Chairman's *Message*

Dear Shareholders,

I take the opportunity to congratulate and thank all the stakeholders on the completion of 104 years of successful operations of our great Company. Our history is replete with golden moments from the time it commenced operations in 1919 and spread its wings, through the turbulent days of the pre-independence period and the World War II, the freedom struggle when all Indians stood as one, the post-independence days of heady freedom and nationalistic pride, subsequent nationalization when there were only 4 PSU Insurers and then the de-tariff era where today we compete with 25 General Insurers, 5 Standalone Health Insurers and 2 Specialist Insurers.

All throughout the Company has always remained adequately capitalized. Today we have around 1 lakh shareholders across various categories. The Government of India currently holds 85.44% of the total shares of the Company.

The expectations of our stakeholders have always remained a motivation for us to meet the highest level of business performance, ethics and standards. New India continues to be the market leader with the highest market share of 13.42% in the non-life insurance industry in India. Gross Written Premium increased by 5.3% for New India as the Company pursued its strategy of growth with profitability, which meant that the Company had to let go of some businesses where the price was inadequate, or the terms were unfavourable. The conscious call and efforts taken by the Company to weed out loss-making accounts in Group Mediciam and Crop Insurance business has resulted in a lower market share compared to last year. But there has been a resultant improvement in the operating performance of the Company.

Profit After Tax has increased to Rs 1,055 Crores in this financial year as compared to a Profit After Tax of Rs

164 in the previous financial year, an increase of nearly 543%. Underwriting results were negatively impacted to an extent of Rs 224 Crores due to adverse development of claims pertaining to the previous years in the crop line of business. Some major losses in foreign operations also negatively impacted on the full year's results by Rs 107 Crores. The Company's guarded approach to Group Mediciam will continue. Strict implementation of the guidelines framed by the Company has enabled the ICR of Group Mediciam to reduce to 105% in Financial Year 2023 from a high of 120% in Financial Year 2022. The Company has rolled out price increase in Retail Health which will be effective from FY 2024, and the Company's focus is on increasing its footprint in the retail health segment.

After muted performance over last many years, New India saw good growth in the motor portfolio once again and steps are being taken to reduce loss ratio in this segment. In Financial Year 2023, the Company absorbed the entire impact of the wage arrears and additional provisioning on account of employee benefits to the extent of Rs 3,445 Crores. Despite additional profit realization of equity portfolio to offset this impact, the fair value change continues to remain healthy in excess of Rs. 18,000 Crores as of Financial Year 2023.

The Company declared a dividend of Rs 1.93 per share adhering to its stated Dividend Distribution Policy of 30% of Profit After Tax as Dividend. The performance of the Company was also well recognized and it received a number of prestigious awards during the year. The Company has been conferred the most preferred workplace award and the General Insurance company of the year award by ET Ascent for Excellence and Leadership in BFSI.

The Company has been a major participant in implementing the Ayushman Bharat Scheme in the State of Rajasthan. We were the sole insurer of the Pradhan Mantri Garib Kalyan Yojana Health Insurance Scheme for front line Covid health warriors. This enabled us to be a part of the Nation building process, post COVID.

The Company focuses on product innovation, technology and customer service as key focus areas. We issued close to 3 Crore policies and settled close to 1 Crore claims during the year. With a network of 1900+ Offices, we have a presence across the Country.

We have continued to enhance the product offerings and expand our distribution channels to better serve our customers. Some of the new products which you may have seen in the market recently are MyCyber Insurance, Surety Bonds, Drone Insurance, Pay as you Drive under Motor line of Insurance, and the Credit Guard Health policy covering critical illness. Our strong relationships with agents, brokers and corporate clients have enabled us to deepen our market penetration and to capitalize on emerging opportunities.

Additionally, we have placed a strong emphasis on digital transformation and technological innovation, enabling us to streamline processes, improve customer experience and to drive operational efficiency. These initiatives have positioned us well for the future, ensuring that we

remain agile and adaptive in an ever-evolving industry landscape. I would like to take this opportunity to express my appreciation for the unwavering dedication and hard work of our employees and our dedicated force of agents. Despite a large scale Corporate restructuring, their commitment and professionalism have been instrumental in accomplishments and have played a very crucial role in delivering value to our stakeholders. Looking ahead, we remain cautiously optimistic about the prospects of the industry and our ability to navigate the challenges that lie ahead. We will continue to focus on strengthening our core business, exploring new growth avenues and further enhancing our customer centric approach. I am confident that with our strong fundamentals, dedicated team and strategic vision, New India is well positioned to achieve sustainable growth with profitability and generate long term value for our shareholders.

While concluding, I once again extend my sincere thanks to all our stakeholders.

I foresee "New India" continuing to innovate and lead the way in providing comprehensive protection solutions, as the Company builds a brighter, more secure future for its valued shareholders and customers alike.

Thank You,

– Neerja Kapur

Building a Better Future Together...

The theme of New India's Annual Report for FY 2023 is, "Building a Better Future Together", that aptly signifies our collective efforts to create lasting value, foster meaningful relationships, and embrace our role as a responsible corporate citizen. It encapsulates our vision of a future that is not only financially secure but also socially and environmentally sustainable.

At New India Assurance Company, we recognize that our success is intertwined with the success of our shareholders, policyholders, employees, partners, and the communities we serve. We are driven by the conviction that by working together, we can overcome challenges, seize opportunities, and contribute to positive change.

Throughout the pages of this report, you will find highlights of our achievements, strategies, and initiatives that exemplify our commitment to building a better future together. We have made significant progress in key areas such as customer-centricity, innovation, risk management, corporate governance, and sustainability.

We have relentlessly focused on enhancing our customer experience by offering tailored insurance solutions, ensuring prompt and fair claims settlement, and expanding our digital capabilities. Our commitment to innovation has allowed us to embrace emerging technologies, improve operational efficiencies, and drive product and service innovation to meet evolving customer needs.

Furthermore, we have strengthened our risk management practices to navigate uncertainties effectively. Our robust governance framework and adherence to regulatory compliance have ensured transparency, accountability, and the highest ethical standards in our operations.

Sustainability remains a core pillar of our business strategy. We have undertaken various initiatives to minimize our environmental footprint, contribute to the well-being of local communities, and empower our employees through skill development and diversity and inclusion programs.

As we reflect on our achievements, we also acknowledge the challenges that lie ahead. The ever-changing business landscape, technological disruptions, and emerging risks demand our continued vigilance, adaptability, and forward-thinking approach. However, we are confident that with the collective efforts and collaboration of our stakeholders, we can navigate these challenges and build a better future together.

Bhakti Vedanta Hospital

We are grateful to The New India Assurance Co. Ltd. for supporting us with ETO Sterilizer, Washer Disinfector and Drying Cabinet. In the hospital facility, it is important to maintain sterilized facility to avoid the serious threat and spread of infection. Central Sterile Services Department (CSSD) is established to centralize the decontamination, sterilization, assembly, distribution and control of sterile items and equipment used in all areas of the hospital. By centralizing these activities, it is possible to provide more effective and efficient service. The overall objective of Central Service is to have the right sterile item, at the right place, at the right time, in the right condition. CSSD's function is to provide products for healthcare that are safe to handle by colleagues, persons in other departments and are safe to use in patients care. Equipment supported by The New India Assurance Co. Ltd.:-

1. Washer Disinfector:- This equipment is used for Mechanical Cleaning Process of all the surgical instruments used in the hospital. The washers have effective means to disinfect instruments because of their thermal action. They have spray force action of pressurized water against instruments being processed to physically remove bio burden.

2. Ethylene Oxide (ETO) Gas Sterilizer:- ETO is used for heat and moisture sensitive items. ETO is a small sized molecule that can penetrate through plastics,

so it can reach and sterilize areas that other agents cannot. ETO is very effective against wide range of microorganisms.

3. Drying Cabinet:- This is a cabinet which is used for keeping the items to air dry in a clean, dust free place away from the floor. It has system for clean pressurized air for drying with UV chamber and shelves for keeping tubes and other delicate surgical items.

The process done in CSSD is as follows:-

- Instruments received in washing area followed by through counting and checking of instruments.
- Further Cleaning & then Segregating and clubbing of instruments with functionality check of instruments are done.
- The instruments are then packed as per the respective checklist & then autoclaved.
- These sets are stored in the sterile storage room and then Issued to the respective departments as per the indent.

The above equipment supported by The New India Assurance Co. Ltd. are placed in the CSSD of Bhakti Vedanta Hospital & Research Institute to perform sterilization and other actions on medical devices, equipment and consumables; for subsequent use by health workers in the operating theatre of the hospital. It is also used for other aseptic procedures, e.g. catheterization, wound stitching and bandaging in a medical, surgical, maternity or pediatric ward.

Sri Sathya Sai Hospital Palwal Haryana

The proposal for providing Heart Lung Machine, Surgical Instruments, Cautery Machine and Operation Theatre Table to Sri Sathya Sai Sanjeevani Hospital, Palwal, Haryana was funded under CSR by The New India Assurance Co Ltd.

The project is to support Critical equipment and Instrument needed for open heart surgery of socio economically backward community children.

Heart Lung Machine:- This equipment is used by the Perfusion team to put the patient on bypass while doing open heart surgery.

Surgical Instruments:- These instruments are used by Cardiac Surgeon in open heart surgery where quality and precision is critical for successful outcome.

Cautery Machine:- This is used in open heart surgery to remove unwanted or harmful tissue. It can also be

used to burn and seal blood vessels.

Operation Theatre Table:- OT Table is the table on which the patient lies during a open heart surgery.

I would like to express my gratitude for your invaluable support in acquiring critical medical equipment and instruments for our Operation Theatre. I would like to extend my deepest thanks for inaugurating and inspecting the Heart Lung Machine, OT Table, Cautery Machine, and Surgical Instruments. Your contribution has played a pivotal role in enhancing our ability to provide high-quality healthcare services to our patients. The support received from the new India

Assurance has made a tangible difference in our ability to save lives and deliver comprehensive care.

With utmost respect and gratitude,

Gaurav Bhardwaj for Sri Sathya Sai Hospital - Parwal - Haryana.

Shivganga

Jhabua & Alirajpur are tribal districts on western border of MP home to 20 lacs tribals. Few decades ago, the region was rich in natural resources and cultural diversity. The modern development forces have led to excessive deforestation leading to loss of rainfall and water availability for farmers. This has caused loss of agricultural livelihood of farmers and results in excessive migration to urban areas that in turn leads to multiple social, educational, health and empowerment issues with the community.

- Shivganga has a unique way of involving and training the tribal community in solving their problems of water availability. They leverage the age-old custom of the tribal community called Halma to mobilize the community to collectively work for the cause of water harvesting and afforestation. Shivganga provides leadership and technical training to communities to solve their problems by providing leadership and technical training to the youths of the community. Shivganga also provides the machinery for constructing, repairing and reviving earthen dams and ponds as well as for afforestation (community forest) purposes. These machinery include JCB and Dump Trucks while the labour is provided free of cost by the community. Due to free labour provided by the community, the cost

per water harvesting structure and community forest is much lower than comparable government costs and the maintenance is also much better due to community involvement.

In order to help Shivganga in their noble cause, New India has Sanctioned CSR Proposal for One time Financial Assistance towards procurement of Two units of JCB 3DX Super Eco Excellence Backhoe Loader & Two units of Tata Signa, Dump Truck to Shivganga. The project falls under Schedule VII of Companies Act 2013- "Conservation of natural resources and maintaining quality of air, soil and water"

Stree Mukti Sanghatana

New India has sanctioned proposal from Stree Mukti Sanghatana to support for installation of Bio-gas plant at G-South ward of Mumbai under BMC. For this purpose land is provided free of cost by MCGM. Biogas Technology Bio-methanation (or Methanogenesis) is the capturing of Methane by microbes known as Methanogens. Certain micro-organisms are used for this which are identified as capable of producing Methane from biodegradation. Nisargruna technology is meant for processing biodegradable waste resource materials (wet waste) originating in kitchens, markets and slaughter houses. Stree Mukti Sanghatana is a license holder of technology to construct Bio gas plant.

Uses of Biogas

1. Domestic Kitchen fuel
2. Vehicular fuel (Charging battery operated vehicles)
3. Boiler fuel
4. Fuel in hotels
5. Electricity generation
6. Remainder sludge can be used as Organic manure

One unit of 5MT Biogas plant at Worli G (South) ward will process 5000 kg waste per day and will generate 300 cubic meters Biogas OR 500 KW electricity AND 0.4 to 0.5 ton of compost.

Water used in the biogas plant can also be recycled and reused. Solar panels can be used to heat the water for smooth processing of waste and aeration in the first digester will give better quality manure.

Benefits: Society as a whole by adopting the principles of Reduce Reuse Recycle

1. Prevention of emission of harmful greenhouse gas (GHGs)
2. Pollution free eco-friendly fuel generation

3. Renewable, scalable, flexible source of energy
4. Reduces air, water, soil pollution
5. Generates organic manure as a byproduct
6. Healthy cooking gas alternative

Worli G Ward (South) Beneficiaries:

1. 10000 families whose waste will be segregated at source
2. 50 Waste workers will be able to collect dry waste
3. 5 tons of segregated wet waste will be converted into Biogas
4. All the dry waste (approx. 1.5 ton) will be sent to recycling factories
5. 500 KW of electricity generated will charge more than 40 vehicles per day
6. 500 kg manure per day will enrich the soil
7. Processing the wet waste at ward itself will save transport costs
8. This in turn will reduce the emissions generated by fossil fuels.

Our work will cover 5 of the UN Sustainable Development Goals including: Clean Water and Sanitation, Affordable and Clean Energy, Sustainable Cities and Communities, Climate Action, Good Health and Wellbeing.

Samaritan Help Mission

Samaritan Help Mission (SHM) is a non profit organization working in densely populated and impoverished urban slums of Tikiapara and Bankra in Howrah district of West Bengal since 2001. The organization seeks to improve the quality of life of poor migrant slum dwellers by way of English Medium Education, Healthcare Services, Vocational Training, food support, sports academy to stop juvenile crime and providing clean and hygienic water to the community. Samaritan Help Mission started with the education of 25 children of Tikiapara slum in 2001. Today it runs two English Medium schools (affiliated with West Bengal Board) from Std 1 to 12th with Science, Commerce and Humanities streams. A total of 10,000 + children are studying in these schools located in slums of Tikiapara and Bankra respectively. These schools have a transformational impact in these slum areas due to very high quality education that is provided by Samaritan Help Mission's schools. Recognition: Samaritan Help Mission's school has been selected among the TOP 10 INSPIRATIONAL SCHOOLS IN THE WORLD for WORLD'S BEST SCHOOLS PRIZE in OVERCOMING ADVERSITY category by T4 Education - a UK based research organization

Due to lack of education and severe poverty, the girl child of Tikiapara slums are forced to get involved in various criminal and anti-social activities as they

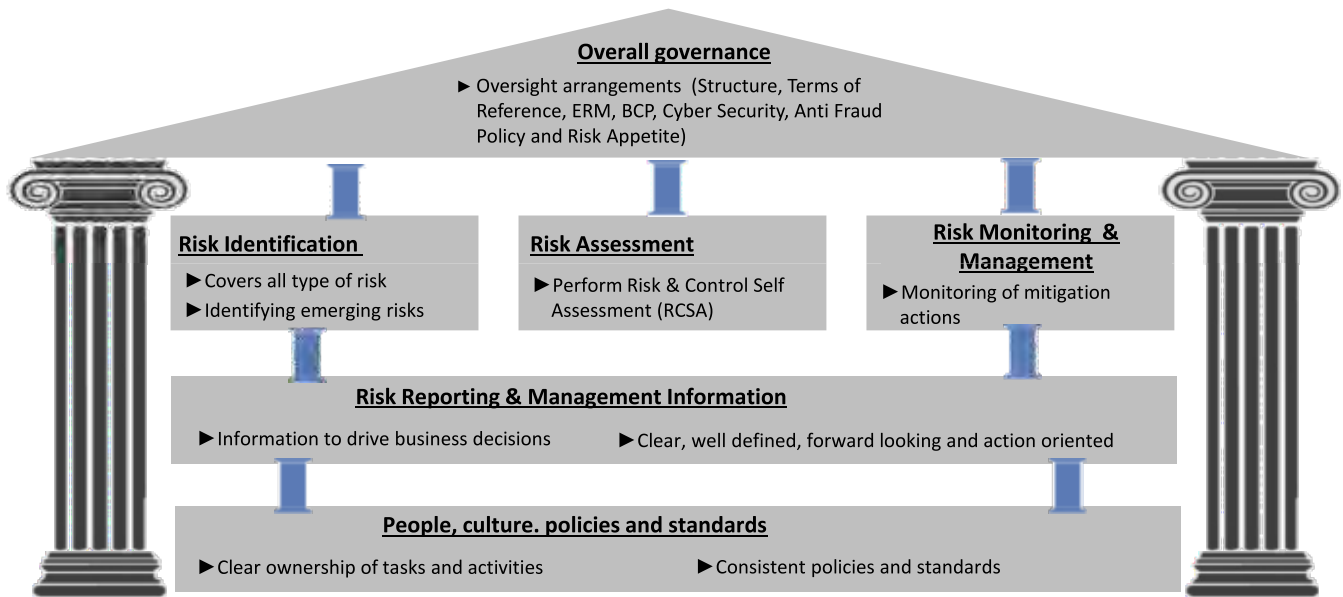

become the soft target of fundamentalist forces who easily divulge the direction of their lives. Moreover, these girls are also victims of early-marriage and other social taboos. While Samaritan Help Mission runs a school catering to 10,000+ children in Tikiapara (6500 children) and Bankra (3500 children) Slums, there is an acute need for educating girls from these poor families who are always discriminated against by the society and never get a chance to get a safe environment to pursue education. Samaritan Help Mission wants to build a separate school exclusively for girls from Tikiapara Slum in Howrah. This school will serve 800 underprivileged girls to bring them under the fold of quality English Medium education from Std 1 to 12th. SHM already has available land in its campus to construct this school. SHM is in a position to start the construction immediately upon approval of a grant for school construction. The expected construction period is 24 months. SHM is planning to start the school from Academic Year 2025-2026 onwards. New India Assurance has extended support through One Time Financial Assistance to Samaritan Help Mission, Howrah, West Bengal to build a separate school exclusively for girls from Tikiapara Slum in Howrah for quality English Medium education from Std 1st to 12th.

Approach to Reporting

At New India, we recognize the significance of transparent and comprehensive reporting to our shareholders and stakeholders. Our approach to reporting is rooted in the principles of accountability, integrity, and open communication. We believe that a well-structured and informative annual report is essential in providing a holistic view of our performance, strategies, risks, and opportunities.

Our reporting approach encompasses the following key elements:

1 **Transparency:** We are committed to providing clear and transparent information in our annual report. We adhere to recognized accounting standards, regulatory requirements, and industry best practices to ensure accuracy and consistency in our financial reporting. We disclose relevant financial data, including key performance indicators, to provide a complete and accurate representation of our financial position, results of operations, and cash flows.

2 **Strategic Insights:** Our annual report serves as a platform to communicate our strategic direction, objectives, and progress. We outline our strategic initiatives, market insights, and competitive landscape to provide shareholders and stakeholders with a comprehensive understanding of our business model and prospects. We highlight our key achievements, challenges, and the strategies employed to drive sustainable growth.

