As required by section 102 of the Companies Act, 2013 (Act), the following explanatory statement sets out all material facts relating to the business mentioned under Item No. 3 to 10 of the accompanying Notice:

Item No. 3: Re-appointment of Mr. Anand Bathiya (DIN: 03084831) as an Independent Director of the Company.

Mr. Anand Bathiya (DIN: 03084831) is an Independent Director of the Company. The Members at the 13th AGM of the Company held on September 10, 2015 had approved the appointment of Mr. Anand Bathiya as an Independent Director of the Company to hold office for a term for 5 (five) consecutive years for a term up to February 3, 2020.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term up to five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term up to five consecutive years on the Board of a Company. Based on recommendation of the Nomination and Remuneration Committee and in terms of provisions of Sections 149, 150, 152, Schedule IV and any other applicable provisions of the Act and the Listing Regulations, Mr. Anand Bathiya, being eligible for reappointment as an Independent Director and in respect of whom the Company has received a notice in writing pursuant to Section 160 of the Act from a member proposing the re-appointment of Mr. Anand Bathiya for the office of Independent Director, is proposed to be re-appointed as an Independent Director for a second term of five consecutive years from February 4, 2020 to February 3, 2025.

Mr. Anand Bathiya is a Chairman of the Audit Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee of the Company. He also serves as a member of Nomination and Remuneration Committee of the Company. Mr. Anand Bathiya has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and Regulation 25 of the Listing Regulations. The Company has received necessary declarations / disclosure / confirmation from Mr. Anand Bathiya as required under the Act and Listing Regulations. Copy of the draft letter for re-appointment of Mr. Anand Bathiya as an Independent Director setting out terms and conditions would be available for inspection by the members of the Company at the Registered Office and Corporate Office of the Company on all working days during business hours up to the date of 17th AGM of the Company.

As a member of the Board of the Company, Mr. Anand Bathiya brings to the Board extensive leadership including deep knowledge and understanding of the Company's business operations, strategies and the business environment into which the Company operates. His vast experience provides a much needed insight, guidance and support to the management on various matters related to the business of the Company. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Anand Bathiya as an Independent Director and on the recommendation of the Nomination and Remuneration Committee and based on the performance evaluation, recommends the Special Resolution as set out at Item No. 3 of the Notice of the AGM for approval of the members. The Resolution and Explanatory Statement may be considered as sufficient disclosure and information under the statutory provisions as may be applicable, relevant or necessary.

Save and except Mr. Anand Bathiya and his relatives, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution at Item No. 3 of the Notice.

The Board recommends the passing of Special Resolution as set out at Item No. 3 of the accompanying Notice.

Item No. 4: Appointment of Mr. Naushad Panjwani (DIN: 06640459) as an Independent Director of the Company.

The Board of Directors, at its meeting held on June 28, 2019, appointed Mr. Naushad Panjwani as an Additional Director of the Company, pursuant to section 161 of the Companies Act, 2013, read with Article 114 of the Articles of Association of the Company.

Pursuant to the provision of Section 161 of the Companies Act 2013, Mr. Naushad Panjwani will hold office up to the date of the ensuing AGM. The Company has received a notice in writing pursuant to Section 160 of the Act from a member proposing the appointment of Mr. Naushad Panjwani for the office of Independent Director, to be appointed as such under the provisions of section 149 of the Companies Act, 2013.

Mr. Naushad Panjwani has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and Regulation 25 of the Listing Regulations. The Company has received necessary declarations / disclosure / confirmation from Mr. Naushad Panjwani as required under the Act and Listing Regulations. Copy of the draft letter for re-appointment of Mr. Naushad Panjwani as an Independent Director setting out terms and conditions would be available for inspection by the members

of the Company at the Registered Office and Corporate Office of the Company on all working days during business hours up to the date of 17th AGM of the Company.

The resolution seeks the approval of members for the appointment of Mr. Naushad Panjwani as an Independent Director of the Company for a period up to June 27, 2024 pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder. He will not be liable to retire by rotation.

Save and except Mr. Naushad Panjwani and his relatives, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution at Item No. 4 of the Notice.

The Board recommends the resolution set forth in Item no. 4 for the approval of the members.

Item No. 5: Appointment of Mr. Shantilal Haria (DIN: 00295097) as an Independent Director of the Company.

The Board of Directors, at its meeting held on August 14, 2019, appointed Mr. Shantilal Haria as an Additional Director of the Company, pursuant to section 161 of the Companies Act, 2013, read with Article 114 of the Articles of Association of the Company.

