MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRY OVERVIEW:**

The real estate sector in India has come a long way by becoming one of the fastest growing markets in the world. It is not only successfully attracting domestic real estate developers, but foreign investors as well. The growth of the industry is attributed mainly to large population base, rising income level, and rapid urbanisation.

The sector comprises of four sub-sectors - housing, retail, hospitality and commercial. While housing contributes to five- six percent of the country's gross domestic product (GDP), the remaining three sub-sectors are also growing at a rapid pace, meeting the increasing infrastructural needs.

The real estate sector has transformed from being unorganised to a dynamic and organised sector over the past decade, Government policies have been instrumental in providing support after recognising the need for infrastructure development in order to ensure better standard of living for its citizens. In addition to this adequate infrastructure forms a prerequisite for sustaining the long term growth momentum of the economy.

The Indian real estate sector is one of the most globally recognised sectors. In the country, it is the second largest employer after agriculture and is slated to grow at 30 percent over the next decade. It comprises four sub sectors - housing, retail, hospitality and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

It is also expected that this sector will incur more non-resident Indian (NRI) investments in the near future, as a survey by an industry body has revealed a 35 percent surge in the number of enquiries with property dealers. Bengaluru is expected to be the most favoured property investment destination for NRIs, followed by Ahmedabad, Pune, Chennai, Goa, Delhi and Dehradun. Private Equity (PE) funding has picked up in the last one year due to attractive valuations. Furthermore, with the Government of India introducing newer policies helpful to real estate, this sector has garnered sufficient growth in recent times.

SEGMENTS IN THE INDIAN REAL ESTATE SECTOR:**REAL ESTATE MARKET:**

The real estate sector in India is being recognised as an infrastructure service that is driving the economic growth engine of the country. The Indian real estate market size is expected to touch US\$180 billion by 2020. Foreign direct investment (FDI) in the sector is expected to increase to US\$ 25 billion in the next 10 years, from present US\$ 4 billion.

According to Department of Industrial Policy and Promotion (DIPP), the construction development sector in India has received foreign direct investment (FDI) equity inflows to the tune of US\$ 23,874.1 million in the period April 2000-September 2014.

The Indian real estate market size is expected to touch US\$ 180 billion by 2020. The housing sector alone contributes 5-6 percent to the country's gross domestic product (GDP). Also, in the period FY 2008-2020, the market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 percent. Retail, hospitality and commercial real estate are also growing significantly, providing the much needed infrastructure for India's growing needs.

Mumbai is the best city in India for commercial real estate investment, with returns of 12-19 percent likely in the next five years, followed by Bengaluru and Delhi National Capital Region (NCR). Also Delhi NCR was the biggest office market in India with 10 million sqft out of which 88 million sqft were occupied. Sectors such as IT and ITeS, retail consulting and e-commerce have registered high demand for office space in recent times.

The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy. The industry's growth is linked to developments in the retail, hospitality and entertainment (hotels, resorts, cinema theatres) sectors, economic services (hospitals, schools) and information technology (IT) - enabled series (like call centres) etc., and vice versa.

The sector is divided into four sub-sectors:

- Housing
- Retail
- Hospitality
- Commercial

The housing subsector contributes five-six percent to the country's gross domestic product. Meanwhile, retail, hospitality and commercial real estate are also growing significantly catering to India's growing needs of infrastructure.

The Indian real estate market size is expected to touch US\$ 180 billion by 2020.

India is going to produce an estimated 2 million new graduates from various Indian universities during this year, creating demand for 100 million sqft of office and industrial space.

CHALLENGES:

The key challenges that the Indian real estate industry is facing today are:

- Lack of clear land titles.
- Absence of title insurance
- Absence of industry status
- Lack of adequate sources of finance
- Shortage of labour
- Rising manpower and material costs
- Approvals and procedural difficulties

INDEPENDENT AUDITOR'S REPORT

To the Members of Diggi Multitrade Limited

Report on the Audit of the Financial Statements

OPINION

We have audited the financial statements of DIGGI MULTITRADE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (hereinafter referred to as "Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2019, its profit, and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITY OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position,

financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) on Other Legal and Regulatory Requirements of our Report of even date to the members of Diggi Multitrade Limited on the Financial Statements for the year ended March 31, 2019)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act") We have audited the internal financial controls over financial reporting of Diggi Multitrade Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: SIGNIFICANT ACCOUNTING POLICIES:**a) Corporate Information:**

"The Company was incorporated under the provisions of the Companies Act, 1956 on 01 December, 2010 as a Private Limited Company namely "Diggi Securities Private Limited" with Registrar of Companies - Mumbai (ROC).

