ATUL AUTO LIMITED
ANNUAL REPORT 2019-20

Unrelenting resilience, focus and strong self-belief go into the making of something great and enduring. This year as the Automobile Industry went through a paradigm shift, we at Atul continued our steadfast journey on the persistent path to progress.

Atul has faced the industry challenges head on. Swimming against the tide, we stayed strong and our performance has been along industry performance standards. Even as the entire industry faced negative growth and we experienced rough market conditions, our resolve to strengthen internal system remained robust.

Our management team got down to work towards reviewing and redefining our systems across various verticals. We surged ahead with increased focus on the processes to enhance efficiencies, with short, medium and long term goals. We have evolved a definite road map from these continuous initiatives to integrate all the performance parameters and processes.

Our goal is to build an even smarter and more efficient business model that can compete with the best and gain more ground across regions.

Even as we deal with the unprecedented situation, we have our eyes and aim firmly set on the future. At Atul, that is not something new, we have been overcoming odds over the decades with innovations, technology and initiatives. We continue to accelerate ahead as we consistently reinvent ourselves and redefine the business for long term sustainable growth.

**This year we have upgraded our
production facilities to meet
with BS VI norms**

Chairman's Letter

Dear Shareholders,

We are in midst of unprecedented times due to spread of the COVID-19 pandemic in India and across the world. I hope that each one of you and your family members are safe and continue to adhere to the various guidelines and are taking all necessary precautions.

The global economic growth was on shaky ground this financial year 2019-20 with economic uncertainties like the US-China trade war, Brexit concerns and region-specific crises in Asia and Africa. In fact, at the rate of 2.9% in 2019 (IMF), this was the weakest pace since the global financial crisis a decade ago.

The cascading impact was also felt by the slow-down in the Automotive sector in India which registered a de-growth of 14.73 percent over the same period last year. Three wheeler industry was not an exception from this hit, witnessing a sharp decline of 9.19 % in FY 2020. Within the domestic three wheeler industry, passenger carrier de-grew by 8.28 % and goods carrier de-grew by 13.27 %.

The reason was challenges on multiple fronts – uncertainty over inventory liquidation prior to the BS-VI transition, liquidity crunch, the crisis in the non-banking finance companies (NBFC) sector, rise in third party insurance and road tax and overall weak consumer sentiments.

In spite of all this, I believe resilience and optimism are the need of the hour today.

Leveraging our Strengths

At Atul we have always looked at the long arch of growth, planning moves today to create greater leaps for tomorrow. And over the years we have built a solid foundation. Today we are among the fastest growing 3 wheeler companies, with a pan India presence.

We have emerged with vibrancy and energy as a powerful company with 3-wheeler vehicles across the entire fuel range – Petrol, Diesel, CNG, LPG and Electric. We are leveraging this large 3-wheeler brand portfolio to create a stronger presence across the country. Through planned strategies we have also expanded our reach globally.

Innovating Ahead

Atul is also engineering the engines that will chart the future of the 3-wheeler industry towards a brighter future. With strong R&D support, we are now proud to say that we have upgraded our manufacturing facilities to comply with BS VI norms.

At the same time, we are partnering the nation in realizing its goal of a zero-emission society. We believe that electric vehicles are the future of automobile sector. That's why we introduced the "Elite" range of E-vehicles. These vehicles straddle both the passenger and cargo segments and come in customizable configurations. In near future, we will launch Electric 3W powered by Lithium-ion with ongoing efforts in EV segment.

Green Field Project Expansion

We also continued to accelerate ahead in to the future with a new vision of growth and scale up our capacity and optimise production. Besides the existing world-class plants, Atul is setting up its new state-of-the-art plant at Ahmedabad. This plant will be equipped with top-of-the-line technologically advanced machineries with a production capacity of 60,000 vehicles per annum in a phased manner. This plant will add a big boost to our capabilities and empower us to take bolder leaps into the future.

While the commissioning of the project is about to complete, the decision about commencement of the commercial production will be taken once there is a sign or visibility about recovery in economy.

Bullish About Bouncing Back

Even as countries begin to restart their economies, many companies along with ours are still battling through the COVID-19 pandemic. To make sure that we emerge from this unprecedented crisis, by making the right choices for a better tomorrow.

We are bullish about bouncing back and creating opportunities out of these challenges.

At Atul we are focused on our long-term vision of delivering value to all our stakeholders including employees, shareholders, customers and society at large. We are guided by our values, our passion for innovation and the will to win.

I believe in Atul's unyielding spirit.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMY DURING FISCAL 2020

Global

Global economic growth registered @ 2.9% in 2019 (IMF), the weakest pace since the global financial crisis a decade ago. This global slowdown caused by the US-China trade war, Brexit concerns and region-specific crises in Asia and Africa. In last quarter of CY 2019, market sentiment had been boosted by tentative signs that manufacturing activity and global trade are bottoming out, a broad-based shift toward accommodative monetary policy, intermittent favorable news on US-China trade negotiations, and diminished fears of a no-deal Brexit. But later, the health crisis, put forward by COVID-19 pandemic all over the world vanished the early signs of positivity in global economy. Protecting lives and allowing health care systems to cope up to meet the challenge, required isolation, lockdowns and widespread closures to slow the spread of the virus. This unprecedented health crisis is therefore having a severe impact on economic activity.

Uncertainty became the new normal during this pandemic. IMF, in its June 2020 World Economic Outlook (WEO) projected the Global growth at (-) 4.9 percent for 2020. Growth in 2020 in the advanced economy group is projected at (-) 8.0 percent whereas it is (-) 3.0 percent for emerging market and developing economies. The COVID-19 pandemic has a more negative impact on activity in the first half of 2020 than anticipated, and the recovery is projected to be more gradual than previously forecast.

Indian

FY 2020 started off on an optimistic note with the Government receiving stronger mandate for the second successive term, which raised hopes of continuity in policy and reforms framework. However, the economy was grappling with slow macro numbers throughout the year. India's GDP had grown at 5.2% in Q1, 4.4% in Q2, 4.1% in Q3 and 3.1% in Q4 aggregating to a growth of 4.2% for the full year.

