Chairman's Message

Dear Shareholders,

On behalf of the Board of Directors, I am pleased to present to you Maruti Interior Product's first annual report post its initial public offer for the financial year ended March 31, 2022.

The year 2022 was a landmark year for Maruti Interior Product's as the Company made its initial public offer of equity shares during the quarter and year ended 31st March, 2022. The Equity Shares of the Company are now listed on BSE Limited with effect from February 16, 2022. The Company's IPO received an overwhelming response, reflecting a huge investor appetite for the issue. I am gratified and humbled by the faith shown in the Company by the market participants. I welcome all the new shareholders and hope to enjoy their patronage in the coming years as well.

I am delighted to share with you the events and developments of your Company during the course of the financial year 2021-22. The year gone by is representative of the value Maruti Interior Product's continues to create for all its stakeholders.

I would like to extend my deepest appreciation to our management team, employees, bankers, and business associates for their contributions to the Company. I would also like to thank my fellow directors for their guidance amidst these trying times. I am grateful for the continued faith & trust of our various business partners and shareholders, thereby invigorating our long-standing relationships and allowing us to continuously foster our common vision to further make Maruti Interior Product's a truly global company.

OUR JOURNEY

2000: 'Maruti Interior Products Limited' began its journey with the manufacturing of Modular Kitchen Accessories & Storage Solutions.

2000-2002: The first 2 years, we were in the business of manufacturing M.S. Wire based products. However, as time passed and with growing market demand, we expanded our business from M.S. Wire based products to Stainless Steel products.

Maruti Interior Products Limited' being the first to enter this segment is considered a pioneer in Kitchen and Wardrobe accessories today. Expansion is our core ideology and taking it forward, we have ventured into the manufacturing of Customised Wire Racks, Oven Wire Grills, Custom Wire Formed products & components, Laser Cutting Components, etc. This is just one of our first step in the manufacturing kitchen products. Many more to come in the coming years.

Just now we manufacture over 400+ products in 2 brands recognised as 'Everyday Kitchen Storage Accessories' & 'Spitze by Everyday'. Maruti Interior Products Limited also manufacture products for many Multi-National Companies.

VALUES

We believe in building trust and lifetime relation with customers, give qualitative solution, and Eco-friendly working environment for our employees, to contribute in our nation Growth.

We do not believe in shipping junk to our customers. Any product that leaves our company premises must adhere to the stringent quality standards put in place.

Maruti Interior Products Limited makes products keeping in mind every size of households, be it the smaller sized apartments where maximum storage is the prime objective or the lavish ones where the requirements are completely different, we have a solution for all.

Company's Aspects

MISSION

To Provide One-Stop Solution for Kitchen & Wardrobe Needs.

Our objective is to make our customer's life simple and easy. Today, modern households come in every shape and size. There cannot be one generic product which can cater to all.

Living spaces are shrinking as days pass by. People want to make use of every inch available to them. All our products are designed keeping this in mind.

All our products have been designed which gives our customers world class storage solutions at a reasonable price.

VISION

To Enhance Lifestyle by Providing Quality Storage Solutions through Passion & Innovation

The vision of our company was crystal clear since its inception. The objective is to cater to every socio-economic strata of the society be it the lower middle class / middle class or the upper class. Making durable and cost effective products that are of world class standards will always remain on the cards.

Currently we are present in almost all states of India with 300+ dealers and 25+ distributors and have customers in Asian, Europe and North American Countries. The aim is to add 1000 dealers Pan-India in the next 5 years and add more customers from developed countries. We also plan to enter the bedroom and living room segments in the future thus making us a company which offers a 360 degree product solution for the entire home needs.

BOARD EVALUATION

The Board evaluated the effectiveness of its functioning, that of the Committees and of individual Directors, pursuant to the provisions of the Act and SEBI Listing Regulations.

The Board sought the feedback of Directors on various parameters including:

- Degree of fulfillment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board/Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of NRC had one-on-one meetings with each Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/ Committee processes.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

The Nomination and Remuneration Committee reviewed the performance of the individual directors and the Board as a whole.

In the Board meeting that followed the meeting of the independent directors and the meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was discussed.

The evaluation process endorsed the Board Members' confidence in the ethical standards of the Company, the resilience of the Board and the Management in navigating the Company during challenging times, cohesiveness amongst the Board Members, constructive relationship between the Board and the Management, and the openness of the Management in sharing strategic information to enable Board Members to discharge their responsibilities and fiduciary duties.

The Board carried out an annual performance evaluation of its own performance and that of its committees and individual directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee.

The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. The exercise of performance evaluation was carried out through a structured evaluation process covering various aspects of the Board functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, contribution at the meetings and otherwise, independent judgment, governance issues etc.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Board has carried out the annual performance evaluation of the Directors individually as well as evaluation of the working of the Board by way of individual feedback from directors.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2022.

