**RELIEF TO ERSTWHILE HOLKAR ROYALS**  
**SC sets aside order to probe sale of Khasgi Trust properties**

FE BUREAU  
 New Delhi, July 21

**IN A MAJOR relief** to the erstwhile Holkar royal family, the Supreme Court on Thursday set aside the Madhya Pradesh High Court's directions that ordered probe by an Economic Offence Wing (EOW) into the sale of properties of the Khasgi (Devi Ahilyabai Holkar Charities) Trust, Indore, by its trustees.

However, it directed the Registrar of Public Trust to hold a fresh enquiry into the sale of the properties by the trust to ascertain if any alienation made by trustees had resulted in any loss to the public trust. The trustees also include Maharani Usha Devi (daughter of late Maharaja Yashwantrao Holkar, who was the great-grandson of Devi Ahilyabai Holkar) and her spouse Satish Malhotra.

Putting to rest the issue of ownership of the 246 properties that have been embroiled in contentious litigation since 2012, the Bench comprising justices AM Khanwilkar, Abhay S Oka and CT Ravikumar held that the Khasgi Trust is a public trust governed by the provisions of the Madhya Pradesh Public Trusts Act, 1951 and asked the trustees to get it registered under the Act within a one month.

While the apex court held the properties described in Part 'B' of the Schedule to the Trust Deed as properties of the public trust, it, however, said that any sale of these properties can be done only after getting the prior permission from the registrar. It said that the HC's direction to EOW of the state government to hold an inquiry was "not warranted", but directed the registrar to call for the record of the trust relating to all the alienations made by the trustees. "If according to him any such loss was caused to the public trust, he shall decide and quantify the amount liable to be paid by the concerned trustees to the Khasgi Trust," the judgment said, adding that the registrar may initiate any such other proceedings which are warranted by law for any illegality. The Trust of the erstwhile royal family of Holkars manages a total of 246 properties spread over 12,000 acre of land in various states of Uttar Pradesh, Uttarakhand, Rajasthan, Maharashtra, Tamil Nadu etc. The properties include 138 temples, 18 dharmshalas and 34 ghats among others.

ting the prior permission from the registrar. It said that the HC's direction to EOW of the state government to hold an inquiry was "not warranted", but directed the registrar to call for the record of the trust relating to all the alienations made by the trustees. "If according to him any such loss was caused to the public trust, he shall decide and quantify the amount liable to be paid by the concerned trustees to the Khasgi Trust," the judgment said, adding that the registrar may initiate any such other proceedings which are warranted by law for any illegality. The Trust of the erstwhile royal family of Holkars manages a total of 246 properties spread over 12,000 acre of land in various states of Uttar Pradesh, Uttarakhand, Rajasthan, Maharashtra, Tamil Nadu etc. The properties include 138 temples, 18 dharmshalas and 34 ghats among others.

**ADB cuts GDP forecast for FY23 to 7.2%**

**ASIAN DEVELOPMENT BANK** on Thursday trimmed India's economic growth forecast for current fiscal year to 7.2% from 7.5% as pandemic and war impact is weighing down alongside inflationary pressures. India, however, will continue to surpass China which is expected to grow by 4% in 2022 as against the earlier estimate of 5%. In 2023 also, China is expected to grow by 4.8%. In April, the Manila-headquartered multilateral funding agency had forecast the Indian economy to grow by 7.5%. Meanwhile, industry body Ficci said the economy is estimated to grow 7% in the current fiscal, lower than the earlier projection of 7.4%, mainly due to geopolitical uncertainties.

**House panel blames import reliance for price rise in edible oil**

**BANIKINKAR PATTANAYAK**  
 New Delhi, July 21

**A PARLIAMENTARY PANEL** has flagged that "over-dependence on imports" has been a major factor in the exorbitant rise in edible oil prices, and called for achieving self-sufficiency in the availability of cooking oils through targeted interventions. In a report tabled in Parliament on Thursday, the Parliamentary committee on commerce stated that undue reliance on import and "over-emphasis on stockpiling of grains like wheat and rice has stymied the development of the edible oil sector". Vegetable oils and fats have witnessed double-digit whole-sale price inflation for months now—they remained the range of 11.4% to 17.39% since January. In June, they hit 12.36%. At the retail level, the prices have eased in recent weeks due to government intervention. However, they still remain elevated. The war in Ukraine, one of the edible oil suppliers, just exacerbated the situation.

The report on the Implementation of Districts as Export Hubs, including the One District One Product initiatives, the panel also suggested that the government make "earnest efforts to enhance oilseed output" by increasing cultivation of oil palm, soybeans, sunflower and mustard crops.
