THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING :

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Tuesday, 24th September, 2024 (09.00 am) and ends on Thursday 26th September, 2024+ (5.00 pm). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday, 20th September, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below :

LETTER FROM DIRECTOR

Dear Shareholders,

My sincere greetings to all on behalf of Artefact Projects Limited. Hope you all are doing well!

Looking back at the year with a sense of gratification, I am pleased to present the 36th Annual report of our Company at the conclusion of the fiscal year 2023-24. It's my honor and privilege to share the company's performance highlights and future plans for the Financial Year 2024-25 on this occasion of 36th year of the Company - Artefact Projects Limited.

The Company continued to focus on our commitments to services.

The Union Interim Budget for the FY 2024-25 provides numerous initiatives for the infra industry. The Government's focus on building infrastructure of the future has been evident given the slew of initiatives launched recently. The US\$ 1.3 trillion national master plan for infrastructure, Gati Shakti, has been a forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway. The Union Budget FY 2024-25, focus for Phase IV of the Pradhan mantra Gram Sadak Yojana (PMGSY) will be launched to provide all-weather connectivity to 25000 rural Habitations.

During the year under review, your Company earned Net Revenues from operations of Rs. 28.54 crores as compared to Rs. 21.87 crores in the last financial year. There was consequent increase in manpower costs. The Profit after Tax (PAT) stood Rs. 5.23 crores against Rs. 5.34 Crores in previous year. Nevertheless, the company delivered to the expectations of stakeholders even during the financial year 2023-24.

I am excited to share with you our recent advancements aimed at fortifying our operational capabilities and expanding capacity through the implementation of CRM, ERP, and Compliance software solutions, complemented by significant hardware upgrades.

The integration of CRM and ERP software systems signifies a pivotal step towards optimizing our processes and enhancing data management. These platforms empower our teams to make data-driven decisions, streamline workflows, and deliver exceptional service to our valued clients.

In addition to these software implementations, we have also installed robust compliance software. This investment underscores our commitment to upholding regulatory standards and ensuring transparency in our operations.

Furthermore, our hardware upgrades are designed to support these new systems effectively, enhancing scalability and performance across our operational landscape.

As we continue to navigate dynamic market conditions, these initiatives position us strongly for sustained growth and operational excellence. We appreciate your ongoing support and confidence in our strategic direction.

Your Company is pleased to inform you that it has developed a strong order book with orders involving gross fees of Rs. 315.10 crores. The present Order book imparts a revenue visibility for next 4 to 5 years with substantial increase in Annual Turnover levels.

Besides, the Company has been able to reduce Bank debt by prepayment to the extent of Rs. 5 crores. This is a step further in Company's financial consolidation plans.

In the year 2023-24, the share price of Artefact rose Upto Rs.102 per share. We remain optimistic about our business growth.

On behalf of everyone at Artefact, I would like to extend my sincere gratitude to all our human resources, Associates, Clients, Bankers, Management and our esteemed stakeholders for having faith in our vision and capabilities. In the upcoming years, we intend to continue creating sustainable value for all while delivering on stakeholder expectations.

As we move forward, we remain committed to a high-performance culture that enables the Company to create value for all stakeholders. I hope you will continue to support us on our journey to achieve many more milestones.

Sincerely,

Sd/-
Siddharth Shah

Profit/(Loss) after tax	523.32	534.42
Add: Other Comprehensive Income	9.88	19.41
Total Comprehensive Income	533.20	553.83

OVERVIEW OF FINANCIAL PERFORMANCE :

During the year under review, there is Increase in Net Revenue was mainly due to certain new orders and Billings from new Project assignments after commencement of project assignments. However, there was reduction in project expenses and other overheads in consonance. Hence, the profit after tax is increased as compared to the previous financial year.

Manpower Cost: The manpower cost of the Company has increased by 28.55 % as compared to last year due to increase in Salaries of Project Staff and Consultant fees. We have expanded our workforce to support business growth and new projects. Also, we have adjusted our salary structures to be in line with industry standards in order to remain competitive.