GLOBAL ECONOMIC OVERVIEW

Global growth is expected to slump from 5.7 percent in 2021 to 2.9 percent in 2022 – significantly lower than 4.1 percent that was anticipated in January. It is expected to hover around that pace over 2023-24, as the war in Ukraine disrupts activity, investment, and trade in the near term, pent-up demand fades, and fiscal and monetary policy accommodation is withdrawn. As a result of the damage from the pandemic and the war, the level of per capita income in developing economies this year will be nearly 5 percent below its pre-pandemic trend.

The war in Ukraine, lockdowns in China, supply-chain disruptions, and the risk of stagflation are hammering growth. For many countries, recession will be hard to avoid, said World Bank President David Malpass. Markets look forward, so it is urgent to encourage production and avoid trade restrictions. Changes in fiscal, monetary, climate and debt policy are needed to counter capital misallocation and inequality.

The June Global Economic Prospects report offers the first systematic assessment of how current global economic conditions compare with the stagflation of the 1970s – with a particular emphasis on how stagflation could affect emerging market and developing economies. Developing economies will have to balance the need to ensure fiscal sustainability with the need to mitigate the effects of today's overlapping crises on their poorest citizens, said Ayhan Kose, Director of the World Bank's Prospects Group.

Global inflation is expected to moderate next year but it will likely remain above inflation targets in many economies. The report also offers fresh insights on how the war's effects on energy markets are clouding the global growth outlook. The war in Ukraine has led to a surge in prices across a wide range of energy-related commodities. Higher energy prices will lower real incomes, raise production costs, tighten financial conditions, and constrain macroeconomic policy especially in energy-importing countries.

INDIAN ECONOMY

The last two years have been difficult for the world economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and, more recently, inflation

have created particularly challenging times for policy-making. Faced with these challenges, the Government of India’s immediate response was a bouquet of safety-nets to cushion the impact on vulnerable sections of society and the business sector. It next pushed through a significant increase in capital expenditure on infrastructure to build back medium-term demand as well as aggressively implemented supply-side measures to prepare the economy for a sustained long-term expansion.

The Indian economy grew 8.7 per cent in 2021-22, with the gross domestic product (GDP) expanding 4.1 per cent in the March quarter from a year ago. The GDP growth for 2021-22 takes the economy above its pre-pandemic level and is an improvement after contracting 6.6 per cent in 2020-21. The GDP for 2021-22 though is lesser than the 8.9 per cent growth estimated by the Ministry of Statistics and Programme Implementation (MoSPI), which releases the GDP data.

Headwinds to growth are faced by all countries mainly because of global situation (the Ukraine war, supply chain disruptions and consequently rising commodity prices), there are multiple challenges. One is the tightening that is happening in the central banks in the developed world and other is the possibility of commodity prices going up.

INDUSTRY OVERVIEW

The Indian Kitchen Hoods Market value in the year 2021, was USD193.75 million, which is anticipated to grow with a CAGR of 10.57% during the forecast period, 2023-2027, to achieve a market value of USD347.98 million by 2027F. The market growth can be attributed to growing construction and remodeling demand by the consumers toward modular kitchens. Growing demands for chimneys and clear environment in the kitchen further drive the growth of the Indian Kitchen Hoods Market in the upcoming five years.

Rising demand from Middle class, Decreasing Household size, customer preference for modern living space

OPPORTUNITIES & THREATS

Opportunities

We believe that our growth in other states in the country can fetch us new business expansion and opportunities. Presently, our presence is in the states of India except Orissa, Chhattisgarh, Bihar, Jharkhand and J&K. Going forward we intend to establish our presence in more locations in the country. Our emphasis is on scaling up of our operations in other markets which will provide us with attractive opportunities to grow our client base and revenue.

Threats

- Rise in cost of material and cost of transportation may affect the margin
- Changes in Government Policies
- Intense competition may reduce profitability
- Act of God
- Client Dissatisfaction
- Customer's inability to pay

SEGMENT-WISE PERFORMANCE

The Company's main business activity is manufacturing of Modular Kitchen & Wardrobe Storage Accessories.

OUTLOOK

The Company continues to explore the possibilities of expansion and will make the necessary investments when attractive opportunities arise.

RISK & CONCERNS

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Key business risks and mitigation strategy are highlighted below.

Business Risk

To mitigate the risk of high dependence on any one business for revenues, the Company has adopted a strategy of launching new products/services, globalising its operations and diversifying into different business segments. The strategy has yielded good results and the Company therefore has a diversified stream of revenues. To address the risk of dependence on a few large clients, the Company has also actively sought to diversify its client base.