Approach to Reporting

3 Governance and Risk Management: We recognize the critical role of strong corporate governance and effective risk management in ensuring the long-term success and stability of our company. In our annual report, we provide detailed information about our governance framework, the composition and expertise of our Board of Directors, and our adherence to corporate governance guidelines. We also highlight our risk management practices, including our Enterprise Risk Management framework and efforts to identify, assess, and mitigate risks.

4 Stakeholder Engagement: We value the input and feedback of our stakeholders and actively engage with them throughout the reporting process. We seek to understand their expectations and concerns and incorporate their perspectives into our annual report. We provide avenues for shareholders and stakeholders to provide feedback, ask questions, and access additional information, ensuring an inclusive and participatory reporting process.

5 Sustainability and Social Responsibility: Our commitment to sustainability and social responsibility is a fundamental part of our reporting approach. We report on our sustainability goals, initiatives, and performance metrics, demonstrating our commitment to responsible business practices and stakeholder value creation.

Through our comprehensive reporting approach, we aim to provide shareholders and stakeholders with a clear understanding of our company's financial performance, strategic direction, risk management practices, and commitment to sustainability. We recognize that transparent and informative reporting builds trust, fosters accountability, and enables informed decision-making by our stakeholders.

We continuously evaluate and enhance our reporting practices to meet evolving regulatory requirements, industry trends, and the expectations of our stakeholders. By adopting a rigorous reporting approach, we ensure that our annual report serves as a reliable and comprehensive source of information, contributing to our overall transparency and accountability as an insurance company.

Notes

1. The deemed venue of the AGM will be the Registered Office of the Company.
2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 in respect of the item nos. 5,6 and 7 forms part of the notice. Additional information pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Secretarial Standards on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors appointed is furnished as annexure to the Notice. The Board has resolved that special business item needs to be discussed at this meeting as the same cannot be deferred to another meeting.

The Ministry of Corporate Affairs ("MCA") has vide its circular dated December 28, 2022, May 5, 2022 read with circulars dated January 15, 2021, April 8, 2020, April 13, 2020 and May 5, 2020 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing / Other Audio Visual Means (VC / OAVM), without the physical presence of the Members at a common venue and the voting for items to be transacted in the Notice to this Annual General Meeting (AGM) only through remote electronic voting process ("e-Voting"). Accordingly, in compliance with the applicable provisions of the Companies Act, 2013 read with the said circulars and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has decided to convene its ensuing 104th AGM through VC/OAVM and the shareholders can participate through VC/OAVM.

3. THE FACILITY TO APPOINT A PROXY TO ATTEND AND CAST VOTE FOR THE SHAREHOLDER IS NOT MADE AVAILABLE FOR THIS AGM. Hence the Proxy Form and Attendance Slips are not annexed to this Notice.
4. Institutional / Corporate Shareholders (i.e., other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to scrutinizer@snaco.net with a copy marked to evoting@nsdl.co.in.
5. Members can login and join the AGM through VC/ OAVM fifteen (15) minutes prior to the scheduled time to start the AGM and the window for joining shall be kept open till the expiry of fifteen (15) minutes after the scheduled time to start the AGM, on first-come-first-serve basis. However, Members holding 2% or more shareholding, promoters, institutional investors, directors, key managerial personnel, the chairpersons of the Audit Committee, Board Nomination and Remuneration Committee, Stakeholders Relationship Committee, auditors, etc. can join and participate at the AGM anytime prior to

the conclusion of the Meeting. Instructions and other information for Members for attending the AGM through VC/OAVM are given in this Notice.

6. Record Date of Dividend:
 - (a) The Company has fixed Friday, September 08, 2023 as the 'Record Date' for determining entitlement of Members to receive final dividend for the financial year ended March 31, 2023, if approved at the AGM.
 - (b) The final dividend for the financial year ended March 31, 2023 at the rate of Rs. 1.93 per equity share of face value of Rs. 5 each, as recommended by the Board of Directors, if approved at this Meeting, will be paid to those Members who hold shares:
 - i. in dematerialised mode, based on the beneficial ownership details to be received from National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as on Friday, September 08, 2023;
 - ii. in physical mode, if their names appear in the Company's Register of Members, after giving effect to valid transmission or transposition requests lodged with the Company as on Friday, September 08, 2023.
 - (c) For information on Tax Deduction at Source ('TDS'), please refer Annexure-II to this Notice on "TDS Instructions on Dividend Distribution".
7. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number ("PAN") by every participant in the securities market. Members holding shares in electronic mode, therefore are requested to submit, unless already submitted, their PAN to their Depository Participants (DPs) with whom they are maintaining their demat accounts.

Members holding shares in physical mode can submit their PAN to Link Intime. Further, SEBI vide its Circular dated November 3, 2021 read with Circular dated December 14, 2021, mandated furnishing of PAN, e-mail address, mobile number, and bank account details by holders of physical securities in prescribed Form ISR-1 to Link Intime. Form ISR-1 is hosted on the website of the Company and can be viewed at www.newindia.co.in.

In case a holder of physical securities fails to furnish these details or link their PAN with Aadhaar on or before March 31, 2023, Link Intime is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the Registrar / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.
8. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in Dematerialized form with effect from, April 1, 2019,

except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to Dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, Link Intime (India) Pvt Ltd for assistance in this regard.

9. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with Link Intime (India) Pvt Ltd in case the shares are held by them in physical form.
10. Non-Resident Indian Members are requested to inform their respective DPs, immediately of:
 - a) any change in their residential status on return to India for permanent settlement.
 - b) particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code, if not furnished earlier.
 - c) In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
11. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to Link Intime (India) Pvt Ltd in case the shares are held by them in physical form.

As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13.

12. Payment of Dividend through electronic means:
 - (a) Members are encouraged to avail the Electronic Clearing Service (ECS) mandate facility provided by the Company. In order to avoid fraudulent encashment of dividend warrants, Members holding shares in physical form are requested to send to Link Intime, at the above mentioned address, Form ISR-1 (providing details of bank account) or changes therein, if not provided earlier, under the signature of the Sole/First holder quoting their Folio Number.
 - (b) Members holding shares in dematerialised mode are requested to intimate all changes pertaining to their bank details, ECS mandates, email addresses, nominations, power of attorney, change of address/

name etc. to their DPs only and not to the Company or Link Intime.

13. Members desiring to claim unclaimed dividends are requested to correspond with Link Intime or the Company Secretary, at the Company's registered office. Members are requested to note that dividends which are not claimed within seven (7) years from the date of transfer to the Company's Unpaid Dividend Account, will, as per the provisions of Section 124 of the Act and rules made thereunder, be transferred to the Investor Education and Protection Fund ("IEPF"). Further, pursuant to the provisions of Section 124(6) of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended ("the IEPF Rules"), all shares in respect of which dividend has not been paid or claimed for seven (7) consecutive years or more shall be transferred to the demat account of the IEPF Authority. The Company has uploaded the details of unpaid/unclaimed dividend amounts along with the due date of transfer to IEPF authority on the website of the Company at www.newindia.co.in.

ANNEXURE I

INSTRUCTIONS ON DEDUCTION OF TAX AT SOURCE ON DIVIDEND

As per the Income-tax Act, 1961 ("the Act"), as amended by the Finance Act, 2020, dividend paid or distributed by Company to the shareholders after April 1, 2020 shall be taxable in the hands of the shareholders. The Company shall therefore be required to deduct tax at source ("TDS") under Section 194, 195 and 196 of the Act at the prescribed rates at the time of making the payment of the said dividend to Shareholders. The TDS rate would vary depending on the residential status of the Shareholder and the documents submitted by them and accepted by the Company. Further, higher rate of TDS would be applicable if pursuant to Section 206AA of the Act valid permanent account number ("PAN") has not been provided by shareholder or pursuant to Section 206AB of the Act shareholder being a specified person.

Accordingly, the final dividend will be paid by the Company after deducting tax at source, as applicable, as explained herein.

A. Resident Shareholders

1. For Resident Shareholders, TDS will be applicable at 10% on the amount of dividend. In case valid PAN is not provided or Shareholder is a specified person or PAN is not lined with Aadhaar, then the TDS will be applicable at 20% of the amount of dividend. Accordingly, Shareholders who have not provided their PAN are requested to provide the same to Link Intime (RTA) of the Company (in respect of shares held in physical form) or to the Depository Participant (in respect of shares held in electronic form) immediately. No tax shall be deducted on the dividend payable if either of the below two conditions are fulfilled:
 - Total dividend payable to a resident individual shareholder does not exceed Rs. 5,000 per year.
 - The shareholder has provided duly filled and signed Form 15G (applicable to individual)/ Form 15H (applicable to an Individual above the age of 60 years) with valid PAN and provided that all the required eligibility conditions are met.

2. The following tax resident shareholders should be eligible for nil/lower rate of TDS upon providing the documents to the Company mentioned hereunder to the satisfaction of the Company:

Sr. No.	Particulars	Applicable Rate of TDS	Documents Required
a.	Insurance Companies	Nil	<ul style="list-style-type: none"> Declaration that it is an Insurance company as specified under Proviso to Section 194 of the Act Self-attested copy of certificate of registration with IRDAI Self-attested copy of PAN card

d.	All resident shareholders	Rate specified in the low deduction certificate issued by the Income Tax department	<ul style="list-style-type: none"> Self-attested copy of certificate under Section 197 of the Act

B. Non-Resident Shareholders

- For non-resident shareholders or institutional shareholders being Foreign Institutional Investor/Foreign Portfolio Investor (FII/FPI), TDS will be applicable under Section 195 or Section 196D of the Act, at 20% or as per the rate in any applicable Double Tax Avoidance Agreement (“tax treaty”) on submission of documents mentioned below, whichever is lower, on the amount of dividend payable.
- The non-resident shareholders who has a permanent establishment in India and is a specified person would be liable for twice the rate of TDS as applicable to them.
- If certificate under Section 197/195 of the Act is obtained by non-resident shareholders for lower/Nil withholding of taxes, rate specified in the said certificate shall be considered based on submission of self-attested copy of the same.

Pursuant to Section 90(2) of the Act, non-resident shareholders have the option to avail the benefit of tax treaty between India and the countries of their tax residence for which such non-resident shareholders will have to provide the following documents, to the satisfaction of the Company:

- Self-attested copy of the PAN allotted by the Indian Income Tax authorities; If the PAN is not allotted, please submit self-declaration.
- Self-attested copy of Tax Residency Certificate (TRC) (for FY 2023-24) obtained from the tax authorities of the

country of which the shareholder is resident. In case, the TRC is furnished in a language other than English, the said TRC would have to be translated from such other language to English language and thereafter duly notarized and apostilled copy of the TRC would have to be provided.

- Digital Form 10F
- Self-declaration by the non-resident shareholder as to:
 - Eligibility to claim tax treaty benefits based on the tax residential status of the shareholder;

 - In case of member being tax resident of Singapore, please furnish the letter issued by the competent authority or any other evidences demonstrating the non-applicability of Article 24 Limitation of Relief under India-Singapore Double Taxation Avoidance Agreement (DTAA).

Please note that in case of non-resident shareholders Self Declaration should contain all information forming part of self-declaration annexed to this notice.

Recently, Government vide Notification No 03/2022 have mandated non-resident to issue Form 10F in electronic format duly verified in manner as prescribed in Notification. This requirement is applicable if prescribed information is not contained in Tax Residence Certificate. Accordingly, furnishing of Form 10F in any other format will not be considered valid. Please note that the Company in its sole and absolute discretion reserves the right to call for any further information and/or to apply domestic law/tax treaty for TDS.

GENERAL INSTRUCTIONS:

1. All the above referred TDS rates shall be duly enhanced by applicable surcharge and cess, wherever applicable.
2. Shareholders holding shares in dematerialized mode, are requested to update their records such as tax residential status, PAN, address, bank account details, email addresses and mobile numbers with their Depository Participant(s). Shareholders holding shares in physical mode are requested to furnish their details to the Company or Company's RTA i.e. Link Intime.
3. Please note that for the purpose of complying with the applicable TDS provisions, the Company will rely on the above-mentioned information as on record date i.e. September 08, 2023 as per the details available with the Depositories/ RTA.
4. The forms and declarations can be downloaded from www.linkintime.co.in. In order to enable the Company to determine the appropriate tax rate at which tax has to be deducted at source under the respective provisions of the Act, Shareholders are requested to provide/ submit the documents as applicable to them by accessing the link at www.linkintime.co.in or through registered email of the shareholder with PAN being mentioned in the subject of the email to rnt.helpdesk@linkintime.co.in on or before 15th September, 2023
5. The dividend will be paid after deduction of tax at source as determined on the basis of the documents provided by the respective shareholders as applicable to them and

being found to be complete and satisfactory in accordance with the Act. The Company shall arrange to send the TDS certificate to the shareholder.

6. No communication on the tax determination/ deduction in respect of the said dividend shall be entertained post the above mentioned date and time. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/ documents, there would still be an option available with the shareholder to file the return of income and claim an appropriate refund, if eligible. Further, it may kindly be noted that no claim shall lie against the Company for such taxes deducted.
7. In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided/to be provided by the Shareholder(s), such shareholder(s) will be responsible to indemnify the Company and also, provide the Company with all information/documents and co-operation in any proceedings.
8. This communication shall not be treated as an advice from the Company. Shareholders should obtain tax advice related to their tax matters from a tax professional.
9. The Company will be relying on the information verified from the functionality or facility available on the Income Tax website for ascertaining the income tax compliance for whom higher rate of TDS shall be applicable under Section 206AB of the Act.

General Insurance Industry Vis-à-vis Indian Economy

The Indian economy has been growing steadily over time, and the general insurance industry has played a significant role in supporting this growth. The Indian GDP grew at 7.2% in FY 2023 from the 7% estimated by the Government of India. India's growth continues to be resilient despite some signs of moderation in growth, (World Bank in its India Development Update dated 4th April 2023). The recovery of private consumption, which has boosted production activity, higher capital expenditure (Capex), nearly universal vaccination coverage that allows people to spend money on contact-based services like restaurants, hotels, shopping centers, and theatres, as well as the return of migrant workers to cities to work on construction sites, the strengthening of the U.S. dollar, and the strengthening of the global economy, has enabled the healthy growth of the Indian Economy

India has demonstrated its economic resilience by successfully overcoming the task of reducing external imbalances brought on by the Russian-Ukrainian conflict without losing impetus for growth. Compared to other advanced countries and regions, India's inflation rate did not become too high. According to the Reserve Bank of India (RBI) forecast, the real GDP is expected to grow by 6.5% in FY2023-24.

In FY 23, Non life insurers (comprising general insurers, standalone health insurers and specialized insurers) recorded a growth of 16.41%, with the total Gross Direct Premium of INR 2.57 trillion. With numerous legislative improvements to promote insurance penetration in the nation, FY 23 turned out to be a game-changing year for the general insurance business.

With the automobile industry resuming its growth, the Indian motor insurance market has emerged as one of the fastest-growing business segments within the General Insurance space. The motor insurance market in India accounted for 32% of all non-life insurance premiums collected in Financial Year 2023.

Increased awareness about the need of Health Insurance, rising medical inflation and high out of pocket expenses for Medical treatments, Medical insurance is likely to remain a high growth segment in the coming years. The non-life Insurance Industry has offered quality health insurance products with an aim of serving the general populace at a fair and reasonable price.

Today, insurance is no longer seen as an industry where goods are sold by insurance consultants via an archaic administrative process. With the advent of technology, the industry underwent a significant transformation recently, and the sector is now incredibly vibrant and innovative. Insurance careers offer an attractive option for those working in IT, finance, products, marketing, and other related fields as well.

IRDAI's goal of 'Insurance for All' by 2047, announced in November 2022, would also help the business growth. The regulator put out a number of measures as part of this strategy, including easing the burden of compliance on insurance businesses, encouraging the entry of new specialty insurers, developing new cost-effective products, and bolstering

distribution channels. The penetration of insurance in India will dramatically rise as a result of these measures.

Bima Sugam is a recently approved excellent initiative by the Insurance Regulatory and Development Authority of India (IRDAI) that aims to provide a comprehensive platform for all insurance needs. It will serve as a one-stop solution, facilitating the entire insurance process from policy purchase to claim settlement and more. One of the key features of Bima Sugam is the introduction of E-BIMA or E-IA accounts for policyholders in a Dematerialized format, eliminating the need for physical documents and paperwork during renewal.

By opting for Bima Sugam, policyholders and their families can consolidate their insurance policies by a single repository of their choice. This centralized storage of information will streamline claim settlement for nominees and beneficiaries and help curb fraudulent activities. The platform will cover various insurance categories, including life, health, motor and travel insurance.

Bima Sugam aims to enhance the ease of doing business in the insurance industry and make life and health insurance more accessible to all at subsidized premiums. It will benefit insurers, agents, intermediaries and customers by providing a common platform for their interactions. The initiative will be closely monitored by IRDAI and involve key stakeholders such as the Life Insurance Council, General Insurance Council, public sector banks and brokers associations.

Some of the important changes also include the revised Expenses of Management Regulations, which will come into effect from April 1, 2023. The revised regulations aim to improve the transparency and governance of insurance companies by putting a cap on the expenses that can be incurred on management.

Shift to INDAS Accounting standards: The insurance industry in India is in the process of shifting to the Indian Accounting Standards (INDAS) from the Insurance Accounting Standards (IAS). The INDAS are based on the International Financial Reporting Standards (IFRS), which are the globally accepted accounting standards. This shift will help to improve the transparency and comparability of financial statements of insurance companies.

To summarise, the development of India's insurance industry will be aided by significant government initiatives, robust demographic factors, a favourable regulatory environment, increased mergers and acquisitions, increased foreign direct investment limits in insurance companies, the emergence of digital platforms for insurance products, global technology, processes, increased awareness, vibrant distribution channels, and international best practices.

OVERVIEW OF COMPANY'S OPERATIONS

❖ FIRE AND ENGINEERING

The Company performed well in the Property Insurance segment despite the fierce competition prevailing in the market. The Company continued to maintain its leadership position in this segment of the General Insurance Market. The results of the Fire & Engineering segment are summarized below:

Segment	Premium (in Crore)	Growth (%)	ICR on Earned Premium (%)	Market Share (%)
Fire	4512.02	8.79	59.30	17.70
Engineering	944.03	18.67%	60.97	21.57

During the year, the company continued with occupancy based approach for rating as a part of improvement in underwriting. The Company decentralized policy underwriting in a controlled manner at regional offices, which improved the customer servicing and efficiency. Workshops on underwriting and claims management were conducted for the technical teams in various offices

Strict claims control was achieved by optimum utilization of the resources, careful selection of risks and thrust on quicker claims settlement. This resulted in reducing the cost of claims and increased profitability.

We aspire to maintain our leadership in this segment in the years to come.

❖ HEALTH INSURANCE

The health portfolio remains a dominant portfolio with the completion of a premium of Rs 16,682 crores in FY 2022-23.

Some of the initiatives taken for growth in Retail Health to fuel growth and enhance retail penetration are as under:

- Yuva Bharat Health Insurance, an exclusive and very comprehensive policy targeting the youth up to 45 years of age, was launched as a niche product for this segment. The coverage includes suitable benefits for this age group such as vaccination and infertility. The product has been competitively priced to incentivize the youth to enter the insurance at a

young age. The installment facility for payment of premium has been given here as an incentive to enhance penetration.