Administrative, Selling & Other Expenses: The Administrative, selling and other expenses during the year are 3.64% of Net Receipts. There has been decrease of 29.16% of Net Receipts as compared to last financial year, due to cost optimization implemented in expenses. Over the past year, we have implemented various cost optimization initiatives aimed at improving operational efficiency.

Project Expenses: Project expenses during the year stood at 11.62% of Net Receipts. These have increased by 26.57% as compared to previous year. We have prioritized higher quality and safety standards for all our projects. This focus has led to increased project costs related to advanced technologies and comprehensive safety protocols.

Interest & Other Financial Charges: Interest and other financial charges of Rs. 166.49 lacs for the year have decreased by Rs. 31.53 lacs mainly on account of repayment of Term Loan and reduction of Overdraft/ Cash Credit loans by Rs. 500 lacs in January 2023 and consequent interest thereon for part of the year. The impact on reduction during current year shall be more.

Depreciation: The Depreciation is calculated as per statute.

DIVIDEND :

In order to consolidate the financial position of the company to reduce debt and liabilities for future growth of the Company, your Directors do not recommend dividend for the year under review.

SHAREHOLDER'S REFRENCER :

At a glance :

- Face value of the Company's Equity shares is Rs.10/-
- The Company's Equity Shares are listed on BSE Limited (BSE).
- The Company's Equity Shares are under compulsory trading in DEMAT form only.
- 98.79% of the Company's Equity Shares are held in DEMAT form.
- The Company's Equity shares are freely transferable except as may be required statutorily.
- Link Intime (India) Private Limited is the Registrar & Share Transfer Agent of the Company.

Investor Grievance Handling Mechanism:

All share related transactions viz. transfer, transmission, transposition, nomination, dividend, change of name/address/signature, registration of mandate/ Power of Attorney, replacement/ split/ consolidation of share certificates, demat/ remat of shares, issue of duplicate certificates etc. are being handled by Link Intime (India) Private Limited, the Registrar and Share Transfer Agent. They also discharge investor service functions effectively, efficiently and expeditiously.

Investors are required to correspond directly with Link Intime (India) Private Limited, on all share related matters.

The Board of Directors of the Company has constituted a Stakeholders' Relationship Committee (the Committee) which *inter alia*, approves issue of duplicate certificates and oversees and reviews all matters connected with share transfers and other processes. The Committee also looks into the redressal of shareholders complaints related to transfer of shares, non-receipt of Dividend etc. The Committee oversees the performance of the R & T Agent and recommends measures for overall improvement in the quality of investor services.

Recommendation by Company to Shareholders/ Investors:

In pursuit of the Company's objective to mitigate / avoid risks while dealing with shares and related matters, the following are the Company's recommendations to shareholders/ investors:

● **Adoption of Green Initiative :**

The Ministry of Corporate Affairs has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holdings with the Depository through their concerned Depository Participants.

- **Opening of DEMAT account and dematerialize your shares :**
Investors should convert their physical holdings of shares into DEMAT holdings. Holding shares in DEMAT form helps investors to get immediate transfer of the shares. No stamp duty is payable on transfer of shares held in DEMAT form and risk associated with physical certificates such as forged transfers, fake certificates and bad deliveries are avoided.
- **Register ECS mandate and furnish correct bank account particulars with the Company/ Depository Participant (DP):**
Investors should provide an ECS mandate to the Company in case of shares held in physical form and in case of shares held in DEMAT form ensure that the correct and updated particulars of his bank account are available with the Depository Participant (DP). This would facilitate direct credit of dividends, refunds etc. from companies to their bank account and avoid postal delays and loss in transit.
- **Fill and submit nomination form:**
Investors should register the nominations, in case of physical shares, with the Company and in the case of dematerialized shares with their DP. Nomination would help successors to get the shares transmitted in their favor without any hassles.
- **Proper updation by the shareholders:**
There is likelihood of fraudulent transfers in case of folios with no movement or where the shareholders have either expired or is not residing at the address registered with the Company. The Company / DP should be updated on any change of address or contact details.
- **SEBI Complaints Redress System (SCORES):**
The investors' complaints are also being processed through the centralized web base complaint redressal system of SEBI. The salient features of SCORES are availability of centralized database of the complaints, uploading online action taken reports by the Company. Through SCORES the investors can view online, the action taken and current status of the complaints.