Legal & Statutory Risk

The Company has no material litigation in relation to contractual obligations pending against it in any court in India or abroad. The Company Secretary, compliance and legal functions advise the Company on issues relating to compliance with law and to pre-empt violations of the same. The Company Secretary submits a quarterly report to the Board on the Company's initiatives to comply with the laws of various jurisdictions. The Company also seeks independent legal advice wherever necessary.

Human Resource Attrition Risk

Maruti Interior Products Limited (Formerly Known as Maruti Interior Products Private Limited) key assets are its employees. In a highly competitive market, it is a challenge to address the attrition. Maruti Interior Products Limited (Formerly Known as Maruti Interior Products Private Limited) continues to accord top priority to manage employee attrition by talent retention efforts and offering a competitive salary and growth path for talented individuals.

Macroeconomic Risks

Company's business may be affected by changes in Government policy, taxation, intensifying competition and uncertainty around economic developments in Indian and overseas market in which the Company operates.

Mitigation Strategy

The Company has well defined conservative internal norms for its Business. The Company ensures a favourable debt/equity ratio, moderate liquidity, strong clientele with timely payment track record, appropriate due diligence before bidding and focus on expanding presence in newer markets to minimize the impact in adverse conditions. The Company has geographically and operationally diversified into multiple countries and business segments thereby reducing its dependency on one country or market.

Operational Risks

The Company's operations and financial condition could be adversely affected if it is unable to successfully implement its growth strategies. Competition from others, or changes in the products or processes of the Company's customers, should reduce market prices and demanding for the Company's products, thereby reducing its cash flow and profitability. Product liabilities claims may adversely affect the Company's operations and finance.

Mitigation Strategy

The Company does strict monitoring of prices and adopts appropriate strategies to tackle such adverse situations. The Company also adopts technological innovations to bring about operational efficiency in continuous basis to remain competitive.

Others

The Company is exposed to risks & fluctuations of foreign exchange rates, raw-material prices and overseas investments exposures.

AUDIT AND INTERNAL CONTROL SYSTEM

One of the key requirements of the Companies Act, 2013 is that companies should have adequate Internal Financial Controls (IFC) and that such controls should operate effectively. Internal

Financial Controls means the policies and procedures adopted by the Company for ensuring orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information. Your Company process of assessment ensures that not only does adequate controls exist, but it can also be evidenced by unambiguous documentation. The process involves scoping and planning to identify and map significant accounts and processes based on materiality. Thereafter, risk is identified and their associated controls are mapped, else remediation is implemented. These controls are tested to assess operating effectiveness. The auditor performs independent testing of controls. The Auditors' Report is required to comment on whether the Company has adequate IFC system in place and such controls are operating effectively. Your Company's Internal Control System is robust and well established. It includes documented rules and guidelines for conducting business. The environment and controls are periodically monitored through procedures/ processes set by the management, covering critical and important areas. These controls are periodically reviewed and updated to reflect the changes in the business and environment.

RAW MATERIAL PRICES

The prices of basic major raw materials used in our manufacturing process viz. stainless steel scrap /flats of various grades doesn't affect much, as we are working in open market scenario.

FINANCIAL PERFORMANCE

During the year under review, the Company has generated total revenue of Rs. 2797.08 lac (Previous Year Rs. 1519.37 lac). The net profit before exceptional items and taxes is Rs. 411.59 lakh (Previous Year Rs. 214.97 lac). The net profit after taxes resulted into the profit for the year at Rs. 298.51 lac (Previous Year Rs. 158.60 lac).

MATERIAL DEVELOPMENTS IN HR / INDUSTRIAL RELATION / NUMBER OF PERSON EMPLOYED

Our Company believes that the human capital is key to bring in progress. The Company believes in maintaining cordial relation with its employees, which is one of the key pillars of the Company's business. The Company's HR policies and practices are built on core values of Integrity, Passion, Speed, and Commitment. The Company's focus is on recruitment of good talent and retention of the talent pool. The Company is hopeful and confident of achieving the same to be able to deliver results and value for our shareholders. Independent Auditor's Report

To the Members of
Maruti Interior Products Limited
(Previously known as Maruti Interior Products Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

I have audited the accompanying standalone financial statements of **M/s. Maruti Interior Products Limited** (Previously known as Maruti Interior Products Private Limited) ("**the Company**") which comprises the Balance Sheet as at **March 31, 2022**, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements")

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **March 31, 2022**, and profit, and its cash flows for the year ended on that date.

Basis for opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the standalone financial statements of the current period. These matters were addressed in the context of my audit of the standalone financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters

Emphasis of Matter

I draw attention to Note 50 to the accompanying standalone financial statement, which describes the effects of uncertainties relating to the outbreak of COVID-19 pandemic and management's evaluation of its impact on the business operations of the Company and accompanying financial results as at reporting date, the extent of which is significantly dependent on future developments.

My opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and my auditor's report thereon.