Pursuant to the provision of Section 161 of the Companies Act 2013, Mr. Shantilal Haria will hold office up to the date of the ensuing AGM. The Company has received a notice in writing pursuant to Section 160 of the Act from a member proposing the appointment of Shantilal Haria for the office of Independent Director, to be appointed as such under the provisions of section 149 of the Companies Act, 2013.

Mr. Shantilal Haria has given a declaration that he meets the criteria of independence as provided in Section 149(6) of the Act and Regulation 25 of the Listing Regulations. The Company has received necessary declarations / disclosure / confirmation from Mr. Shantilal Haria as required under the Act and Listing Regulations. Copy of the draft letter for re-appointment of Mr. Shantilal Haria as an Independent Director setting out terms and conditions would be available for inspection by the members of the Company at the Registered Office and Corporate Office of the Company on all working days during business hours up to the date of 17th AGM of the Company.

The resolution seeks the approval of members for the appointment of Mr. Shantilal Haria as an Independent Director of the Company for a period up to August 13, 2024 pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder. He will not be liable to retire by rotation.

Save and except Mr. Shantilal Haria and his relatives, none of the other Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution at Item No. 5 of the Notice.

The Board recommends the resolution set forth in Item no. 5 for the approval of the members.

Item No. 6: Re-appointment of Mrs. Hiral Kanakia (DIN: 00015924) as Executive Director of the Company.

- h. If and when the Agreement expires or is terminated for any reason whatsoever, the Executive Director will cease to be the Executive Director, and also cease to be a Director. If at any time, the Executive Director ceases to be a Director of the Company for any reason whatsoever, she shall cease to be the Executive Director, and the Agreement shall forthwith terminate. If at any time, the Executive Director ceases to be in the employment of the Company for any reason whatsoever, she shall cease to be a Director and Executive Director of the Company.

Requisite Notice under Section 160 of the Act proposing the re-appointment of Mrs. Hiral Kanakia has been received by the Company, and consent has been filed by Mrs. Hiral Kanakia pursuant to Section 152 of the Act.

The Directors are of the view that the appointment of Mrs. Hiral Kanakia as Executive Director will be beneficial to the operations of the Company and the remuneration payable to her is commensurate with her abilities and experience and accordingly commend the Resolutions at Item Nos. 6 of the accompanying Notice for approval by the Members of the Company by way of Special Resolution.

In compliance with the provisions of Sections 196, 197 and other applicable provisions of the Act, read with Schedule V to the Act, the terms of remuneration specified above are now being placed before the Members for their approval. The brief profile of Mrs. Hiral Kanakia is given in the annexure and forms part of this Notice.

The Resolution and Explanatory Statement should be considered as disclosure and information under applicable statutory provisions including that of the written memorandum pursuant to section 190 of the Act.

Mrs. Hiral Kanakia, Mr. Himanshu Kanakia and Mr. Rasesh Kanakia, who are related to each other, are deemed interested in the said resolution No. 6.

None of the other Directors or Key Managerial Persons and their relatives except Mrs. Manisha Vora, who is relative of Mr. Himanshu Kanakia and Mr. Rasesh Kanakia, are deemed to be interested in the said resolution No 6.

Item No. 7: To approve sale of undertaking under Section 180 (1) (a) of the Companies Act, 2013.

Members of the Company are further requested to note that Section 180 (1)(a) of the Companies Act, 2013 mandates that the Board of Directors of a company shall exercise the power to sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking(s) of the company, only with the approval of the members of the Company by way of a special resolution. Explanation (i) to Section 180(1) (a) of the Companies Act, 2013 states that the meaning of an 'undertaking' for the purposes of Section 180(1) of the Companies Act, 2013 is an undertaking in which the investment of the company exceeds twenty percent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty percent of the total income of the company during the previous financial year. Explanation (ii) to Section 180 (1)(a) of the Companies Act, 2013 states that the meaning of 'substantially the whole of the undertaking' for the purposes of Section 180(1) is in any financial year, twenty percent or more of the value of the undertaking as per the audited balance sheet of the preceding financial year.

Accordingly, pursuant to Section 180(1)(a) of the Companies Act, 2013, members of the Company are further requested to note that their consent to the Board is being sought by way of a Special Resolution to sell / transfer / dispose off its immovable property located at "Kanakia Wallstreet" Andheri Kurla Road, Andheri East, Mumbai- 400093 in ordinary course of business at a fair market value in one or more tranches, in the manner as the Board may deem fit and in the interest of the Company, and on such terms and conditions as may be deemed fit by the Board.