Course of action in case of non-receipt of Dividend, Revalidation of Dividend warrant etc.

Shareholders may write to the Company's R & T Agent, furnishing particulars of the dividend not received and quoting the folio number (in case of shares held in physical mode)/ DP ID and Client ID particulars (in case of shares held in DEMAT mode). The R & T Agent shall check the records and issue Demand Draft if the dividend remains unpaid in the records of the Company after expiry of the validity period of the warrant which is normally three months from the date of its issue. In case of loss of original dividend warrant the shareholders have to wait since demand draft cannot be issued till the expiry of the validity period of the original dividend warrant and the shareholder has to execute a letter

of indemnity. On the expiry of the validity period if the dividend warrant is still shown as unpaid in the records of the Company, demand draft will be issued. However, demand drafts will not be issued against those shares wherein a 'stop transfer indicator' has been instituted either by virtue of a complaint or by law, unless the procedure for releasing the same has been completed.

No demand draft will be issued in respect of dividends which have remained unclaimed and unpaid for a period of seven years in the unpaid dividend account of the Company as they are required to be transferred to the Investor Education and Protection Fund constituted by the Central Government.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Board of Directors and Members of Artefact Projects Limited
Nagpur

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Artefact Projects Limited (CIN: L65910MH1987PLC044887) and having its registered office at Block No. 105, 2nd Floor, "Artefact Towers", Chhatrapati Square, Wardha Square, Vivekanand Nagar, Nagpur 440015, Maharashtra (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31st March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the period ended on 31st March, 2024 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company during the audit period);

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company: -
- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (Not applicable to the Company during the audit period);
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the audit period);
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the audit period);
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the audit period); and
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- vi. There are no laws that are specifically applicable to the company based on their sector/industry.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc.

I further report that :

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The composition of the Board of Directors during the period under review was in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

I further report that based on the information received and records maintained there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

This analysis report briefly describes the Company, current industry and business environment, ability of company to avail opportunities, exhibit strength, handling of threats/weaknesses, financial performance, internal controls and other related issues.

INDUSTRY DEVELOPMENTS:

The Industry Outlook for Infrastructure development is very positive in short & long term. The Interim Union budget for 2024-25 provides numerous initiatives for the industry. One of the major highlights is increase in funding in the road sector. The scheme providing 50-year interest free loans to state governments will be made available in 2023-24 also with an outlay of Rs 1.3 lakh crore. 100 critical transport infrastructure projects for last and first mile connectivity for various sectors such as ports, coal, steel will be taken up.

An Urban Infrastructure Development Fund will be established for development of urban infrastructure by public agencies in tier-2 and tier-3 cities. The Fund will be managed by the National Housing Bank and is expected to have an annual allocation of Rs 10,000 crore. States and cities will be encouraged to undertake urban planning reforms such as efficient land use and transit-oriented development. Cities will be incentivized to improve their credit worthiness for municipal bonds through property tax reforms and setting aside user charges.

New Infrastructure Finance Secretariat established to enhance opportunities for private investment in infrastructure.

The Union Budget 24-25, Strong fiscal support for infrastructure to continue over the next 5 years, in conjunction with imperatives of other priorities and fiscal consolidation. This year, INR 11,11,111 Cr has been provisioned for capital expenditure. This would be 3.4% of our GDP.

THE INFRASTRUCTURE SECTOR – DEVELOPMENT, OPPORTUNITIES AND THREATS:

DEVELOPMENT AND OPPORTUNITIES:-

India's is on high growth trajectory in 2024. Major strides in key sectors of infrastructure development is a critical force aiding the economic progress.

