to these standalone financial results.*

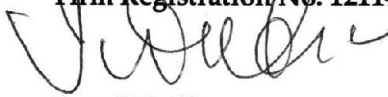

*These conditions indicate that a material uncertainty exists that may cast significant doubt on the entity's ability to continue as a going concern. Despite these circumstances, these standalone financial results have been prepared on a going concern basis.*

- b. The Company has not assessed impairment of carrying value of tangible assets, capital work in progress and intangible assets in accordance with requirements of Indian Accounting Standard 36 on "Impairment of Assets". We are unable to obtain sufficient appropriate audit evidence about the recoverable amount of the Company's tangible assets, capital work in progress and intangible assets. Consequently, we are unable to determine whether any adjustments to carrying value are necessary and consequential impacts on the statement. Further, as mentioned in note no. 2 to this Statement, the CoC has approved the resolution plan and approval petition for the same is pending before the NCLT. However, we are not privy to the terms & conditions of the approved plan as the same has not been made available to us for our perusal. Therefore, we are unable to comment as to whether any provisions are required for impairment in the value of the assets or cessation of any liabilities.*
- c. In accordance with the Insolvency and Bankruptcy Code (Code), the Resolution Professional ("RP") has to receive, collate and admit the claims submitted by the creditors as a part of Corporate Insolvency Process ("CIRP"). Such claims can be submitted to the RP till the approval of the resolution plan by the CoC. The amount of claim admitted by the RP may be different than the amount reflecting in the financial results of the Company as on 30<sup>th</sup> September, 2022. Pending final outcome of the CIRP, no adjustments have been made in these financial results for the differential amount, if any. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.*
- d. We draw your attention to the fact that updation of personnel records was carried out based on the availability of the documents, data, etc. In addition, employee dues including retirement / termination benefits were calculated based on the available data and only till the initiation of the CIRP. Moreover actuarial valuation for gratuity & privileged leave was conducted only till the nine month ending 31<sup>st</sup> December, 2020 being the quarter immediately preceding the initiation of CIRP.*
- e. As mentioned in note no. 1 to this Statement, the Company is under CIRP for the entire financial year. Under the CIRP, all the expenses incurred / payments made during the year by the Company are to be approved by the CoC. However, the relevant records such as the minutes of the CoC meetings approving the expenses / payments have not been provided to us. Therefore, we are unable to comment as to whether all the expenses incurred during the year have been approved by the CoC.*
- f. The Company has not appointed a whole time Company Secretary for a period exceeding 6 months since the resignation of the previous Company secretary as required by the provisions of Section 203 of the Companies Act, 2013 and the other relevant rules made thereunder.*
- g. The company has not appointed an internal auditor, as required under the provisions of section 138 of the Companies Act, 2013 during the period under review.*

5. Based on our review conducted as stated above, *except as stated in the Basis for Qualified Conclusion paragraph above*, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## Independent Auditor's Review Report on Quarterly Consolidated Financial Results

To  
**The Resolution Professional of  
Premier Limited (A Company under corporate insolvency resolution process)**

1. We have reviewed the accompanying statement of consolidated unaudited financial results ('the Statement') of M/s. Premier Limited ('the Holding Company') and its associate, PAL Credit & Capital Limited (the Holding Company and its associate together referred to as the "Group") for the quarter & half year ended 30<sup>th</sup> September, 2022 (the 'Statement') attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, as amended.
2. This Statement, which is the responsibility of the Holding Company's Management, has been prepared in accordance with the recognition & measurement principles laid down in Indian Accounting Standard (Ind As) 34, Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. However, as mentioned in note no. 1 to this statement, the Honorable NCLT, Mumbai Bench has admitted the petition for commencing Corporate Insolvency Resolution Process under the Insolvency & Bankruptcy Code, 2016 ('the Code') against the Holding Company vide its order dated 29<sup>th</sup> January, 2021. Further, until the resolution is approved by the Honorable NCLT, moratorium shall continue to be in effect and accordingly, the Resolution Professional ('RP') shall continue to manage the operations of the Holding Company on a going concern basis during the CIRP. These consolidated financial results have been prepared by the management of the Holding Company and certified by the RP. Our responsibility is to express our conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial & accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

#### 4. Basis for Qualified Conclusion

- a. We draw your attention to the fact that the Net Worth of the Company has been completely eroded as at the half year ended 30<sup>th</sup> September, 2022. Further, the company has incurred a further loss of Rs. 755 Lakhs (excluding other comprehensive income) for the half year ended 30<sup>th</sup> September, 2022.

