NOTES:

1. The Register of Members and Share Transfer Books of the Company shall remain closed from Tuesday 20th September, 2022 to Monday, 26th September, 2022 (both days inclusive), for annual closing (for Annual General Meeting).
2. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs (“MCA”) has vide its General Circular nos. 14/2020 and 17/2020 dated April 8, 2020 and April 13, 2020 respectively, in relation to “Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made there under on account of the threat posed by COVID-19”, General Circular no. 20/2020 dated May 5, 2020, General Circular nos. 02/2021 and 21/2021 dated January 13, 2021 and

December 14, 2021 respectively in relation to “Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)”, (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through VC/OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars, the AGM of the Company is being held through VC/OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.

3. In compliance with the provisions of the Companies Act, 2013 (the “Companies Act”), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“SEBI Listing Regulations”) and the MCA Circulars, the AGM of the Company is being held through VC / OAVM, without the physical presence of the Members at a common venue. In accordance with the Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India (“ICSI”) read with Clarification/Guidance on applicability of Secretarial Standards - 1 and 2 dated 15th April, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company which shall be the deemed venue of the AGM.

5. This AGM Notice is being sent to all the Members, whose names appear in the Register

of Members/ List of Beneficial Owners as received from National Securities Depository Limited (“NSDL”) / Central Depository Services (India) Limited (“CDSL”) as on 23rd August, 2022.

6. The Board of Directors of the Company (the “Board”, which term shall be deemed to include any Committee(s) constituted/ to be constituted by the Board, from time to time) has appointed M/s. K.SrinivasaRao & Nagaraju Associates, Practicing Company Secretaries, Vijayawada as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.

7. Pursuant to the provisions of Section 105 of the Companies Act, a Member entitled to attend and vote at the AGM is entitled to appoint a Proxy to attend and vote on his/ her behalf and the Proxy need not be a Member of the Company. However, since this AGM is being held pursuant to the applicable MCA and SEBI Circulars as mentioned hereinabove, through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of Proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this AGM Notice.

8. Corporate/Institutional Members (i.e. other than Individuals, HUF, NRIs, etc.) are required to send a scanned certified true copy (PDF Format) of the Board Resolution/ Authority Letter, etc., authorizing their

PROCEDURE FOR REMOTE E- VOTING

The Company has entered into an arrangement with Central Depository Services Limited (CDSL) for facilitating remote e-voting for AGM. The instructions for remote e-voting are as under:

The e-Voting process to be followed by the shareholders to cast their votes:

Pursuant to Provisions of Section 108 of the Companies Act, 2013 and Rule 20 of Companies (Management and Administration) Rules, 2014, the Company is pleased to offer e-voting facility to the members to cast their votes electronically on all resolutions set forth in the Notice convening the 30th Annual General Meeting to be held on Monday, 26th September, 2022, at 11.00 AM.

- (i) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Global Economic Review:

The Global Economy – World View
The global economy grew at a rate of 5.5 per cent in FY 2021, after declining by 3.4 per cent in FY 2020. The rebound was mostly fuelled by a significant increase in family spending and a minor increase in investments, both of which had previously been impacted adversely due to the lockdown restrictions. In FY 2021, the global gross product was 1.9 per cent higher than in 2019, although it was still 3.3 percent below the actual expected levels before the epidemic

Global inflation has been steadily increasing, with the median headline Consumer Price Index (CPI) expected to reach 4.6 percent in May 2021, up from 1.2 per cent in May 2020. Increasing food costs around the world, supply chain disruptions, and a recovery of demand are the main factors of rising headline inflation.

Outlook

Global growth is expected to touch 4.4 per cent in 2022, down 0.5percentage point from previous projections. This is mostly due to the slowing of growth in the United States and China as a result of the fiscal and monetary policies, as well as ongoing supply chain issues. Inflation is projected to last longer in both developed and developing countries. Supply chain disruptions are expected to ease during FY2022 as demand is expected to gradually rebalance. Energy and food prices are projected to rise moderately in FY 2022.

