

Independent Auditor's Review Report on the Unaudited Standalone Quarterly Financial Results and Year to date results of Company pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors
Windsor Machines Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of the WINDSOR MACHINES LIMITED ('the Company') for the quarter ended December 31, 2022 and year to date results for the period 01st April 2022 to 31st December 2022, ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Companies Act, 2013, the SEBI circular and other accounting principles generally accepted in India, and has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

- a) Note No. 5(a) to the financial results regarding inter-corporate loans given by the company amounting to Rs. 6706 lakhs in earlier year. Interest outstanding of Rs. 1031.27 Lacs for the year ended March 2020 is still outstanding. To secure the exposure, the Company has created an equitable mortgage in the year 2019-20. The company had estimated the realizable value of the securities based upon independent valuer's report dated June 30, 2020, using the effective interest rate of the company for an estimated realization period of 1.5 years from the year ended March 31, 2020. Due to the pandemic and the lockdown imposed, no major development has been possible in that accounting year. Hence the Company has decided to extend realisation period by further two years, this will have no impact on realisation value of security received. Appropriate actions have been initiated for recovery/settlement of the outstanding amount. Our conclusion is not modified in respect of this matter.
- b) Note No. 5(b) to the financial results regarding interest accrued on the inter-corporate loans given by the company in the earlier years. Based on the uncertainty of ultimate collection of further interest, the company has not accrued interest income on the said inter corporate loan (net of provision) for the quarter ended Dec 31, 2022 amounting to Rs. 231.81 Lakhs, for nine month ended Dec 31,2022 amounting to Rs. 692.51. The aggregate of interest not accrued for the period April 1, 2020 till Dec 31, 2022 amounts to Rs. 2532.25 Lakhs. Our conclusion is not modified in respect of this matter.
- c) Note No. 6(a) to the financial results regarding capital advance given by the company in earlier year in relation to development of its immovable property. In view of the pending commercial negotiation with the contractor, the company had estimated a provision of Rs. 300 Lakhs as probable compensation during the year ended March 31, 2020. However, the outcome of negotiation is dependent on final future settlement. Our conclusion is not modified in respect of this matter.