- Credit Guard Health Insurance Policy was launched for Bancassurance partners, covering 18 critical illnesses listed as well as Personal Accident coverage for bank loanees. This policy has reinsurance support and acts as collateral for the bank to protect their financing.
- Atmanirbhar policy was launched for differently abled people.

INITIATIVES to BOOST HEALTH INSURANCE

1. Ongoing interaction with policyholders, periodic notifications sent to them about their policy coverage, accrued bonuses and claim payment notifications.
2. Several interactive sessions were held with agents, health officials and APEP officials to disseminate product knowledge and guidance and encourage retail health penetration.
3. Interactive sessions held with the call center teams to handle enable them to handle the customer grievances in a better and knowledgeable manner.
4. Utmost care is taken to ensure prompt handling of Customer Grievances.

❖ GROUP HEALTH:

With a view to ensure growth with profitability, we have consciously weeded out loss making standalone accounts, rightly priced the policies on renewals and weeded out accounts where premium is inadequate, thereby ensuring self-correction of the portfolio.

❖ MOTOR OWN DAMAGE

The Company's overall Motor Premium showed a growth by 20.75% and achieved a total premium of Rs. 3,153 cr. for the year 2022-23 as compared to Rs. 2,611 cr. of the previous year and market share for Motor has increased to 11.04% with No. 1 position.

During the year, Department has launched two products viz. (1) Pay As You Drive Motor Policy for Private Cars & Two Wheelers, (2) Hybrid Protect Add On Cover for Hybrid Vehicles under Private Car Insurance. The endeavour of the company is to launch new products in the coming year as well, to suit the market requirements.

Claim Settlement in Motor Own Damage segment stands at 92.88% in comparison with 92.22% of the previous Financial Year. Company has ties-up with reputed motor workshop/garages spread across the country, for providing cashless service to all our customers.

The focus of the Company is to be more digital, with an objective of facilitating efficient service for our customers. A few significant initiatives commenced in the previous year have got stabilized and further strengthened during the year. Digital Survey Report is introduced assisting our offices for faster settlement of claims Pan India. The

Department had taken up the initiative of assessment of Motor OD claims using Artificial intelligence and Live/ Video streaming on pilot basis. Vahan integration has been implemented in the system for validation of vehicle details and for auto population of vahan data in all New India Portals.

Periodic training to our claims handling officials are conducted to enable them to handle the Motor OD claims quickly and fairly.

❖ **AUTO TIE-UP**

The Company has tied-up with Motor Dealers and major brands across India. The Government initiative given for electric vehicles, has encouraged the Company to approach various OEMs, manufacturing Electric vehicles. With new tie-ups in the pipeline the Company's penetration in this important channel will become deeper / stronger.

We are sourcing business at dealer points through centralized tie ups as well as direct tie-ups.

The growth in Auto Tie-up has played a major role in the growth of Motor LOB of the Company and cement its position as the market leader in Motor Insurance Segment. Auto Tie-up, as a provider of seamless services to the customer, such as instant policy, cashless claims and best in market products has enhanced the Company's commitment to its customer centric approach.

❖ **MOTOR THIRD PARTY CLAIMS AND MOTOR THIRD PARTY CLAIMS HUB**

In Motor Third Party the focus was on expeditious settlement of claims. In the present context and scenario, the Department has taken cognizance of the fact that the need of the hour is a focused shift towards expeditious settlement, in addition to usual Court-driven judicial mechanism(s), as was the trend in the past. Settlement of claims through conciliatory mechanisms has been a practice which we have been following in recent years and the same is expected to be the new norm in light of the new Motor Vehicle Amendment Act.

It is imminent that the future of Insurance Industry is going to be more oriented towards digitalization as well as work automation. In view of the same, the Department had initiated steps for implementation of technologically driven aspects, which have been operationalized during the current fiscal.

Movement of physical files have been dispensed in majority of the cases, and documents are now uploaded online. This has facilitated quick decision making as well as the flexibility to access the files from any location, without the need or overt reliance on physical files.

Similarly, paperless work-flow based structure has been implemented in a full-fledged manner which enables tracking the movement and the stage in which a legal claim file is at. The dashboard to have a comprehensive view are also under development.

Advocate Portal, Advocate App, Investigator Portal as well

as Judgment Store are other features which are a major step towards Digitization of Motor TP Claims Processing and Tracking.

With regard to the performance in the previous Fiscal, our Settlement Ratio increased to 30.21%, against 25.43 % in the last FY and the Throughput Ratio was 104.5% against 93.48% in the previous FY. The ICR on net earned premium is 88.76%

Company has 2 Legal Hubs at Mumbai and Delhi and 49 Motor TP Claims Hubs which are effectively and efficiently handling legal TP claims. Delhi Legal Hub works as the face of the Company in Supreme Court and NCDRC Matters.

❖ **TECHNO MARKETING**

Techno Marketing is a specialized department created at the Corporate office to cater to the needs of Large Corporate clients for their high value operational business units as well as normal and specialized erection and construction projects of high value. The Operational business units and projects are insured either situated in India or outside India for Indian companies. Stand Alone Terrorism is also issued.

Corporate clients with newer and newer business models are always looking for customized covers which is being addressed by the department by devising need-based Insurance solutions with the expertise available in the department.

With the support of national and international reinsurers, company is able to provide unique covers to fulfil the requirement of Corporate clients. With the aim of providing the best customer service, Seminars are organized for Large corporates at their workplaces to educate their employees and executives about the Large risk and Large Project policies along with the claims modalities. In line with the corporate strategy of Underwriting the risk with profitability, clients are educated about the Risk Management practices and Loss Minimizing activities. Risk inspections for complex risks are conducted by globally reputed risk engineers. Moreover, the company conducted online training sessions on underwriting and claims management for the education and better coordination with the technical teams in various offices.

The company is well prepared to face the challenges in this segment and aims to maintain the leadership in coming years as well with our proactive approach and technical competence.

❖ **MARINE CARGO & MARINE HULL**

Company continue to maintain leadership in the Marine Line of Business in the Indian market. Marine portfolio has shown growth of 15.45% with ICR of 72.90% in Marine Hull and 9.04% with ICR of 66.96% in Marine Cargo segment, despite challenging situation. At a portfolio level, Marine line of business has registered an overall premium of Rs. 977.83 crores with market share of 19.34%. The New India Assurance Co Ltd insures major shipping lines of India, majority of Inland and Coastal

vessels, sailing vessels and fishing vessels navigating in and around Indian waters. In the oil and energy segment, we have consistently been the market leaders since inception. We are also the only insurance company in India which offers P&I cover to the Indian coastal vessels. We also provide Delay in Startup (DSU) cover for major construction projects initiated in the country to cover loss of profits resulting from marine transit perils.

Popularity of our products and services in the maritime domain helped the company to become 'Insurer of the year' by the coveted International Samudra Manthan Awards-2022.

Changing geopolitical scenario, especially after the recent Russia-Ukraine war and resultant spree of wide ranging sanctions imposed on individuals and entities has brought huge challenges before marine insurers. Market capacity wasn't abundant due to the exclusion of specified territories. We took initiative in formation of Marine Cargo Excluded Territory Pool (MCET) and participated in the same. Despite various challenges, we continue to provide unhindered support to Indian enterprises. We have purchased a comprehensive sanctions compliance check facility Compliance Assist for prudent underwriting as well as protecting our financials.

As the leader in Marine Insurance, the Company is committed to delivering best-in-class service to its clients. We have upgraded our E-Marine portal which allows it to initiate claims, upload documents, and auto intimation to WKW in case of overseas claims.

As the dynamics of the shipping industry is changing, we are committed to bring 'out of the box solutions' for our clients.

❖ AVIATION

New India continues to be preferred Insurer of most major airline operators and General Aviation business.

With the advent of Government sponsored Regional Connectivity scheme, New India has been extending insurance support to smaller airlines/ new entrants under UDAN scheme.

New India continues to be a preferred re-insurer in international market extending its support to around 60 Aviation Reinsurance Programme across the Globe.

❖ MISCELLANEOUS AND LIABILITY INSURANCE

The Company's visibility in the industry as pioneers in writing Event Insurance which includes Sporting Events and other Lines of Business such as Liability Insurance and Film insurance continues, and these lines of business have been sustained due to increase in premium rates and reinsurance support from international market. The company also caters to the insurance needs of the telecommunication service providers, film industry and small and medium sized entrepreneurs.

It has been our endeavour to continuously support our banking sector by providing them with Cyber Liability Insurance and Commercial Crime insurance which are the most critical cover in the existing scenario. Cyber liability

has special significance in the current working environment where technology-based working has proved to be the mainstay of our economy.

Efforts are being made to approach International Markets to bring newer products to Indian Market depending on market needs to ensure sustainable and stable growth with profitability. Our Regional Offices have been empowered in respect of policy underwriting, which has been decentralized to a greater extent and has contributed towards improving the turn-around time, client servicing and efficiency. We have introduced two new products in the year viz, New India Pension Protect PA and MyCyber Insurance. Workshops on underwriting and reviews of claims management were conducted to ensure that the technical teams in various offices are constantly updated. We are focused on improving our performance year after year.

❖ REINSURANCE

"The Company's Reinsurance protection continues to be optimal and commensurate with its risk profile and financial position. Renewal of all proportional and non-proportional treaties for domestic business and foreign operations, at good terms, was completed as per schedule. The IFSC office of the Company in GIFT city, doing foreign Inward business, continues to grow profitably. The year has not seen any major CAT event exceeding the deductible in the domestic excess of loss treaties. However, there was one major Risk loss which impacted the Fire Surplus Treaty. On the global front there were losses due to Cyclone Gabrielle in New Zealand, and a few other minor Cat and Risk losses."

❖ BROKER

Brokers are the preferred channel of business in India in commercial line of business which includes marine, aviation, engineering risk and liability insurance.

❖ ENTERPRISE RISK MANAGEMENT

Enterprise Risk Management (ERM) is a fundamental component of our company's governance and strategic decision-making process. We recognize the importance of effectively managing risks to safeguard our business and ensure sustainable growth. As our Company has also been identified as Domestic Systematically Important Insurer in India (D-SII), it becomes even more essential that the ERM structure of the Company is robust.

Our ERM framework enables us to proactively identify, assess, and mitigate risks across our operations. By adopting a comprehensive approach, we analyze internal and external factors, conduct risk assessments, and engage with stakeholders to gain insights into emerging risks. This helps us prioritize risks based on their potential impact and likelihood of occurrence.

Once risks are identified and assessed, we develop and implement risk mitigation strategies tailored to each risk category. Our strategies involve risk avoidance, risk

transfer, risk reduction, or risk acceptance, depending on the nature and severity of the risks.

We continuously monitor the evolving risk landscape to ensure the effectiveness of our risk management practices. Regular risk reporting and communication provide valuable information to our Board of Directors and executive management, enabling them to make informed decisions and take necessary actions.

Our risk governance structure ensures clear roles, responsibilities, and accountabilities throughout the organization. The Board of Directors oversees the ERM program, ensuring alignment with our strategic objectives and regulatory compliance.

Key risks we actively manage include market risk, operational risk, financial risk, and cybersecurity risk. Market risk is mitigated through market research, innovation, and strategic partnerships. Operational risk is addressed through robust controls, business continuity planning, and adherence to regulations. Financial risk is managed through prudent financial practices and appropriate insurance coverage. Cybersecurity risk is mitigated by investing in advanced security measures and providing ongoing training to our employees.

Our commitment to ERM helps us protect our stakeholders' interests, enhance operational efficiency, and create sustainable value. We remain dedicated to continuously improving our ERM framework and fostering a risk-aware culture across the organization.

By effectively managing risks, we can seize opportunities, navigate challenges, and ensure the long-term success and resilience of our company.

In this financial year, the Department of Official Language all over India received a total of 35 awards. On World Hindi Day, an online global official language seminar was organized by the Department of Official Language, in which representatives of offices located abroad also participated. The employees are being trained in large numbers in prabodh, praveen, Pragya and Parangat training programmes organized by Hindi Training Scheme, Department of Official Language, Ministry of Home Affairs, Government of India.

The Department of Official Languages is constantly striving to play an important role in the promotion of regional languages along with Hindi.

❖ INTERNAL AUDIT

Internal Audit has been playing a vital role in strengthening the Corporate Governance and complying with the management objectives to improve and strengthen the internal controls.

Internal Audit functions through Audit teams stationed at various regional offices and supervised by IAD, Head Office. An Annual Audit Plan is drawn up to ensure that all operating offices (including Branches and Micro Offices) are audited at least once in the financial year. Regular audits of their Regional Offices, Claims Hub, Broker DO, LCBOs, Auto Tie-up Offices & HO departments are conducted to ensure proper implementation of corporate guidelines.

The Internal Audit vertical at Head Office has assisted in enhancing the performance of Audit Compliance Cells at various Regional Offices for expediting the resolution of pending audit queries – both CAG and internal. At the end of the financial year, of the yearly performance of this vertical is placed to the Audit Committee and the Board.

The Company has been complying with the Prevention of Money Laundering Act (PMLA) 2002 since it has been made applicable to insurance companies w.e.f 01.08.2006. IRDAI has issued Master Guidelines on Anti-Money Laundering/ Counter Financing of Terrorism (AML/CFT), dt. 01.08.2022. The Principal Compliance Officer posted at the Corporate Office monitors the compliance of AML guidelines.

We are committed to continuous improvement in our internal audit function. Our Internal Audit Vertical keeps abreast of evolving regulatory requirements and industry best practices. This allows us to enhance our audit methodologies, adopt innovative technologies, and leverage data analytics to provide valuable insights to the organization.

❖ LEGAL & CONSUMER FORUM

The legal and consumer forum vertical at the Head Office primarily handles legal matters pertaining to Arbitration cases and Consumer fora cases/ Supreme Court matters and civil/commercial suits other than T.P claims. All court notices received from various fora/courts in the country are properly monitored on an urgent basis and due care is taken to ensure that the same are attended to by Regional

Offices.

263 consumer cases have been settled in FY 2023, through the mechanism of Lok Adalat. An overall settlement of 4534 cases in dispute with a settlement ratio of 24.23 % and throughput ratio of 92.77 % was achieved.

With the influx of high value cases being filed at District forums, a hand-holding practice of HO approval in selection of advocate and forming best strategy/line of defense, has been introduced (in respect of high exposure consumer cases exceeding Rs. 1 crore). This helps the ROs to put their best foot forward in defending/ resolving such matters from the beginning. Towards shift to digitization, steps are also being taken to make our offices compliant with the handling of electronic court notices and filing appeals/defenses electronically before the Courts.

At New India Assurance, we place great importance on legal compliance and consumer protection. Our engagement with the legal system and consumer forums reflects our dedication to maintaining ethical business practices and ensuring positive customer experiences. By upholding legal standards and actively addressing consumer concerns, we strengthen our position as a trusted insurance provider in the market.

❖ VIGILANCE

The Vigilance Unit is responsible for vigilance administration in the organization under the general superintendence of Central Vigilance Commission. It is headed by the Chief Vigilance Officer who is assisted by the Chief Manager, Desk Officers at H.O & field Vigilance Officers at Regional Offices.

This vertical is in constant pursuit of creating a sound vigilance culture in the Organization with a focus predominantly on preventive vigilance mechanism which will bring about a safe environment conducive of doing good business. It is committed to maintain integrity, transparency & efficiency in the organization which will ultimately lead to highest standards of corporate governance, and help in achieving organizational excellence.

During the Financial year 2022-23, surprise Inspections were conducted at 610 offices, comprising of Divisional Offices, Branch Offices, Micro Offices, LCBOs and Regional Office TP/ OD Claim Hubs. Regular Preventive Vigilance Workshops were conducted at various offices to educate and sensitize the staff with an objective of creating a Vigilant Workforce which is the most desired asset of any Organization.

Vigilance Awareness Week was observed from 31.10.2022 to 06.11.2022 with the theme of the year – “Corruption Free India for a Developed Nation”. During the Vigilance Awareness Week various activities / events / competitions within and outside the organization were organized to generate awareness in the public at large about the ill effects of corruption.

By upholding the principles of vigilance, we safeguard the interests of our policyholders, shareholders, and other

stakeholders. Our commitment to integrity, transparency, and ethical conduct differentiates us in the marketplace and strengthens our reputation as a trusted insurance provider.

We remain steadfast in our commitment to maintaining

a culture of vigilance and ethical behavior, continuously reviewing and enhancing our vigilance practices to adapt to emerging risks. By doing so, we ensure the long-term sustainability and success of our company.

INDEPENDENT AUDITORS' CERTIFICATE ON COMPLIANCE WITH CORPORATE GOVERNANCE REQUIREMENTS UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015, AS AMENDED

To
The Members of
The New India Assurance Co. Ltd.

We have examined the compliance of conditions of Corporate Governance by The New India Assurance Company Limited ("the Company") for the year ended on March 31, 2023, as stipulated in Regulation 17 to 27 and clauses (b) to (i) of Regulation 46 (2) and paragraphs C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("SEBI LODR Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination, as carried out in accordance with the "Guidance Note on Certification of Corporate Governance" issued by the Institute of the Chartered Accountants of India (the "ICAI"), was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Based on our examination of the relevant records and in our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Paragraphs C and D of Schedule V to the Listing Regulations for the year ended March 31, 2023 except:

- There was no woman independent director during the entire financial year 2022-23 as required under Regulation 17 (1) (a) of SEBI LODR Regulations.;

II.	Audit Qualification (each audit qualification separately):			
	a.	Details of Audit Qualification: Note 3(e), (f), (g), (h) & (i) - Balances of Inter office accounts, control accounts, various direct and indirect tax related accounts and certain other accounts at certain offices are pending for reconciliation/confirmation and consequential adjustments, effect of which, if any, is not ascertainable and cannot be commented upon. [Refer Note 3(e),(f),(g),(h) & (i)]

	(i)	Management's estimation on the impact of audit qualification: Not quantified		
	(ii)	If management is unable to estimate the impact, reasons for the same: The Inter office reconciliation process done this year resulted in clearing balances related to various years. The reconciliation will continue during current year also to identify old balances. In our opinion there is no significant impact on revenue. Net Interoffice Debit balance of Rs. 182.92 Cr as on 31.03.2022 has come down to Rs. 101.27 Cr as on 31.03.2023 reflecting an overall 44.64% reduction in the balances. Control accounts were reviewed and targeted for closure during the current period through system support. They pertain to older periods and a provision for doubtful debts is created towards these balances. The reconciliation of older balance is in progress in all the above matters and hence the impact cannot be estimated. Loan and other accounts may not have any financial impact.		
	(iii)	Auditors' Comments on (i) or (ii) above: Adequate disclosures have been made in the Notes forming part of accounts referred to in the qualification. 	4	Earnings per share	6.40	4.90
	5	Total Assets	97,01,306.76	98,22,287.35
	6	Total Liabilities	77,09,382.3	78,55,165.32
	7	Net Worth	19,91,924.46	19,67,122.03
	8.	Any other financial item(s)(as felt appropriate by the management)	-	-
II.	Audit Qualification (each audit qualification separately):			
	a.	Details of Audit Qualification: Note 8 - The company has recognised MAT credit relating to earlier years to the extent of availment amounting to ₹ 24,802.43 Lakhs, realisation of which is dependent on its being finally successful in respect of matters pending at various judicial levels. [Refer Note 8]		
	b.	Type of Audit Qualification: Qualified Opinion		
	c.	Frequency of Qualification: First time		
	d.	For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: Management is confident of utilizing the MAT credit considering the judgement in favour of company.		
	e.	For Audit Qualification(s) where the impact is not quantified by the auditor:		
	(i)	Management's estimation on the impact of audit qualification: Not quantified		
	(ii)	If management is unable to estimate the impact, reasons for the same: The Company was claiming exemption u/s 10(38) of the Income Tax Act, 1961 till FY 2017-18 in respect of profit on sale of investments. The deduction under section 10(38) has been disallowed by the department and the matter in certain years has been decided in favour of the company up-to Bombay High Court & ITAT while there are cases pending in appeal at different levels by the department as well as by the company. Finance Act, 2018 introduced grandfathering provisions u/s 55(2)(ac) of the Income Tax Act, 1961 in respect of profit on sale of investments and deduction for the same was being claimed by the company up-to the FY 2021-22 based on the earlier judicial pronouncements in its favour. The said deduction for FY 2018-19 has also been disallowed by the department and the company has filed appeal against the same which is pending. Effective current financial year, based on the opinion from Tax consultants and Senior Tax counsels, the Company has decided to not claim the deduction of grandfathering and the total income of the Company for the year has been computed as per the normal provisions of the Act Accordingly, the tax expenses of earlier years have been recalculated and as a result the company has utilized previous years carry forward losses and MAT credit available in earlier years in accordance with the Accounting Standard 22 "Accounting for Taxes on Income". The Company had not recognised MAT Credit in the earlier periods due to prudence and absence of convincing evidence of utilising it. The company has decided to utilize the available MAT Credit of previous years to the extent of eligible credit required to be set off against tax computed as per the normal provisions of the Act. Therefore, total MAT credit of Rs. 248.02 Crore which includes previous year utilisation amounting to Rs.31.13 crores, has been recognised and utilized.		

