Datamatics Recognized as 'Leader' for Fifth Consecutive Year in IAOP 2023 Global Outsourcing 100 List

Mumbai 12th June 2023 Datamatics, a global Digital Operations, Technologies, and Experiences Company, today announced that it has been recognized as a 'Leader' in the International Association of Outsourcing Professionals® (IAOP) '2023 Global Outsourcing 100 List' for the fifth year in a row. This achievement is accompanied by the 'Three Star Ratings' across key evaluation parameters such as, Top Customer References, Awards & Recognitions, and CSR Programs & Initiatives.

Datamatics' Digital Operations integrate digital technologies, including Robotic Process Automation (TruBot), Intelligent Document Processing (TruCap+), Business Intelligence (TruBI), Smart Workflows (iPM), as well as Artificial Intelligence (AI) and Machine Learning (ML) models. This powerful combination enables superior control over operations, automation, insights, and predictive capabilities. By leveraging these advanced digital technologies, customers can enhance productivity, accuracy, and agility in response to changing business environments.

Rahul Kanodia, Vice Chairman and CEO Datamatics, expressed, "We are happy to be recognized as a 'Leader' in the IAOP Global Outsourcing 100 List for the fifth consecutive year. This is a testament to our commitment to delivering best-in-class Digital Operations solutions to our clients." **He further emphasized,** "At Datamatics, we leverage digital technologies to help our customers boost their productivity, drive growth and maximise returns on technology investments."

Mitul Mehta, EVP and Chief Marketing Officer, Datamatics commented, "Datamatics is committed to enabling customers to go Deep in Digital. We believe our recognition in IAOP Global Outsourcing 100 List for the fifth consecutive year is acknowledgement to our digital transformation capabilities, deep domain expertise and business-centric solutions."

Datamatics was also recently recognized for second consecutive year in the 2023 Gartner® Magic Quadrant™ for Finance and Accounting BPO Services.

DATAMATICS

About IAOP

IAOP is a global association uniting customers, providers, and advisors in a collaborative environment to enhance professional and organizational development, certification, and excellence, improving business service models and outcomes. Our members worldwide attend conferences, chapter meetings, and training programs to connect and improve their business results. Whether you're new or experienced in outsourcing, IAOP provides resources to connect you to a growing global community. Visit www.IAOP.org to learn more and get involved.