Infrastructure is a key enabler in India to become a US\$ 26 trillion economy. Investments in building and upgrading physical infrastructure remains pivotal to increase efficiency and costs. The US\$ 1.3 trillion national master plan for infrastructure, Gati Shakti, has been a forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway.

The Infrastructure sector is highly responsible for propelling India's overall development and enjoys focus from Government for ensuring time-bound creation of world class infrastructure in the country.

It provides a good opportunity to established players & service providers in the Infra Space.

THREATS:-

After the election result of Lok Sabha Poll 2024, with a stable government, there are no perceivable threats or risks to the long-term viability of Company's business.

The company has acquired substantial new orders exceeding Rs. 200 crores and the Gross Order Book under execution stands at approx. Rs. 315 crores which is sufficient for Revenue Visibility for next 4 to 5 years.

Hence the Company perceives no immediate threat on short term.

RISKS AND CONCERNS:

The Company's ability to foresee and manage business risks is already proven in spite of adverse external conditions. The Company's long-term outlook is positive.

Your Company continues to focus on its core strength in Highways as it has a strong domain expertise. Your Company has collaborated with number of reputed Foreign and Domestic Consultancy organizations for expansion in separate verticals in the Infrastructure space, especially Railways and urban Infrastructure.

Appropriate and timely Management intervention reduce the risk of volatility of revenue receipts.

INTERNAL CONTROLS AND THEIR ADEQUACY:

Your Company has adequate system of internal controls. Such internal controls are supplemented by Internal Financial Control Manual and Programme of internal audits. These are designed to ensure that financial and other records are reliable for preparing financial information and other reports and for maintaining regular accountability of the Company's assets. The Internal Auditors of your Company present their report on a quarterly basis to the Audit Committee of the Board.

A Management Information System covers major operating parameters and is reviewed regularly by the Board of Directors. Material deviations from planning and budgeting are reviewed on a quarterly basis by the Board for corrective actions.

NET WORTH :

As on 31st March, 2024, the Net Worth of the Company stood at Rs. 5928.95 Lacs as compared to Rs. 5565.68 lacs during the previous financial year. This increase of 6.53% was mainly due to profits for the year of the Company. The Book value of the equity shares of the company stood at a healthy Rs. 81.50 per share (Previous year Rs. 76.50 per share).

SECURED LOANS :

Total Secured Long Term Borrowing of the Company was NIL. Working capital loan as Overdraft/Cash Credit, secured loan outstanding was of Rs. 1,007.97 (Sanctioned limits of Rs. 1125 Lacs). There was a prepayment and reduction in Bank Term Loans to the extent of Rs. 557.24 lacs during the year under review.

FIXED ASSETS :

The gross block of fixed assets stood at Rs. 2226.01 Lacs as against Rs. 2201.16 Lacs for the previous year. The increase in Gross block of Fixed Assets is as a result of Normal Capital Expenditure on account of Project expansion and new project offices set up to cater to Enhanced orders.

CURRENT ASSETS: SUNDRY DEBTORS :

Sundry Debtors stood at Rs. 1578.22 Lacs as on 31st March 2024 as against Rs. 1474.13 Lacs during the previous financial year. Debtors include GST Receivable of Rs. 403.03 lacs. Debtors mainly comprise of project and quarter end billings and outstanding Bills due of last quarter pending approvals. All clients are Government/ PSU. Due to the formal prior approval based system of obtaining payments of the invoices, the Company has to sustain certain levels of Debtors as a normal business feature. ARTEFACT PROJECTS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **ARTEFACT PROJECTS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement for the year then ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis on Matter:

We draw attention to:

- 1) Note No. 5.02 and 10, regarding management opinion that there is no decline in the carrying value of Loans and Investment aggregating to Rs. 7.78 Crores made to associate company for the reason stated therein.
- 2) The Company observed significant positive developments on the operations of the business based on long term contracts, awarded during the FY 2023-24 on useful life of the assets and its financial position.