	Based on the opinion of the Tax consultant and the judicial pronouncements available till date, the management is confident of matters relating to Section 10(38) will be decided in its favour and the MAT credit recognised will be fully realised
	(iii) Auditors' Comments on (i) or (ii) above: Adequate disclosures have been made in the Notes forming part of accounts referred to in the qualification. Overall impact on the financial statement cannot be commented upon.

**Statement on Impact of Audit Qualifications (for audit report with modified opinion) submitted along-with
Annual Audited Financial Results - (Consolidated)**

Statement on Impact of Audit Qualifications for the Financial Year ended March 31, 2023 [See Regulation 33 / 52 of the SEBI (LODR) (Amendment) Regulations, 2016]				
I.	Sl. No.	Particulars	Audited Figures (as reported before adjusting for qualifications) (In Lakhs)	Adjusted Figures (audited figures after adjusting for qualifications) (In Lakhs)
	1	Turnover / Total income	37,05,798.46	37,05,798.46
	2	Total Expenditure	36,00,998.38	36,25,800.81
	3	Net Profit/(Loss) after tax	1,04,800.07	79,997.65
	4	Earnings per share	6.36	4.85
	5	Total Assets	98,22,287.35	98,22,287.35
	6	Total Liabilities	77,51,795.94	77,76,598.37
	7	Net Worth	20,70,491.41	20,45,688.98
	8	Any other financial item(s)(as felt appropriate by the management)	-	-
II.	Audit Qualification (each audit qualification separately):			
	a.	Details of Audit Qualification:		
		Note 10 - The Holding Company has recognized MAT credit relating to earlier years to the extent of availment amounting to ₹ 24,802.43 Lakhs, realization of which is dependent on its being finally successful in respect of matters pending at various judicial levels. (Refer Note 10).		
	b.	Type of Audit Qualification: Qualified Opinion		
	c.	Frequency of Qualification : Repetitive		
	d.	For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: N.A.		
	e.	For Audit Qualification(s) where the impact is not quantified by the auditor:		
	(i)	Management's estimation on the impact of audit qualification: Not quantified		
	(ii)	If management is unable to estimate the impact, reasons for the same: The Company was claiming exemption u/s 10(38) of the Income Tax Act, 1961 till FY 2017-18 in respect of profit on sale of investments. The deduction under section 10(38) has been disallowed by the department and the matter in certain years has been decided in favour of the company up-to Bombay High Court & ITAT while there are cases pending in appeal at different levels by the department as well as by the company. Finance Act, 2018 introduced grandfathering provisions u/s 55(2)(ac) of the Income Tax Act, 1961 in respect of profit on sale of investments and deduction for the same was being claimed by the company up-to the FY 2021-22 based on the earlier judicial pronouncements in its favour. The said deduction for FY 2018-19 has also been disallowed by the department and the company has filed appeal against the same which is pending. Effective current financial year, based on the opinion from Tax consultants and Senior Tax counsels, the Company has decided to not claim the deduction of grandfathering and the total income of the Company for the year has been computed as per the normal provisions of the Act Accordingly, the tax expenses of earlier years have been recalculated and as a result the company has utilized previous years carry forward losses and MAT credit available in earlier years in accordance with the Accounting Standard 22 "Accounting for Taxes on Income". The Company had not recognised MAT Credit in the earlier periods due to prudence and absence of convincing evidence of utilising it. The company has decided to utilize the available MAT Credit of previous years to the extent of eligible credit required to be set off against tax computed as per the normal provisions of the Act. Therefore, total MAT credit of Rs. 248.02 Crore which includes previous year utilisation amounting to Rs.31.13 crores, has been recognised and utilized . Based on the opinion of the Tax consultant and the judicial pronouncements available till date, the management is confident of matters relating to Section 10(38) will be decided in its favour and the MAT credit recognised will be fully realised.		

(iii) **Auditors' Comments on (i) or (ii) above:**

Adequate disclosures have been made in the Notes forming part of accounts referred to in the qualification.
Overall impact of the qualification on the consolidated financial statement cannot be commented upon.

6	Data privacy and security	Risk	Data privacy and security are fundamental aspects of any modern business operation. By implementing robust measures and systems, organizations can safeguard information, prevent unauthorized access, and ensure that private data is used solely for its intended purposes. Prioritizing data privacy and security not only protects businesses from potential legal and financial repercussions but also fosters trust and confidence among customers and stakeholders.		Negative Data privacy has become a matter of utmost importance for key stakeholders, including customers, regulators, and investors, within our company. Any potential risks or breaches in this area could result in substantial financial losses for both our valued customers and our business as a whole. Therefore, it is imperative that we prioritize and address data privacy concerns with the utmost diligence and care.
7	Risk Management	Risk	Enterprise Risk Management plays a pivotal role in ensuring the smooth functioning and success of an organization. By proactively identifying and addressing potential risks, including those related to ESG factors, companies can safeguard their operations and enhance their overall performance.		Negative The board's involvement in ERM ensures a comprehensive understanding of the organization's risk landscape. Through their oversight, they can provide strategic guidance and make informed decisions to mitigate potential risks. This collaborative approach fosters a culture of risk awareness and accountability throughout the organization.
8	Climate change mitigation	Risk	Climate change-related risks necessitate the utilization and periodic evaluation of a comprehensive framework to ensure their effective and appropriate management. Implementing strategies to mitigate these risks leads to an augmented need for capital reserves to address the financial losses incurred in the event of such occurrences.		Negative Implementing robust mechanisms to capture and factor in climate risks is crucial for the company to ensure appropriate pricing of its products. By effectively incorporating climate risks into our pricing strategies, we can enhance our understanding of the potential impacts on our business operations and make informed decisions.

To ensure the complainant's protection from any negative repercussions, our company prioritizes maintaining utmost confidentiality. We make it a point to sensitize all parties involved in the reported complaint about the potential consequences of retaliatory actions against the complainant. If any incidents of retaliation are observed or brought to the attention of management, we take prompt and appropriate action to address the matter and ensure that the complainant does not suffer any adverse consequences.

The Organisation has multiple policies and platforms to address the employee grievances related to human rights. These are as under:

Whistleblower (WB) Policy: Our organization has implemented a comprehensive WB policy that allows all employees the option and opportunity to raise any issues or grievances anonymously. We prioritize the confidentiality of the whistleblower's identity.

Prevention of Harassment Guidelines (POSH): In our commitment to providing a safe and equal opportunity environment for all genders, we have implemented guidelines for the Prevention of Harassment (POSH). We regularly raise awareness about these guidelines to ensure that any instances of harassment are promptly addressed. Employees can reach out to the Internal Committee of our organization. Alternatively, they can also report the matter to our HR team. As prescribed by the POSH Act, an internal committee is formed for each reported instance to conduct a thorough investigation and take necessary action when required.

By enhancing our Whistle Blower policy and POSH guidelines, we aim to foster a professional and inclusive work environment where every employee feels secure and empowered.

Appellate Authority: In case the employee having grievance is not satisfied with the outcome of any of the investigation conducted or resolution provided, then one has the option of appealing against the same to the Appellate Authority of the Organisation.

**STANDALONE REPORTS &
SCHEDULES FOR THE FINANCIAL
YEAR ENDED 31ST MARCH 2023**

MANAGEMENT REPORT

1. We confirm that the registration granted by the Insurance Regulatory & Development Authority is valid during the year. The same is renewed for the year 2023-24.
2. We confirm that all known and undisputed dues payable to the statutory authorities have been duly paid.
3. We confirm that the shareholding pattern and transfer of shares during the year are in accordance with the statutory or regulatory requirements.
4. We confirm that the funds of the holders of policies issued in India have not been directly or indirectly invested outside India.
5. We confirm that the required solvency margins have been maintained.
6. We certify that the values of all the assets have been reviewed on the date of the Balance Sheet and to the best of our belief the assets set forth in the Balance Sheet are shown in the aggregate amounts not exceeding their realizable or market value under the several headings- "Loans", "Investments", "Agents balances", "Outstanding Premiums", "Interest, Dividends and Rents outstanding", "Interest, Dividends and Rents accruing but not due", "Amounts due from other persons or Bodies carrying on insurance business", "Sundry Debtors", "Bills Receivable", "Cash" and several items specified under "Other Account".
7. The overall risk exposure for the risks accepted by us is limited to Rs. 200 crores PML per risk except in respect of certain risks in which cases there are exposures of Rs 500 Crores PML per policy. The same has been approved by the Board. We have made adequate reinsurance arrangements to mitigate the losses arising out of any major claims.
8. We have overseas operations in 26 countries. The foreign branches have their own reinsurance arrangements to protect their exposure. Over and above there is an excess of loss protection available, which takes care of the exposure risk of the Company as a whole, including domestic and foreign branches.

The foreign branches/agencies generate enough revenue in local currencies to meet their liabilities arising out of their operations. Hence there is no major currency risk in the countries we operate.

As regards the country risk, by and large all the countries in which we operate are politically stable. We also have well defined acceptance limits for foreign operations, which limits our exposure in these countries.
9. (a) Ageing of claims indicating the trends in average claims settlement time during the preceding five years is furnished below in the format required:

Age-wise Summary of Claims settled during the years 2018-19 to 2022-23

10. We certify that the investments have been valued as per the Accounting Regulations of the Insurance Regulatory and Development Authority and shown in the balance sheet.
11. All investment assets are reviewed periodically and assets are classified into performing and non-performing based on IRDA norms.
12. It is hereby confirmed:
- (i) That in preparation of financial statements, the applicable accounting standards, principles and policies have been followed, except amortisation of additional actuarial liability for Pension as per I.R.D.A.I circular no. 411/F&N(NL) Amort-EB/2019-20/124 dated July 07, 2020.

- (ii) That the management has adopted accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the operating profit of the Company for the year.
- (iii) That the management has taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the applicable provisions of the Insurance Act 1938 and Companies Act 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- (iv) That the management has prepared the financial statements on a going concern basis.
- (v) That the management has ensured that the internal audit system commensurate with the size and nature of business exists and is operating effectively.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
The New India Assurance Company Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial statements of **The New India Assurance Company Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Revenue Accounts of Fire, Marine and Miscellaneous Insurance Business (collectively known as 'Revenue Accounts'), Profit and Loss Account and the Receipts and Payments Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "**the standalone financial statements**"), in which are incorporated the returns for the year ended on that date:

- From 43 Regional offices (including 8 LCBO's, 2 Legal Hubs, 1 Auto Hub & Gift City) (in which are incorporated returns of 473 Divisional offices), audited by the other firms of Auditors appointed by the Comptroller and Auditor General of India under section 139 of the Companies Act, 2013;
- From 7 Foreign Branches (including 2 Foreign Run-off offices) and 7 Foreign Agency offices audited by local Auditors appointed by the Company; and
- From 2 Foreign Branches and 1 Foreign Run off office which are unaudited, prepared and furnished to us by the Management.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid Standalone financial statements give the information required, in accordance with the Insurance Act, 1938, as amended (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 (the "IRDAI Act"), the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, as amended (the "IRDAI Financial Statements Regulations"), orders / directions / circulars issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") and the Companies Act, 2013 ("the Act"), to the extent applicable, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, as applicable to Insurance companies:

- in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2023;
- in the case of Revenue Accounts, of the Operating Profit in so far as it relates to the Fire, Marine and Miscellaneous business for year ended on that date;
- in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
- in the case of the Receipts and Payments Account, of the Receipts and Payments for the year ended on that date.

Basis for Qualified Opinion

- Balances due to/from persons or bodies carrying on insurance business including Reinsurers are subject to confirmation, reconciliation and records relating to old balances are being compiled by the Company. [Refer Note 10(a) of Schedule 16B]
- Impact of overall reconciliation in respect of balances pertaining to Co-insurance business is to be dealt with in accounts. [Refer Note 10(d) of Schedule 16B]
- Balances of Inter office accounts, control accounts, various direct and indirect tax related accounts and certain other accounts at certain offices are pending for reconciliation/confirmation and consequential adjustments, effect of which, if any, is not ascertainable and cannot be commented upon. [Refer Note 10 (e, f, g, h and j) and 22(a) of Schedule 16B]
- The company has recognized MAT credit relating to earlier years to the extent of avilment amounting to ₹ 248,02.43 Lakhs, realization of which is dependent on its being finally successful in respect of matters pending at various judicial levels. [Refer Note 5(b) Schedule 16 B]
- The impact on account of reconciliation relating to various accounts and balance under confirmation with respect to compliance of tax laws which may arise out of such reconciliation, if any, is not ascertainable and cannot be commented upon. [Refer Note 10(i) of Schedule 16B]

Overall impact of the above para (a) to (e) above and the consequential effects on the state of affairs of the Company as at March 31, 2023, the Revenue Accounts, Profit and Loss Account and the Receipts and Payments Account for the year ended on that date are not ascertainable and cannot be commented upon.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of

the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We invite attention to the following:

- a) Note No.4 of Schedule 16B regarding accounting of arrears of wage and corresponding incremental liabilities relating to Post-Employment benefits on account of wage revision amounting to ₹ 3445,13.93 Lakhs for the period ended March 31, 2023 under “Expenses other than those related to insurance business” through Profit & Loss Account instead of “Employees remuneration” under “Operating Expenses related to insurance business” in the respective

- Revenue accounts, as permitted by IRDAI.
- b) Note No. 3 of Schedule 16B regarding Un-amortized Pension Liability amounting to ₹ 410,14.00 Lakhs as permitted by IRDAI Circular.
- c) Note No. 26 of Schedule 16B regarding strengthening of Internal controls and Internal audit specially in area of data input and validation in software and Reinsurance accounts.
- d) Note No. 24 of Schedule 16B specifying that the management is currently in process of identifying enterprises which have been providing goods and services to the Company which qualify under the definition of micro and small enterprises as defined under Micro, Small and Medium Enterprise Development Act, 2006 and disclosure in respect of amount payable to such Micro and Small Enterprises as at March 31, 2023 has not been made in the Standalone financial statements.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor’s Response
1.	<p>Claim Provisioning</p> <p>Insurance Claim is the major area of expense for the insurance company. The estimation of insurance contract liabilities involves a significant degree of judgement, where management estimate is involved based on the surveyor’s report / feedback. The estimate of the claim is complex as it involves high degree of judgement. With regards to the claims provision, the claim department will make provision for claims upon claim intimation and subsequently revise basis the surveyor’s immediate loss assessment reports, advocate advice pertaining to MACT / disputed cases, communications from co-insurer leader in cases of incoming co-insurance business etc. The estimates are revised again based on further information.</p> <p>A range of methods are used to determine these liabilities. Underlying these methods are a number of assumptions relating to expected settlement amount and settlement pattern of claims.</p>	<p>Principal Audit Procedures performed</p> <ul style="list-style-type: none"> • The audit matters for verification of claims provisioning are handled at the regional and divisional offices of the Company. The component auditors while auditing the claim provision based on the operational guidelines of the Company relating to claim processing, have performed test of controls, test of details and analytical review procedures on the outstanding claims. They have verified the claim provision with the surveyor’s claim estimate, advocate advice, co-insurer leader communication and the Company’s feedback on the same. For all old outstanding large claims, fresh estimates from surveyors were called for by the Company and the claim provisions were revised accordingly. • For the claim cases which has been incurred but not reported and cases where claim has been reported but not enough reported, these cases have been captured by the actuary appointed by the Company. The actuarial valuation of liability in respect of Claims Incurred but Not Reported (IBNR) and those Incurred but Not Enough Reported (IBNER) as at March 31, 2023, is as certified by the Company’s Appointed Actuary and we had relied upon on the appointed actuary’s certificate in this regard with respect to the claim amounts and the related liability. <p>We have relied upon the work carried out by the respective component auditors in relation to the audit of verification of claim provisions and on the work carried out by the appointed actuary with respect to provision of claims incurred but not reported and claims incurred but not enough reported.</p>

2.	<p>Strengthening of Internal control System and Internal Audit required by the Company –</p> <p>On the basis of selective checks carried out during the course of our audit and according to the information and explanation given to us, internal control weaknesses of material nature have been identified as at March 31, 2023 with respect to:</p> <p>a) Confirmation and reconciliation of various balances relating to co insurers, reinsurers, inter office accounts and other control accounts are pending and are at various stages;</p> <p>b) Strengthening of process required relating to audit of health claims processed by TPA which is conducted by the offices of the Company.</p>	<p>Principal Audit Procedures</p> <ul style="list-style-type: none"> We have designed our audit procedures to assess the Company's control risk. We had conducted control test to test the effectiveness of a control used by the Company to prevent or detect material misstatements. Based on the control test, control weaknesses were identified in areas of reconciliation of various receivable and/or payable balances, etc. We have considered the reports issued by the professional consultant with respect to review of operational effectiveness of internal controls for Risk Control matrix of the Company. Audit of health-related claims processed by TPAs are required to be audited as per policy framed by the Company, however it has been unable to carry out audit of adequate number of claims as per its policy. <p>Hence these areas are highlighted in paragraph of opinion, emphasis of matter and opinion on internal control with reference to standalone financial statements in the standalone Independent Auditors' Report.</p>
3	<p>Evaluation of uncertain tax positions</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. The Company has disputes pending at various levels of tax authorities over the past several years. Other Matters

- a) We did not audit the financial statements and other financial information of 43 Regional offices (including 8 LCBO's, 2 Legal Hubs, 1 Auto Hub & Gift City), 473 Divisional offices, 7 Foreign Branches (including 2 Foreign Run-off offices) and 7 Foreign Agency offices, included in the Standalone financial statements of the Company whose financial statements reflect total assets of ₹ 32,54,907.10 Lakhs as at March 31, 2023 and total revenues of ₹ 37,53,803.21 Lakhs for the year ended on that date, as considered in the Standalone financial statements. The financial statements / information of these Branches/offices have been audited by the other auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these Branches/offices, is based solely on the report of such other auditors.
- b) We have relied on the financial information of 2 Foreign Branches and 1 Foreign Run off office included in the standalone financial statements of the Company whose financial information reflect total assets of ₹ 42353.64 lakhs as at March 31, 2023 and total revenues of ₹ 6,368.84 lakhs for the year ended on that date, which have been included based on unaudited financial information. Our opinion in respect thereof is solely based on the management certified information.
- c) The actuarial valuation of liabilities in respect of Claims Incurred but Not Reported ('IBNR'), Incurred but Not Enough Reported ('IBNER') and Premium Deficiency Reserve ('PDR'), is the responsibility of the Company's

Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities that are estimated using statistical methods as at March 31, 2023 have been certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for outstanding claims reserve and PDR, as contained in the standalone financial statements of the Company.

