Dynacons Systems & Solutions Limited achieves the Prestigious CMMI Level 5 v 2.0 Certification.

Mumbai, India, October 05, 2021

We are happy to announce that Dynacons Systems & Solutions Limited has been appraised as CMMI Level 5 v 2.0 for System Integration, IT Services & Solutions by CMMI Institute. CMMI is a capability improvement framework that provides organizations with the essential elements of effective processes that ultimately improve their performance.

CMMISVC/5SM

CMMI/2019 - Sep 2020 - 0488 - Appraisal 1597

CMMI Maturity Level 5 is the highest level of process maturity that independently verifies an organization's capabilities to continuously enhance its processes through incremental and innovative process and technological improvements. CMMI Maturity Level 5 affirms the organization's ability to statistically manage the sub-processes in order to achieve process and business objectives. There is industry evidence that process improvement results in improvements in schedule and cost performance, product quality, return on investment, and other measures of performance outcome.

"Continuous improvement has become integral to the working of Dynacons. We are very proud of this achievement, as it further reinforces our commitment to continuous process maturity and innovation that enhances the value of solutions we provide to our customers. This independent appraisal is a clear indication that Dynacons can deliver the highest levels of quality to customers through continuous process improvements. Our emphasis on continuous improvement in process excellence raises the bar every time, translating into greater operational efficiency and superior delivery excellence for all our customers.", said Mr. Shirish Anjaria, Chairman cum Managing Director at Dynacons.

This appraisal demonstrates Dynacons' strong commitment toward delivery excellence, process maturity and service quality, ensuring an experience of certainty for its customers; and will serve as a significant contributor to our success in its business sustainability journey. Our CMMI Maturity Level 5 v 2.0 rating means that

- Our work & processes have received the highest form of Third-Party Validation
- We manage projects with an established set of practices
- We are dedicated to continuous improvement & producing great work that makes a difference.