This is not only a far cry from the 8.5% growth that the government expected in July 2019 when it presented the Budget for that year, but also significantly lower than the 5% that the Second Advance Estimates suggested at the end of February earlier this year. The main reasons attributed to this sharp fall in the GDP growth rate were - contracted manufacturing activity, weakened investments, slow growth in rural income, lessened consumption demand and credit from NBFCs.

AUTO INDUSTRY

Financial Year 2019-20 was a very challenging year for the Indian auto industry. The industry could produce a total 2,63,62,282 vehicles including Passenger Vehicles, Commercial Vehicles, Three Wheelers, Two Wheelers and Quadricycles as against 3,09,14,874 in FY 2018-19, registering a de-growth of (-) 14.73 percent over the same period last year.

Whereas the industry was focused on achieving smooth and efficient transition from BS IV to BS VI on the other front, the industry had to face

with very challenging market scenario on account of overall slowdown in the economy, liquidity crunch, the crisis in the non-banking finance companies (NBFC) sector, the increase in third party insurance and road tax, and the consequent hike in the cost of acquisition, uncertainty arising out of inventory liquidation prior to the BS-VI transition, expectations of a possible GST reduction and weak consumer sentiments.

Domestic Market

Three wheeler industry was not an exception from this worst hit. Against the growth in domestic three wheeler sales of 10.27 % last year, the industry witnessed the sharp decline of 9.19 % in FY 2020. Domestic three wheeler sales during FY 2020 was 6,36,569 vehicles in compare to 7,01,005 vehicles in FY 2019. Within the domestic three wheeler industry, passenger carrier de-grew by 8.28 % and goods carrier de-grew by 13.27 %.

The pattern of quarterly outcomes of three wheeler domestic sales during FY 2020 remained uneven. Q1 and Q2 numbers showed de-growth of 7.3 % and 6.1 % respectively, whereas Q3 performed positively with growth of 5.7 percent. In the last quarter on account of limited primary billings the volume was deep by 28.0 %. OEM had a cautious stand and intending that dealer should liquidate its BS IV inventory to avoid issues of registration subsequently.

In this challenging industry situation, Atul sold 40,711 three wheelers in domestic market in FY 2020 against 44,513 units last year. Among this, the sales of passenger and cargo three wheelers de-grew by 6.6 % and 11.8 % respectively whereas E-Rickshaw sales grew by 17.21%.

International Market

The international market for three wheeler industry showed de-growth of 11.54 % in FY 2020. Indian exports of three wheeler decreased from 5,67,683 in FY 2019 to 5,02,169 in FY 2020. This downfall was on account of global growth decelerated markedly in FY 2020 with continued weakness in global trade and investment. Not only advanced economies, but Emerging Markets and Developing Economies also felt the jerk, which are the potential markets for three wheeler industry.

Atul's export declined sharply from 5536 vehicles in FY 2019 to 3367 vehicles in FY 2020. This de-growth of 39.18 % is due to weak international market and foreign exchange issues in the countries where the Company has substantial share, it further deteriorated economic activities in international market due to COVID-19 in last quarter of the year. The Company continues its efforts to grow on-ground presence, to expand product portfolio and strengthen brand in key international markets.

RESEARCH AND DEVELOPMENT

The year was very busy for Research and Development Activities of the Company as the transition from BS IV to BS VI emission norms are to be carried out before its implementation date i.e. April 01, 2020 and on other hand, development activities are running in full swing to grab the business opportunities in e-vehicle. The Company has strong

foundation and long tradition of R&D which differentiates it from others. New products, processes and benefits flow from work done in various areas of product development and up gradation in existing product/s. With modern facilities and technology culture, we attract the best talent to provide a significant technology differentiation to its products and processes.

BS VI Compliant Vehicles

BS-VI in 2020 is leapfrog not only because India is skipping BS-V standards. It is leapfrog because of several fundamental shifts in approaches to emissions control, monitoring and compliance that are becoming possible for real cuts in emissions. The Company could successfully carry out transition from BS IV to BS VI emission norm before the date of its implementation i.e. April 01, 2020.

Alternate Fuel 3W

The Company has been moving steadily into Alternate Fuel 3W (Petrol/ CNG/ LPG) space. As part of Company's commitment to make constant

embellishments in its Alternate Fuel 3W space, the Company is almost ready with its new range of Alternate Fuel 3W. Very soon, with launch of the stylish model, the customer will get best in class comfort and economy in 0.35 ton passenger segment.

Electric Vehicles (EV)

Backed with the rich experience in the three wheeler industry, the Company understands the need of the day, value of environment and importance of sustainability. The Board considers the introduction of Green 3Wheeler a new era for the industry as well as for the Company. To encourage faster adoption of electric and hybrid vehicle by way of offering upfront incentive on purchase of EVs, the Government has announced the FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) policy. The Government as well as the Company has been making necessary investments into EV space. All together new model with upgraded features is under development to be powered with Lithium-ion Battery, which will be able to compete conventional 3 wheelers and will carry distinct advantages like low operating cost, less charging time and comfort for passengers.

OPPORTUNITIES AND THREATS

The whole automobile industry has been transforming towards greater safety and greener environment. Considering the importance of automobile industry to the economy, its potential for generating employment opportunities and its backward and forward linkage with several sectors, the Government is keen to support its development.

FY 2020 was the difficult year for the auto industry and FY 2021 seems more challenging one due to lockdowns and uncertainties arising from COVID-19. The COVID-19 pandemic is causing paradigm shifts in consumer behaviour affecting many industries including the automobile Industry. Social distancing norms followed across the globe due to COVID-19, could become the new normal. People may move away from use of shared/ public transport solutions. This changed preference would lead to enhanced need for a separate mobility solution like three wheeler automobiles than travelling by local train/ buses.

The Government is actively pursuing the plan for electrification of the vehicle fleet and has announced the FAME II (Faster Adoption and Manufacturing of Hybrid & Electric Vehicles) policy. The industry is gearing up for meeting this challenge on the technology and product fronts. Having required technology support and R&D strength, the Company is satisfactorily progressing to have electric three wheeler with Lithium-ion battery.