- d) The standalone financial statements of the Company for the year ended March 31, 2022 were audited by the joint auditors, one of which is predecessor audit firm and have issued their modified opinion dated May 23, 2022 on such financial statements.

Our opinion is not modified in respect of these matters.

Information other than the financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report & Management Discussion and Analysis and Business Responsibility Report but does not include the Standalone financial statements and our auditors' report thereon. The other information as above is expected to be made available to us after the date of this auditors' report.

Our opinion on the Standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and receipts and payments of the Company, in accordance with the accounting principles

generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder, the requirements of the Insurance Act, the IRDAI Financial Statements Regulations and the orders/directions and circulars issued by the IRDAI in this regard, to the extent applicable and in the manner so required.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the IRDAI Financial Statements Regulations, we have issued a separate certificate dated May 29, 2023 certifying the matters specified in paragraphs 3 and 4 of Schedule C to the IRDAI Financial Statements Regulations.

 - i) The accounting policies selected by the company are appropriate and are in compliance with the applicable Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder and with the Accounting Principles as prescribed in the IRDAI Financial Statements Regulations and orders or directions issued by the Insurance Regulatory and Development Authority, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above.
 - j) The actuarial valuation of liability in respect of claims Incurred but Not Reported (IBNR) and those Incurred but Not Enough Reported (IBNER) as at March 31, 2023, have been duly certified by the Company's Appointed Actuary and relied upon by us. The Appointed Actuary has also certified that the assumptions considered by him for such valuations are in accordance with guidelines and norms prescribed by the Insurance Regulatory and Development Authority of India and the Actuarial Society of India in concurrence with the IRDAI.
 - k) As per the information and explanations provided to us, the investments have been valued in accordance with the provisions of the Insurance Act, IRDAI Financial Statements Regulations and orders/directions issued by IRDAI in this regard.
 - l) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure I".
3. With respect to the other matters to be included in the Auditors' Report in accordance with the requirement of section 197(16) of the Companies Act 2013, as amended, we report that the provisions of section 197 of the Act are not applicable to the company vide notification No. GSR 463(E) dated 5th June 2015. Hence reporting u/s 197(16) of the Act is not required.
 4. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 5(c) of Schedule 16B and Note 1 of Schedule 16C to the Standalone financial statements;
 - ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – The liability for Insurance Contracts, is determined by the Company's Appointed Actuary and is covered by the Appointed Actuary's certificate, referred to in Other Matter paragraph above, on which we have placed reliance; and the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv) a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 28(a) of Schedule 16B)
 - b) The Management has represented that , to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner

ANNEXURE I TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(I) under "Report on Other Legal and Regulatory Requirements" of our report of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

Qualified Opinion

We have audited the internal financial controls with reference to standalone financial statements of The New India Assurance Company Ltd. ("the Company") as of March 31, 2023, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

- a) Confirmation and reconciliation of various balances relating to co-insurers, reinsurers, Reinsurance Brokers, various tax related accounts, control accounts and other accounts, are pending and are at various stages of reconciliation/adjustments. Non-compliance of tax laws which may arise out of such reconciliation;
- b) Adequate coverage of audit of health-related claims processed by TPAs to be conducted by the respective offices of the Company in accordance with the policy of the Company and
- c) We are informed that the management has not carried out the assessment of effectiveness of the Entity level controls and the effectiveness of such controls at foreign offices of the company. We have also not been able to carry out any procedures in these respect as the relevant information and access was not made available to us.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to standalone financial statements, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, except for the possible effects of the internal control weaknesses described above on the achievements of the objectives of the control criteria, the company has maintained, in all material respects, adequate internal financial control with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as of March 31, 2023, based on "the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India".

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2023, Standalone financial statements of the Company, and these

material weaknesses affect our opinion on the Standalone financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

- a) Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the Internal

Financial Controls with reference to Financial Statements in so far as it relates to 43 Regional offices (including 8 LCBO's, 2 Legal Hubs, 1 Auto Hub & Gift City), 473 Divisional offices, audited by the other firms of Auditors appointed by the Comptroller and Auditor General of India under section 139 of the Companies Act, 2013, 7 Foreign Branches (including 2 Foreign Run-off offices) and 7 Foreign Agency offices audited by local Auditors appointed by the Company, is based on the corresponding reports of the other auditors which has been sent to us and has been properly dealt with in preparing this report in the manner considered necessary by us.

- b) In the case of 2 Foreign branches and 1 Foreign run off office which are unaudited, the relevant procedures could not be performed by us since the access to information was not available.
- c) The actuarial valuation of liabilities in respect of Claims Incurred but Not Reported ('IBNR'), Incurred but Not Enough Reported ('IBNER') and Premium Deficiency Reserve ('PDR'), is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities that are estimated using statistical methods as at March 31, 2023 have been certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for outstanding claims reserve and PDR, as contained in the standalone financial statements of the Company. Accordingly, our opinion on the internal financial controls with reference to standalone financial statements does not include reporting on the adequacy and operative effectiveness of the internal controls over the valuation and accuracy of the aforesaid actuarial liabilities.

Our opinion is not modified in respect of these matters.

ANNEXURE II TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in Paragraph 5 under “Report on Other Legal and Regulatory Requirements” of our report of even date)

Based on the verification of records of The New India Assurance Company Ltd. (the “Company”) and based on information and explanations given to us, we give below a report on the directions including additional directions issued by the Comptroller and Auditor General of India in terms of the section 143(5) of the Act:

Sr No.	Directions under Section 143(5) of Companies Act, 2013	Auditors' Comment
1	<p>Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.</p>	<p>As per the information and explanations furnished to us, the company has an Enterprise Resource Planning (“ERP”) system in the name of “CWISS” to process the accounting transactions except for:</p> <p>a) Facultative Inward business where the process of system automation is being implemented. In case of Marine Hull, Marine Cargo and Aviation the same is under testing stage and as informed to us, in F.Y. 2023-24 the modules will get implemented, after which reconciliation will be done through system of the Company. Further, Non-Proportional Treaty Accounting automation is also under testing stage and as informed to us, the same will also be implemented in F.Y. 2023-24.</p> <p>b) Pradhan Mantri Fasal Bima Yojana (PMFBY) where it is understood that though the systems are in place the claims related to the PMFBY are processed manually.</p> <p>It is informed to us that Ministry of Agriculture and Farmers Welfare are planning for integration of National Crop Insurance Portal (NCIP) with the IT Systems of “PMFBY - Implementing Insurance Companies” for seamless flow of data and “auto calculation” of claims in NCIP. As per the requirement of the Ministry, the Company has provided them their IP address for whitelist for inflow/outflow of data to and from NCIP. Once the integration is completed, the Company will redesign the system for claim processing for PMFBY.</p> <p>c) IFSC GIFT City office, Gandhinagar is the only office in India rendering the reinsurance service in foreign currency, having the Accounts in Tally software. The transactions are reviewed/ authorised by region-in charge and approved as per the financial authority established in the Company. As informed to us, the Company has initiated implementation of accounting software wherein underwriting module for FAC has been commenced and testing of remaining modules are under process to have the Reinsurance driven software start from the next financial year.</p> <p>d) The Process of compilation of Financial statements of the Company involves movement of trial balances in an unconnected mode and involves manual compilation from the following software's to HO INFACS system which is used for the purpose of consolidation of above trial balances:</p> <p style="padding-left: 20px;">i) Investment: CREDENCE (Excel)</p>

		<p>ii) Reinsurance: RAMS (Excel).</p> <p>iii) Foreign Branches and Agency: decentralized system at each location. Consolidation is done at HO level in excel.</p> <p>iv) ORACLE Financials: at ROs, output file of oracle is used as input for INFACS.</p> <p>v) HO INFACS</p> <p>vi) GIFT City: Standalone System in tally, output file is generated in excel.</p> <p>There is a need of automation of Process of compilation of Financial statements to ensure complete data integrity.</p>
2	Whether there is any restructuring of an existing loan or cases of waiver/write off of debts /loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (in case, lender is a government company, then its directions is also applicable for statutory auditor of lender company)	Not Applicable.
3	Whether funds (grants/subsidy etc.) received/receivable for specific schemes from central/ state government or its agencies were properly accounted for/ utilized as per its term and conditions? List the cases of deviation.	The Company received part of subsidy relating to Prime Minister Fasal Bima Yozna ('PMFBY') / Rashtriya Swasthya Bima Yojana ('RSBY') and various other schemes relating to insurance from Central and State agencies. Funds received/receivable under PMFBY/ RSBY scheme from Central/State agencies were accounted for/utilised as per its terms and conditions. However funds received/receivable from Central/ various State Governments under PMFBY scheme are being reconciled with subsidiary records /Government Portal data and in respect of RSBY Scheme , an amount of ₹ 4809 lakhs is receivable from State Government, Patna and Central Government which is related to F.Y. 16-17 and scheme was withdrawn by the Government in the year 18-19. The matter is subjudice and pending with NGRC, New Delhi.

We have issued modified opinion in this Independent Audit Report with regards to these matters.</p>
4	Whether entire input tax credit (ITC) available on GST portal in respect of the company has been availed within prescribed time limits.	<p>The Company avails GST input credit only on the basis of valid tax invoice at the time of making payment of invoices. It has a process of not availing the ineligible GST input credits even if the same is reflecting on the GST portal.</p> <p>The Company claims the input credit with respect to GST paid on RCM which constitutes the significant portion of the entire GST input credit of the Company, in the month of payment and the same is claimed through the system automatically.</p>

		<p>For a portion of the expenses, where input is claimed based on the valid invoices received from the suppliers, necessary validation checks are incorporated in the system, and on compliance of the validations the system allows for claiming input. Input GST is claimed in respect of those invoices for which actual payment has been made. Input is not claimed on those invoices lying unpaid, as the same can be availed up to September 30, 2023, for those invoices raised during the F.Y 2022-23. Hence the input credit in respect of such unpaid invoices would be reflected in GSTR 2A but the same would not have been claimed in a particular month. In case of expenses, where input credit is not eligible, the same is being reflected in the GSTR 2A but credit has not been availed. The System has been designed to take care of the aforesaid process.</p> <p>A comparison of input credit during the year as per GSTR 2B of GST portal with that input credit availed as per GSTR3B of the books of accounts during the year, indicate excess credit available in GSTR 2B amounting to ₹ 363,49.21 lakhs, out of which an amount of ₹ 115,82.50 lakhs related to invoices accounted for but not paid/ matched as the company avails input credit on paid and matched invoices. This further includes entries relating to ineligible input, input on purchase of capital assets where GST Input is capitalized, Invoices raised by Garages under Reimbursement claims, outstanding claims and expenses where Invoice is yet to be accounted as well as invoices remaining to be received, for which services have been received and GST have been paid by the vendors. The precise amounts in each of the above categories is not ascertained.</p> <p>Input Tax credit ₹ 44,21.99 lakhs relating to FY 2021-22 which has been lapsed since it could not be availed and for which provision made by the Company in the accounts and input credit of ₹ 115,82.50 lakhs for FY 2022-23 is still to be availed, follow up needs to be improved with the vendors/parties for payment/proper matching. GST TDS account is required to be reconciled.</p> <p>Refer Note no. 10 (f) of Schedule 16B of the Standalone Financial Statements for reconciliation related matter with respect to GST balances. We have issued modified opinion in this Independent Audit Report with regard to this matter.</p>

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF THE NEW INDIA ASSURANCE COMPANY LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of consolidated financial statements of The New India Assurance Company Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Insurance Act, 1938 read with the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 and the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 May 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of The New India Assurance Company Limited for the year ended 31 March 2023 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.

Schedule 16

Significant Accounting Policies and Notes forming part of Standalone Financial Statements as at March 31, 2023

16 A. SIGNIFICANT ACCOUNTING POLICIES

1. Accounting Convention

The Standalone financial statements are drawn up in accordance with the provisions of IRDAI (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 and circulars and/or guidelines issued in the context of preparation of the Standalone financial statements, and the provisions of the Companies Act 2013. The said statements are prepared on historical cost convention and on accrual basis, comply with accounting standards specified under Section 133 of Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and conform to practices prevailing in the General Insurance industry except as otherwise stated.

2. Use of Estimates

The preparation of Standalone financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the Standalone financial statements. Actual results may differ from those estimates and assumptions. The estimates and assumptions used in the accompanying Standalone financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the Standalone financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Revenue Recognition

A. Premium

Premium income is recognized on assumption of risk. A reserve for Unearned Premium for each segment, representing that part of the recognized premium attributable to the succeeding accounting periods, calculated on time apportionment basis or the period of risk, whichever is appropriate is created. This forms part of the un-expired risk reserves.

Reinsurance premium is recognized as per the terms of the reinsurance contracts. A reserve for Unearned Premium for each segment, representing that part of the recognized reinsurance premium attributable to the succeeding accounting periods, is also calculated on time apportionment basis. This also forms part of the un-expired risk reserves.

Any subsequent revisions to or cancellations of premium are recognized in the year in which they occur.

B. Commission

Commission Income on reinsurance cessions

is recognized as income in the year in which reinsurance premium is ceded.

Profit commission under reinsurance treaties wherever applicable, is recognized on accrual. Any subsequent revisions of profit commission are recognized for in the year in which final determination of the profits are intimated by reinsurers.

4. Premium Received in Advance

Premium received in advance represents premium received in respect of policies issued during the year, where the risk commences subsequent to the Balance Sheet date.

5. Reserves for Un-expired Risk/s

Unearned premium reserve is computed in accordance with the guidelines issued by IRDAI as under:

- Marine Hull: 100% of the Net Written premium during the preceding twelve months;
- In respect of other segments: on the basis of 1/365 method on contract period or period of risk basis for the respective policies, whichever is appropriate.

6. Reinsurance Accepted

Reinsurance returns have been incorporated for the advices received up to the date of finalization of accounts or on estimation basis wherever required.

7. Reinsurance Ceded

Reinsurance cessions are accounted for on the basis of actuals or on estimation basis wherever required.

8. Premium Deficiency

Premium deficiency is calculated where the sum of expected claims costs, related expenses and maintenance costs exceed the related unearned premium. The premium deficiency is recognized as per IRDAI guidelines and forms part of unexpired risk reserves.

9. Acquisition Costs

Acquisition costs are primarily related to acquisition of insurance contracts and have been expensed in the year in which they are incurred.

10. Incurred Claims

Claims are recognized as and when reported. Claims Paid (net of recoveries including salvages retained by the insured, includes interest paid towards claims and all expenses directly incurred in relation to their assessment) are charged to respective revenue accounts.

Outstanding Claims estimates at Balance Sheet date are provided based on the management's assessment of the ultimate liability likely to be paid based on survey reports, past experience, information provided by clients

and other sources, and applicable laws and subsequently modified for changes as appropriate on availability of further information and includes:

- In respect of direct business, claim intimations received up to the year-end;
- In respect of reinsurance accepted, advices received as of different dates of subsequent year up to the date of finalisation of accounts or on estimation basis.

Provision for claims incurred but not reported (IBNR) and provision for claims incurred but not enough reported (IBNER). The said provisions have been determined by appointed actuary, which is in accordance with generally accepted actuarial practice, requirement of IRDAI (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, the master circulars issued in the context of preparation of standalone financial statements, Insurance Regulatory and Development Authority of India (Assets, Liabilities, and Solvency Margin of General Insurance Business) Regulations, 2016 and stipulations of the Institute of Actuaries of India. (As amended from time to time)

All the outstanding claims for direct business are provided net of estimated salvage (if any).

In respect of motor third party claims where court summons have been served on the Company without adequate policy particulars to establish liability of the Company, provision is made as under:

- 1/3rd of the estimated liability, for all such claims for which court summons have been served on the Company upto one year.
- 100% of the estimated liability, where such claims are outstanding for more than one year.

Interest on motor accident claims tribunal (MACT) claims is provided based on the prevailing trends in the motor third party claim awards.

11. Salvage and Claim Recoveries

Recoveries of claims and sale proceeds on disposal of salvage are accounted on realization and credited to claims.

12. Receipt and Payment Account (Cash Flow Statement)

Receipt and Payment account/ Cash Flow Statement is prepared as per Direct method as required by part -I of Schedule -B of IRDAI regulation.

13. Property, Plant and Equipment

A) Property, Plant and Equipment (PPE)

- PPE are stated at cost less depreciation. Cost is inclusive of borrowing cost and other incidental charges incurred up-to the date of installation/put to use.
- Lease payment for assets taken on operating lease are recognized as an expense in the

revenue(s) accounts and profit and loss account over the lease term.

B) Depreciation

- Depreciation on tangible assets is charged on Straight Line Method (SLM) as per the useful life prescribed under Schedule II of the Companies Act 2013 and the residual value of the asset shall be Re 1/-.
- Lease hold properties are amortized over the lease period.
- Depreciation on PPE added/disposed-off during the year is provided on pro-rata basis.
- The residual value and useful lives are reviewed at each financial year end.

14. Foreign Currency Transactions

a) Reinsurance operations:

Revenue transactions of re-insurance in foreign currencies are converted at the average of buying and selling rates of exchange of each quarter in which they are accounted.

Monetary assets and liabilities of re-insurance in foreign currencies are converted at the closing rate.

b) Foreign operations:

- As per the Accounting Standard (AS) 11 "The Effects of Changes in Foreign Exchange Rates", foreign branches/agencies are classified as 'non-integral foreign operations'.
 - The assets and liabilities (including contingent liabilities), both monetary and non-monetary items, of the non-integral foreign operations are translated at the closing rate.
 - Income and expense items of the non-integral foreign operations are translated at the average exchange rate of the year.
 - Depreciation on fixed assets held in foreign branches and agencies is provided on straight line rupee value at the year end at the rate and in manner as stated in "Depreciation" policy mentioned in above stated Property, Plant and Equipment Policy.
 - All resulting exchange difference is accumulated in a foreign currency translation reserve until the disposal of the net investment in the foreign operations.
- Foreign investments transactions during the year are converted at the exchange rates prevailing as on the last day of the month of purchase or sale.
 - Other assets and liabilities in foreign currencies are converted at the average of buying and selling rates of exchange prevailing at the year end.
 - The exchange gain/loss due to conversion of foreign currencies other than relating to non-integral foreign operations is taken to revenue(s) account and profit

and loss account as applicable.

