Dear Sir

Thank you for your replies via e-mail; the most recent dated August 29, 2022.

As I informed earlier, my father, Madipalli Sree Krishna Murthy passed away on Nov. 28, 2016 and my mother, Madipalli Chandravathi passed away on February 17, 2017. Since their death, our home in Bhimavaram (20-1-22 Marellavari Street, Bhimavaram -534201) has been unoccupied. We recently noticed that there may have been a burglary, and many items, including share certificates, may have been stolen.

Our records indicate that my father, Late Madipalli Sree Krishna Murthy owned 1000 shares in Chambal as summarized below.

<u>Folio</u>	<u>Shares</u>
E0306312	800
E0048737	200

To the best of our knowledge, he did not dispose or transfer these shares. We are trying to determine the current status of these shares. If the shares were disposed/transferred after Nov. 2016, chances are the transfer/sale is not legitimate and may involve a criminal act.

We request your assistance in determining:

1. If the shares are still remaining in the Folio under the same name. If that is true, we will try to obtain a succession certificate, if that is possible without an original share certificate. Any advice on our pursual of the same will be appreciated. Appreciate information on Share Certificate and Distinctive Numbers for both Folios.
2. If the shares have been disposed/transferred, particularly after November 2016, please advise us on the date of such transaction and the name of the transferee so that we can determine potential action on stolen certificates. Additionally, request you provide copies of any transfer requests and signature verifications. This will help us determine parties responsible and take appropriate action with legal authorities.

I would very much appreciate your acknowledgement of the letter and look forward to hearing from you on the requested information. You may reach me at asresty@yahoo.com or at 001-626-710-8590.

Please note that my name prior to my marriage to Mr. Guggilam Sresty, was (and is) Madipalli Annapurnadevi.

I would very much appreciate your acknowledgement of the letter, and look forward to hearing from you on the requested information.

Thank you very much
