Limited Review Report on Unaudited Quarterly and Year-to-date Standalone Financial Results of Sayaji Hotels Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

To,
Board of Directors of Sayaji Hotels Limited

1. We have reviewed the accompanying statement of Standalone Unaudited Financial Results of Sayaji Hotels Limited (the company) for the quarter and half year ended 30th September, 2021 ("the Statement"), being submitted by the company, pursuant to requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34, "Interim Financial Reporting" ("Ind As 34"), prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules made thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Financial Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed

- 7 Covid19 has impacted and continues to impact the business operations of the Company. It has resulted reduction in occupancy of hotels and average rate realization (ARR) per room starting from the month of March 2020.

The business was impacted in the June 2021 quarter due to restrictions imposed due to surge in covid cases. Hotels of the company were partially operational during the month of April & May 2021 wherein only accommodation facilities were operational with very low level of occupancies and F&B sale at nominal level by way of home delivery & take away. The business has slightly improved during the Sept 2021 quarter and management expects a much better recovery in business during the 2nd half of the financial year. Management has undertaken/ is undertaking various cost savings initiatives like salary reduction, rent waivers etc. which has resulted into substantial savings and better operational efficiency.

In evaluating the impact of Covid19 on its ability to continue as a going concern and the possible impact on its financial position, the company has considered internal and external sources of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expect to recover the carrying amount of the assets. The management has sufficient financing for the next 12 months to prevent disruption of the operating cash flows and to meet its obligations as they fall due.

Based on aforesaid assessment, management believes that the company will continue as a going concern and will be able to meet its obligations. The company will continue to monitor any material changes to future economic conditions and any significant impact of these conditions.

7 Covid19 has impacted and continues to impact the business operations of the Company. It has resulted reduction in occupancy of hotels and average rate realization (ARR) per room starting from the month of March 2020.

The business was impacted in the June 2021 quarter due to restrictions imposed due to surge in covid cases. Hotels of the company were partially operational during the month of April & May 2021 wherein only accommodation facilities were operational with very low level of occupancies and F&B sale at nominal level by way of home delivery & take away. The business has slightly improved during the Sept 2021 quarter and management expects a much better recovery in business during the 2nd half of the financial year. Management has undertaken/ is undertaking various cost savings initiatives like salary reduction, rent waivers etc. which has resulted into substantial savings and better operational efficiency.

In evaluating the impact of Covid19 on its ability to continue as a going concern and the possible impact on its financial position, the company has considered internal and external sources of information and has performed sensitivity analysis on the assumptions used and based on current estimates, expect to recover the carrying amount of the assets. The management has sufficient financing for the next 12 months to prevent disruption of the operating cash flows and to meet its obligations as they fall due.