15. Loans and Investments

- a) Loans are measured at historical cost subject to impairment. The Company reviews the quality of its loan assets and provides for impairment, if any.
- b) Short Term Money Market Instruments such as Commercial Papers and Certificate of Deposits are shown at their discounted value and the difference between the acquisition cost and the redemption value is apportioned on time basis and recognised as accrued income.
- c) Contracts for purchase and sale of shares, bonds, debentures are accounted for as "Investments" as on date of transaction.
- d) The cost of investments includes premium on acquisition, brokerage, transfer stamps, transfer charges, Securities Transaction Tax and is net of incentive/ fee if any, received thereon.
- e) Dividend income (other than interim dividend):
 Dividend Income is accounted for as income in the year of declaration. Dividend on shares/interest on debentures under objection/pending delivery is accounted for on realisation. Interim dividend is accounted for where the amount is received/credited in the account of the company upto March 31.
 Dividend on foreign investments is accounted on gross basis.
- f) Interest Income is recognized on accrual basis on time proportion except income on non-performing assets (NPA) which is recognized on realization basis.
 Amount received towards compensation for future loss of interest is recognised as income only to the extent attributable to the accounting year and balance is kept in interest received in advance account for apportionment in the relevant year.
- g) Revenue in respect of Alternate Investment Fund/ Venture capital Fund is recognized on receipt basis.
- h) Profit/Loss on realisation of investments is computed by taking weighted average book value as cost of investments except:
 - In respect of Government Securities/ Debentures/Bonds under trading portfolio, the profit/loss is worked out specific scrip wise.
 - In respect of Government Securities / Debentures/Bonds and related debt instruments sold from investment portfolio, the profit/loss is worked out on first in first out basis (FIFO).
- i) The Company follows the prudential norms prescribed by the Insurance Regulatory and Development Authority as regards asset classification, recognition

of income and provisioning pertaining to loans/ advances/debentures.

- j) Investment in government securities, debt securities and redeemable preference shares are considered as held till maturity and valued at cost. However, in terms of Insurance Regulatory and Development Authority Regulations the premium paid at the time of acquisition of securities is amortised over the residual period of maturity. In case investment becomes NPA, the balance of unamortised premium is debited to revenue(s) and profit and loss account on the date of NPA.
- k) i) Investments in Mutual Funds are valued at Net Asset Value (NAV) as at the Balance Sheet date and the difference between cost/book value and NAV is accounted in Fair Value Change Account. In case of non-availability of latest NAV as at the Balance Sheet date, investment is shown at cost.
 ii) Investments in Venture Funds are valued at cost. If there is reduction in NAV, the same is charged to revenue and book value of investments is reduced accordingly. Any appreciation in NAV to the extent of loss earlier recognised, is taken to revenue. Wherever NAV as on Balance Sheet date is not available, latest available NAV is considered.
- l) i) In accordance with IRDAI/F&I/INV/ CIR213/10/2013 dated October 30, 2013 for Valuation of Equity Portfolio, National Stock Exchange (NSE) is considered as Primary Stock Exchange and Bombay Stock Exchange (BSE) as Secondary Stock Exchange.
 Investment Portfolio in respect of equity/ equity related instruments is segregated into actively traded and thinly traded as prescribed by Insurance Regulatory and Development Authority Regulations. The shares are treated as actively traded or thinly traded by taking into consideration total traded transactions in the month of March on NSE and BSE.
 ii) Actively traded equity/ equity related instruments are valued at the closing price at NSE or if the scrip is not traded at NSE, the scrip is valued at the closing price at BSE. The difference between weighted average cost and quoted value is accounted in Fair Value Change Account.
 Exchange traded funds are valued as applicable to Equity portfolio. The difference between the weighted average cost and the quoted value is accounted in Fair Value change account.
 iii) Investments in equity shares of Companies outside India are valued at the last quoted price at the stock exchange of the respective country.

- m) Investment in thinly traded equity shares and unlisted equity shares are shown at cost. Difference between cost and break-up value is provided for as diminution in value. If the break-up value is negative, or break-up value is not available, then the provision is made for the entire cost. Break-up value is arrived as per latest Balance Sheet and which should not be more than 21 months prior to its valuation.
- n) In case of investment in listed and unlisted equity/ equity related instruments / preference shares where the value has been impaired on or before March 31, 2000, the historical/weighted average costs are not available with the Company. As a consequence, the carrying value of such investments as on April 01,2000 is presumed to be the historical/ weighted average cost.
- o) Investments in equity/ equity related instruments/ preference shares made in those companies, which are making losses continuously for last three years and where capital is eroded (Break-up value is Less than Face Value), are considered to have impairment in value. Further, if the published accounts of a Company are not available for last three accounting years ending on or immediately preceding the date of working out impairment in value, it is presumed that the value of investment is fully impaired and is written off to a nominal value of Rs. 1/- per securities of a Company.
- p) Valuation of investments as mentioned in point (o) above are done as under:
- In respect of actively traded equity shares: - At market price.
 - In respect of other than actively traded equity shares: - lower of cost price or break-up value provided break-up value is positive. If break-up value is negative the nominal value is taken at Rs.1/- per securities of a Company.
 - In respect of preference shares, if the dividend is not received for the last three years, such preference shares are written down to a value which will bear to its face value, the same proportion as value taken/ which would have been taken for writing down equity shares bears to the face value of the equity shares. If the equity shares are written down to Rs.1/- per securities of a Company, preference shares are also written down to a nominal value of Rs.1/- per securities of a Company.
 - Once the value of investment in equity/equity related instruments/ preference shares of a Company is impaired in accordance with the above-mentioned policy, the reversal of such impairment losses are recognized in revenue/ profit and loss when such Company achieves a positive net worth and capital is fully restored (Break-up Value is More than Face Value) as per the latest available published accounts

immediately preceding the date of working out the reversal.

In respect of investments where the historical or weighted average cost is not available as mentioned in Policy No. 15(n), reversal of impairment loss is carried out and recognized only to the extent of impairment losses accounted after March 31, 2000.

- Reverse Repo transactions are treated as secured lending transactions and accordingly disclosed in the Standalone financial statements. The difference between total consideration at the 1st and 2nd leg of the transaction is treated as interest income.
- Tri Party Repo Dealing System (TREPS), which is issued at discount to the face value, is treated as money market instrument as per Reserve Bank of India notification. Discount earned at the time of lending through TREPS is shown as income, which is apportioned on time basis.
- Un-realised gains / losses arising due to changes in the fair value of actively traded listed equity shares other than enumerated in Accounting Policy 15(n) are taken under the head "Fair Value Change Account" and on realization reported in profit and loss account.

Pending realization, the credit balance in the "Fair Value Change Account" is not available for distribution to shareholders/policyholders.

Investment income (net of expenses) belonging to Policyholders is further apportioned to Fire, Marine and Miscellaneous segments in proportion to respective technical reserves balance at the beginning of the year.

Policy holders fund for this purpose consist of estimated liability for outstanding claims including IBNR and IBNER, unexpired risk reserve (URR), Premium deficiency (if any), catastrophe reserve (if any) and Other Liabilities net of Other Assets (relating to policy holders) as per the guidelines of IRDAI. The residual consists of the shareholder fund.

16 B. NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS AS ON MARCH 31, 2023

1. **Reinsurance Acceptance Transactions:** Reinsurance acceptance transactions pertaining to the year have been booked for advices received up to April 10, 2023.
2. **Premium Deficiency Reserve:**
 - a) Unexpired premium reserve at revenue segment level is found to be sufficient to cover the expected claim cost as certified by the appointed actuary and the claims related expenses as estimated by the management. Hence no premium deficiency reserve is required to be provided during the year.
 - b) The reserve against cancellation of policies during free-look period under retail health policies for the period ended 31st March 2023, as certified by the actuary, is ₹ 150 Lakhs (PY 150 Lakhs).
3. **Unamortized Pension liability as per IRDAI approval:**
The Government of India by Gazette Notification no. S.O. 1627 (E) dated April 23, 2019 notified amendment under the General Insurance (Employees) Pension Scheme 1995, allowing one more pension option to the employees who have joined the Company before June 28, 1995. IRDAI vide its letter ref. -411/F&N(NL)Amort-EB/2019-20/124 dated July 07, 2020, had granted approval for the amortization of the pension liability on account of regular employees, over a period of not exceeding five years with effect from FY 2019-20. Accordingly, the balance of unamortized pension liability of ₹ 82,028.00 Lakhs as on April 1, 2022, would be amortized in the remaining two years. During the year ended March 31, 2023, an amount of ₹ 41,014.00 Lakhs is charged to the revenue and the balance amount remaining to be amortized in next year is amounting to ₹ 41,014.00 Lakhs.
4. The Government of India vide Gazette Notification No. S.O. 4896, 4897 and 4898(E) dated 14th October 2022 notified the wage revision of employees with effect from August 01 2017. Further, IRDAI vide its letter ref: FNA/GNI/COM/01/2022-23/66 dated 7th November 2022 granted approval for accounting of the wage arrears and corresponding incremental liabilities relating to post-Employment benefits as per Accounting Standard 15 on "Employment Benefits" on account of wage revision through the Profit and Loss account instead of accounting the same as Operating Expenses relating to insurance business in the respective Revenue accounts. Accordingly, arrears of wage including additional AS-15 liabilities accrued as on March 31, 2023 amounting to ₹ 3,44,513.93 Lakhs has been included under "Expenses other than those related to insurance business" for the period ended March 31, 2023.

 - b) The Company was claiming exemption u/s 10(38) of the Income Tax Act, 1961 till FY 2017-18 in respect

of profit on sale of investments. The deduction under section 10(38) has been disallowed by the department and the matter in certain years has been decided in favour of the company up-to Bombay High Court & ITAT while there are cases pending in appeal at different levels by the department as well as by the company. Finance Act, 2018 introduced grandfathering provisions u/s 55(2)(ac) of the Income Tax Act, 1961 in respect of profit on sale of investments and deduction for the same was being claimed by the company up-to the FY 2021-22 based on the earlier judicial pronouncements in its favour. The said deduction for FY 2018-19 has also been disallowed by the department and the company has filed appeal against the same which is pending. Effective current financial year, based on the opinion from Tax consultants and Senior Tax counsels, the Company has decided to not claim the deduction of grandfathering and the total income of the Company for the year has been computed as per the normal provisions of the Act.

Accordingly, the tax expenses of earlier years have been recalculated and as a result the company has utilized previous years carry forward losses and MAT credit available in earlier years in accordance with the Accounting Standard 22 "Accounting for Taxes on Income". The Company had not recognised MAT Credit in the earlier periods due to prudence and absence of convincing evidence of utilising it. The company has decided to utilize the available MAT Credit of previous years to the extent of eligible credit required to be set off against tax computed as per the normal provisions of the Act. Therefore, total MAT credit of ₹ 24,802.43 Lakhs which includes previous year utilisation amounting to ₹ 3113.47 Lakhs, has been recognised and utilized.

Based on the opinion of the Tax consultant and the judicial pronouncements available till date, the management is confident of matters relating to Section 10(38) will be decided in its favour and the MAT credit recognised will be fully realised.

- c) The Income Tax Assessments of the Company have been completed up to assessment year 2019-20. Major disputed demands are in respect of profit on sale of investment, IBNR, expenses paid to Auto tie-up dealers. Based on the decisions of the appellate authority, the interpretations of the relevant provisions, the management of the Company is of the opinion that the demands are likely to be either deleted or substantially reduced and accordingly no provision has been made for the same.
- d) **Deferred Taxes:**
The components of temporary differences resulting into Deferred Tax Assets/(Liabilities) are as under:

Particulars	Current Year (₹ in Lakhs)	Previous Year (₹ in Lakhs)
Fixed Assets	92.29	(216.35)
Leave Encashment	28,995.48	26,900.94
Estimated Disallowance u/s 40(a)(ia)	34.94	34.94
Total	29,122.72	26,719.53

- i) A sum of ₹ 2,403.19 Lakhs (P.Y. ₹ 1,609.36 Lakhs) has been credited to the Profit and Loss Account on account of creation of deferred assets during the year.
- ii) Deferred Tax Asset in respect of foreign branches does not have any timing difference other than fixed asset.
- iii) The Company continues to recognise the deferred tax asset in respect of temporary difference mentioned in the above table, as in the opinion of the management there are sufficient evidence to establish the reasonable certainty of realisation of the deferred tax assets from the future taxable profits.

e) Taxation Laws (Amendment) Act, 2019 -

The Taxation Laws (Amendment) Act, 2019 was enacted on 11th December 2019. It amended the Income Tax Act, 1961 and the Finance Act (No. 2) Act, 2019. It provides domestic companies with an option to opt for lower tax rate, provided they do not claim certain deductions. The Company has not exercised the option to opt for lower tax rate and has presently considered the rate existing prior to the amendment. The Company shall evaluate the option to opt for lower tax rate once it utilises the entire carried forward losses and MAT credit available under the Income Tax Act.

Note:-Previous year figures have been regrouped / rearranged, wherever necessary.

- 20 Investment income (Net of Expenses) is apportioned between Revenue Accounts and Profit and Loss account in proportion to the balance in the Shareholders' funds and Policyholders' funds at the beginning of the year. The same is further apportioned to fire, marine and miscellaneous Revenue Accounts in proportion to the technical reserve balance at the beginning of the year.
- 21 The Unexpired Premium Reserve (UPR) at a revenue segment level was found to be sufficient to cover the expected claims cost as certified by the Appointed Actuary and the claim related expenses as estimated by the management. Hence no premium deficiency reserve is required to be provided.

CONSOLIDATED REPORTS & SCHEDULES FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2023

MANAGEMENT REPORT

1. We confirm that the registration granted by the Insurance Regulatory & Development Authority is valid during the year. The same is renewed for the year 2023-24.
2. We confirm that all known and undisputed dues payable to the statutory authorities have been duly paid.
3. We confirm that the shareholding pattern and transfer of shares during the year are in accordance with the statutory or regulatory requirements.
4. We confirm that the funds of the holders of policies issued in India have not been directly or indirectly invested outside India.
5. We confirm that the required solvency margins have been maintained.
6. We certify that the values of all the assets have been reviewed on the date of the Balance Sheet and to the best of our belief the assets set forth in the Balance Sheet are shown in the aggregate amounts not exceeding their realizable or market value under the several headings- "Loans", "Investments", "Agents balances", "Outstanding Premiums", "Interest, Dividends and Rents outstanding", "Interest, Dividends and Rents accruing but not due", "Amounts due from other persons or Bodies carrying on insurance business", "Sundry Debtors", "Bills Receivable", "Cash" and several items specified under "Other Account".
7. The overall risk exposure for the risks accepted by us is limited to Rs. 200 crores PML per risk except in respect of certain risks in which cases there are exposures of Rs 500 Crores PML per policy. The same has been approved by the Board. We have made adequate reinsurance arrangements to mitigate the losses arising out of any major claims.
8. We have overseas operations in 26 countries. The foreign branches have their own reinsurance arrangements to protect their exposure. Over and above there is an excess of loss protection available, which takes care of the exposure risk of the Company as a whole, including domestic and foreign branches.

The foreign branches/agencies generate enough revenue in local currencies to meet their liabilities arising out of their operations. Hence there is no major currency risk in the countries we operate.

As regards the country risk, by and large all the countries in which we operate are politically stable. We also have well defined acceptance limits for foreign operations, which limits our exposure in these countries.
9. (a) Ageing of claims indicating the trends in average claims settlement time during the preceding five years is furnished below in the format required:

Age-wise Summary of Claims settled during the years 2018-19 to 2022-23

and organizations in which directors are interested is required to be disclosed as per Management Report to be furnished in the following format:

No.	Name	Entity in which he is interested	Interested as	Amount of payments during the financial year (Rs. In lakhs)
	NIL	NIL		NIL

10. We certify that the investments have been valued as per the Accounting Regulations of the Insurance Regulatory and Development Authority and shown in the balance sheet.
11. All investment assets are reviewed periodically and assets are classified into performing and non-performing based on IRDA norms.
12. It is hereby confirmed:
- (i) That in preparation of financial statements, the applicable accounting standards, principles and policies have been followed, except Amortisation of additional actuarial liability for Pension as per I.R.D.A.I circular no. 411/F&N(NL) Amort-EB/2019-20/124 dated July 07, 2020.

- (ii) That the management has adopted accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the operating profit of the Company for the year.
- (iii) That the management has taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the applicable provisions of the Insurance Act 1938 and Companies Act 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- (iv) That the management has prepared the financial statements on a going concern basis.
- (v) That the management has ensured that the internal audit system commensurate with the size and nature of business exists and is operating effectively.

INDEPENDENT AUDITOR'S REPORT

To the Members of
The New India Assurance Company Limited
Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the Consolidated financial statements of The New India Assurance Company Limited (hereinafter referred to as "the Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its associates, which comprise the Consolidated Balance sheet as at March 31, 2023, the Consolidated Revenue Accounts of Fire, Marine and Miscellaneous Insurance Business (collectively known as "Consolidated Revenue Accounts"), the Consolidated Profit and Loss Account and the Consolidated Receipts and Payments Accounts for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associates, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid Consolidated financial statements give the information required, in accordance with the Insurance Act, 1938, as amended (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 (the "IRDAI Act"), the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, as amended (the "IRDAI Financial Statements Regulations"), orders / directions / circulars issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") and the Companies Act, 2013 ("the Act"), to the extent applicable, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the Balance Sheet, of the consolidated state of affairs of the Group, its associates as at March 31, 2023;

- b) in the case of Revenue Accounts, of the consolidated Operating Profit in so far as it relates to the Fire, Marine and Miscellaneous business for year ended on that date;
- c) in the case of the Profit and Loss Account, of the consolidated profit for the year ended on that date; and
- d) in the case of the Receipts and Payments Account, of the consolidated Receipts and Payments for the year ended on that date.

Basis for Qualified Opinion

- a) Balances due to/from persons or bodies carrying on insurance business including Reinsurers are subject to confirmation, reconciliation and records relating to old balances are being compiled by the Holding Company. [Refer Note 13(a) of Schedule 16(B)]
- b) Impact of overall reconciliation in respect of balances pertaining to Co-insurance business of the Holding Company is to be dealt with in accounts. [Refer Note 13(d) of Schedule 16(B)]
- c) Balances of Inter office accounts, control accounts, various direct and indirect tax related accounts and certain other accounts at certain offices of the Holding Company are pending for reconciliation/confirmation and consequential adjustments, effect of which, if any, is not ascertainable and cannot be commented upon. [Refer Note 13(e, f, g, h and j) and 25(a) of Schedule 16(B)]
- d) The Holding Company has recognized MAT credit relating to earlier years to the extent of availment amounting to ₹ 24,802.43 Lakhs, realization of which is dependent on its being finally successful in respect of matters pending at various judicial levels. [Refer Note 8(b) Schedule 16 B]
- e) The impact on account of reconciliation relating to various accounts and balance under confirmation with respect to compliance of tax laws which may arise out of such reconciliation, if any, is not ascertainable and cannot be commented upon. [Refer Note 13(i) of Schedule 16(B)]

Overall impact of the above para (a) to (e) above and the consequential effects on the state of affairs of the Group

and its associates as at March 31, 2023, the Consolidated Revenue Accounts, Consolidated Profit and Loss Account and the Consolidated Receipts and Payments Accounts for the year ended on that date are not ascertainable and cannot be commented upon.

