## **3i Infotech Designated an Aspirant in Everest Group's Peak Matrix® Assessments on Cloud Services in Insurance 2023**

**Mumbai, November 03, 2023** – [3i Infotech Limited](#) (BSE: [532628](#), NSE: [3IINFOLD](#)), a global Information Technology company, committed to accelerating business transformation, was recently recognized as an 'Aspirant' in the cloud services in Insurance PEAK Matric Assessment 2023.

The recognition comes as added strength to the pathbreaking work that the company has been engaged in through its CloudFirst approach and state of the art services in the insurance sector. 3i Infotech also recently partnered with InsureMO to further its foothold and services in the insurance domain.

With combined efficiency as a Cloud First execution partner, powered by Oracle and its suite of cutting-edge services in the Insurance sector, 3i Infotech has garnered a significant position as a market 'aspirant' disruptor in the contemporary space.

Speaking on the recognition, **Thompson P. Gnanam, Managing Director, and Global Chief Executive officer, 3i Infotech said**, "What makes this mention particularly special is that it is the result of a collaborative effort between two of our practices – CloudFirst and AAA. This achievement stands as a shining example of the power of teamwork and collaboration within our organization. We are grateful at the win and look forward to continuing this momentum in all our efforts that we will deploy in the transformative journey that we are on".

3i Infotech was recognized based on the market impact that it has created in the niche industry and the vision and capability to deliver services successfully. In this Peak Matrix® Assessments on Cloud Services in Insurance 2023, 35 IT service providers were assessed for their cloud services capabilities in Insurance. In the past, the company has also been recognized for its work in the assessments on Application Automation Services 2023.