Indian

The economic impact of the second wave of Covid-19 was smaller than the impact of the first. The GDP has shown signs of recovery since the second half of FY 2020-21. The Indian economy is expected to experience a growth in GDP at the rate of 9.2 per cent in FY2021-22 compared to a contraction by 6.6 per cent in FY 2020-21. Trade took hold in the first half of FY 2021, after which it started progressing in the second half. The third quarter experienced a slowdown in growth, after which trade picked up again in the fourth quarter. The value of trade in goods increased to \$5.8 trillion and services rose to \$50 billion. The overall value of global trade reached the value of \$28.5 trillion in FY 2021, 25 per cent higher than FY 2020. India's exports of both goods and services have been good in 2021-22. Despite rising trade costs, merchandise exports have crossed the US\$30 billion mark in eight consecutive months in FY 2021-22. The reasons for rising trade costs are global supply constraints such as fewer operational shipping vessels, exogenous events such as blockage of the Suez Canal and the Covid-19 pandemic in China's port city, Shenzhen, etc. Manufacturing is expected to grow at 12.5 per cent FY2022 after contracting by 7.2 per cent in FY2021. The services sector has been the most impacted during the pandemic. It is projected to grow at a rate of 8.2 per cent after contracting by 8.4 per cent in FY 2020-21.

Outlook

The GDP of India is expected to grow to 8 % to 8.5 % in FY 2022-23, primarily due to the

Economy

widespread vaccine coverage, supply-side reforms, export growth, easing of regulations and increase in capital spending. The projection for inflation in FY 2022-23 is 4.5 % with Q1 inflation being 4.9 %, Q2 at 5 %, Q3 being 4 % and Q4 being 4.2 %. The Indian economy is well prepared for any challenges that it might face in FY 2022-23. The Government is focusing on supply-side reforms too rather than just on demand management. These reforms will include more simplified and efficient processes, deregulation of multiple sectors, product-linked incentive (PLI) schemes etc. Global Dairy Industry. According to a report from IMARC, the industry is expected to grow over 5.09 per cent between FY 2022 to FY 2027. Milk production in New Zealand increased by 9.8 % in March, 2021 compared to March, 2020 even after drier climate conditions in the country. Production was down by 0.8 % in February, 2021 compared to the same period last year. The major reason for decreasing production was reducing herds, labor challenges and farm exits. EU's milk production dropped by 3.8 % in February, 2021 and many EU countries like Germany, France and Netherlands faced this problem. The US experienced an increase in the production of milk by 1.8 %. Dairy Industry in India. India is the largest producer and consumer of dairy products in the world. It produces 22 % of the total global dairy production. The dairy industry is an essential part of the rural economy and is one of the major sources of employment and income for the rural population. According to a report by

IMARC, the dairy industry is expected to grow at a CAGR of 14.98 % between FY2022-2027. Majority of the dairy produced in India is consumed domestically, most of which is liquid milk. As per a report by CRISIL, revenue from the organized dairy sector will rebound by 12 % in FY 2022 compared to the growth of approximately 1 % in FY 2020-21. The growth would be largely due to the pick-up in demand of value added products (VAP), steady sales of liquid milk and rising retail rates in the year. Operating profitability is expected to reach its pre-pandemic levels as a result of high packaging and transport costs and high raw milk prices. Government Initiatives The Government of India has implemented the Rashtriya Gokul Mission from FY 2021-22 to improve productivity and enhance milk production. These schemes aim to improve remuneration for farmers. An allocation of ₹ 2400 crore has been made over the next five years. Many new technologies have been made available to the farmers under these schemes which focus on promoting private entrepreneurs to enhance affordability and increase access. With efficient implementation, it is expected that 8 crore farmers involved in the dairy industry will benefit directly as a result of the increased milk production, which is expected to increase from 198.4 million metric tonnes in FY 2019-20 to 300 million metric tonnes in FY 2024-25

Opportunities

Increasing Health Awareness - As an after effect of Covid people are opting more for nutrient-rich and immunity-boosting foods. **Rising Income levels** – With income levels

rising, the spending on dairy and value-added products has been on the rise. Affordable innovation would help people buy more of the products from the Company.

Rising young working population - An increasing young urban population is expected to grow from 31 per cent in FY 2011 to 36 per cent in FY 2036. The food sector is thus likely to see a growth in consumption. Demand for premium products - As income levels rise and lifestyles change, consumers are demanding products with innovation and benefits. This provides an opportunity for the food and dairy companies to innovate and launch products that will attract the consumers to the Company

Challenges

✓ Increased competition from local players and international companies

✓ Lack of awareness among the farmers and dairy farms not being in the best of the conditions

✓ Extensive cross-breeding for raising milk productivity may lead to disappearance of indigenous cattle

✓ Unusual climate change and adverse weather conditions

✓ Rapidly changing preferences amongst customers

The global economy witnessed an unprecedented crisis in 2020 as the outbreak of the novel corona virus (COVID-19) in China towards the end of 2019 spread rapidly across the globe. The rising human toll worldwide and the millions of people that remain unemployed have resulted in the extreme social and

economic strain that the global community still confronts. While ensuing lockdowns announced by all major economies played a critical role in saving lives, they resulted in severe damage to economic activities, thereby plunging the world economy into a recession.