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the “Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements” section of our report. We are independent of the Group and of its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We invite attention to the following:

- Note No. 7 of Schedule 16B regarding accounting of arrears of wage and corresponding incremental liabilities relating to Post-Employment benefits on account of wage revision amounting to

₹ 3,44,513.93 Lakhs for the period ended March 31, 2023 under “Expenses other than those related to insurance business” through consolidated Profit & Loss Account instead of “Employees remuneration” under “Operating Expenses related to insurance business” in the respective consolidated Revenue accounts, as permitted by IRDAI.

- Note No. 6 of Schedule 16B regarding Un-amortized Pension Liability amounting to ₹ 41,014.00 Lakhs as permitted by IRDAI Circular.
- Note No. 29 of Schedule 16B regarding strengthening of Internal controls and Internal audit specially in area of data input and validation in software and Reinsurance accounts.
- Note No. 27 of Schedule 16B specifying that the management is currently in process of identifying enterprises which have been providing goods and services to the Holding Company which qualify under the definition of micro and small enterprises as defined under Micro, Small and Medium Enterprise Development Act, 2006 and disclosure in respect of amount payable to such Micro and Small Enterprises as at March 31, 2023 has not been made in the Consolidated financial statements.

Our opinion is not modified in respect of the above matters.

IV. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor’s Response
1.	<p>Claim Provisioning</p> <p>Insurance Claim is the major area of expense for the insurance company. The estimation of insurance contract liabilities involves a significant degree of judgement, where management estimate is involved based on the surveyor’s report / feedback. The estimate of the claim is complex as it involves high degree of judgement. With regards to the claims provision, the claim department will make provision for claims upon claim intimation and subsequently revise basis the surveyor’s immediate loss assessment reports, advocate advice pertaining to MACT / disputed cases, communications from co-insurer leader in cases of incoming co-insurance business etc. The estimates are revised again based on further information.</p> <p>A range of methods are used to determine these liabilities. Underlying these methods are a number of assumptions relating to expected settlement amount and settlement pattern of claims.</p>	<p>Principal Audit Procedures Performed</p> <ul style="list-style-type: none"> The audit matters for verification of claims provisioning are handled at the regional and divisional offices of the Holding Company. The component auditors of Holding Company while auditing the claim provision based on the operational guidelines of the Holding Company relating to claim processing, have performed test of controls, test of details and analytical review procedures on the outstanding claims. They have verified the claim provision with the surveyor’s claim estimate, advocate advice, co-insurer leader communication and the Holding Company’s feedback on the same. For all old outstanding large claims, fresh estimates from surveyors were called for by the Holding Company and the claim provisions were revised accordingly.

		<ul style="list-style-type: none"> For the claim cases which has been incurred but not reported and cases where claim has been reported but not enough reported, these cases have been captured by the actuary appointed by the Holding Company. The actuarial valuation of liability in respect of Claims Incurred but Not Reported (IBNR) and those Incurred but Not Enough Reported (IBNER) as at March 31, 2023, is as certified by the Holding Company's Appointed Actuary and we had relied upon on the appointed actuary's certificate in this regard with respect to the claim amounts and the related liability. <p>We have relied upon the work carried out by the respective component auditors of Holding Company in relation to the audit of verification of claim provisions and on the work carried out by the appointed actuary with respect to provision of claims incurred but not reported and claims incurred but not enough reported.</p>
<p>2.</p>	<p>Strengthening of Internal control System and Internal Audit required by the Holding Company</p> <p>On the basis of selective checks carried out during the course of our audit and according to the information and explanation given to us, internal control weaknesses of material nature have been identified as at March 31, 2023 with respect to:</p> <p>a) Confirmation and reconciliation of various balances relating to co insurers, reinsurers, inter office accounts and other control accounts are pending and are at various stages;</p> <p>b) Strengthening of process required relating to audit of health claims processed by TPA which is conducted by the offices of the Holding Company.</p>	<p>Principal Audit Procedures Performed</p> <ul style="list-style-type: none"> We have designed our audit procedures to assess the Holding Company's control risk. We had conducted control test to test the effectiveness of a control used by the Holding Company to prevent or detect material misstatements. Based on the control test, control weaknesses were identified in areas of reconciliation of various receivable and/or payable balances, etc. We have considered the reports issued by the professional consultant with respect to review of operational effectiveness of internal controls for Risk Control matrix of the Holding Company. Audit of health-related claims processed by TPAs are required to be audited as per policy framed by the Holding Company, however it has been unable to carry out audit of adequate number of claims as per its policy. <p>Hence these areas are highlighted in paragraph of opinion, emphasis of matter and opinion on internal control with reference to consolidated financial statements in the consolidated Independent Auditors' Report.</p>
<p>3.</p>	<p>Evaluation of uncertain tax positions</p> <p>The Holding Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. The Holding Company has disputes pending at various levels of tax authorities over the past several years. (Refer Note 1 of Schedule 16C to the Consolidated financial statements).</p>	<p>Principal Audit Procedures Performed</p> <ul style="list-style-type: none"> We have evaluated the appropriateness of the design and tested the operating effectiveness of the management's controls over the tax litigation matters; Obtained from the management and perused details of completed tax assessments and demands for the year ended March 31, 2023; Reviewed the management's underlying assumptions in estimating the tax provision, the possible outcome of the disputes, legal precedence and other rulings in evaluating management's position on these uncertain tax positions.

		<ul style="list-style-type: none"> • Relied upon the management judgements, industry level deliberations and estimates for possible outflow and opinion of internal experts/ External Tax Advisors/lawyers of the Holding Company in relation to such disputed tax positions.

Other Matters

- a) We did not audit the financial statements and other financial information of 43 Regional offices (including 8 LCBO's, 2 Legal Hubs, 1 Auto Hub & Gift City), 473 Divisional offices, 7 Foreign Branches (including 2 Foreign Run-off offices) and 7 Foreign Agency offices, included in the Standalone financial statements of the Holding Company whose financial statements reflect total assets of ₹ 32,54,907.10 Lakhs as at March 31, 2023 and total revenues of ₹ 37,53,803.21 Lakhs for the year ended on that date, as considered in the Standalone financial statements of the Holding Company. The financial statements / information of these Branches/offices have been audited by the other auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these Branches/offices, is based solely on the report of such other auditors.
- b) We have relied on the financial information of 2 Foreign Branches and 1 Foreign Run off office included in the Standalone financial statements of the Holding Company whose financial information reflect total assets of ₹ 42,353.64 Lakhs as at March 31, 2023 and total revenues of ₹ 6,368.84 Lakhs for the year ended on that date, which have been included based on unaudited financial information. Our opinion in respect thereof is solely based on the management certified information.
- c) We did not audit the financial statements and other financial information of 2 subsidiaries whose financial statements excluding consolidation eliminations reflect total assets of ₹ 90,998.74 Lakhs as at March 31, 2023, total revenues of ₹ 23,209.48 Lakhs and net cash outflows amounting to ₹ (527.64) Lakhs for the year ended on that date, as considered in the Consolidated financial statements. The consolidated financial statements also include the Group's share of net profit/(loss) after tax of ₹ (980.84) Lakhs for the year ended March 31, 2023, as considered in the Consolidated financial statements, in respect of 1 associate, whose financial statements have not been audited by us and our opinion on the Consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries and associates is based solely on the reports of the other auditors.

One of the subsidiaries is located outside India

whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditor under generally accepted auditing standards applicable in their respective countries. The Subsidiary's management has converted the financial statements of subsidiary located outside India from accounting principles generally accepted in their country to accounting principles generally accepted in India and certified by their auditors. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditor and the conversion adjustments prepared by the Subsidiary management and certified by their auditors.

One of the subsidiaries and one associate Company are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditor under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiary/associate located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. Due to lack of requisite details available in India, we are unable to audit these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary/associate located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and not audited by us.

- d) The consolidated financial statements include financial statements and other financial information of 1 subsidiary whose financial statements excluding consolidation eliminations reflect total assets of ₹ 0.03 Lakhs as at March 31, 2023. It also includes the Group's share of net profit / (loss) of ₹ (152.53) Lakhs for the year ended 31st March, 2023, as considered in the consolidated financial statements, in respect of 1 associate company, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and associate, is based

solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

- e) The actuarial valuation of liabilities in respect of Claims Incurred but Not Reported ('IBNR'), Incurred but Not Enough Reported ('IBNER') and Premium Deficiency Reserve ('PDR'), is the responsibility of the Holding Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities that are estimated using statistical methods as at March 31, 2023 have been certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for outstanding claims reserve and PDR, as contained in the Consolidated financial statements of the Holding Company.
- f) The consolidated financial statements of the Company for the year ended March 31, 2022 were audited by the joint auditors, one of which is predecessor audit firm and have issued their modified opinion dated May 23, 2022 on such financial statements.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/information certified by the Management.

Information other than the consolidated financial statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report & Management Discussion and Analysis and Business Responsibility Report but does not include the Consolidated financial statements and our auditors' report thereon. The other information as above is expected to be made available to us after the date of this auditors' report.

Our opinion on the Consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude

that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013, the Insurance Act, the IRDAI Financial Statements Regulations and the orders / directions and circulars issued by the IRDAI in this regard, that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated receipts and payments of the Group and of its associates in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, the Insurance Act, the IRDAI Financial Statements Regulations for safeguarding the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether

due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sas will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Sas, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies and its associates which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements,

including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Holding Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the IRDAI Financial Statements Regulations, we have issued a separate certificate dated May 29, 2023 certifying the matters specified in paragraphs 3 and 4 of Schedule C to the IRDAI Financial Statements Regulations.
2. As required by IRDAI Financial Statement Regulations and Section 143 (3) of the Act, we report that:
 - a) We have sought and except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above,

- in our opinion, proper books of accounts have been maintained by the Group and its associates, so far as it appears from our examination of those books and proper returns both audited and unaudited from Regional offices, Divisional Offices, branches, other offices, subsidiaries and associates not visited by us, have been received and these were adequate for the purpose of our audit.
- c) The Consolidated Balance Sheet, the Consolidated Revenue Account, Consolidated Profit and Loss Account, and the Consolidated Receipt and Payment Account dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid Consolidated financial statements have been prepared in accordance with the requirements of the Insurance Act, the Insurance Regulatory and Development Act, 1999 and the Companies Act, 2013 to the extent applicable and in the manner so required.
 - e) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder.
 - f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
 - g) As per notification no. G.S.R 463(E) dated June 5, 2015, the Government Companies are exempted from the provisions of section 164(2) of the Act, accordingly, we are not required to report whether any of the directors of the Holding Company is disqualified in terms of provisions contained in the said section.
 - h) The accounting policies selected by the Group are appropriate and are in compliance with the applicable Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder and with the Accounting Principles as prescribed in the IRDAI Financial Statements Regulations and orders or directions issued by the Insurance Regulatory and Development Authority, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above.
 - i) The actuarial valuation of liability in respect of claims Incurred but Not Reported (IBNR) and those Incurred but Not Enough Reported (IBNER) as at March 31, 2023, have been duly certified by the Holding Company's Appointed Actuary and relied upon by us. The Appointed Actuary has also certified that the assumptions considered by him for such valuations are in accordance with guidelines and norms prescribed by the Insurance Regulatory and Development Authority of India and the Actuarial Society of India in concurrence with the IRDAI.
 - j) As per the information and explanations provided to us, the investments have been valued in accordance with the provisions of the Insurance Act, IRDAI Financial Statements Regulations and orders/directions issued by IRDAI in this regard.
 - k) With respect to the adequacy of the internal financial controls with reference to Consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure I". According to information and explanations provided to us, Section 143(3)(i) of the Act is not applicable to any of the subsidiary companies and one of its associate companies as none are incorporated in India. In case of one associate which is a Company incorporated in India, the financial statements of the said associate are unaudited financial statement and approved by its Board, we are unable to verify the adequacy of the internal financial controls over financial reporting of the said associate hence the same is not forming part of our opinion given in "Annexure I".
3. With respect to the other matters to be included in the Auditors' Report in accordance with the requirement of section 197(16) of the Companies Act 2013, as amended, we report that the provisions of section 197 of the Act are not applicable to the Holding company vide notification No. GSR 463(E) dated 5th June 2015. Hence reporting u/s 197(16) of the Act is not required.
 4. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate Financial Statements as also the other financial information of the subsidiaries and associates, as noted in the 'Other matters' paragraph:
 - i) The consolidated financial statements has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements - Refer Note 8(c) of Schedule 16B and Note 1 of Schedule 16C to the Consolidated financial statements;
 - ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - The liability for Insurance Contracts, is determined by the Holding Company's Appointed Actuary and is covered by the Appointed Actuary's certificate, referred to in Other Matter paragraph above, on which we have placed

- reliance; and the Holding Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company;
- iv) a) The Management of the Holding Company has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 31(a) of Schedule 16B)
- b) The Management of the Holding Company has represented that , to the best of its knowledge and belief, no funds have been received by the Holding Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 31(b) of Schedule 16B); and

ANNEXURE I TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(k) under "Report on Other Legal and Regulatory Requirements" of our report of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

Qualified Opinion

We have audited the internal financial controls with reference to Consolidated financial statements of **The New India Assurance Company Ltd.** (the "Holding Company") and its subsidiaries and associate companies, which are companies incorporated in India, as of March 31, 2023, in conjunction with our audit of the Consolidated financial statements of the Company as of and for the year ended on that date.

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

- Confirmation and reconciliation of various balances relating to co-insurers, reinsurers, Reinsurance Brokers, various tax related accounts, control accounts and other accounts are pending and are at various stages of reconciliation/adjustments. Non-compliance of tax laws which may arise out of such reconciliation;
- Adequate coverage of audit of health-related claims processed by TPAs to be conducted by the respective offices of the Holding Company in accordance with the policy of the Holding Company, and
- We are informed that the management of Holding Company has not carried out the assessment of effectiveness of the Entity level controls and the effectiveness of such controls at foreign offices of the Holding Company. We have also not been able to carry out any procedures in these respect as the relevant information and access was not made available to us.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control with reference to Consolidated financial statements, such that there is a reasonable possibility that a material misstatement of the company's Consolidated financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, except for the possible effects of the internal control weaknesses described above on the achievements of the objectives of the control criteria, the Holding Company and its subsidiaries and associate companies, which are companies incorporated in India, have maintained, in all material respects, adequate internal financial control with reference to Consolidated financial statements and such internal financial controls with reference to Consolidated financial statements were operating effectively as of March 31, 2023, based on "the internal control with reference to

Consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India".

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2023, Consolidated financial statements of the Company, and these material weaknesses affect our opinion on the Consolidated financial statements of the Company.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company, its subsidiary companies and associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control with reference to Consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India" ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Insurance Act, 1938, as amended (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 (the "IRDAI Act"), the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 (the "IRDAI Financial Statements Regulations"), orders / directions / circulars issued by the Insurance Regulatory and Development Authority of India (the "IRDAI") and Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries and associate companies incorporated in India based on audit conducted by us in respect of Holding Company and based on the audited conducted by other auditors in respect of subsidiaries and associate companies respectively. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those

Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated financial statements

A Company's internal financial control with reference to Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made

only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

The actuarial valuation of liabilities in respect of Claims Incurred but Not Reported ('IBNR'), Incurred but Not Enough Reported ('IBNER') and Premium Deficiency Reserve ('PDR'), is the responsibility of the Holding Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities that are estimated using statistical methods as at March 31, 2023 have been certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for outstanding claims reserve and PDR, as contained in the Consolidated financial statements of the Company. Accordingly, our opinion on the internal financial controls with reference to Consolidated financial statements does not include reporting on the adequacy and operative effectiveness of the internal controls over the valuation and accuracy of the aforesaid actuarial liabilities.

Our opinion is not modified in respect of these matters.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF THE NEW INDIA ASSURANCE COMPANY LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The preparation of consolidated financial statements of The New India Assurance Company Limited for the year ended 31 March 2023 in accordance with the financial reporting framework prescribed under the Insurance Act, 1938 read with the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 and the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under section 139(5) read with section 129(4) of the Act are responsible for expressing opinion on the financial statements under section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 May 2023.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of The New India Assurance Company Limited for the year ended 31 March 2023 under section 143(6)(a) read with section 129(4) of the Act. We conducted a supplementary audit of the financial statements of The New India Assurance Company Limited but did not conduct supplementary audit of the financial statements of Health Insurance TPA of India Limited, The New India Assurance Company (Trinidad & Tobago) Limited, Prestige Assurance PLC Nigeria, The New India Assurance Co. (Sierra Leone) Limited and Indian International Insurance Pte. Ltd., for the year ended on that date. Further, section 139(5) and 143(6)(a) of the Act are not applicable to The New India Assurance Company (Trinidad & Tobago) Limited, Prestige Assurance PLC Nigeria, The New India Assurance Co. (Sierra Leone) Limited, and Indian International Insurance Pte. Ltd., being entities incorporated in foreign countries under the respective laws, for appointment of their Statutory Auditor and for conduct of supplementary audit. Accordingly, Comptroller and Auditor General of India has neither appointed the Statutory Auditors nor conducted the supplementary audit of these companies. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.

Significant Accounting Policies and Notes forming part of Consolidated Financial Statements as at March 31, 2023

16 A. SIGNIFICANT ACCOUNTING POLICIES

1. Principles of Consolidation:

The Consolidated Financial Statements relate to New India Assurance Co Ltd., (the Holding Company) and its subsidiaries (referred to as "Group") and associates. The Consolidated Financial Statements have been prepared on the following basis:

- The financial statements of the Holding Company and its subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating the intra-group balances and intragroup transactions to the extent possible and by following the consolidation procedures as laid down in Accounting Standard (AS) 21 - Consolidated Financial Statements.
- The difference between the cost of investment in the subsidiaries and the net assets at the time of acquisition of shares in the subsidiaries is recognized in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- The difference between the proceeds from disposal of investment in subsidiaries and carrying amount of its assets less liabilities as at the date of disposal of investment in subsidiaries is recognized in the consolidated statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- Minority interest's share of net profit of consolidated subsidiary for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to the shareholders of the Holding Company. Minority interest's share of net assets of consolidated balance sheet is presented in consolidated balance sheet separate from liabilities and the equity of the Holding Company's shareholders.
- Investment in Associate Companies has been accounted under the equity method as per Accounting Standard (AS) 23 - Accounting for investments in associates in Consolidated Financial Statements.
- The Holding Company accounts for its shares in change in net assets of the associates, post-acquisition, after eliminating unrealized profits and losses resulting from transactions between the Holding Company and its associates to the extent of its shares, through its profit and loss account to the extent such change is attributable to the associates' Profit or Loss through its reserves for the balance, based on available information.
- The difference between the cost of investment in the associates and the share of net assets at the time of acquisition of shares in the associates is identified in the consolidated financial statements as Goodwill or

Capital Reserve as the case may be.

- As far as possible, the consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the company's separate financial statements. In case of the subsidiary companies accounts are made and maintained in accordance with International Financial Reporting Standards (IFRS) as required under the local laws of the respective country.

For the purpose of consolidation, accounting adjustments have been made to align the accounts of the subsidiary companies to confirm to the accounting policies followed by the Holding Company.

