LIQUIDATION

Consequent to the sale of entire Assets of the Company by the lenders during the year 2015 - 16, the Company has become financially sick as there is no source of Income / Revenue to the Company.

1. There is no turnover and source of income in the company since 1-10-2017
2. Salary of Managing director and Executive Director has not been paid since 1-01-2018
3. The Promoters have brought in a sum of Rs 31,76,000 on various dates from 11-11-2018 to meet the day to day expenses (like rent, salary, board meeting expenses, audit fees, compliance cost etc.) of company. Now they have exhausted their personal resource entirely. So the greatest difficulty now is to meet the day to day expenses.
4. The company being a listed company has to fulfill Statutory Compliance/ Reportings>Returns of various Authorities and Institutions like Stock Exchanges, Registrar of Companies, Statutory Audit, Secretarial Audit, Registrar and Share Transfer Agent, Income Tax / GST returns. Under the present situation, due to lack of resources, it is not possible to fulfill all the above compliances.
5. The company has informed its situation to the lenders and sought advice/ help but did not receive any communication on this matter.

Therefore, the Board of Directors felt that the Company could go for liquidation under Insolvency & Bankruptcy Code (IBC Code) before the National Company Law Tribunal (NCLT). Accordingly, necessary resolution for the liquidation of the Company was passed by the majority of the Directors present in their Board Meeting held on 6.8.2019. However the Nominee Director of Lender Banks has opposed the resolution and the Woman Independent Director abstained from passing the resolution. The said resolution is also brought before the Members for their approval.

EVALUATION OF BOARD'S PERFORMANCE

On the advise of the Board of Directors , the Nomination and Remuneration Committee , the company have formulated the criteria for the evaluation of the performance of Board of Directors Independent Directors, Non-Independent Directors and the Chairman of the Board. Based on that performance, evaluation has been undertaken. The Independent Directors have also convened a separate meeting for this purpose. All the results and the evaluation has been communicated to the Chairman of the Board of Directors. All the Directors of the Board are familiar with the business of the company.

MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT :

The company has effected zero turnover as against Rs 1,46,21,059 last year.

OPERATION OF UNITS :

Since the Lenders have sold the entire assets of the company for the non-payment of loan, there was no manufacturing operation taking place in the company during the year under review. Even after the sale proceeds of the entire assets have been adjusted by the lenders against the loan due, still the company owes more than Rs 200,00 crores as on 31-3-2019 including interest accrued but not paid. The company has no assets on hand, to sell and make the payment for the balance loan amount. The company is still liable to function just to comply with the statutory obligations with the Registrar of Companies, Stock Exchanges etc. Hence, the company has engaged few staffs to carry out the above work.

OUTLOOK

Entire manufacturing activities have been suspended due to sale of all the units of the company by the Lenders. There is no source of Income and the company is struggling for meeting day-to-day expenses and compliances. However, as the company is having huge negative Net Worth and no source of Income, the company is considering to approach National Company Law Tribunal (NCLT) for liquidation under Insolvency & Bankruptcy Code (IBC Code) process.

FINANCE

The Report about finance is elaborately given in the Directors' Report to the Shareholders which is appended in the Annual Report.

OPPORTUNITIES AND THREATS

Since, the question of revival of the company is ruled out at present, there are no opportunities as of now. Only, threats are more due to the loan outstanding to the banks as well as Notices received by the company from various departments as shown below.

Since all the Units of the Company have been sold by the Lenders, presently, the Company does not own any assets / source of Income. Therefore, the Management is finding it very difficult to meet out the day-to-day expenses and also comply with various Statutory Obligations and compliances to Stock Exchanges and Registrar of Companies. The Company has already approached the Lenders for their approval for de-listing of the shares which is pending with the Lenders.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY.

The Company has appointed M/s M.Gangadharan & Co as Statutory Auditors of the Company and they audit the adequacy and the effectiveness of the internal controls prescribed by the Management and wherever necessary suggests improvements.

The Audit Committee of the Board of Directors periodically review the financial positions, audit plans, internal audit reports adequacy of internal controls and risk management.

Auditors' Responsibility

Our responsibility is to express an opinion on these IND AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143 (11) of the Act. We conducted our audit of the IND AS financial statements in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the IND AS financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the IND AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements,

whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the IND AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the IND AS financial statements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the IND AS financial statements

BASIS FOR QUALIFIED OPINION

1. In our opinion, there prevails material uncertainty related to events/ conditions which individually/ collectively cast significant doubts on going concern assumption.
2. The interest provisions for all Loans from Banks has not been worked out since the date of taking over of assets by the bank. We could not able to quantify the interest amount.
3. The balances shown under Secured loans and Balances with bank. Confirmation of balance is yet to be given by the Bankers. Hence, the balances reflected under these two heads are as per the books of account of the company.

QUALIFIED OPINION

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, the cash flows and the changes in equity for the year ended as on that date

KEY AUDIT MATTERS

Key Audit Matters are those matters that, in our professional judgements, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the contexts of our audit of the financial statements as a whole, and in forming our opinion there on, and we do not provide a separate opinion on these matters. We have nothing to report in this regard.

Information other than the Financial Statements and Auditor's Report thereon;

- (i) The Company's Board of Directors is responsible for the other information. The other information comprised the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.
- (ii) Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- (iii) In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- (iv) If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in sec 134 (5) of the act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with the IND AS and other Accounting Principles generally accepted in India. This responsibility also includes Maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the asset of the company and for preventing and detecting frauds and other irregularities; Selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of th financial statement that give a true and fair view and are free from material misstatement whether due to fraud or error.

In preparing the financial statement, the management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable ,matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or as no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- (iv) Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exist, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events ina manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope, timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

ANNEXURE B TO THE AUDITOR'S REPORT

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2019, we report that:

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In Our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