With new range of Alternate Fuel 3W (Petrol/ CNG/ LPG) and recovery of economic activities in the world amongst COVID-19 pandemic, the Company expect to have deeper penetration in existing markets and entering into new countries to expand the international business.

RISKS AND CONCERNS

Uncertainty that rules the whole world in this health crisis put by COVID-19. Though the Company's business is exposed to many internal and external risks, the risk posed by COVID-19 is so heavier that the Company as well as industry is strategically finding the ways to mitigate adverse results of it.

The nation-wide lockdown that began in the last week of March 2020 extended over first quarter of 2020-21 to contain the spread of corona virus stand still the economic activities in the Country. This resulted in very insignificant business in first quarter of the year which has a risk of negative growth in FY 2021, may be lowest performance of last many years.

The hit of COVID-19 on low income group families are very severe who are the actual buyer of three wheeler automobiles. They are more worried on satisfying their day to day needs. This may lead them to conserve cash and may delay their buying decisions of new vehicle.

Suppliers are facing working capital issues with additional challenges of labour availability, limited working hours, compliance to government guidelines on containment of COVID-19 etc. Some supplier's operations are interrupted falling into micro containment zone. This possesses the risk of intermittent supply for short to medium term. With the robust purchase planning and working capital availability, the Company is in the position to manage the smooth availability of supplies.

Dealers of the Company are facing working capital stress since the cycle of retail sales are increased due to demand constraint. The Company provides the necessary support and consultation to secure the availability of dealer finance and minimize the risk. The results of measures taken by Government and RBI for enhancing availability of credit may help the dealers in managing working capital.

While more than 90% sales of three wheelers are dependent on finance by NBFCs & financial institutes like bank etc., the availability of retail finance has become the major concern. Right from the lockdown was declared in the last fortnight of March 2020, the collection cycle has been disturbed. Financiers are having apprehensions about funding the new vehicles as they need to fund higher amount per vehicle due to increase in price of BS VI vehicles in compare to BS IV vehicles. On the other hand, the collection of existing loans by financiers is very insignificant due to moratorium announced by RBI as part of measures to revive the business activities in COVID-19 pandemic. The Financiers have taken very conservative stand. This would result in higher cost of finance in the form of higher interest rate to the customers and less availability of the loans.

The Company has initiated various measures to mitigate the above risks including realigning the cost structure in line with the scale of activities, limited credit sales etc., With existing expertise-experience in the three wheeler business, robust management, minimum debt, sufficient finance availability, the Company is equipped to pass through the challenging year.

OUTLOOK

With India's GDP of 4.2 percent in FY 2020, the lowest of last decade, the economy would confront with unforeseen challenges. The business operations of the Company in FY 2020 remained in line with industry performance or somehow above the industry performance. The attempts of the Company towards consolidating the business during FY 2020 would help the Company towards strategizing the operations during COVID-19 pandemic.

With Social Distancing and Work From Home (WFH) - a new normal, automobile industry as a whole would see substantial changes and negative impact on the business in coming year. As no part of the world is unaffected from COVID-19, international trade is not an exemption, too. The medium to long term outlook of the automobile industry seems positive with expectation of double digit CAGR growth during 2016-2026 as per Automotive Mission Plan 2026 (AMP 2026).

Towards the endeavour to grow the business, the following factors will significantly impact in FY 2021:

- ◆ Policy measures of Central and State/ Local Government
- ◆ Availability of dealer and retail finance
- ◆ Demand from rural economy which is driven by agricultural income which is less impacted in compare to manufacturing income in COVID-19 pandemic and expectation of normal monsoon
- ◆ Capabilities of R&D in the space of EV

As the uncertainty prevails in this extra-ordinary time, it is difficult to predict the performance of the industry or the Company for upcoming year/s. NOTES:

1. In view of the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") vide circular no. 20/2020 dated May 05, 2020 read with circular No. 14/2020 dated April 08, 2020 and circular No. 17/2020 dated April 13, 2020 (collectively referred to as 'MCA Circulars'), inter alia, permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC") or through Other Audio-Visual Means ("OAVM"), without the physical presence of the Members at a common venue. Considering social distancing as a pre-requisite to contain spread of COVID-19 and in compliance with the provisions of the above MCA Circulars, the Companies Act, 2013 ("Act"), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM on InstaMEET platform of Link Intime India Private Limited ("Link Intime") for which detailed instructions are annexed to this Notice. Members attending the AGM through VC/OVAM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
2. In compliance with the provisions of Section 108 of the Companies Act, 2013, Rules issued thereunder and the SEBI Listing Regulations, 2015, the business may be transacted through electronic voting system and the Company is providing facility for voting by electronic means ("e-voting") to its members through InstaVOTE, e-voting platform provided by Link Intime. The person whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on

closing of September 22, 2020 i.e. cut-off date only shall be entitled to avail the facility of remote e-voting. The members may cast their votes on electronic voting system from place other than the venue of the meeting ("remote e-voting"). The Members attending AGM through VC/ OAVM who have not cast their vote by remote e-voting shall be eligible to vote through the same system during AGM till 15 minutes after the AGM is over. The detailed instructions for e-voting (including remote e-voting) are annexed to this notice.

The remote e-voting period will commence at 9.00 AM (IST) on Saturday, September 26, 2020 and will end at 5.00 PM (IST) on Monday, September 28, 2020. The remote e-voting module shall be disabled by Link Intime for voting thereafter.

3. The deemed venue for thirty second AGM shall be the registered office of the Company for all secretarial compliance and other purpose.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Corporate/Institutional Members are entitled to appoint authorised representatives to attend the AGM through VC/OAVM on their behalf and cast their votes through remote e-voting or at the AGM. Corporate/ Institutional Members intending to authorize their representatives to participate and vote at the Meeting are requested to upload necessary documents as per instructions for remote e-voting.
6. Members of the Company under the category of Institutional Shareholders are encouraged to attend and participate in the AGM through VC/OAVM and vote thereat.
7. Since the AGM will be held through VC / OAVM, the Route Map of the AGM venue is not annexed to this Notice.
8. The Board of Directors at its meeting held on August 25, 2020 has decided that the special businesses set out under item no. 3 and 4, being considered unavoidable by the Board of Directors of the Company, be transacted at AGM of the Company. The relative explanatory statement, pursuant to Section 102 of the Companies Act, 2013 in respect of these items is annexed hereto.
9. A statement giving additional details of the Directors seeking appointment /re-appointment at this AGM as set out at Item No. 2, 3 and 4 of this Notice are annexed herewith as required under Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India.

