Ref: Reg 30 of SEBI (LODR) Regulations, 2015

GLP Re-certification and Scope Expansion in Vanta Bioscience Limited

We are glad to inform that the National Good Laboratory Practice (GLP) re-certification audit has been successfully completed. The said re-certification audit also included scope expansion for Physical-chemical Testing (including five batch analysis). The scope of the said audit also included specific audit requests from USFDA & ECHA regulators.

The said re-certification granted by the NGCMA and shall be valid for a period of two years.

The management is of the opinion that the said expansion of scope in certification will open up substantial market for the Company and will also result in increase in the scope of work/studies being received from existing long term clients of the Company. The said scope in expansion request was long due owing to delay caused by COVID 19 pandemic and has now been successfully completed.

Commencement of commercial operations in Vayam Research Solutions Limited ("Vayam")*