My opinion on the standalone financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the standalone financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information; I am required to report that fact. I have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

My objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance, where applicable, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance, where applicable, with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, I give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, I report that:
 - a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
 - b. In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In my opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to my separate Report in "Annexure B".

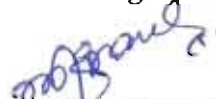

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In my opinion and to the best of my information and according to the explanations given to me, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
- The Company has disclosed details regarding pending litigation in note 40 of financial statements, which would impact its financial position.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
 - The Company has paid final dividend for financial year 2020-21 during the year is in accordance with section 123 of the Companies Act, 2013.

- (ii) (a) As explained to me, the inventories excluding stocks with other third parties, if any, were physically verified during the reporting period by the Management at reasonable intervals and no material discrepancies were noticed on physical verification. In respect of inventory lying with other third parties, if any, confirmations were obtained by the Management for substantial portions of stocks held by them at the year-end.
- (b) In my opinion and according to the information and explanations given to me, the Company has not been sanctioned working capital limits in excess of five crores rupees, in aggregate, from banks or financial institutions and hence, reporting under clause (ii)(b) of the CARO, 2020 is not applicable.
- (iii) (a) The Company has not provided loan/guarantee/security to other parties, but company has made investment in the wholly owned subsidiary company amount of Rs. 1 Lacs and balance as on balance sheet is Rs. 1 Lac.
- (b) In my opinion and as per the explanations provided to me, the investment made by the Company is not prejudicial to the Company's interest.

In my opinion, the Company has not provided/granted any loan/guarantee/security to any party and hence, reporting under clause (iii)(c), (iii)(d), (iii)(e), and (iii)(f) of the CARO, 2020 is not applicable.

- (iv) In my opinion and according to the information and explanations given to me, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to me, the Company has not accepted any deposits during the current reporting period in terms of provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules made thereunder.
- (vi) In my opinion, the provisions for maintenance of cost records under section 148(1) of the Companies Act, 2013 are not applicable to the Company.
- (vii) In my opinion and according to the information and explanations given to me, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues applicable to it to the appropriate authorities. There were no undisputed amounts payable in arrears as at the balance sheet date for a period of more than six months from the date they became payable.
- (b) Details of statutory dues which have not been deposited as at the balance sheet date on account of disputes are given below:

Name of statute	Nature of dues	Forum where dispute pending	Period to which the amount relates	Gross amount due (in Rs. lacs)	Amount unpaid (in Rs. lacs)
Income Tax Department	Income Tax	CIT APPEAL	FY 2014-15	7.26	5.76

- (viii) According to the information and explanations given to me, the Company does not have any transactions, which were not recorded in the books of accounts and which have been surrendered or disclosed as income during the current reporting period in the tax assessments under the Income-tax Act, 1961.
- (ix) (a) In my opinion and according to the information and explanations given to me, the Company has not defaulted in the repayment of loans or borrowings to financial institutions or banks. The Company has not taken any loans or borrowings from the government.
- (b) In my opinion and according to the information and explanations given to me, the Company has not been declared as a willful defaulter by any bank or financial institution or other lender during the reporting period.
- (c) The Company has obtained term loans during the current reporting period which, in my opinion and according to the information and explanations given to me, have been utilized for their stated purpose(s).
- (d) In my opinion and according to the information and explanations given to me, the short-term funds of the Company have not been utilized for long-term purposes.

Annexure B

Referred to in point f of paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditors' Report of even date to the members of the **Maruti Interior Products Limited** on the standalone financial statements for the year ended **March 31, 2022**.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with my audit of the standalone financial statements of the Company as of and for the year ended March 31, 2022, I have audited the internal financial controls over the financial reporting of **Maruti Interior Products Limited** (previously known as Maruti Interior Products Private Limited) ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that I comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the

company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect of standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Note 2. Summary of Significant Accounting Policies:

a) Basis of Preparation:

The Financial statements have been on historical cost basis and on the accounting principles of going concern in accordance with generally accepted accounting principles comprising of the mandatory Accounting Standards referred to in Section 133 of The Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and Guidance Notes issued by Institute of Chartered Accountants of India.

All the assets and liabilities have been classified as current and Non-current as per the company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and time between acquisition of assets for processing and realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

b) Use of Estimates

The preparation of financial statements in conformity with generally accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

c) Property Plant & Equipment – Tangible Assets, Depreciation and Impairment of assets:

Tangible Assets:

- i) Tangible Assets are capitalized at acquisition costs. 'Acquisition cost' includes directly attributable costs such as freight, insurance and specific installation charges for bringing the assets to its working condition for use.
- ii) Expenditure relating to existing assets is added to the cost of the assets where it improves the performance / extends life of the assets as assessed earlier.
- iii) The profit or loss arising from the disposal of assets is recognized in the Profit & Loss Account.