FINANCIAL REVIEW AND HIGHLIGHTS

Though the Company could not maintain its performance during the financial year 2019-20 in compare to previous financial year, the performance of the company was in line with industry. The highlights of the Company's financial performance on Standalone basis for the year ended March 31, 2020 are as under:

- The Company sold 44,082 vehicles in FY 2019-20 in compare to 50,049 in previous year. Thus, sale of the Company declined by 11.92%.
- The Company has achieved turnover of Rs.61,751 Lacs in FY 2019-20.
- Revenue from operations declined by 6.21% to Rs.62,534 Lacs in FY 2019-20 (Previous year Rs.66,676 Lacs)
- Export revenue of the Company remained Rs.4,048 Lacs (Previous year Rs.6,405 Lacs)
- PBDIT of the Company remained Rs.7,446 Lacs (Previous year Rs.8,835 Lacs), declined by 15.72%

(Corporate Social Responsibility Policy) Rules, 2014]

1. A brief outline of the Company's CSR Policy including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR Policy and projects

The guiding principle behind our approach to see Corporate Social Responsibility is "Together We Grow". Through the CSR initiatives, the Company strives to provide equitable opportunities for sustainable growth, thereby aligning with our goal to build Atul Auto into an organization which maximizes Stakeholder Value. The Company engages in activities whereby business further contributes to make a positive and distinguishing impact on the environment, customers, employees, suppliers, and Society at large.

Our CSR Policy focuses on Education, Health, Promotion of National Culture, Environment Sustainability and Eradicating Hunger and Poverty.

Education

In the area of education, the Company continues to focus on providing good infrastructure and equipment of learning whereby creating the platform to grow. The Company aims at making a positive impact on society through educational development directly and through its partners.

Health

With the growing population, sanitation and healthcare have become central to India's development agenda. By directing resources towards access to healthcare and hygiene, we look to support interventions that include Primary Healthcare Support, Free Medical Camps for Rural Communities, Setting up of Rehabilitation Centres, Yoga Centres, Development of Hospitals, Provision of Mobile Medical Units and Ambulances, providing access to Safe Drinking Water, healthcare support through Localized Medical Camps, etc.

Promotion to Culture/ Art

Arts and culture do not only form our frames of reference, our ways of thinking and our relationships to the past, the present and the future but form also the pivot upon which humankind's development revolves. The Company contributes to setting up of handikrafts units, award ceremony which encourages people for promotion of their art and culture.

Environmental Sustainability

Environmental sustainability has now turned into the key issues for corporate economic growth, environmental management and community development. Ignoring environmental problems can lead to degradation and depletion of natural resources which could prove detrimental to both the corporate sector business and the society. The Company put their attempts to plant more and more tree nearby its vicinity and cleanliness.

Eradicating Hunger and Poverty

India is the fastest growing large economy in the world today. Despite this, one in every five Indians is poor. The first consequence of being poor is hunger. The Company has aim to minimize hunger and poverty at best possible level. The Company's activities include distribution of free meals and other household things to poor people mostly children and women. It also includes support in disaster preparedness and rehabilitation activities like Reconstruction efforts through retrofitting, improvements, shelter construction and distribution of foods, clothes etc.

Measures for the benefit of war widows and their dependents

Given its size, geo-strategic location and potential to grow as a super power economy, India has to protect itself from cross border attacks, terrorism and infiltration. The forces are very much active and supportive in every other adversity be it disaster, floods, earthquakes, cyclones or rescue operations. The Company explores various avenues to support and honour the supreme sacrifice made by the armed forces and their families to the country by caring for the widows and dependents of armed forces.

The Company belongs to the Saurashtra Region of Gujarat State. Saurashtra region comprises eleven districts of the state, Rajkot district is one of them where the Company is situated. The Company gives priority to this Saurashtra Region for CSR Expenditure.

APPOINTMENT/ RE-APPOINTMENT OF DIRECTORS & TENURE

The Directors of the Company are appointed / re-appointed by the Board after considering the recommendations of the Nomination and Remuneration Committee, results of performance evaluation. All Directors, except Independent Directors of the Company, are liable to retire by rotation at the AGM each year and, if eligible, offer themselves for re- appointment. The Executive Directors on the Board have been appointed as per the provisions of the Companies Act, 2013 and serve in accordance with the terms of their contract of service with the Company.

Pursuant to section 152(6) of the Companies Act, 2013, the term of office of Mr. Vijay K Kedia is liable to retire by rotation. Being eligible, he offers himself for reappointment. This has been put up as one of the agenda items in the Notice of ensuing Annual General Meeting for the voting by shareholders.

During financial year 2019-20, Mr. Hakubhai Lalakiya, Mr. Hasmukhbhai Adhvaryoo and Mr. Hemantkumar Bhatt ceased from Directorship of the Company on account of expiry of their term as Independent Director or in compliance with regulation 17(1A) of the SEBI Listing Regulations. To fill these casual vacancies, the Board, on the recommendations of Nomination and Remuneration Committee, appointed Mr. Mohanjit Singh Walia and Dr. Jaichander Swaminathan as Additional Independent Directors with effect from August 10, 2019 and August 26, 2019 respectively. The office of three additional Independent Directors namely Ms. Aarti J Juneja, Mr. Mohanjit Singh Walia and Dr. Jaichander Swaminathan have been regularized with approval of shareholders at Thirty First Annual General Meeting (AGM) of Members held on September 30, 2019.