As per the International Monetary Fund (IMF), the global economy contracted by 3.3% vis-à-vis 2.8% growth registered in 2019. While Advanced Economies (AEs) declined by 4.7%, with the USA and Europe contracting by 3.5% and 6.6% respectively, Emerging Markets and Developing Economies (EMDEs) clocked a relatively less contraction of 2.2%, the improvement largely reflects rebound in the Chinese economy in the second half of CY 2020 post successful containment of virus spread in the country. Following the devastating health and economic crisis, the global economy appears to be emerging from one of its deepest recessions and beginning a subdued recovery. Substantial fiscal and monetary stimulus packages enforced by the governments and central banks across the globe have been playing a pivotal role in the economic recovery. Successful vaccination programs will boost investor sentiment and will lead to kick start private capital inflows and fixed capital formation. Backed by improving macro-economic indicators, the IMF estimates the global economy to grow at 6.0% in 2021. However, limiting the spread of the new strain of the virus; providing relief to vulnerable populations; and overcoming vaccine-related

challenges are key policy priorities. (Source: IMF WEO April, 2021)

Threat: the company has been facing the copying, duplicating and adulteration of our products by a few mal practitioners. It has been rising continuously. Excessive grazing pressure on marginal and small community lands has resulted in almost complete degradation of land. Indiscriminate crossbreeding for raising milk productivity could lead to disappearance of valuable indigenous breeds. Organized dairy industry handles only 28% of the milk produced. Cost effective technologies, mechanization, and quality control measures are seldom exercised in unorganized sector and remain key issues to be addressed. There is a gross lack of awareness among farmers about the quality parameters, including microbiological and chemical contaminants as well as residual antibiotics.

(c) Segment-Wise Or Product-Wise Performance

The primary business segment of your company is ghee, cow ghee, milk, butter milk.

Ghee: Durga ghee still remains the most premium brand among the all brands of ghee and its brand name is strongly positioning itself more and more in the minds of people,

Kamadhenu cow ghee:

It is used mainly for pooja purposes and the demand for this product has been steadily rising. The company's management has been making efforts to position this product as a brand in this category of products.

Durga Milk:

The milk sales are steadily rising. Though the main product is ghee still the management is striving to increase milk sales.

Outlook

As said earlier According to the “Indian Dairy Industry Outlook 2022” report, with an annual output of 179 Million Tones, India is the largest producer of milk in the world. It is also one of the largest producers and consumers of dairy products. Indian dairy industry also offers good opportunities to both domestic and foreign investors for entry and expansion. Due to their rich nutritional qualities, dairy products’ consumption has been growing exponentially in the country; and considering various facts and figures, the study anticipates that milk production in India will further grow at a CAGR of around 3.5% by 2021-22.

(e) Risks And Concerns

Climate, water scarcity and geography Climate change and scarcity of water has been a major threat to the dairy industry as reported earlier. Milk production could go down by 3 million tons over the next three years as the average temperatures rise, creating problems of water scarcity and reduced availability of green and dry fodder for the cattle. Heat and humidity are the factors with largest impact.

Internal Control Systems And Their Adequacy The Company has a well-defined and documented internal audit & control system, which is adequately monitored. Checks

ANNEXURE: VI

Whistle Blower Policy

1. Spirit And Scope Of The Policy

(a) This policy aims to:

Provide avenues for Employees and Directors to raise concerns and receive feedback on

- Any action taken;
- Provide avenue for Employees and Directors to report breach of Company's policies
- Reassure Employees and Directors that they will be protected from reprisals or
- Victimization for Whistle Blowing in good faith.

(b) There are existing procedures in place to enable employees to lodge a grievance relating to their own employment. This Whistle Blowing Policy is intended to cover concerns that fall outside the scope of other procedures. That concern may be about an act or omission that:

- is unlawful or in breach of any law;
- is against the Company's Policies;
- Falls below established standards or practices; or
- Amounts to improper conduct, unethical behavior or suspected fraud

2. Safeguards

(a) Harassment or Victimization the Company recognizes that the decision to report a concern can be a difficult one to make, not least because of the fear of reprisal from those responsible for the malpractice or from superiors. The Company will not tolerate harassment or victimization and will take action to protect an individual when they raise a concern in good faith. In case, a Whistle Blower is already the subject of any disciplinary action those procedures will not be halted as a result of their Whistle Blowing.