MARUTI INTERIOR PRODUCTS LIMITED

(Previously known as Maruti Interior Products Private Limited)

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

- iv) Assets in the course of work-in-progress for production or administrative purpose are carried at cost. Cost includes land and building improvement costs, related acquisition expenses and construction costs incurred during the period of construction. Depreciation of these assets charged as and when assets are ready for their intended use.

Depreciation:

Depreciable amount for tangible assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided on the tangible fixed assets as per Straight Line method considering useful lives as per Schedule II of Companies Act, 2013. Depreciation on assets addition during the year is charged on prorata basis.

The Company has changed the method of depreciation from written down value method to straight line method prospectively during the period under review. Accordingly no adjustment is required to be made in books due to change in method of depreciation prospectively. As rate of straight line method recalculated on WDV balance of respective assets as of 31/03/2021. There is no change in useful life and residual value of assets due to change in method of depreciation.

Name of Assets	Useful life	Name of Assets	Useful life
Building	30 years	Furniture & Fixtures	10 years
Plant & Machinery	15 years	Office Equipment	5 years
Dies & Tools	3 to 15 years	Computer & Mobile	3 to 5 years
Electrification	10 years	Vehicles	8 to 10 years

Impairment of Assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

d) Revenue Recognition:

All known income and expenditure quantifiable till the date of finalization of accounts are accounted on accrual basis when virtual certainty is established.

Sales revenue is recognized when property in the goods with all risk rewards and effective control of goods usually associated with ownership are transferred to buyer and no effective ownership is retained and when there is a reasonable certainty of its ultimate collection.

Interest income is recognized on time proportion basis depending upon the amount outstanding and the rate applicable. However interest income on refund of any tax, duty or cess is recognized in the year in which it is received.

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

Miscellaneous Income is recognized at the time of relevant event occurring when there is no significant uncertainty in collection of the amount of consideration.

The presentation of financial statements require estimates and assumptions to be made that effect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

MARUTI INTERIOR PRODUCTS LIMITED

(Previously known as Maruti Interior Products Private Limited)

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

Defined Benefit Plans:

Gratuity is a company's defined benefit plan: The Company has defined benefit plans for its employees, viz., gratuity. The cost of providing benefits under this plans are determined on the basis of actuarial valuation at each year end. Actuarial valuation is carried out for the plan using the projected unit credit method. Actuarial gains and losses for defined benefit plans are recognised in full in the period in which they occurs in the statement of profit and loss.

k) Borrowing Costs:

Interest and other borrowing costs are recognised in the statement of profit and loss except borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets until the asset is first put to use, when substantially all the activities necessary to prepare such Inventory for its intended sale are complete.

l) Provision for Current and Deferred tax:

The tax expenses comprise of current tax and deferred tax charged or credited to the profit and loss account for the year. Provision for Current tax is made accordance with the tax laws applicable to the current financial year after taking into consideration benefit admissible under the provisions of the Income Tax Act, 1961.

Deferred Tax resulting from "timing difference" between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax assets is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in the future.

m) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

- i) Current Assets, Loans and Advances are realizable in the ordinary course of Business, as the value at which they are stated.
- ii) The provision for all known liabilities are adequate and not in excess of the amount reasonably necessary.

Note 29 We have verified the vouchers and documentary evidence wherever made available. Where no documentary evidences were available, we relied on the authentication given by the management.

Note 30 During the year Company has paid final dividend for FY 2020-21 @ 10% (i.e. Rs. 1/- per share of FV Rs. 10/- each). Total dividend amount has been paid Rs.1.50 lacs (i.e. 1,50,000 equity shares X Rs. 1/- dividend per share) (subjected to TDS) to shareholders whose name appeared on the Register of Members as on 30th September 2021.

Note 31 During the year Company has allotted 54,00,000 (Fifty Four lakh) Equity Shares of the Company of Rs. 10/- each as fully paid up Bonus Shares in the ratio of 36 : 1 i.e. 36 (Thirty Six) new Equity Shares of Rs. 10/- each for every 1 (One) existing Equity Share of Rs. 10/- each held, to the shareholders (promoters) of the Company whose names appear in the Register of Members of the Company on the date of allotment i.e. 30th September 2021.

Note 32 In February 2022, the company has issued 20,00,000 equity shares of Rs.10 each at a premium of Rs.45 each and raised funds of Rs. 1100/- Lacs by way of initial public offer ("IPO") and got listed on BSE SME Exchange Platform on 16th February, 2022.