The terms of Dr. Margie S Parikh, Independent Director of the Company expires on August 30, 2020. To fill the vacancy, Nomination and Remuneration Committee of the Company had been hunting for the

right candidate. The Board of Directors in his Meeting Dated August 25, 2020, on the recommendation of Nomination and Remuneration Committee, appointed Mr. Vijay Kumar Goel (DIN: 05014980), as Additional Independent Director of the Company with effect from August 25, 2020. The Additional Independent Director shall hold the office till the upcoming AGM. With recommendation of Nomination and Remuneration Committee, the Board has recommended the regularization of office of Mr. Vijay Kumar Goel (DIN: 05014980) as Independent Director in ensuing AGM for approval of shareholder. The Company has, in terms of Section 160(1) of the Act, received in writing a notice from Member, proposing his candidature for the office of Independent Director. His brief profile is annexed to the notice of AGM.

In accordance with the provisions of Regulation 26(5) and 26(6) of the Listing Regulations, the Key Managerial Personnel, Director(s) and Promoter(s) of the Company have affirmed that they have not entered into any agreement for themselves or on behalf of any other person, with any shareholder or any other third party with regard to compensation or profit sharing in connection with dealings in the securities of the Company.

BOARD MEETINGS

The Board meets at regular intervals to discuss and decide on business policy and strategy apart from other Board businesses. The tentative date of the Board and Committee Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions by circulation, as permitted by law, which are noted and confirmed in the subsequent Board Meetings.

Seven Board Meetings were held during the year. The details of attendance of the Directors are given below:

In addition, detailed quarterly performance report by CFO/ President - Finance is presented in the quarterly Board meeting, encompassing all facets of the Company's operations during the quarter, including update of key projects, outlook and matters relating to environment, health & safety, corporate social responsibility etc. The Company provides the information as set out in Regulation 17 read with Part-A of Schedule II of Listing Regulations to the Board and the Board Committees to the extent it is applicable and relevant. The Board periodically reviews compliance reports of all laws applicable to the Company, as well as steps taken by the Company to rectify instances of non-compliances.

The Company Secretary attends the Board and Committee meetings and advises the Board on Compliances with applicable laws and governance. The important decisions taken at the Board/ Committee meetings are communicated to the concerned departments/ divisions. The draft minutes of the Board and its Committees are sent to the members for their comments and then the minutes are entered in the minute book within the time period provided in the Secretarial Standard.

SEPARATE INDEPENDENT DIRECTORS' MEETINGS

In compliance with Schedule IV to the Companies Act, 2013 and regulation 25(3) of the SEBI Listing Regulations, the Independent Directors meet at least once in a year, without the presence of Executive Directors or Management representatives. During the financial year ended March 31, 2020, the Independent Directors met on February 13, 2020. All Independent Directors were present in the meeting. They review the performance of non-Independent Directors and the Board as a whole and the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non- Executive Directors. They have also assessed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

In addition to this formal meeting, interactions outside the Board meetings also take place between the Chairman and Independent Directors.

FAMILIARISATION PROGRAMME

At the time of appointing a Director, a formal letter of appointment is given to him/ her, which inter alia explains the role, function, duties and responsibilities expected of him/ her as a Director of the Company. The Director is also explained in detail the Compliance required from him/her under the Companies Act, 2013, SEBI Listing Regulations and other various statutes and an affirmation is obtained. The Chairman and Managing Director also has one to one discussion with the newly appointed Director to familiarize him/ her with the Company's operations.

On an ongoing basis, the familiarization activities are done in the separate session on the day of meeting of board of directors, preferably after the completion of the meetings. Three such sessions around two hours each have been held during the year. The sessions have been conducted by Mr. Paras Viramgama, Company Secretary, Mr. J V Adhia, President - Finance and Mr. Neeraj J Chandra, Whole-time Director of

the Company. All Independent Directors have attended the same.

The details of familiarization programme have been posted on the website of the Company and can be accessed through the following link: <https://atulauto.co.in/corporate-governance-reports.aspx>

PERFORMANCE EVALUATION

Independent Auditors' Report

on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

To the Members of Atul Auto Limited

Opinion

We have audited the accompanying Ind AS Standalone financial statements of ATUL AUTO LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss which also includes Other Comprehensive Income and Cash Flow Statement and the statement of Changes in Equity for the year ended, and notes to financial statements including summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Standalone Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We would like to draw your attention to Note No. 38 of the Standalone Financial Statements which states the management's estimation of impact of COVID-19 on financial statements of the company for the year ended March 31, 2020.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the standalone financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Sr. No.	Key Audit Matters	How our audit addressed the key audit matter
1. Revenue Recognition		
	<p>Company's revenue is primarily derived from sale of three wheelers vehicles through dealership channels, in Domestic & International Market.</p> <p>We focused on existence and appropriate recognition of revenue as a key audit matters as it is key contributor to the determination of profit</p> <p>Refer Notes 1.2 of Significant accounting policies and Note 20 to Standalone Financial Statements</p>	<p>Our testing of revenue transactions focused on evidencing that the underlying transactions had occurred in the period.</p> <p>Our procedure included:</p> <ul style="list-style-type: none"> • We developed an understanding of the systems, controls and processes associated the recording of sales transactions. • We analysed the Company accounting policies for revenue recognition, including the criteria for revenue recognition and sales incentives classification. • We analysed the terms of dealer agreements also covering rewards related to sales incentives. • Test of detail to confirm the existence of revenue by agreeing the sample of revenue transaction to supporting documentation. • Where delayed delivery was identified we considered whether the company had transferred the inventory risk to the customer before the date of audit report.
2. Impact of COVID-19 on the Company's financial statements		
	<p>Coronavirus disease 2019 ('COVID-19'), was declared a global pandemic by World Health Organisation.</p> <p>In line with the directions on lockdown issued by the Government of India, the Company temporarily suspended the operations of its manufacturing units from 25 March 2020 till 31 March 2020; and subsequently up to further dates as instructed by the State Governments.</p> <p>COVID-19 has resulted in restriction in movement of goods</p> <p>during the period from 25 March 2020 till 31 March 2020 impacting normal business operations for the Company including revenues, receivables, purchases including services and inventories at the year-end and hence considered key audit matter</p> <p>Refer Note 38 to Standalone Financial Statements</p>	<p>We have performed the following procedures to assess and evaluate the impact on financial statements because of business decisions, government actions or economic environment developments:</p> <ul style="list-style-type: none"> • Performed cut-off procedures for a larger sample of invoices during the lockdown period for both domestic as well as export sales. • Enquired with the Company on the manner of financial support (if any) provided to the dealers, vendors and service providers; and their recognition in the financial statements. • Enquired with the Company on any information on the liquidity position of any dealers; and ascertained the need for any additional provisioning for impairment/credit loss in the financial statements. • We assessed the disclosures on COVID-19 made in the financial statements. • Our ability to perform regular audit procedures has been impacted which has required us in certain cases to perform alternative audit procedures and exercise significant judgment in respect of the following: <ul style="list-style-type: none"> ♦ Audit and quality control procedures which were earlier performed in person could not be performed; and hence alternative procedures have been performed based on inquiries (through phone calls, video calls and e-mail communications) and review of scanned documentation sent through e-mails, followed up with sighting with original documents. ♦ Year-end inventory observation of inventory counts could not be performed. However, inventory counts were observed subsequent to year-end; and rolled back to year-end.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, we have nothing to report in this matter.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation and presentation of these standalone Ind AS financial statement to give a true and fair view of the financial position, financial performance which includes other comprehensive income, statement of cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, ("Ind AS") as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also

responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore reported as key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls for financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

We have audited the internal financial control over financial reporting of ATUL AUTO LIMITED ('the company') as of 31st March, 2020 in conjunction with our audit of the standalone Ind AS financial statement of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the company in terms of volume & capital expenditure either separate audit division or an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended March 31, 2020

Background

Atul Auto Limited (the company) is a public company domiciled in India and situated at Shapar(Gujarat), incorporated on June 18, 1986. Its shares are listed on two stock exchanges in India - BSE Limited and National Stock Exchange of India Limited. The Company manufactures and sales Auto Rickshaws in domestic and overseas market.

The standalone financial statements were approved for issue in accordance with a resolution of the Board of Directors of the Company on June 27, 2020.

1 Basis of Preparation

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

The financial statements are presented in ₹, which is also the Company's functional currency and all values are rounded to the nearest lacs (₹ ,00,000), except when otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Summary of Significant Accounting Policies followed by the Company

1.1 System of Accounting

- (A) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties. This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Use of Estimates, Judgement & Assumptions

- (B) Estimates, judgement and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be

different than those originally assessed. Detailed information about each of these estimates and judgement is included in relevant notes together with information about basis of calculation for each affected line item in the financial statement.

- (i) Provision for warranty claims
- (ii) Valuation of employee benefits
- (iii) Provision for tax expenses
- (iv) Provision for expected credit loss
- (v) Provision for after sales activities

Estimates and judgement are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

(C) Estimation of uncertainties relating to the global pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, and investment in associate. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports, economic forecasts and related information. Based on current estimates The company expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

1.2 Revenue Recognition

(A) Sales

- (i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue is presented exclusive of Goods & Services tax. Post the applicability of GST with effect from July 01, 2017, Sales are required to be disclosed net of GST. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.
- (ii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer. The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period.
- (iii) Export sales are recognised on the date of the shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.
- (iv) Sale of Products:

The Company earns revenue primarily from sale of automotive vehicles, parts and accessories.

Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component.

The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations. The nature of contracts of the Company are such that no material part performance obligations would remain unfulfilled at the end of any accounting period

"The Company provides warranties for general repairs of defects as per terms of the contract with ultimate customers.

These warranties are considered as assurance type warranties and are accounted for under Ind AS 37- Provisions, Contingent Liabilities and Contingent Assets Refer Note 16."

Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the goods, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.

The Company, on behalf of its customers (dealers and distributors), dispatch the goods to agreed locations for an agreed fee. The Company has determined that the performance obligation of the Company is to arrange for those goods and services (Company is an agent) to the dealers and hence the amount charged to the customer offset by freight charges paid to the freight service providers is shown as revenue and disclosed as other operating income or other operating expenses, depending upon the results of the offsetting.

(B) **Export Incentives**

(i) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.

(C) **Other Income**

The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

1.3 **Property, Plant and Equipment and Depreciation**

(A) Capital work in process, Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and impairment thereon if any. Freehold land is carried at cost of acquisition. Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.

(B) Costs incurred to manufacture property, plant and equipment and intangible are charged to particular property plant & equipment. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic

benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

(C) Land and buildings acquired/constructed, not intended to be used in the operations of the Company and held for earning long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, are categorised as investment property.

(D) Assets in the course of construction are capitalised in the assets under construction account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences. Costs associated with the commissioning of an asset are capitalised where the asset is available for use but incapable of operating at normal levels until a year of commissioning has been completed.

(E) **Depreciation and Amortisation methods, estimated useful lives and residual value**

On Tangible Assets

(i) Depreciation is provided on a pro rata basis on the straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.

(ii) Useful life of assets are determined by the Management by internal technical assessments and such useful life is in conformity with Schedule - II of companies act. Depreciation on additions is being provided on pro rata basis from the month of such additions.

(iii) Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.

The property taken under operating lease is depreciated over the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

(F) **Impairment of Assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units).

1.4 **Intangible Assets**

Product Development Cost

Product Development Cost incurred on new vehicles platforms, variants on existing platforms and new vehicles aggregates are recognized as intangible assets and are included under fixed assets. These amounts are amortized over sixty months from the commencement of commercial production.

SAP Implementation Charges

Expenses incurred for implementation of SAP are recognized as intangible assets and are included under fixed assets. The amounts are amortized over sixty months from the implementation of SAP.

1.5 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Depreciation on investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the Management, corresponds to those prescribed in Part 'C' Schedule II of companies act.

1.6 Investments, Financial Assets and Financial Liability

(A) Investment in Associate

Interest in Associate is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(B) Investment in Subsidiary

Interest in Subsidiary is recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments. The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

(C) Other Investments and Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- * Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.
- * The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value.

Fair value through Profit or Loss: Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds.

(iii) Impairment of Financial Assets

The Company assesses on a forward looking basis the expected

credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

(iv) Derecognition of Financial Assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

(v) Income Recognition

Dividend

Company recognises dividend in the statement of profit & loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company and the amount of the dividend can be measured reliably.

