SUB: AABL MANUFACTURES HAND SANITIZER TO COMBAT COVID-19

Associated Alcohols & Breweries Limited announces the production of hand sanitizer at its distillery situated at Gram Khodi, Tehsil Barwaha by using the Extra Neutral Alcohol (ENA) to manufacture (alcohol based) sanitizer as per prescribed norms.

The production started after the permission received from MP Drug and Food authorities in which the state (M.P govt) and its officials played a proactive role.

These supplies will be donated to government authorities as part of company's CSR activities to overcome shortage of hand sanitizer due to the COVID-19 outbreak, however as the demand and need of sanitizer in healthcare institution has grown rapidly the Board/Management decided for commercial sale of the same.

This is for your information and record.

Thanking You

Yours Faithfully,

For Associated Alcohols & Breweries Limited