Note 33 The Company has raised funds of Rs.1100/- Lacs by way of initial public offer in the month of February 2022. There were funds remaining unutilized, the details of which is as follows:

Nature of security	Purpose for which funds were raised	Total amount raised (in Rs. lacs)	Amount utilized for stated purpose (in Rs. lacs)	Unutilised amounts as at balance sheet date (in Rs. lacs)	Remarks, if any
Equity	Issue related Exp.	Rs. 60 Lacs	Rs. 60 Lacs	-	-
	To set up fully automatic Nickel/Chrome Plating Plant and Powder Coating Plant including shed	Rs. 665 Lacs	Rs. 263 Lacs	Rs. 400 Lacs FD with AU Small Finance Bank Ltd Rs. 2 Lacs held in Public Issue Account with ICICI Bank Ltd	the amount will be utilized in the next FY 2022-23
	Working Capital Requirement	Rs. 285 Lacs	Rs. 285 Lacs	-	-
	General Corporate Purpose	Rs. 90 Lacs	Rs. 90 Lacs	-	-
	TOTAL	Rs. 1100 Lacs	Rs. 698 Lacs	Rs.402 Lacs	-

Note 34 Expense related to issue of IPO and Preliminary expenses has been fully write off against security premium received through IPO proceeds.

Note 35 The Company has changed the method of depreciation from written down value to Straight Line Method during the period under review. The net book value of assets acquired prior to 31/03/2021 with useful lives remaining will be depreciation using the straight line method prospectively i.e. Rate of SLM recalculated on WDV Balance of respective assets as of 31/03/2021. There is no change in useful life and residual value of assets due to change in method of depreciation.

The Management of the Company determined that the change in depreciation method from Written Down Value method to a Straight Line method is a change in accounting estimate affected by a change in accounting principle. A change in accounting estimate affected by a change in accounting principle is to be applied prospectively. The change is considered preferable because the straight-line method will more accurately reflect the pattern of usage and the expected benefits of such assets and provide greater consistency with the depreciation methods used by other companies in the same industry.

Note 37. Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company's Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank references.

In monitoring customer credit risk, customers are reviewed according to their credit characteristics, including whether they are an individual or a legal entity, their geographic location, industry and existence of previous financial difficulties

The gross carrying amount of trade receivables is Rs. 418.81 Lakhs (31 March 2021 – Rs. 239.36 Lakhs).

Independent Auditor's Report

To the Members of
MARUTI INTERIOR PRODUCTS LIMITED
(Previously Known as Maruti Interior Products Private Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

I have audited the accompanying consolidated financial statements of **MARUTI INTERIOR PRODUCTS LIMITED** (Previously known as Maruti Interior Products Private Limited) (*"the Holding Company"*) and **NOGGAH LIFESTYLE PRODUCTS PRIVATE LIMITED** (*the "Subsidiary"*) (Collectively referred as the *"Group"* or the *"Group Companies"*) which comprises the Consolidated Balance Sheet as at **March 31, 2022**, the Consolidated Statement of Profit and Loss, and Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at **March 31, 2022**, and consolidated profit, and its consolidated cash flows for the year ended on that date.

Basis for opinion

I conducted my audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. My responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of my report. I am independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the consolidated financial statements of the current period. These matters were addressed in the context of my audit of the consolidated financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Emphasis of Matter

I draw attention to Note 50 of the consolidated financial statement, which describes the effects of uncertainties relating to the outbreak of COVID-19 pandemic and management's evaluation of its impact on the business operations of the Group and accompanying financial results as at reporting date, the extent of which is significantly dependent on future developments.

My opinion is not modified in respect of this matter.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information included in the Annual Report, but does not include the consolidated financial statements and my auditor's report thereon.

My opinion on the consolidated financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the consolidated financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information; I am required to report that fact. I have nothing to report in this regard.

Responsibility of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the company's financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

My objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, I am also responsible for expressing my opinion on whether the company and its subsidiary company which is incorporated in India has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance of the Holding Company and its subsidiary company included in the consolidated financial statements of which I am the independent auditors, where applicable, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance, where applicable, with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, I give a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable as under;
(xxi) There is no any qualification or adverse remark by the auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial Statement.

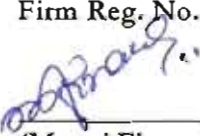

2. As required by Section 143(3) of the Act, I report, to the extent applicable, that:
- I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit of the aforesaid consolidated financial statements.
 - In my opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from my examination of those books.
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In my opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - On the basis of the written representations received from the directors of respective companies as on March 31, 2022 taken on record by the Board of Directors of respective companies, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls with reference to financial statements of the Group and the operating effectiveness of such controls, refer to my separate Report in "Annexure A".
 - With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In my opinion and to the best of my information and according to the explanations given to me, the remuneration paid by the Holding Company and its Subsidiary Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
 - The consolidated financial statement disclosed details regarding pending litigation in note 40 of consolidated financial statement, which would impact its financial position.
 - The Group Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group Companies.

Annexure A

Referred to in point f of paragraph 2 under '**Report on Other Legal and Regulatory Requirements**' section of the Independent Auditors' Report of even date to the members of the **Maruti Interior Products Limited** on the consolidated financial statements for the year ended **March 31, 2022**.