Interest Income

Interest income from fixed deposits, corporate guarantee and from dealers outstanding are recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(D) Financial Liability

(i) Classification as Debt or Equity

Debt and equity instruments issued by the Company are classified either as financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

(ii) Initial Recognition and Measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

(iii) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Trade and Other Payable

These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as current liabilities if payment is due within one year or less

otherwise they are presented as non-current liabilities. Trade and payables are subsequently measured at amortised cost using the effective interest rate method.

Derecognition

Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Liability is classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.7 Foreign Currency Transactions

- (i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (₹), which is Company's functional and presentation currency.
- (ii) On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction.
- (iii) Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss.

1.8 Inventories

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

Finished stocks of vehicles are valued at cost of manufacturing or net realisable value whichever is lower.

Raw materials, Stores, Packing Materials, tools and components are valued at cost arrived at on simple average basis or net realisable value, whichever is lower, as circumstances demand. However, obsolete and slow moving

items are valued at cost or estimated realisable value whichever is lower.

Goods in transit are stated at actual cost incurred up to the date of Balance Sheet.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

1.9 Research & Development Expenditure

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

1.10 Taxation

Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred taxes are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.11 Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.12 Operating lease including on Investment Properties

As a Lessor

"The company has leased out its assets and such leases where the company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the statement of profit & loss on a straight line basis over the lease term in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the statement of profit & loss in the period in which they are incurred.

Under operating lease, the asset is capitalised within property

plant & equipment and depreciated over its useful economic life. Therefore, Ind AS 116 does not have an impact for leases where the company is the lessor."

As a Lessee

"Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease. The Company's lease asset primarily consists of Building. The company assesses whether a contract contains a lease, at inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset."

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases), and lease contract for which the underlying asset is of low value (low-value assets). For these short-term, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

"The right-of-use assets are initially recognised at cost, which comprises the initial measurement of the lease liability adjusted plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate of cost of capital. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made."

"In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable."

Transition

"Effective from April 1, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental cost of capital and the ROU asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental cost of capital at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31,

2019.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of 112 lakhs, and a lease liability of 112 lakhs. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments. Lease liability and ROU asset have been separately presented in the Balance Sheet."

1.13 Government Grants

"Grants and subsidies from the government are recognized when there is reasonable assurance that " (i) the company will comply with the conditions attached to them, and (ii) the grant/subsidy will be received.

"When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and transfer to income in equal amounts over the expected useful life of the related asset."

Where the company receives non-monetary grants, the asset is accounted for on the basis of its acquisition cost. In case a non-monetary asset is given free of cost, it is recognized at a nominal value.

1.14 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.15 Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, balance with banks.

1.16 Employee benefits

Employee benefits include salaries, wages, contribution to provident fund, gratuity, leave encashment towards un-availed leave, compensated absences, and other terminal benefits.

(A) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy and Debt fund of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability based on an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

Remeasurements, comprising of actuarial gains and losses, the

effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

- (B) Provident fund contributions are made to Company's Provident Fund . The contributions are accounted for as defined benefit plans and the contributions are recognised as employee benefit expense when they are due.
- (C) Defined contribution to superannuation fund is being made as per the scheme of the Company and recognised as expense as and when due.

1.17 Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted

average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.18 Segment Reporting

The company is engaged mainly in the business of automobile products. These, in the context of Indian Accounting Standard 108 on Operating Segment, as specified in the Companies (Indian Accounting Standards) Rules, 2015, are considered to constitute one single primary segment. Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker.

(v) Estimation of Fair Value

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are cancellable, the market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by the valuer vide report dated 27th June, 2017 and consequently classified as a level 2 valuation.

Note - 35 Employee Benefits**(a) Gratuity**

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy of the Life Insurance Corporation of India (LIC). However, any deficit in plan assets managed by LIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Sensitivity Analysis

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

(b) Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

(ii) Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair value of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed the Indian accounting standards. Explanation of each level as follows :-

Level - 1 Hierarchy includes financial instruments measured using quoted price. This includes mutual funds & listed equity shares that have quoted price. The mutual funds are valued using the closing NAV.

Level - 2 The fair value of financial instruments that are not traded in an active market (for example trade bond, over-the-counter derivatives) is determined using valuation technique which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value of instrument are observable, the instrument is included in Level-2.

Level - 3 If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

Financial Assets Measured at Fair Value Measurements Recurring:-

Level - II	-	-
Level - III	-	-
Total -	946	

Valuation Techniques Used to Determine Fair Value :-

Open ended Mutual funds are valued at closing NAVs declared by its Assets Management Companies .

Fair Value of Financial Assets and Liabilities Measured at Amortised Cost :-

The carrying amounts of trade receivables, trade payable, other financial assets/liabilities, loans and cash & cash equivalents are considered to be the same as their fair values.

The company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Ageing analysis/ Credit Rating	Analysis of no. of overdue days and track record of debtors. Levy of interest on overdue balances of trade receivables.
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cashequivalents and marketable investments.
Market Risk- Foreign Exchange	Trade receivable from export transaction and trade payable for import transaction	Sensitivity analysis	Export of goods shall be made after receiving payments from customer and in other case original Bill of landing is held by company till payment received.

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk and investment of surplus liquidity. The Company's risk management is carried out by the finance department as per the policies approved by the Board of Directors.

Credit Risk :-

Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

Credit Risk Management

For other financial assets, the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an ongoing basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuous monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data, provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Addition in loss allowance during the year	-107	-209
Loss allowance as at the end of the year	-263	-156

Liquidity Risk :-

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

Market Risk :-**Foreign Currency Risk**

The Company operates, in addition to domestic markets, significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (₹).

Note - 38 Impact of COVID-19

"The Manufacturing facilities and all offices of the Company were closed from March 25, 2020 following the countrywide lockdown due to COVID-19. The Company has since obtained required permissions and restarted its manufacturing facilities and all offices partially. Based on assessment of the impact of COVID-19 on the operations of the Company and ongoing discussions with customers, vendors and service providers, the Company is confident of obtaining regular supply of raw materials and components, resuming supply chain logistics and serving customers.