Our opinion is not qualified in respect of above matters

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in Emphasis on matters for paragraph above, we have determined that there are no other key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our Auditor's Report thereon. The Board's report is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Companies (Indian Accounting standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decision of a reasonably knowledgeable user of the standalone financial statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Financial Statements and other financial information include the companies proportionate share in jointly controlled total assets (Net of liabilities) of Rs. 27.46 Lakhs, revenue of Rs. 0.00 Lakhs, expenditure of Rs. 0.13 Lakhs and share of loss of Rs. 0.13 Lakhs in joint ventures for the year ended March 31, 2024 and the elements making up the cash flow statements and related disclosures in respect of unincorporated joint ventures which is based on the audited financial statements of the respective joint ventures audited by us.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of the written representations received from the directors as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to these standalone financial statements of the company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**" to this report.
 - g. In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2016, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements as referred to in Note no. 31 to the standalone financial statements.
 - ii. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

“ANNEXURE A” TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) of the Independent Auditors Report of even date to the members of Artefact Projects Limited on the standalone Financial Statements as of and for the year ended March 31, 2024)

Report on the Internal Financial Controls With reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls with reference to Financial Statements of **ARTEFACT PROJECTS LIMITED (“the Company”)** as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Financial Controls over financial reporting and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly

reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects, an adequate internal financial control system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India . We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx) In our opinion and according to information and explanations provided to us, the provisions of Section 135 of the Companies Act 2013 are not applicable to the company and hence Clause 3(xx)(a) and 3 (xx)(b) of the Order are not applicable.

ARTEFACT PROJECTS LTD.

Notes forming part of the financial statements for the Period ended March 31st, 2024

Background

Artefact Projects Limited (hereinafter referred to as the 'Company') is a company limited by shares, incorporated and domiciled in India. The Company's equity shares are listed on the Bombay Stock Exchange in India. The registered office of the Company is situated at Regd. Office :105, 2nd Floor, "Artefact Towers", Chhatrapati Square, Wardha Road, Nagpur- 440015, Maharashtra, India. The principal place of the business of the Company is situated at 105, 2nd Floor, "Artefact Towers", Chhatrapati Square, Wardha Road, Nagpur- 440015.

The Company is primarily engaged in Project Consultancy business in India.

Note 1 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements of the Company. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.01 Basis of preparation

Compliance with Ind AS

- i The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2017 were prepared in accordance with Indian GAAP, including the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

The financial statements for the year ended 31st March, 2018 were the first financial statements of the Company under Ind AS.

- ii *Historical cost convention*

The financial statements have been prepared on a historical cost basis, except for the following:

Defined benefit plans - plan assets measured at fair value; and

- iii *Current and non-current classification* All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

1.02 Foreign currency translation

- i *Functional and presentation currency*

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR / Rs.), which is the Company's functional and presentation currency.

- ii *Transaction and balances*

Foreign currency transactions, if any are translated into the functional currency using the exchange rates on the dates of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions if any and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss or Other Comprehensive Income.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses), if any

1.03 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and is Net of GST. The Company recognises revenue when the amount of revenue can be reliably accepted by client as per contract. It is probable that future economic benefits will flow to the entity.

Revenue from services

Project Consultancy Income is recognized in the accounting period in which the services are rendered, and accepted and approved by client.

1.04 Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of reporting period in India where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

1.05 Impairment of assets

Property, plant and equipment and other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of impairment at the end of each reporting period.

1.06 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.07 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

1.08 Investments and other financial assets

Classification

The Company classifies its financial assets in the following measurement categories: -those to be measured subsequently at fair value (through profit or loss), and -those measured at amortised cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in profit or loss. For investment in debt instrument, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset.

