EARNINGS PRESENTATION

Q2FY24/ H1FY24

This presentation has been prepared by Trident Limited (the “Company”) for general information purposes only, without regard to any specific objectives, suitability, financial situations and needs of any particular person and does not constitute any recommendation or form part of any offer or invitation, directly or indirectly, in any manner, or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment therefor. This presentation does not solicit any action based on the material contained herein. Nothing in this presentation is intended by the Company to be construed as legal, accounting or tax advice.

This presentation has been prepared by the Company based upon information available in the public domain. This presentation has not been approved and will not or may not be reviewed or approved by any statutory or regulatory authority in India or by any Stock Exchange in India. This presentation may include statements which may constitute forward-looking statements. The actual results could differ materially from those projected in any such forward-looking statements because of various factors. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise.

This presentation contains certain forward-looking statements relating to the business, financial performance, strategy and results of the Company and/ or the industry in which it operates. Forward-looking statements are statements concerning future circumstances and results, and any other statements that are not historical facts, sometimes identified by the words including, without limitation “believes”, “expects”, “predicts”, “intends”, “projects”, “plans”, “estimates”, “aims”, “foresees”, “anticipates”, “targets”, and similar expressions. The forward-looking statements, including those cited from third party sources, contained in this presentation are based on numerous assumptions and are uncertain and subject to risks. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Neither the Company nor its affiliates or advisors or representatives nor any of its or their parent or subsidiary undertakings or any such person’s officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this presentation or the actual occurrence of the forecasted developments. Forward-looking statements speak only as of the date of this presentation and are not guarantees of future performance. As a result, the Company expressly disclaims any obligation or undertaking to release any update or revisions to any forward-looking statements in this presentation as a result of any change in expectations or any change in events, conditions, assumptions or circumstances on which these forward- looking statements are based. Given these uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements.

The information contained in these materials has not been independently verified. None of the Company, its directors, promoter or affiliates, nor any of its or their respective employees, advisers or representatives or any other person accepts any responsibility or liability whatsoever, whether arising in tort, contract or otherwise, for any errors, omissions or inaccuracies in such information or opinions or for any loss, cost or damage suffered or incurred howsoever arising, directly or indirectly, from any use of this presentation or its contents or otherwise in connection with this presentation, and makes no representation or warranty, express or implied, for the contents of this presentation including its accuracy, fairness, completeness or verification or for any other statement made or purported to be made by any of them, or on behalf of them, and nothing in this presentation or at this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future. Past performance is not a guide for future performance. The information contained in this presentation is current, and if not stated otherwise, made as of the date of this presentation. The Company undertakes no obligation to update or revise any information in this presentation as a result of new information, future events or otherwise. Any person/ party intending to provide finance/ invest in the shares/ businesses of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision.

This presentation is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, as amended, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended, or any other applicable law in India.

This presentation is strictly confidential and may not be copied or disseminated, in whole or in part, and in any manner or for any purpose. No person is authorized to give any information or to make any representation not contained in or inconsistent with this presentation and if given or made, such information or representation must not be relied upon as having been authorized by any person. Failure to comply with this restriction may constitute a violation of the applicable securities laws. Neither this document nor any part or copy of it may be distributed, directly or indirectly, in the United States. The distribution of this document in certain jurisdictions may be restricted by law and persons in to whose possession this presentation comes should inform themselves about and observe any such restrictions. By reviewing this presentation, you agree to be bound by the foregoing limitations. You further represent and agree that you are located outside the USA, and you are permitted under the laws of your jurisdiction to receive this presentation.

This presentation is not an offer to sell or a solicitation of any offer to buy the securities of the Company in the United States or in any other jurisdiction where such offer or sale would be unlawful. Securities may not be offered, sold, resold, pledged, delivered, distributed or transferred, directly or indirectly, in to or within the United States absent registration under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in compliance with any applicable securities laws of any state or other jurisdiction of the United States. The Company’s securities have not been and will not be registered under the United States Securities Act of 1933, as amended.

Shareholding Pattern (30th Sep 2023)

Dividend

Competitive cost of production

- Competitive labor, power and raw material cost
- Access to advanced technology under textile upgradation fund

Textiles: A dominant industry

- Employs 45 million people across the value chain
- Strong government support to industry

Favorable Government Policies

- Focus on 'Make in India'
- Export enhancement
- Scheme of setup of Mega Textile Parks

Cotton quality and availability

- Largest producer of cotton
- Surplus available for export

India geography of choice for Home Textiles

Backward Integration with yarn

- Lower variance in profitability
- Hedge against raw material price fluctuations
- Maintenance of high-quality standards
- Traceability of origin
- Consistent delivery of products

Qualified and skilled manpower

- Large, young and talented workforce
- Competitive though increasing cost of labor

Global friendly environment

- Stable democracy and comfort with global languages
- Evolving practices in line with MNCs

Figures in INR Million

Recent performance and growth

- ✓ Total Revenue for the H1FY24 stood at INR 32,282 Mn with sales growth of 4.3% as compared to H1FY23 owing to primarily the increase in demand.
- ✓ PBT has increased by 33.8% Y-o-Y in H1FY24 due to decrease in input prices & demand scenario.
- ✓ EBITDA Margin stood at 15.3% in H1FY24.
- ✓ EPS has increased by 33.9% in H1FY24.

Margin improvement initiatives

- ✓ Move to higher retail price points products, focusing on higher thread count sheets and higher GSM Towels
- ✓ Develop new and innovative products leveraging consumer sentiments and behavior to earn premium
- ✓ Catering to luxury, fashion accents, & sports segments
- ✓ Increasing capacity utilization of plants through digitization of processes and adopting lean practices