The Company has considered the possible effects of COVID-19 on the carrying amounts of Property, Plant and Equipment, Investments, Inventories, Trade Receivables and Other Current Assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of the financial results, has used external and internal sources of information/ indicators to estimate the future performance of the Company. Based on current estimates the Company expects the carrying amount of these assets to be recovered. Hence, company has estimated nil impact of COVID-19 in the financial results for the quarter and year ended March 31, 2020. The impact of the COVID-19 on the Company's Audited financial results may differ from that estimated as at the date of approval of these results."

INDEPENDENT AUDITORS' REPORT

on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

To the Members of ATUL AUTO LIMITED

Opinion

We have audited the accompanying consolidated Ind AS financial statement of ATUL AUTO LIMITED ('the Holding Company') and its Subsidiary (collectively referred to as 'the Company' or 'the Group') and its associate; (refer no. 1 to the attached consolidated financial statement) comprising of the consolidated balance sheet as at March 31, 2020, the consolidated statement of profit and loss (including other Comprehensive income), the consolidated cash flow statement and the consolidated statement of change in equity for the year ended, and notes to the consolidated Ind AS financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as consolidated financial statements).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate financial statements and other financial information of the subsidiary & associates, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at March 31, 2020, consolidated profit, their consolidated cash flow and consolidated change in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI)

together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We would like to draw your attention to Note No. 11 of the Consolidated Financial Statements which states the management's estimation of impact of COVID-19 on financial statements of the company for the year ended March 31, 2020

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the 'Auditor's responsibilities for the audit of the Consolidated financial statements' section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

	<p>Within the Non-Banking Finance Company, the Group has recognized impairment loss allowance as March 31, 2020.</p> <p>The determination of impairment loss allowance is inherently judgmental and relies on managements' best estimate due to the following:</p> <ul style="list-style-type: none"> Increased level of data inputs for capturing the historical data to calculate the Probability of Default ('PDs') and Loss Given Default ("LGD") and the completeness and accuracy of that data; Use of management overlays for considering the probability weighted scenarios, the forward looking macro-economic factors and the timing of cash flows; and Criteria selected to identify significant increase in credit risk. 	<p>We performed the following key audit procedures:</p> <ul style="list-style-type: none"> Assessed the design and implementation of controls in respect of the Associate's loan loss impairment allowance process such as the timely recognition of impairment loss, the completeness and accuracy of reports used in the impairment allowance process and management review processes over the calculation of impairment allowance and the related disclosures on credit risk management; Tested the relevant general IT and applications controls over key systems used in the impairment allowance processes. Evaluated whether the methodology applied by the Company is compliant with the requirements of the relevant generally accepted accounting principles and confirmed that the calculations are performed in accordance with the approved methodology, including checking mathematical accuracy of the workings Tested the periods considered for capturing underlying data as base to PD and LGD calculations, are in line with Company's recent experience of past observed periods; and Assessed whether the key judgments, assumptions and quantitative data with respect to impairment loss allowance in the financial statements are appropriate and sufficient in accordance with Ind AS 109.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis Report and Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and joint ventures audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries is traced from their financial statements audited by the other auditors.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the

Group including its associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Group and its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such business activities included in the consolidated financial statements of which we are the independent auditors. For the business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statement of subsidiary company, whose financial statement reflect assets of Rs. 0.33 Lacs and Capital WIP of Rs. 42.80 Lacs as at March 31, 2020 total revenue nil, net loss of Rs. 13.48 Lacs for the year ended on that date. These financial statements and other financial information have been audited by other auditor, whose audit report together with the financial statement, and other financial information have been furnished to us by the Management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiary, and our report in terms of sub-sections (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of other auditor.
2. Associate Company is Non - Banking Financial Corporation and as per Rule 4(1)(iv) of The Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 NBFCs shall comply with the Indian Accounting Standards (Ind AS) for accounting periods ending on March 31, 2020 with comparatives for period ending March 31, 2019, but it is not required to comply with Ind AS as company is not covered in criteria provided therein. However as per explanation to Rule 4(1)(iv) of Companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) (Amendment) Rules, 2016 such companies need to provide relevant financial statement data which is in accordance accounting policies followed by parent company. Consolidation of Associate is made on the basis of relevant financial statement data provided by associate which is in accordance with the accounting policies followed by the parent company for consolidation purposes.

Our opinion on the consolidated financial statement and our report on other legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and reports of the other auditor and the financial statement/financial information certified by the management.

Report on other legal and regulatory requirements

As required by section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary and associate, as noted in the 'other matter' paragraph we report, to the extent applicable, that:

- a. We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the

- purpose of our audit of the aforesaid consolidated financial statements;
- b. In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept by the Company so far as appears from our examination of those books and reports of the other auditors;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated Ind AS Financial Statement comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A", and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the act')

In Conjunction with our audit of the consolidated financial statements of Atul Auto Limited as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of the group and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, and accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting of the Parent, its subsidiary and associate companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their report referred to in other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of the management and directors of the company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the company and its subsidiary and associate which are companies incorporated in India have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020 based on the internal control over financial reporting criteria established by the Group and its associate company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial

Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

However, looking to the expansion of the group in terms of volume & capital expenditure either separate audit division or an appointment of external audit professional is suggested. Our opinion is not modified for this matter.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one subsidiary and one associate company, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India

Note - 11 Impact of COVID-19

The Manufacturing facilities and all offices of the Company were closed from March 25, 2020 following the countrywide lockdown due to COVID-19. The Company has since obtained required permissions and restarted its manufacturing facilities and all offices partially. Based on assessment of the impact of COVID-19 on the operations of the Company and ongoing discussions with customers, vendors and service providers, the Company is confident of obtaining regular supply of raw materials and components, resuming supply chain logistics and serving customers

The Company has considered the possible effects of COVID-19 on the carrying amounts of Property, Plant and Equipment, Investments,

Inventories, Trade Receivable and Other Current Assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of the financial results, has used external and internal sources of information/ indicators to estimate the future performance of the Company. Based on current estimates the Company expects the carrying amount of these assets to be recovered. Hence, company has estimated nil impact of COVID-19 in the financial results for the quarter and year ended 31st March, 2020. The impact of the COVID-19 on the Company's Audited financial results may differ from that estimated as at the date of approval of these results.