(b) Confidentiality: The Company will do its best to protect an individual's identity when s/he raises a concern and does not want their name to be disclosed. It must be appreciated that a statement from the Whistle Blower may be required as part of the evidence in the investigation process.

(c) Anonymous Allegations: This Policy encourages individuals to put their names to allegations. However, individuals may raise concerns anonymously. Concerns expressed anonymously will be evaluated by the Company for investigation. In exercising this discretion, the factors to be taken into account would include:

- The seriousness of the issue raised;
- The credibility of the concern; and

- The likelihood of confirming the allegation from attributable sources.

(d) Untrue Allegations If the Whistle Blower makes an allegation in good faith, which is not confirmed by the investigation, no action will be taken against the Whistle Blower. If a complaint is malicious or vexatious, disciplinary action will be taken.

3. Raising A Concern

(a) Operational concerns shall be raised with Line Manager or Skip Line Manager. Whistle blowing mechanism should be used for potentially serious or sensitive issues.

(b) The first step should be to approach the relevant Business Head. In case the Business Head or Senior Management is the subject of complaint, the employees can directly reach out to HR Director or Legal Director. If the Business Head finds the Whistle Blower complaint to be substantiated, s/he will consult with the HR Director or Legal Director on referring it to the appropriate body formed by the Company for such purposes. Employees of the HR/ Legal Director's Services should raise their concerns with the Finance Director.

(c) Employees may send in written communications to Manager – Corporate Policies and Compliances, C/o Legal Department at HO.

(d) The background and history of the concern, giving names, dates and places where possible, should be set out and the reason why the individual is particularly concerned about the situation. Those who do not feel able to put their concern in writing can telephone or meet the appropriate officer (immediate superior or Legal Director).

(e) The complainant is not expected to prove the truth of allegation, but should be able to demonstrate that there are sufficient grounds for concern. Employees must raise concerns immediately. This will support investigation process and enable faster implementation of corrective actions, if any.

(f) Advice and guidance on how matters of concern may be pursued can be obtained from the Code Officer.

(g) In case of any serious concerns, the Whistle Blower may also directly approach the Chairperson of the Audit Committee.

4. How The Complaint Will Be Dealt With

- (a) The concerns raised may be dealt in following ways:
- form the subject of an independent inquiry;
 - be investigated internally;
 - be referred to the external Auditor; or

- be referred to the police; if required.

(b) Upon receipt of a concern, an initial enquiry will be made to decide whether an investigation is appropriate and, if so, what form it should take. Some concerns may also be resolved by an agreed action without the need for investigation. (c) After the concern has been evaluated, the Company will write to the complainant: acknowledging that the concern has been received;

- indicating how it is proposed to be dealt with;
- Informing whether further investigations will take place, and if not, why not.

(d) The amount of contact between the body considering the issues and the complainant will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, further information will be sought from the complainant.

INDEPENDENT AUDITORS' REPORT

To,
The Members of **Virat Crane Industries Limited**.
Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of **Virat Crane Industries Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (‘Act’) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with

the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw your attention to Note 35 to the financial statements, which describes that certain estimates and judgments were made related to the COVID-19 pandemic, wherein, the eventual outcome of the impact of this global health pandemic may be different from those estimated by the management.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the Director's Report and Management Discussion and Analysis Report including Annexures and Corporate Governance Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on

whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in

extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- i. The Company has disclosed pending litigations as contingent liabilities in Note 30 to the financial statements, the impact if any on the final settlement of the litigations is not ascertainable at this stage;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities

identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. No dividend was declared or paid during the year by the Company, hence, the provisions of section 123 of the Act are not applicable.

Annexure “A” to the Independent Auditor’s Report*

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of **Virat Crane Industries Limited** of even date.)

- 1 In respect of the Company’s Property, Plant and Equipment & Intangible Assets
 - (a) (A) According to the information and explanation given to us and the records produced to us for our verification, the Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Capital Work-in-Progress (‘CWIP’).
 - (B) According to the information and explanation given to us and the records produced to us for our verification the Company is maintaining proper records showing full particulars of the Intangible assets.
 - (b) The Company has a program of verification of property, plant and equipment to cover all the items in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records produced to us for verification, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
 - (d) According to the information and explanations given to us and the records produced to us for verification, the company has not revalued any of its Property, Plant and Equipment or Intangible Assets or both during the year. Accordingly, clause 3(i)(d) of the Order is not applicable.