Equity instruments

The Company subsequently measures all equity investments at fair value. Dividends from such investments are recognised in profit or loss as other income when the right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised. For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Derecognition of financial assets

A financial asset is derecognised only when: The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

1.09 Property, plant and equipment

Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind As

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods on above

Depreciation on property, plant and equipment (other than leasehold land, leasehold improvements, continuous process plant and machinery and vehicles) is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as prescribed under Schedule II to the Companies Act, 2013, which approximate the useful lives of the assets estimated by the management.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

1.10 Intangible assets

Acquired intangible assets are shown at historical cost. They have a finite useful life and are subsequently carried at cost less accumulated amortisation and impairment losses, if any.

Amortisation methods and periods

The Company amortises intangible assets with a finite useful life using the straight-line method over the following periods: Computer software: 3 years

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

1.11 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 90 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

1.12 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

1.13 Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

1.14 Provisions, Contingent Liabilities and Contingent Assets

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

Provisions for legal claims, service warranties, volume discounts and returns are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to anyone item included in the same class of obligations.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent asset is disclosed and not recognised, where an inflow of economic benefits is probable.

1.15 Employee benefits

Short-term obligation

Liabilities for salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long-term employee benefits obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Post employment obligation

The Company operates the following post-employment schemes: defined benefit plan, i.e., gratuity, defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

The Company pays provident fund and employee state insurance contributions to government administered Employee Provident Fund Organisation and Employee State Insurance Corporation respectively. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

1.16 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

1.17 Earnings per share

Basic earnings per share is calculated by dividing: the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account: the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

1.18 Inventories

Inventories represents the WIP in respect of Project Management Consultancy Services in progress and remained unbilled. Inventories have been valued at cost.

1.19 Accounting for Joint Venture Operations

The Financial Statements reflect the share of the Company's assets and liabilities as well as income and expenditure of Joint Venture. Operations which are accounted for according to the participating interest of the company as per the various Joint Venture Agreements on a line by line basis along with similar items in the company's financial statements.

1.20 Provision for current and deferred tax

Provision for current and deferred tax is made after taking into consideration benefits admissible under the Provision of Income Tax Act 1961. Deferred tax resulting from timing differences between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognised and carried forward only to the extent that there is reasonable/virtual certainty that asset will be realized against future taxable profits.

Note 2 Critical Accounting Judgements, Estimates and Assumptions

The preparation of the financial statements requires management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised in the period in which the estimate is revised if the revision affect only that period, or in the period of the revision and future periods if the revision affects both current and future period.

The areas involving critical estimates or judgements are as under:

a Estimation of current tax expenses and payable:

Taxes recognized in the financial statements reflect management's best estimate of the outcome based on the facts known at the balance sheet date. These facts include but are not limited to interpretation of tax laws of various jurisdictions where the Company operates. Any difference between the estimates and final tax assessments will impact the income tax as well the resulting assets and liabilities.

b Estimated fair value of unlisted securities:

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on the market conditions existing at the end of each reporting period.

c Useful lives of property, plant and equipment and Intangible assets:

Depreciation and amortization is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

d Estimation of defined benefit obligation:

The liabilities of the company arising from employee benefit obligations and the related current service cost, are determined on an actuarial basis using various assumptions.

e Impairment of financial assets (including trade receivables):

Allowance for doubtful receivables represent the estimate of losses that could arise due to inability of the Customer to make payments when due. These estimates are based on the customer ageing, customer category, specific credit circumstances and the historical experience of the group as well as forward looking estimates at the end of each reporting period.

f Estimation of Provisions and contingencies:

Provisions are liabilities of uncertain amount or timing recognised where a legal or constructive obligation exists at the balance sheet date, as a result of a past event, where the amount of the obligation can be reliably estimated and where the outflow of economic benefit is probable. Contingent liabilities are possible obligations that may arise from past event whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which are not fully within the control of the Company. The Company exercises judgement and estimates in recognizing the provisions and assessing the exposure to contingent liabilities relating to pending litigations. Judgement is necessary in assessing the likelihood of the success of the pending claim and to quantify the possible range of financial settlement. Due to this inherent uncertainty in the evaluation process, actual losses may be different from originally estimated provision.