Directors, Key Managerial Personnel and their relatives who are members of the Company, may be deemed to be concerned or interested in the Item No.7 of the accompanying notice to the extent of their respective shareholding in the Company to the same extent as that of every other member of the Company.

The Directors recommend the Item No. 7 of the Notice for consent and approval by the shareholders.

Item No. 8: To make investments, give loan, guarantees and provide securities under section 186 of the Companies Act, 2013.

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate or as and when required.

Pursuant to the provisions of section 186(3) of the Companies Act, 2013 and rules made there under, the Company needs to obtain prior approval of shareholders / members by way of special resolution passed at the General Meeting in case the amount of investment, loan, guarantee or security proposed to be made is more than the higher of sixty percent of the paid up share capital, free reserves and securities premium account or one hundred percent of free reserves and securities premium account.

Accordingly, the Board of Directors of the Company proposes to obtain approval of shareholders by way of special resolution as contained in the notice of the Extra-Ordinary General Meeting for an amount not exceeding Rs. 500 Crores (Rupees Five Hundred Crores only) outstanding at any time notwithstanding that such investments, outstanding loans given or to be given and guarantees and security provided are in excess of the limits prescribed under Section 186 of the Companies Act, 2013.

Directors, Key Managerial Personnel and their relatives who are members of the Company, may be deemed to be concerned or interested in the Item No. 8 of the accompanying notice to the extent of their respective shareholding in the Company to the same extent as that of every other member of the Company.

The Directors recommend the Item No. 8 of the Notice for consent and approval by the shareholders.

Item No. 9 & 10: To approve the loan to related party under Section 185 of Companies Act, 2013 being a material related party transaction.

The Company has received a request from Kanakia Spaces Realty Private Limited ("KSRPL") to grant financial assistance ("Proposed Loan") for the principal business activities of KSRPL in one or more tranches over a period of time. KSRPL is a 'Related Party' of your Company in terms of Section 2(76) of the Companies Act, 2013 ("Act") and Regulation 2(1)(zb) of the SEBI LODR . Further, the Proposed Loan qualifies as a 'Material Related Party Transaction' as per Regulation 23(1) of SEBI LODR. In

terms of Section 185 of the Act (as amended by Companies (Amendment) Act, 2017 and notified by Ministry of Corporate Affairs vide notification dated May 7, 2018), the Proposed Loan requires the approval of the members of the Company by way of a Special Resolution, since the Company and KSRPL have common directors i.e. Mr. Rasesh Kanakia and Mr. Himanshu Kanakia. In terms of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 all material related party transactions requires approval of the Members of the Company. A transaction with a related party shall be considered material if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent (10%) of the annual consolidated turnover of the company as per the last audited financial statements of the company.

In terms of Sub Clause (4) of Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the contracts/arrangements/transactions are material in nature as these transactions are likely to exceed 10% of the annual consolidated turnover of the Company as per the audited financial statements of the Company as on March 31, 2019 and shall require approval of the shareholders through resolution. Accordingly, as per Regulation 23 of SEBI LODR, approval of the shareholders is sought to enable the Company to enter into related party transaction to grant financial assistance ("Proposed Loan") for the principal business activities of KSRPL in one or more tranches over a period of time.

The Audit Committee of the Company, at its meeting held on 14th August, 2019, was pleased to approve the Proposed Loan, subject to approval of the Board of Directors and fulfilment of other requirements, if any. Further, the Board of Directors of the Company, at its meeting held on 14th August, 2019, was pleased to unanimously approve the Proposed Loan, subject to the approval of the members of the Company and other requisite approvals and requirements, if any. The particulars of the Related Party Transactions, which are required to be stated in the Explanatory Statement, as per Rule 15(3) of the Companies (Meetings of Board and its Powers) Rules, 2014 are as follows:

At Cineline, we have built a portfolio of quality and diversified pool of revenue-generating assets. Located in the prime locations of Mumbai, Nashik and Nagpur, these assets – theatres and retail, parking and advertising space in high-street malls – attract good rentals and generate steady cash flows. We have also diversified operations by foraying into renewable energy business with two windmill assets.

Having now established a robust business model that is delivering steady growth and ensuring stability against market vagaries, we are now planning for a stronger future. We are focussed on exploring newer markets to provide more diversification to business. Expanding portfolio to scale up operations and drive topline growth. Ways to better sweat our assets to achieve better return on assets.