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with my audit of the consolidated financial statements of the Group Companies as of and for the year ended March 31, 2022, I have audited the internal financial controls with reference to financial statements of **Maruti Interior Products Limited** (previously known as Maruti Interior Products Private Limited) (the "Holding Company") and **Noggah Lifestyle Products Private Limited** (the "Subsidiary") (collectively referred to as the "Group" or the "Group Companies") as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group Companies, are responsible for establishing and maintaining internal financial controls based on internal control with reference to financial statements criteria established by the Group Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

My responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Group Companies based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that I comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. My audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the internal financial controls with reference to financial statements of the Group.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A group's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group's internal financial control with reference to consolidated financial statements includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group's assets that could have a material effect of consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion In my opinion, the Group has, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Based on the nature of products and time between acquisition of assets for processing and realization in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

b) Principles of Consolidation:

The financial statements comprise the financial statements of **Maruti Interior Products Limited (the “Holding Company”)** and its subsidiary **Nogaah Lifestyle Products Private Limited** (the “**Subsidiary**”) (Collectively referred as the “**Group**” or “**Group Companies**”) as at March 31, 2022. The financial statements of the subsidiary used in the consolidation are drawn up to the same reporting date as of the Holding Company i.e. year ended on March, 31. The consolidated financial statements have been prepared on the following basis:

MARUTI INTERIOR PRODUCTS LIMITED

(Previously known as Maruti Interior Products Private Limited)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

- (1) The financial statements of the Holding Company and its subsidiary have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Intercompany balances and transactions and unrealized profits or losses have been fully eliminated if any.
- (2) Profits or losses resulting from intra-group transactions (if any) that are recognised in assets such as inventory and property, plant & equipment, are eliminated in full.
- (3) Offset (eliminate) the carrying amount of the parent's investment in subsidiary and the parents portion of equity of each subsidiary.
- (4) Non-controlling interest's share of profit/loss of consolidated subsidiaries (if any) for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- (5) Non-controlling interest's share of net assets of consolidated subsidiaries (if any) for the year is identified and presented in the consolidated balance sheet separate from liability and equity of the Company's shareholders.

c) **Use of Estimates:**

The preparation of financial statements in conformity with generally accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

d) **Property Plant & Equipment – Tangible Assets, Depreciation and Impairment of assets:**

Tangible Assets:

- i) Tangible Assets are capitalized at acquisition costs. 'Acquisition cost' includes directly attributable costs such as freight, insurance and specific installation charges for bringing the assets to its working condition for use.
- ii) Expenditure relating to existing assets is added to the cost of the assets where it improves the performance / extends life of the assets as assessed earlier.
- iii) The profit or loss arising from the disposal of assets is recognized in the Profit & Loss Account.
- iv) Assets in the course of work-in-progress for production or administrative purpose are carried at cost. Cost includes land and building improvement costs, related acquisition expenses and construction costs incurred during the period of construction. Depreciation of these assets charged as and when assets are ready for their intended use.

Depreciation:

Depreciable amount for tangible assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation has been provided on the tangible fixed assets as per Straight Line method considering useful lives as per Schedule II of Companies Act, 2013. Depreciation on assets addition during the year is charged on prorata basis.

The Holding Company has changed the method of depreciation from written down value method to straight line method prospectively during the period under review. Accordingly no adjustment is required to be made in books due to change in method of depreciation prospectively. As rate of straight line method recalculated on WDV balance of respective assets as of 31/03/2021. There is no change in useful life and residual value of assets due to change in method of depreciation.

Name of Assets	Useful life	Name of Assets	Useful life
Building	30 years	Furniture & Fixtures	10 years
Plant & Machinery	15 years	Office Equipment	5 years
Dies & Tools	3 to 15 years	Computer & Mobile	3 to 5 years
Electrification	10 years	Vehicles	8 to 10 years

MARUTI INTERIOR PRODUCTS LIMITED

(Previously known as Maruti Interior Products Private Limited)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

Impairment of Assets:

The Group Companies assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Group Companies estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

e) Revenue Recognition:

All known income and expenditure quantifiable till the date of finalization of accounts are accounted on accrual basis when virtual certainty is established.

Sales revenue is recognized when property in the goods with all risk rewards and effective control of goods usually associated with ownership are transferred to buyer and no effective ownership is retained and when there is a reasonable certainty of its ultimate collection.

Interest income is recognized on time proportion basis depending upon the amount outstanding and the rate applicable. However interest income on refund of any tax, duty or cess is recognized in the year in which it is received.

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

Miscellaneous Income is recognized at the time of relevant event occurring when there is no significant uncertainty in collection of the amount of consideration.

