Prior to such abolition of the position of the regular chairman, the composition of the Board of the Company was well in compliance as it had 3 (three) independent directors out of 7 (Seven) directors (1/3 *7= 3) as required by Regulation 17 of the Listing Regulations. There was no induction or resignation of director in the Board and hence the Company continued with the same Board composition for both the phases i.e. prior to or post abolition of the post of the regular chairman.

The Company immediately upon receiving of the letter from the NSE rectified the default and the compliance status was duly intimated to the BSE and NSE as a part of outcome of the Board Meeting held on 14th February, 2019.