At Cineline, we are exploring possibilities towards maximising value creation for shareholders and

ENSURING SUSTAINABLE FUTURE.

MESSAGE FROM THE CHAIRMAN

“

Cineline has built a solid portfolio of revenue-generating assets in key markets which provides stability and sustainability to our business. We will continue to explore more such opportunities to maximise value for all our stakeholders.

Dear Shareholders,

I am pleased to present to you the annual report of your Company. FY 2018-19 has been an eventful year globally, especially in terms of geopolitical scenario. There was escalating trade tensions between the US and China as well as increasing tendencies of inward-looking policies among major economies.

Indian economy, though, remained steady supported by the strong fundamentals, policy and economic reforms and upswing in consumption. There was gradual stabilisation in markets with harmonisation of GST-related issues and other reformative initiatives. All major economic parameters remained stable through the year with inflation being under control. Liquidity though was a challenge, to counter which, the RBI changed its monetary stance to accommodative with three successive rate cuts of 25 basis points. Additionally, the Government also pumped in funds into the public sector banks along with bringing down tax rates to boost consumption. There is a strong push from the Government to make India a USD 5 trillion economy by FY 2024-25. This is evident in the growing investments in technology and digitisation, infrastructure and lately towards addressing the imminent threats of pollution and water which pose a major hindrance to economic development.

In our operational space – the real estate industry – though players, have been facing troubles post RERA and GST implementation, they have brought with the fair share of positiveness. They have brought in more transparency in the sector with fly-by-night developers' existing operations and speculative demand giving way to real demand. This is a good sign for the industry. As the industry was adjusting to these changes, another set emerged in FY 2018-19. This time in the form of drying of funding triggered by liquidity issues in several top-rated non-banking finance companies (NBFCs).

However, a positive factor for us has been that the attractiveness of the commercial sector continues to be relatively higher. There is significant maturity in terms of investors looking at this segment as compared to residential segment and how the capital is flowing into it.

Coming to performance, your Company, I think we have done considerably well, despite the challenges and this exemplifies the strength of business model. Our total revenue increased 8% from ₹ 3,234.53 Lacs in FY 2017-18 to ₹ 3,493.94 Lacs in FY 2018-19. Of this, ₹ 2,075.78 Lacs revenues was from retail business, ₹ 181.38 Lacs from energy business and ₹ 165.82 Lacs from advertising and car parking. Coming to profitability, our Profit Before Tax (PBT) increased marginally by 1.73% from ₹ 1,328.53 Lacs in FY 2017-18 to ₹ 1,352.57 Lacs in FY 2018-19. Net Profit, however, was under pressure and declined by

6.64% from ₹ 1,054.81 Lacs in FY 2017-18 to ₹ 985.59 Lacs due to increased tax incidence.

We believe we have a well-balanced portfolio, which provides good revenue visibility and stability to our business and enabled us to deliver sustained performance over the years. In the retail space, we generate majority of revenue from rental income. We own nine theatres which have been leased out to PVR Cinemas on a long-term basis. Additionally, we own two commercial properties in Boomerang and Kanakia Wall Street, situated in Chandivali, Powai and Andheri East respectively, in Mumbai and a mall (Eternity Mall) in Nagpur's prime area which is a retail hotspot. The mall has 100% occupancy and houses leading domestic and international brands. In addition to rentals, our commercial properties generate ancillary revenues in the form of parking and advertisement. Our model of owning and leasing out of properties provide us the dual advantage of steady cash flows and capital appreciation.

In our energy business, we own and operate two windmills, one each in Vishwada, Gujarat and Revangaon, Maharashtra with a total power generation capacity of 2.25 MW. With rising energy demand along with commensurate rise in pollution, the demand for clean energy is growing exponentially in India. This not only ensures strong demand for the energy that we generate, but also provides an important diversification to our operations.

As we move forward, our focus will be to expand business in a manner to make it more derisked and sustainable in the longer run, while creating more value for all our stakeholders. We have inherent knowledge and expertise of the real estate sector in the western parts of the country which will be critical in exploring prospective opportunities. We are confident of long-term prospects of the real estate industry on the back of India's improving macro outlook, strong infrastructure impetus and a recovery in private consumption and investment.

I thank all our stakeholders for their continued support and trust in us. The people for the passion they bring into this organisation, the shareholders for investing in us, the bankers for funding us and the business partners for their sustained relations with us.