The Company vide resolutions dated 24 April 2014, resolved to change the name and the status of the Company from private limited to public limited company. The said resolutions were duly filed with ROC. Pursuant to the said approvals, the name of the Company was changed from "Diggi Securities Private Limited" to "Diggi Multitrade Limited" with effect from 05 June 2014.

The Company is engaged in the business of trading in fabrics, real estate viz. Flats, Land, Construction material and acquiring interest in various real estate projects."

b) Basis of Preparation of Financial Statements:

"The financial statements of the Company have been prepared on accrual basis and under historical cost convention method and in accordance with Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified).

As per MCA notification dated 16th February 2015, the companies whose shares are listed on BSE SME Platform as referred to in Chapter XB of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2009 are exempted from the compulsory requirements of adoption of IND-AS. As the Company is covered under exempted category from the compulsory adoption of IND AS, it has not adopted IND AS for preparation of financial statements."

c) Use of Estimate:

The preparation of financial statements require management to make estimates and assumptions that affects the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the financial statements and reported amount of revenue and expenses during the year. Actual results could differ from those estimates. Any revision in the accounting estimate are recognised prospectively in the current and future periods.

d) Fixed Assets:

Fixed assets are recorded and stated at cost less accumulated depreciation and impairment losses, if any. The cost comprises of the purchase price and other costs directly attributable to bringing the assets to its working condition for its intended use.

e) Depreciation:

Depreciation on Fixed Assets has been provided on Written Down Value method over the useful life of asset as specified in Schedule II of the Companies Act, 2013. Depreciation on addition / deduction is computed on pro-rata basis.

f) Impairment of Fixed Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net

selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value at interest rate specific to the asset and in case where the specific rate is not available at the weighted average cost of capital which is adjusted for country risk/currency risk.

g) Investments:

Investments have been classified as long-term investments in accordance with the Accounting Standard 13, as notified by the Companies (Accounting Standards) Rules, 2006 (as amended). Long term investments are carried at cost. Provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of the investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss. Dividends are accounted for when the right to receive the payment is established.

h) Inventories:

Inventories are carried at cost or net realizable value whichever is lower. Cost of inventories is generally ascertained on FIFO (First-In-First-Out) basis. The cost comprises of cost of purchase and other costs incurred in bringing the inventory to its present location and condition.

Inventories of residential flats are valued at actual cost based on the information provided.

i) Revenue Recognition:

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of goods is recognized when all significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods.

Revenue from sale of services is recognised when a reasonable certainty as to its realisation exists.

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest Income is included under the head "Other Income" in the Statement of Profit and Loss.

j) Taxes on Income:

Tax expense comprises Current and Deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with Income-tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences only to the extent that there is reasonable certainty exists that sufficient future taxable income will be available against which these can be realised.

k) Earnings Per Share:

The Company reports basic and diluted earnings per equity share in accordance with Accounting Standard 20, 'Earnings Per Share'. Basic earnings per equity share is computed by dividing net profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per equity share is computed by adjusting net profit or loss and using the weighted average number of equity shares outstanding during the year for dilution.

l) Employee Benefits:

The amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period when the employee renders the service.

Post-employment benefits such as gratuity have not been provided for as the Company employs less than 10 employees during the year.

m) Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities for the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses/income.

n) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources of, or where reliable estimate cannot be made. Obligations are assessed on going concern basis and only those having a largely probable outflow of resources are provided for. Contingent liabilities, if any, are not provided for in the financial statements but are separately shown by way of note. Contingent assets are neither recognised nor disclosed in the financial statements.