Further, the operations of the company have continued to remain suspended during the half year ended 30<sup>th</sup> September, 2022 owing to the lack of working capital available to the company as mentioned in note no. 3 to these consolidated financial results.

These conditions indicate that a material uncertainty exists that may cast significant doubt on the entity's ability to continue as a going concern. Despite these circumstances, these consolidated financial results have been prepared on a going concern basis.

- b. The Company has not assessed impairment of carrying value of tangible assets, capital work in progress and intangible assets in accordance with requirements of Indian Accounting Standard 36 on "Impairment of Assets". We are unable to obtain sufficient appropriate audit evidence about the recoverable amount of the Company's tangible assets, capital work in progress and intangible assets. Consequently, we are unable to determine whether any adjustments to carrying value are necessary and consequential impacts on the statement. Further, as mentioned in note no. 2 to this Statement, the CoC has approved the resolution plan and approval petition for the same is pending before the NCLT. However, we are not privy to the terms & conditions of the approved plan as the same has not been made available to us for our perusal. Therefore, we are unable to comment as to whether any provisions are required for impairment in the value of the assets or cessation of any liabilities.
- c. In accordance with the Insolvency and Bankruptcy Code (Code), the Resolution Professional ("RP") has to receive, collate and admit the claims submitted by the creditors as a part of Corporate Insolvency Process ("CIRP"). Such claims can be submitted to the RP till the approval of the resolution plan by the CoC. The amount of claim admitted by the RP may be different than the amount reflecting in the financial results of the Company as on 30<sup>th</sup> September, 2022. Pending final outcome of the CIRP, no adjustments have been made in these financial results for the differential amount, if any. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.
- d. We draw your attention to the fact that updation of personnel records was carried out based on the availability of the documents, data, etc. In addition, employee dues including retirement / termination benefits were calculated based on the available data and only till the initiation of the CIRP. Moreover actuarial valuation for gratuity & privileged leave was conducted only till the nine month ending 31<sup>st</sup> December, 2020 being the quarter immediately preceding the initiation of CIRP.
- e. As mentioned in note no. 1 to this Statement, the Company is under CIRP for the entire financial year. Under the CIRP, all the expenses incurred / payments made during the year by the Company are to be approved by the CoC. However, the relevant records such as the minutes of the CoC meetings approving the expenses / payments have not been provided to us. Therefore, we are unable to comment as to whether all the expenses incurred during the year have been approved by the CoC.

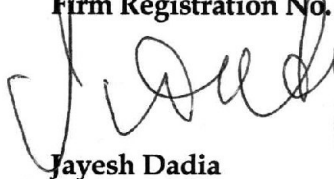

- f. *The Company has not appointed a whole time Company Secretary for a period exceeding 6 months since the resignation of the previous Company secretary as required by the provisions of Section 203 of the Companies Act, 2013 and the other relevant rules made thereunder.*
- g. *The company has not appointed an internal auditor, as required under the provisions of section 138 of the Companies Act, 2013 during the period under review.*
5. Based on our review conducted and procedures performed as stated in Paragraph 3 above and *except as stated in the Basis for Qualified Conclusion paragraph above*, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with Indian Accounting Standards and other accounting principles and policies, generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review, the interim financial results and other financial information of the associate company for the quarter & half year ended 30<sup>th</sup> September, 2022. Further, as explained to us by the management and based on our review, the associate company has not filed its annual returns with the Registrar of Companies for a period of five years and has not been operational for a substantial period of time. Therefore, the management of the Company is unable to provide the accounts of the associate for the quarter and half year ended 30<sup>th</sup> September, 2022

Moreover, the consolidated financial statements are prepared wherein the investment in associate is valued as per the Equity method in term of Ind As 28, Investment in Associates & Joint Ventures. The net worth of the associate company has been eroded and there being no carrying value of the said investment as at the year end, the Company has not recognized its share of any further losses of the associate during the year. Therefore in our opinion and according to the information & explanations given to us by the management, these financial statements & other financial information are not material to the Group.

Our Conclusion on the Statement is not modified in respect of this matter.