Warm regards,

Rasesh Kanakia

ANNEXURE 4 TO DIRECTOR'S REPORT POLICY ON DIRECTORS NOMINATION AND REMUNERATION

The philosophy for remuneration of Directors, KMP and all other employees of Cinline India Limited ("Company") is based on commitment demonstrated by the Directors, KMPs and other employees towards the Company and truly fostering a culture of leadership with trust. The remuneration policy is aligned to this philosophy.

I. PREAMBLE:

This Remuneration Policy is formulated in compliance with Section 178 of the Companies Act, 2013, read with the applicable Rules thereto and provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, entered into by the Company with Stock Exchanges, as amended from time to time. This Policy has been formulated by the Nomination and Remuneration Committee (NRC) and has been approved by the Board of Directors based on the recommendations of the NRC.

II. OBJECTIVE:

The objective of the Policy is to ensure that:

- (i) To lay down criteria and terms and conditions with regards to the identification of persons who are qualified to become Directors (executive, non-executive and independent) including their qualifications, positive attributes and independence and who may be appointed as the Senior Management of the Company.
- (ii) The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully.
- (iii) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (iv) Remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

III. COMPLIANCE WITH APPLICABLE LAWS:

The procedure and limits for payment of remuneration under this policy shall be in accordance with provisions of (a) the Companies Act, 2013 read with Rules framed thereunder, (b) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with Stock Exchanges, (c) Articles of Association of the Company and (d) any other applicable law or regulations. In the absence of any of the above provisions, the procedure and limits shall be governed by the prevailing HR Policy of the Company.

IV. CRITERIA FOR IDENTIFICATION OF PERSONS FOR APPOINTMENT AS DIRECTORS AND IN SENIOR MANAGEMENT:

In accordance with the provisions of Section 178(3) of the Act and provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Nomination and Remuneration Committee is required to formulate the criteria for determining qualifications, positive attributes and independence of a Director. The criteria adopted by the Nomination and Remuneration Committee for the aforesaid purpose are as under:

Criteria for determining qualifications, positive attributes and independence of a director:

I. QUALIFICATIONS:

- (a) He/She should possess appropriate skills, experience and knowledge in one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, technical operations or other disciplines related to the company's business.
- (b) Such qualifications as may be prescribed under the Companies Act, 2013 read with rules framed there under and the Listing Agreement with Stock Exchanges.

II. POSITIVE ATTRIBUTES:

- (a) He/ She should be a person of integrity, with high ethical standard.

- (b) He/ She should be able to commit to his/her responsibilities and devote sufficient time and attention to his/her professional obligation as a director.
- (c) He/ She should be having courtesy, humility and positive thinking.
- (d) He/ She should be knowledgeable and diligent in updating his/her knowledge.
- (e) He/ She should have skills, experience and expertise by which the Company can benefit.
- (f) In respect of Executive/Whole time Director/ Managing Director, in addition to I (a) & (b) and II (a) to (e) above, he/she should have strong quality of leadership and team mentoring, recognition, management skills, vision, ability to steer the organization even in adverse conditions, innovative thinking, result oriented and ability to enhance reputation of the organization.

III. INDEPENDENCE:

In respect of an Independent director, in addition to I (a) & (b) and II (a) to (e) above, he/she should fulfill the criteria for being appointed as an Independent Director prescribed under Section 149 of the Companies Act, 2013 read with Schedule IV to the said Act and the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

V. REMUNERATION TO DIRECTORS/KMP/SENIOR MANAGEMENT PERSONNEL

1) Remuneration to Managing Director / Whole-time Directors:

- a) The Remuneration/ Commission etc. to be paid to Managing Director / Whole-time Directors, etc. shall be governed as per provisions of the Companies Act, 2013 and rules made there under or any other enactment for the time being in force and the approvals obtained from the Members of the Company.
- b) The Nomination and Remuneration Committee shall make such recommendations to the Board of Directors, as it may consider appropriate with regard to remuneration to Managing Director / Whole-time Directors.

2) Remuneration to Non- Executive / Independent Directors:

- a) The Non-Executive / Independent Directors may receive sitting fees and such other remuneration as permissible under the provisions of Companies Act, 2013. The amount of sitting fees shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.
- b) All the remuneration of the Non- Executive / Independent Directors (excluding remuneration for attending meetings as prescribed under Section 197 (5) of the Companies Act, 2013) shall be subject to ceiling/ limits as provided under Companies Act, 2013 and rules made there under or any other enactment for the time being in force. The amount of such remuneration shall be such as may be recommended by the Nomination and Remuneration Committee and approved by the Board of Directors or shareholders, as the case may be.
- c) Any remuneration paid to Non- Executive / Independent Directors for services rendered which are of professional in nature shall not be considered as part of the remuneration for the purposes of clause (b) above if the following conditions are satisfied:
 - The Services are rendered by such Director in his capacity as the professional; and
 - In the opinion of the Committee, the director possesses the requisite qualification for the practice of that profession.