- (e) According to the information and explanations given to us and the records produced to us for verification, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.

2 In respect of the Company's Inventories

- (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals. The discrepancies noticed on verification between the physical stocks and the book records were not 10% or more in aggregate and have been appropriately dealt with in the books of account.
- (b) According to the information and explanation given to us and the records produced to us for verification, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate from banks or financial institutions on the basis of security of current assets. Hence reporting under clause-3(ii)(b) of the Order is not applicable.

3 In respect of Investments made, guarantees provided, security given, loans and advances in

the nature of loans

- (a) (A) According to the information and explanation given to us and the records produced to us for our verification, the Company has not provided guarantees and not granted loans to subsidiaries, joint ventures and associates during the year.

(B) According to the information and explanation given to us and the records produced to us for our verification, the Company has provided guarantees and granted loans to parties other than subsidiaries, joint ventures and associates during the year and the same is disclosed in the table below-

Aggregate amount granted during the year-

(Rs. In Lakhs)

Particulars	Guarantees	Security	Loans
Virat Crane Agri Tech Limited	0	0	0.14

Balance Outstanding as at the BalanceSheet date in respect of above cases-

(Rs. In Lakhs)

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of **Virat Crane Industries Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **Virat Crane Industries Limited** (“the Company”) as at March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s responsibility for internal financial controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To,

The Members of **Virat Crane Industries Limited**

1. We, Anantha & Associates, Chartered Accountants, the Statutory Auditors of Virat Crane Industries Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company for the year ended on March 31, 2022, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time ("Listing Regulations") pursuant to the Listing Agreement of the Company with Stock Exchanges..

Managements' Responsibility

2. The compliance of conditions of Corporate Governance as stipulated under the listing regulations is the responsibility of the Company's Management including the preparation and maintenance of all the relevant records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

3. Our responsibility was limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended 31 March 2022.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the chartered Accountants of India ("ICAI"), the standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Controls for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

7. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied in all material respects with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of Listing Regulations during the year ended March 31, 2022.
8. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

9. The certificate is addressed and provided to the Members of the Company solely for the purpose of enabling the Company to comply with the requirement of the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

VIRAT CRANE INDUSTRIES LIMITED

Notes to the Financial Statements

1. Corporate information and significant accounting policies

a) Corporate Information

Virat Crane Industries Limited (“the Company”) was incorporated under the Companies Act, 1956 as a public limited company on June 18, 1992. The Company has its registered office at Guntur. The Company has its primary listing on the BSE Limited, India.

The Company is a pioneer in production of Dairy products. It is engaged in the business of procurement and processing of Milk and Milk Products like Ghee, Curd and Butter Milk etc. It caters to the needs of retail trade sector.

The financial statements are approved for issue by the Company’s Board of Directors on May 26, 2022.

b) Significant accounting policies

(i) Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 (“the Act”) read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other accounting principles generally accepted in India and guidelines issued by the Securities and Exchange Board of India (SEBI).

(ii) Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for net realizable value in Ind AS 2 or value in use in Ind AS 36 that has some similarities of fair value but are not fair value.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly ;and
- Level 3 inputs are unobservable inputs for the asset or liability.

(iii) Use of estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(iv) Revenue recognition

a) Product Sales:

Revenue from sale of goods in the course of ordinary activities is measured at the fair value of the consideration receivable, net of trade discounts and volume rebates also excludes taxes or amount collected from customers in its capacity as agent. Revenue is recognized when significant risks and rewards of their ownership are transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably.

b) Other Income:

Other items of income are accounted as and when the right to receive payment is established.

(v) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs consists of interest and transaction costs that an entity incurs in connection with the borrowing funds. Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest method.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

(vi) Taxation

Income tax expense represents the sum of current tax and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company

expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

(vii) Property, plant and equipment

Property, plant and equipment, including capital work-in-progress are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and borrowings costs attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use. Free hold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognized impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives.

Depreciation on plant and machinery and railway siding is charged under straight line method and on other assets depreciation is charged under Straight Line method, based on the use full if prescribed in Schedule II to the Companies Act, 2013.

Assets individually costing less than Rs. 20,000 are fully written off in the year of purchase at the discretion of management.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

(viii) Inventories

Inventories which comprise raw materials, finished goods and stock-in-trade are carried at the lower of cost and net realizable value. Cost of inventories comprises cost of purchases, cost of conversion, all non-refundable duties & taxes and other costs incurred in bringing the inventories to their present location and condition. In determining cost “First in First out” method is used.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and other costs necessary to make the sale.