In case of one of the associate company, which is incorporated outside India, its accounts are made and maintained in accordance with International Financial Reporting Standards (IFRS) as required under the local laws of the respective country. Due to lack of details, appropriate adjustment could not be made to align the account of the associate company to confirm to the accounting policies followed by Holding Company. The Holding Company has considered its share of profit for the year without considering the profit which is part of other comprehensive income in the financial statement of the associate company.

The following are the material differences with the accounting policies followed by the holding company as compared to the subsidiary companies combined in the consolidated financial statements:

- a. In accordance with IFRS, Insurance receivables are recognized when due and measured at amortized cost, using the effective interest rate method. The carrying value of insurance receivables is reviewed for impairment whenever events or circumstances indicate that the carrying amount may not be recoverable, with the impairment loss recorded in the statement of income.
- b. Deferred Acquisition cost Commissions and other acquisition costs that are related to securing new contracts and renewing existing contracts are capitalized as Deferred Acquisition Costs (DAC) if they are separately identifiable, can be measured reliably and it is probable that they will be recovered. All other costs are recognized as expenses when incurred. The DAC is subsequently amortized over the life of the contracts in line with premium revenue using assumptions consistent with those used in calculating unearned premium. It is calculated by applying to the acquisition expenses the ratio of unearned premium to written premium. The DAC asset is tested for impairment annually and written

- down when it is not expected to be fully recovered.
- c. Insurance and investment contract of policyholders are charged for policy administration services, investment management services, surrenders and other contract fees. These fees are recognized as revenue over the period in which the related services are performed. If the fees are for services provided in future periods, then they are deferred and recognized over those future periods.
 - d. Reserve for unexpired risk and Premium deficiency reserve is calculated and recognized as per 1/365 or 1/24 method or as required under local laws.
 - e. Provision for claims incurred but not reported (IBNR) and provision for claims incurred but not enough reported (IBNER) are accounted as per liability adequacy test carried by actuary/ management assessment of such liability.
 - f. Property, Plant and Equipment is shown at fair value on historical cost model except in case of Land and Building of The New India Assurance (T&T) Ltd., where fair value is based on triennial valuation by external appraisers. Depreciation on property, plant and equipment is calculated and accounted for based on useful lives as assessed by the management which are different from those followed by the Holding Company.
 - g. Provisions related to post -employment benefits to the staff are accounted for based on the requirements of local laws.
 - h. Provision for taxation including deferred tax is accounted as per local tax laws and in accordance with the provisions of IFRS.
 - i. Statutory Reserve is created in accordance with the requirements of local laws.
- The list of subsidiary companies and associates which are included in the consolidation and the company holdings are as under:

S. No.	Name of the Company	% of Holding		Country of incorporation
		As on March 31, 2023	As on March 31, 2022

2. Accounting Convention

The consolidated financial statements are drawn up in accordance with the provisions of IRDAI (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 and circulars and/or guidelines issued in the context of preparation of the consolidated financial statements, and the provisions of the Companies Act 2013. The said statements are prepared on historical cost convention and on accrual basis, comply with accounting standards specified under Section 133 of Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and confirm to practices prevailing in the General Insurance industry except as otherwise stated.

3. Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the consolidated financial statements. Actual results may differ from those estimates and assumptions. The estimates and assumptions used in the accompanying consolidated financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the consolidated financial statements. Any revision to accounting estimates is recognized prospectively in current and future periods.

4. Revenue Recognition

A. Premium

Premium income is recognized on assumption of risk. A reserve for Unearned Premium for each segment, representing that part of the recognized premium attributable to the succeeding accounting periods, calculated on time apportionment basis or the period of risk, whichever is appropriate is created. This forms part of the un-expired risk reserves.

Reinsurance premium is recognized as per the terms of the reinsurance contracts. A reserve for Unearned Premium for each segment, representing that part of the recognized reinsurance premium attributable to the succeeding accounting periods, is also calculated on time apportionment basis. This also forms part of the un-expired risk reserves.

Any subsequent revisions to or cancellations of premium are recognized in the year in which they occur.

B. Commission

Commission Income on reinsurance cessions is recognized as income in the year in which reinsurance premium is ceded.

Profit commission under reinsurance treaties wherever applicable, is recognized on accrual. Any subsequent revisions of profit commission are recognized for in the year in which final determination of the profits are intimated by reinsurers.

5. Premium Received in Advance

Premium received in advance represents premium received in respect of policies issued during the year, where the risk commences subsequent to the Balance Sheet date.

6. Reserves for Un-expired Risk/s

Unearned premium reserve is computed in accordance with the guidelines issued by IRDAI as under:

- Marine Hull: 100% of the Net Written premium during the preceding twelve months;
- In respect of other segments: on the basis of 1/365 method on contract period or period of risk basis for the respective policies, whichever is appropriate.

7. Reinsurance Accepted

Reinsurance returns have been incorporated for the advices received up to the date of finalization of accounts or on estimation basis wherever required.

8. Reinsurance Ceded

Reinsurance Cessions are accounted for on the basis of actuals or on estimation basis wherever required.

9. Premium Deficiency

Premium deficiency is calculated where the sum of expected claims costs, related expenses and maintenance costs exceed the related unearned premium. The premium deficiency is recognized as per IRDAI guidelines and forms part of unexpired risk reserves.

10. Acquisition Costs

Acquisition costs are primarily related to acquisition of insurance contracts and have been expensed in the year in which they are incurred.

11. Incurred Claims

Claims are recognized as and when reported. Claims Paid (net of recoveries including salvages retained by the insured, includes interest paid towards claims and all expenses directly incurred in relation to their assessment) are charged to respective revenue accounts.

Outstanding Claims estimates at Balance Sheet date are provided based on the management's assessment of the ultimate liability likely to be paid based on survey reports, past experience, information provided by clients and other sources, and applicable laws and subsequently modified for changes as appropriate on availability of further information and includes:

- In respect of direct business, claim intimations received up to the year-end;
- In respect of reinsurance accepted, advices received as of different dates of subsequent year up to the date of finalization of accounts or on estimation basis.

Provision for claims incurred but not reported (IBNR) and

provision for claims incurred but not enough reported (IBNER). The said provisions have been determined by appointed actuary, which is in accordance with generally accepted actuarial practice, requirement of IRDAI (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, the master circulars issued in the context of preparation of standalone financial statements, Insurance Regulatory and Development Authority of India (Assets, Liabilities, and Solvency Margin of General Insurance Business) Regulations, 2016 and stipulations of the Institute of Actuaries of India. (As amended from time to time)

All the outstanding claims for direct business are provided net of estimated salvage (if any).

In respect of motor third party claims where court summons have been served on the Company without adequate policy particulars to establish liability of the Company, provision is made as under:

- 1/3rd of the estimated liability, for all such claims for which court summons have been served on the Company upto one year.
- 100% of the estimated liability, where such claims are outstanding for more than one year.

Interest on motor accident claims tribunal (MACT) claims is provided based on the prevailing trends in the motor third party claim awards.

12. Salvage and Claim Recoveries

Recoveries of claims and sale proceeds on disposal of salvage are accounted on realization and credited to claims.

13. Receipt and Payment Account (Cash Flow Statement)

Receipt and Payment account/ Cash Flow Statement is prepared as per Direct method as required by part -I of Schedule -B of IRDAI regulation.

14. Property, Plant and Equipment

A) Property, Plant and Equipment (PPE)

- PPE are stated at cost less depreciation. Cost is inclusive of borrowing cost and other incidental charges incurred up-to the date of installation/put to use.
- Lease payment for assets taken on operating lease are recognized as an expense in the revenue(s) accounts and profit and loss account over the lease term.

B) Depreciation

- Depreciation on tangible assets is charged on Straight Line Method (SLM) as per the useful life prescribed under Schedule II of the Companies Act 2013 and the residual value of the asset shall be Rs. 1/-.
- Leasehold properties are amortized over the lease period.
- Depreciation on PPE added/disposed-off during the year is provided on pro-rata basis.

- iv) The residual value and useful lives are reviewed at each financial year end.

15. Foreign Currency Transactions

a) Reinsurance operations:

Revenue transactions of re-insurance in foreign currencies are converted at the average of buying and selling rates of exchange of each quarter in which they are accounted.

Monetary assets and liabilities of re-insurance in foreign currencies are converted at the closing rate.

b) Foreign operations:

- i) As per the Accounting Standard (AS) 11 "The Effects of Changes in Foreign Exchange Rates", foreign branches/agencies are classified as 'non-integral foreign operations'.
 - ii) The assets and liabilities (including contingent liabilities), both monetary and non-monetary items, of the non-integral foreign operations are translated at the closing rate.
 - iii) Income and expense items of the non-integral foreign operations are translated at the average exchange rate of the year.
 - iv) Depreciation on fixed assets held in foreign branches and agencies of the holding company is provided on straight line rupee value at the year end at the rate and in manner as stated in "Depreciation" policy mentioned in above stated Property, Plant and Equipment Policy.
 - v) All resulting exchange difference is accumulated in a foreign currency translation reserve until the disposal of the net investment in the foreign operations.
- c) Foreign investments transactions during the year are converted at the exchange rates prevailing as on the last day of the month of purchase or sale.
- d) Other assets and liabilities in foreign currencies are converted at the average of buying and selling rates of exchange prevailing at the year end.
- e) The exchange gain/loss due to conversion of foreign currencies other than relating to non-integral foreign operations is taken to revenue(s) account and profit and loss account as applicable.

16. Loans and Investments

- a) Loans are measured at historical cost subject to impairment. The Holding Company reviews the quality of its loan assets and provides for impairment if any.
- b) Short Term Money Market Instruments such as Commercial Papers and Certificate of Deposits are shown at their discounted value and the difference between the acquisition cost and the redemption value is apportioned on time basis and recognized as accrued income.

- c) Contracts for purchase and sale of shares, bonds, debentures are accounted for as "Investments" as on date of transaction.

- d) The cost of investments includes premium on acquisition, brokerage, transfer stamps, transfer charges, Securities Transaction Tax and is net of incentive/ fee if any, received thereon.

- e) Dividend income (other than interim dividend):

Dividend Income is accounted for as income in the year of declaration. Dividend on shares/interest on debentures under objection/pending delivery is accounted for on realisation. Interim dividend is accounted for where the amount is received/credited in the account of the holding company up to March 31.

Dividend on foreign investments is accounted on gross basis.

- f) Interest Income is recognized on accrual basis on time proportion except income on non-performing assets is recognized on realization.

Amount received towards compensation for future loss of interest is recognised as income only to the extent attributable to the accounting year and balance is kept in interest received in advance account for apportionment in the relevant year.

- g) Revenue in respect of Alternate Investment Fund (AIF)/ Venture capital Fund is recognized on receipt basis.

- h) Profit/Loss on realisation of investments is computed by taking weighted average book value as cost of investments except:

- In respect of Government Securities/ Debentures/Bonds under trading portfolio, the profit/loss is worked out specific scrip wise.

- In respect of Government Securities/ Debentures/Bonds and related debt instruments sold from investment portfolio, the profit/loss is worked out on first in first out basis (FIFO).

- i) The Holding Company follows the prudential norms prescribed by the Insurance Regulatory and Development Authority as regards asset classification, recognition of income and provisioning pertaining to loans/advances/debentures.

- j) Investment in government securities, debt securities and redeemable preference shares are considered as held till maturity and valued at cost. However, in terms of Insurance Regulatory and Development Authority Regulations the premium paid at the time of acquisition of securities is amortised over the residual period of maturity. In case, investment becomes NPA, the balance of unamortised premium is debited to revenue(s) and profit and loss account on the date of NPA.

- k) i) Investments in Mutual Funds are valued at Net Asset Value (NAV) as at the Balance Sheet date and the difference between cost/ book value and NAV is accounted in Fair Value Change Account. In case of non-availability of latest NAV as at the Balance Sheet date, investment is shown at cost.
- ii) Investments in Venture Funds are valued at cost. If there is reduction in NAV, the same is charged to revenue and book value of investments is reduced accordingly. Any appreciation in NAV to the extent of loss earlier recognised, is taken to revenue. Wherever NAV as on Balance Sheet date is not available, latest available NAV is considered.
- l) i) In accordance with IRDAI/F&I/INV/ CIR213/10/2013 dated October 30, 2013 for Valuation of Equity Portfolio, National Stock Exchange (NSE) is considered as Primary Stock Exchange and Bombay Stock Exchange (BSE) as Secondary Stock Exchange by the holding company.
- Investment Portfolio of the Holding Company in respect of equity/ equity related instruments is segregated into actively traded and thinly traded as prescribed by Insurance Regulatory and Development Authority Regulations. The shares are treated as actively traded or thinly traded by taking into consideration total traded transactions in the month of March on NSE and BSE.
- ii) Actively traded equity/ equity related instruments are valued by the Holding Company at the closing price at NSE or if the scrip is not traded at NSE, the scrip is valued at the closing price at BSE. The difference between weighted average cost and quoted value is accounted in Fair Value Change Account.
- Exchange traded funds are valued as applicable to Equity portfolio. The difference between the weighted average cost and the quoted value is accounted in Fair Value change account.
- iii) Investments in equity shares of Companies outside India are valued at the last quoted price at the stock exchange of the respective country.
- m) Investment in thinly traded equity shares and unlisted equity shares are shown at cost. Difference between cost and break-up value is provided for as diminution in value. If the break-up value is negative, or break-up value is not available, then the provision is made for the entire cost. Break-up value is arrived as per latest Balance Sheet and which should not be more than 21 months prior to its valuation.
- n) In case of investment in listed and unlisted equity/ equity related instruments / preference shares where the value has been impaired on or before March 31, 2000, the historical/weighted average costs are not available with the Holding Company. As a consequence, the carrying value of such investments as on April 01, 2000 is presumed to be the historical/ weighted average cost.
- o) Investments in listed equity/ equity related instruments/ preference shares made in those companies, which are making losses continuously for last three years and where capital is eroded (Break-up value is Less than Face Value), are considered to have impairment in value. Further, if the published accounts of a Company are not available for last three accounting years ending on or immediately preceding the date of working out impairment in value, it is presumed that the value of investment is fully impaired and is written off to a nominal value of Rs. 1/- per securities of a Company.
- p) Valuation of investments as mentioned in point (o) above are done as under:
- i) i) In respect of actively traded equity shares: - At market price.
- ii) In respect of other than actively traded equity shares: - lower of cost price or break-up value provided break-up value is positive. If break-up value is negative the nominal value is taken at Rs. 1/- per securities of a Company.
- iii) In respect of preference shares, if the dividend is not received for the last three years, such preference shares are written down to a value which will bear to its face value, the same proportion as value taken/ which would have been taken for writing down equity shares bears to the face value of the equity shares. If the equity shares are written down to Rs. 1/- per securities of a Company, preference shares are also written down to a nominal value of Rs. 1/- per securities of a Company.

5. Premium Deficiency Reserve:

- a) Unexpired premium reserve at revenue segment level is found to be sufficient to cover the expected claim cost as certified by the appointed actuary and the claims related expenses as estimated by the management. Hence no premium deficiency reserve is required to be provided during the year.
- b) The reserve against cancellation of policies during free-look period under retail health policies for the period ended 31st March 2023, as certified by the actuary, is ₹ 150 Lakhs (PY 150 Lakhs).

6. Unamortized Pension liability as per IRDAI approval:

The Government of India by Gazette Notification no. S.O. 1627 (E) dated April 23, 2019, notified amendment under the General Insurance (Employees) Pension Scheme 1995, allowing one more pension option to the

employees who have joined the Holding Company before June 28, 1995. IRDAI vide its letter ref.: 411/F&N(NL) Amort-EB/2019-20/124 dated July 07, 2020, had granted approval for the amortization of the pension liability on account of regular employees, over a period of not exceeding five years with effect from FY 2019-20. Accordingly, the balance of unamortized pension liability of ₹82,028.00 Lakhs as on April 1, 2022, would be amortized in the remaining two years. During the year ended March 31, 2023, an amount of ₹ 41,014.00 Lakhs is charged to the revenue and the balance amount remaining to be amortized in next year is amounting to is ₹ 41,014.00 Lakhs.

7. The Government of India vide Gazette Notification No. S.O. 4896, 4897 and 4898(E) dated 14th October 2022 notified the wage revision of employees with effect from August 01, 2017. Further, IRDAI vide its letter ref: FNA/GNI/COM/01/2022-23/66 dated 7th November 2022 granted approval for accounting of the wage arrears and corresponding incremental liabilities relating to post-Employment benefits as per Accounting Standard 15 on "Employment Benefits on account of wage revision through the Profit and Loss account instead of accounting the same as Operating Expenses relating to insurance business in the respective Revenue accounts. - b) The Holding Company was claiming exemption u/s 10(38) of the Income Tax Act, 1961 till FY 2017-18 in respect of profit on sale of investments. The deduction under section 10(38) has been disallowed by the department and the matter in certain years has been decided in favour of the holding company up-to Bombay High Court & ITAT while there are cases pending in appeal at different levels by the department as well as by the holding company. Finance Act, 2018 introduced grandfathering provisions u/s 55(2)(ac) of the Income Tax Act, 1961 in respect of profit on sale of investments and deduction for the same was being claimed by the holding company up-to the FY 2021-22 based on the earlier judicial pronouncements in its favour. The said deduction for FY 2018-19 has also been disallowed by the department and the holding company has filed appeal against the same which is pending. Effective current financial year, based on the opinion from Tax consultants and Senior Tax counsels, the Holding Company has decided to not claim the deduction of grandfathering and the total income of the Holding Company for the year has

been computed as per the normal provisions of the Act.

Accordingly, the tax expenses of earlier years have been recalculated and as a result the holding company has utilized previous years carry forward losses and MAT credit available in earlier years in accordance with the Accounting Standard 22 "Accounting for Taxes on Income". The Holding Company had not recognised MAT Credit in the earlier periods due to prudence and absence of convincing evidence of utilising it. The holding company has decided to utilize the available MAT Credit of previous years to the extent of eligible credit required to be set off against tax computed as per the normal provisions of the Act. Therefore, total MAT credit of ₹ 24,802.43 Lakhs which includes previous year utilisation amounting to ₹ 3113.47 Lakhs, has been recognised and utilized.

Based on the opinion of the Tax consultant and the judicial pronouncements available till date, the management is confident of matters relating to Section 10(38) will be decided in its favour and the MAT credit recognised will be fully realised.

- c) The Income Tax Assessments of the Holding Company have been completed up to assessment year 2019-20. Major disputed demands are in respect of profit on sale of investment, IBNR, expenses paid to Auto tie-up dealers. Based on the decisions of the appellate authority, the interpretations of the relevant provisions, the management of the Holding Company is of the opinion that the demands are likely to be either deleted or substantially reduced and accordingly no provisions have been made for the same.

d) Deferred Taxes:

Note:- Previous Year figures are regrouped accordingly

- 20** Investment income (Net of Expenses) is apportioned between consolidated Revenue Accounts and consolidated Profit and Loss account in proportion to the balance in the Shareholders' funds and Policyholders' funds at the beginning of the year. The same is further apportioned to consolidated fire, marine and miscellaneous Revenue Accounts in proportion to the technical reserve balance at the beginning of the year.
- 21** The Unexpired Premium Reserve (UPR) at a revenue segment level was found to be sufficient to cover the expected claims cost of the Holding Company as certified by the Appointed Actuary of the Holding Company and the claim related expenses as estimated by the management of the Holding Company. Hence no premium deficiency reserve is required to be provided.