3) Remuneration to Key Managerial Personnel and Senior Management:

- a) The remuneration to Key Managerial Personnel and Senior Management shall consist of fixed pay and incentive pay, in compliance with the provisions of the Companies Act, 2013 and in accordance with the Company's Policy.
- b) The Fixed pay shall include monthly remuneration, employer's contribution to Provident Fund, contribution to pension fund, pension schemes, etc. as decided from time to time.

- c) The Incentive pay shall be decided based on the balance between performance of the Company and performance of the Key Managerial Personnel and Senior Management, to be decided annually or at such intervals as may be considered appropriate.

4) Premium on Insurance Policy:

Where any insurance is taken by the Company on behalf of its Non-Executive / Independent Directors, for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration.

Where any insurance is taken by the Company on behalf of its MD/EDs, KMP and any other employees for indemnifying them against any liability in respect of any negligence, default, misfeasance, breach of duty or breach of trust for which they may be guilty in relation to the Company, the premium paid on such insurance shall not be treated as part of the remuneration. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

VI. POLICY IMPLEMENTATION

The NRC is responsible for recommending the remuneration policy to the Board. The Board is responsible for approving and overseeing implementation of the remuneration policy.

VII. REVIEW OF THE POLICY

This Policy will be reviewed and reassessed by the Committee as and when required and appropriate recommendations shall be made to the Board to update this Policy based on changes that may be brought about due to any regulatory amendments or otherwise.

ANNEXURE 6 TO DIRECTOR'S REPORT

SECRETARIAL AUDIT REPORT

For The Financial Year Ended on March 31, 2019

(Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014)

**To,
The Members,
Cineline India Limited**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Cineline India Limited** (hereinafter called '**the Company**'). Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Cineline India Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial year ended on 31st March, 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:

- i. The Companies Act, 2013(the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and the Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992('The SEBI'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

ANNEXURE - A TO DIRECTOR'S REPORT

MANAGEMENT DISCUSSION & ANALYSIS**ECONOMIC SCENARIO****Global Economy**

Global economic growth remained strong in 2017 and early 2018; however, activity weakened towards the end of 2018 due to a confluence of factors. The slowdown was led by elevated trade tensions between China and the United States (US), stressed financial conditions, policy uncertainty and subdued momentum across advanced and emerging economies. Consequently, growth softened to 3.6% in 2018 as against 3.8% in 2017.

Growth in Advanced Economies moderated slightly to 2.2% in 2018 vis-à-vis 2.4% in 2017. Introduction of new fuel emission standards in Germany, natural disasters in Japan, sovereign and financial risk in Italy weighed on the domestic demand. Rising concerns about a no-deal Brexit impacted the consumer and business sentiment across the Euro area. As a result, growth in the Euro zone plunged to 1.8% compared to 2.3% in

the previous year. On the contrary, the US economy expanded by 2.9% in 2018 as against 2.3% in 2017 on the back of strong growth in consumption.

Emerging Market and Developing Economies (EMDEs) grew at 4.5% in 2018 compared to a strong growth of 4.8% achieved in 2017. Slowing demand, persistent policy uncertainties, volatile oil prices, financial tightening and geopolitical tensions were the primary factors that clouded the growth prospects. Tariff increases by the US impacted domestic demand and investment in China's economy, dragging growth to 6.6% from 6.8% in 2017.

According to the International Monetary Fund (IMF), world economic growth is estimated to slow down to 3.3% in 2019, before recovering to 3.6% in 2020. Growth is expected to pick up, driven by policy stimulus in China, accommodative monetary policy stance by the US, easing of trade tensions, favourable market sentiment and recovery in growth across emerging economies.

Indian Economy

According to the Central Statistics Office (CSO) estimates, India recorded a Gross Domestic Product (GDP) growth of 6.8% in FY 2018-19 as against 7.2% in FY 2017-18 . Growth was primarily impacted due to subdued consumption, muted investment and agricultural slowdown. Despite the moderate performance, India continues to remain the fastest growing major economy in the world. Several landmark reforms have been enforced by the government over the past few years such as the Goods & Services Tax (GST), Insolvency and Bankruptcy Code, Real Estate (Regulation & Development Act) (RERA), FDI liberalisation norms, among others. These reforms have helped improve the business climate and eased banking sector concerns. India witnessed a 23-point jump in the most recent World Bank's ease of doing business rankings to achieve 77th rank from 100th, reflecting the remarkable progress made by the economy.

