1. This statement has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on February 20, 2020
2. This statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
3. The financial results has been prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act,2013 (the Act), as applicable and guidelines issued by the Securities and Exchange Board of India (SEBI).
4. The Company is in the business of making investments in group companies, focusing on earning income through dividends, interest and gains on investment held, which is a single segment in accordance with Ind AS 108 - "Operating segment" notified pursuant to Companies (Indian Accounting Standards) Rules, 2015 as amended.
5. The main source of income of the Company is by way of dividend on investments held by it, which is generally received/accrued in the second quarter of the year.
6. Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" using modified retrospective approach. Consequently, the Company has recorded lease liability of Rs.90.92 lakhs calculated as the present value of the remaining lease payments discounted at the incremental borrowing rate. Right of use asset has been recognised at Rs. 80.22 lakhs determined at net of the amount calculated by applying the standard since the date of the commencement of lease and the resulting depreciation upto the date of adoption. The net effect of initial application of Ind AS 116 has been adjusted to retained earnings of Rs.7.73 lakhs (net of taxes) as on April 1, 2019.

Due to transition, the nature of expenses in respect of operating leases has changed from "lease rent" to "depreciation cost" and "finance cost" for the right-to-use assets and for interest accrued on lease liability respectively, and therefore these expenses for the current period are not comparable to the previous periods disclosed. The adoption of the standard did not have any material impact on the profit for the period as compared to previous periods.
7. Tax expenses for the quarter and nine months ended December 31, 2019 reflect changes made vide Taxation Laws Amendment Ordinance 2019 as applicable to the Company. Therefore effective tax rate of current quarter/year to date is not comparable to previous quarter/year to date/year ended.
8. Previous quarter/year figures have been regrouped and reclassified, wherever necessary to make them comparable with current period.