Raw material and other supplies held for use in production of inventories are not written down below cost, except in cases where material price have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

(ix) Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand, in bank and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using indirect method whereby profit/ (loss) after tax is adjusted for the effects of transaction of non-cash nature and any deferrals or accruals of past or future cash receipts and payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(x) **Financial Instruments:**

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) **Initial recognition:**

Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial asset or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or liabilities at fair value through profit or loss are recognized immediately in profit or loss.

(B) **Subsequent measurement:**

I. **Financial Assets:**

a. **Financial assets carried at amortized cost:** A financial asset is subsequently measured at amortized cost if both the following conditions are met:

1. The asset is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and
2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category is the not relevant to the company. After initial measurement, such financial assets are subsequently measured at amortized cost using Effective Interest Rate (EIR) method.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are integral part of EIR. The Effective Interest Rate amortization is included in finance income in the statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

b. Financial assets at fair value through other comprehensive income : A financial asset is subsequently measured at fair value through other comprehensive income if both the following conditions are met:

1. The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
2. The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. If the company decides to classify an equity instrument as at fair value through Other Comprehensive Income, then all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income. There is no recycling of the amounts from other comprehensive income to Statement of Profit and Loss, even on sale of investment.

c. Financial assets at fair value through profit or loss:

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

Financial assets included in this category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

II. Financial liabilities: Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for

contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. The measurement of financial liabilities depends on their classification, as described below :

a. **At Amortized Cost :**

This is the category most relevant for the company. After initial recognition financial liabilities are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in the Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of Effective Interest Rate (EIR). The Effective Interest Rate (EIR) is included as finance costs in the Statement of Profit or Loss.

b. **At fair value through profit or loss:**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as such. Subsequently, any changes in fair value are recognized in the Statement of Profit and Loss

(C) **De-recognition of financial assets and liabilities:**

a. **Financial assets:**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset of another party. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received. On de-recognition of a financial asset in its

entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

b. Financial liabilities:

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in the statement of profit and loss. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability

(D) Impairment of financial assets:

The Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Company assesses on a forward looking basis the expected credit losses associated with its receivables based on historical trends and past experience.

The Company follows 'Simplified Approach' for recognition of impairment loss allowance on all trade receivables or contractual receivables. Under the simplified approach the Company does not track changes in credit risk, but it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

ECL is the difference between all contracted cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original EIR. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income / (expense) in the Statement of Profit and Loss.

(xi) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(xii) Provisions and Contingencies

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for. Provision in respect of loss contingencies relating to claims, litigations assessment, fines, penalties etc. are recognized when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent liabilities being a possible obligation as a result of past events, the existence of which will be confirmed only by the occurrence or non-occurrence of

one or more future events not wholly in control of the Company are not recognized in the accounts. The nature of such liabilities and an estimate of its financial effect are disclosed in notes to the financial statements.

Contingent assets are not recognized in the financial statements. the nature of such assets and an estimate of its financial effect are disclosed in notes to the financial statements.

(xiii) Operating cycle

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

(xiv) Segment Reporting

The Company is primarily engaged in the business of processing of milk and manufacturing of dairy products. Therefore, the Company is of the view that revenue from processing of milk and manufacturing of dairy products is a single component of the Company for assessing its performance. Hence, processing of milk and manufacturing of dairy products is the only reportable segment. The Company's operations are primarily in India, accordingly there is no reportable secondary geographical segment.

(xv) Leases

The Company has elected not to recognize right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognizes the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

(xvi) Expenditure

Expenses are net of taxes recoverable, where applicable.

Financial Risk Management Framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established a Risk Management Framework which is reviewed and monitored by the Risk Management Committee. The Committee reports regularly to the board of directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate limits and controls and to monitor risks and adherence to limits. The Company, through its training and established procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's activities expose it to Credit risk and Liquidity risk.

Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss.

Based on the overall credit worthiness of Receivables coupled with their past track record, Company expects No/Minimum risk with regard to its outstanding receivables. Also, there is a mechanism in place to periodically track the outstanding amount and assess the same with regard to its realisation. Company expects that all the debtors will be realised in full, and accordingly, no provision has been made in the books of account for doubt receivables.

Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents, working capital facility with banks and the cash flows that are generated from operations.

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring, forecasting and actual cash flow and by matching the maturity profiles of financial assets and liabilities.