With a stable government at the centre, focus will be on bolstering economic growth and reviving investment. IMF has pegged India's GDP growth at 7% in FY 2019-20 and 7.2% in FY 2020-21 , led by continued policy initiatives, expansionary monetary policy and fiscal stimulus. The Union Budget 2019-

20 laid the roadmap for catapulting India to a USD 5 trillion economy by 2024. It focussed on strengthening the country's infrastructure, providing succour to rural economy, supporting systemic credit growth and promoting digitisation and more importantly, all this while maintaining the fiscal balance.

The Budget announced a recapitalisation package of Rs. 70,000 crore for public sector banks , which will augment lending and help fuel credit growth. Key infrastructure segments like railways, roads, housing and urban development saw a significant spurt in allocations. Further, measures such as increased financial outlay for the agriculture sector, income support package for farmers, hikes in procurement prices for food grains, will undoubtedly go a long way in addressing rural distress and doubling farmers' income. On the monetary side, three consecutive repo rate reductions of 25 basis points in FY 2018-19 by the Reserve Bank of India (RBI) are likely to propel economic growth going ahead. Consumption will be spurred from interest rate cuts, easing of liquidity concerns and tax sops for the middle-class.

All these developments are expected to usher unprecedented growth in the economy and help realise government's vision of creating New India.

INDUSTRY OVERVIEW

Indian real estate sector is undergoing massive transformation due to the creation of new regulatory environment marked by transparency and efficiency. With implementation of path-breaking reforms like Real Estate (Regulatory and Development Act), (RERA), Goods & Services Tax (GST), Real Estate Investment Trusts (REITs), Insolvency and Bankruptcy framework and Benami Transactions Act, the industry is heading towards a more transparent, organised and unified marketplace.

These reforms have provided a fresh impetus to the industry after witnessing temporary hurdles. RERA is undeniably a game-changer for the industry, bringing in greater transparency and accountability, while safeguarding the interest of buyers. A survey conducted by KPMG in association with National Real Estate Development Council (NAREDCO) and Asia Pacific Real Estate Association (APREA) estimates Indian realty sector to touch USD 1 trillion by 2030, becoming the third largest globally.

2018 was a turbulent year for the Indian real estate market. Despite green shoots of recovery witnessed in the first half, the liquidity crunch triggered by the Non-Banking Financial Company (NBFC) crisis in the second half of the year resulted in a period of sluggish growth in the sector. The liquidity squeeze led to drying up of an important source of funding for the developers, thereby grappling the entire sector. Nonetheless, the government and the RBI's concerted efforts to improve liquidity conditions and boost lending will help revive industry growth. One of the positive steps is the announcement of one-time six-month partial guarantee scheme by the government to provide much-needed liquidity to NBFCs, which will benefit the real estate developers. Moreover, measures like GST rate cuts

on affordable housing, tax sops for home buyers, notional tax extension for developers and fall in home loan rates will boost the confidence of buyers and developers.