The presentation of financial statements require estimates and assumptions to be made that effect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known / materialized.

f) Expenditure Recognition:

Expenditure relating to purchase of goods are accounted on accrual basis.

Purchase is exclusive of GST wherever applicable.

Expenditure is accounted on accrual basis considering the materiality of the transaction.

Group has not made any provision for impairment of asset.

g) Foreign Currency Transaction:

- i. Transactions in foreign currency are recorded at exchange rates prevailing on the date of transactions.
- ii. Monetary items denominated in foreign currency outstanding at the year end, are translated at the exchange rates prevailing as at the year end.
- iii. Non-monetary items denominated in foreign currency are valued at the rates prevailing on the date of the transaction.
- iv. Any gains or losses arising due to differences in exchange rates at the time of translation or settlement are accounted for in the Profit & Loss Account.
- v. Exchange differences on long-term foreign currency monetary items relating to acquisition of depreciable assets are charged to Profit & Loss Account.

However, provision for diminution in the value of such investments is made, only if such diminution is of a permanent nature in the opinion of the management. Investments which is in a nature of short term shown as Balance with Bank in Fixed Deposits, under Cash and bank Balances.

i) Inventories:

Inventories are taken, value and certified by Directors and are valued following FIFO method on the following basis:

- i) Raw Material is valued at cost or net realizable value whichever is lower on FIFO method.
- ii) Stores and Consumables are valued at cost or net realizable value whichever is lower.
- iii) Finished Goods are valued at cost or net realizable value whichever is lower. Cost comprises raw material cost, labour cost, cost of stores, spares and consumables, other manufacturing and overheads expenses that have been incurred in bringing the inventories to their present location and condition.
- iv) Stock in process is valued at cost. Cost comprises raw materials cost and appropriate portion of labour costs, cost of stores, spares and consumables, other manufacturing and overhead expenses.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale

j) Provisions Contingent Liabilities & Contingent Assets:

Provisions is recognized when the enterprise has a present obligation as a result of past event and it is reasonable certain that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet and adjusted to reflect the current management estimates.

A Contingent liability is not recognised but disclosed in the financial statement.

A Contingent asset is neither recognized nor disclosed in the financial statement.

k) Employee Benefit:

Short Term Employee Benefit

All employee benefit payable wholly within twelve months of rendering the services are classified as short term employee benefit. Benefits such as salaries, wages, short-term compensated absences, etc. and the expected cost of bonus are recognized in the period in which the employee renders the related services.

Retirement Benefit:

Actuarial gains and losses for defined benefit plans are recognised in full in the period in which they occurs in the statement of profit and loss.

l) Borrowing Costs:

Interest and other borrowing costs are recognised in the statement of profit and loss except borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets until the asset is first put to use, when substantially all the activities necessary to prepare such Inventory for its intended sale are complete.

MARUTI INTERIOR PRODUCTS LIMITED

(Previously known as Maruti Interior Products Private Limited)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

m) Provision for Current and Deferred tax:

The tax expenses comprise of current tax and deferred tax charged or credited to the profit and loss account for the year. Provision for Current tax is made accordance with the tax laws applicable to the current financial year after taking into consideration benefit admissible under the provisions of the Income Tax Act, 1961.

Deferred Tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax assets is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in the future.

n) Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

	Working Capital Requirement	Rs. 285 Lacs	Rs. 285 Lacs	-	-
	General Corporate Purpose	Rs. 90 Lacs	Rs. 90 Lacs	-	-
	TOTAL	Rs. 1100 Lacs	Rs. 698 Lacs	Rs.402 Lacs	-

- Note 34 Expense related to issue of IPO and Preliminary expenses has been fully write-off against security premium received form IPO proceeds by Holding Company.
- Note 35 The Holding Company has changed the method of depreciation from written down value to Straight Line Method during the period under review. The net book value of assets acquired prior to 31/03/2021 with useful lives remaining will be depreciation using the straight line method prospectively i.e. Rate of SLM recalculated on WDV Balance of respective assets as of 31/03/2021. There is no change in useful life and residual value of assets due to change in method of depreciation.

The Management of the Holding Company determined that the change in depreciation method from Written Down Value method to a Straight Line method is a change in accounting estimate affected by a change in accounting principle. A change in accounting estimate affected by a change in accounting principle is to be applied prospectively. The change is considered preferable because the straight-line method will more accurately reflect the pattern of usage and the expected benefits of such assets and provide greater consistency with the depreciation methods used by other companies in the same industry.

Note 37. Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Group's Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Group's standard payment and delivery terms and conditions are offered. The Group's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank references.

In monitoring customer credit risk, customers are reviewed according to their credit characteristics, including whether they are an individual or a legal entity, their geographic location, industry and existence of previous financial difficulties

The gross carrying amount of trade receivables is Rs. 418.81 Lakhs (31 March 2021 – Rs. 239.36 Lakhs).