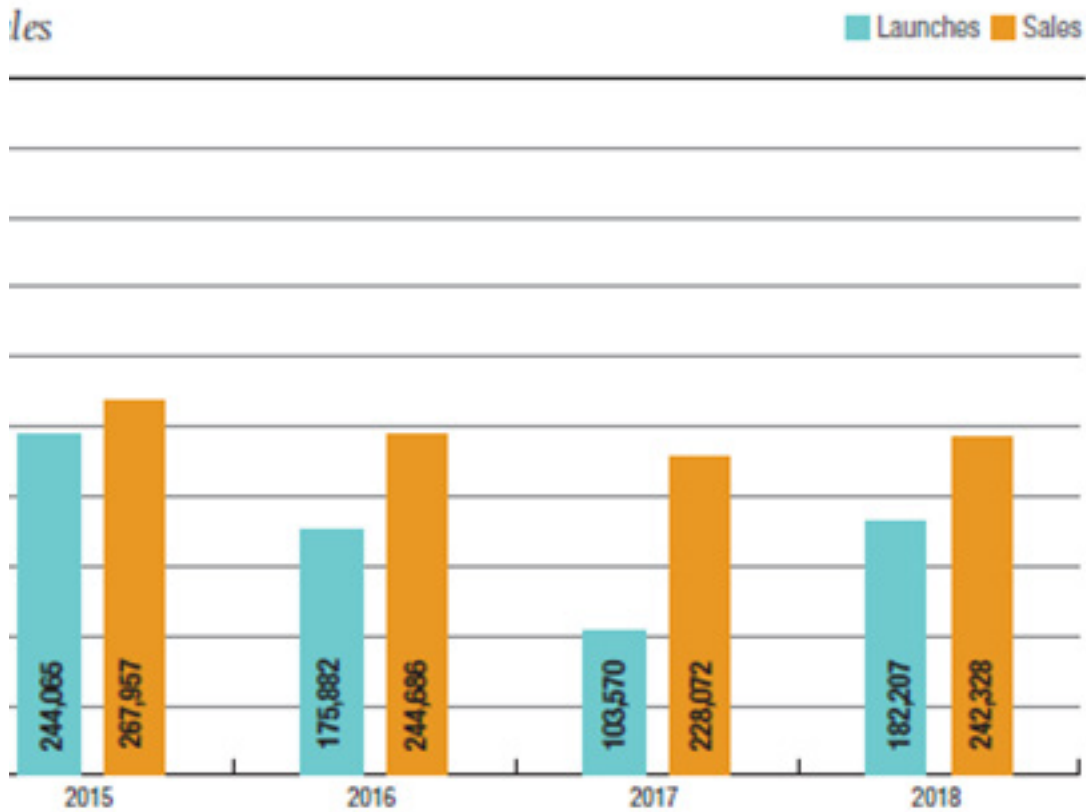

Further, government's focus on infrastructure development, ease of doing business and relaxing FDI norms have made Indian real estate a lucrative investment destination. According to Cushman & Wakefield, private equity inflows in Indian real estate stood at USD 6.8 billion, demonstrating high investor confidence in the sector. Mumbai led with the highest share of investments i.e. 27% among all cities, followed by Hyderabad and Chennai.

Residential Real Estate

The year 2018 was an exceptional year for the residential market and saw an impressive growth in sales and new launches. During the year, new launches increased by 76% to 1,82,207 units from 1,03,570 units in 2017. Sales, on the other hand, witnessed a rise of 6% to 2,42,328 units in 2018 from 2,28,072 units in 2017. Government's strong thrust on affordable housing and increased transparency due to stability in reforms like RERA and GST have boosted buyer sentiment, driving both sales and new launches.

Mumbai residential market experienced the highest increase in launches at 74,363 units, registering a growth of 220% over 2017. Sales for the full year stood at 63,893 units, marking a growth of 3% over 2017. Additionally, reduction in residential prices and housing unit sizes across the top eight cities has significantly improved home affordability. The unsold inventory levels dropped 11% to 4,68,372 units in 2018 as against 5,28,494 units in 2017. Several factors that will work in favour of residential market going ahead include competitive property prices and greater incentives for affordable housing sector.

Office Market

Indian office market remained constrained since 2013 due to lack of quality office space as developers chose to invest largely in residential real estate segment despite strong demand from office occupiers. The supply crunch resulted in plummeted vacancy levels by 2017 and increased rentals across cities. However, this trend was reversed and office space market gained momentum during 2018, with supply rising 13% to 36.9 million sq. ft. as against 32.7 million sq. ft. in 2017. This has been the highest YoY increase in this decade. Average rental value across top seven cities grew 10% YoY in 2018, underpinning the underlying strength of the Indian office market.

Co-working phenomenon has been gaining popularity in India as can be reflected in the growing interest and space taking by co-working companies in Indian commercial market. Across

the top seven cities, co-working space providers have taken approximately 2.0 million sq. ft. of office space in H2 2018, a 52% growth over H2 2017. Furthermore, REITs structure will result in massive liquidity infusions in commercial real estate and make the sector more viable and efficient.

Retail Real Estate

Retail sector has emerged as one of the most vibrant and fast-growing real estate sectors in India. Favourable government policies, increasing consumer base with rising level of disposable incomes, entry of foreign retailers, technology disruption and ease of shopping prompted the growth of retail market in 2018. The pan-India retail space absorption during H1 2018 saw a rise of over 75% YoY, taking total absorption to 1.9 million sq. ft. An interesting trend witnessed during the year was the exponential retail growth in Tier II and III cities.

Recognising the huge potential of these untapped markets, both domestic and international brands are increasingly focussing on penetrating these destinations over metros via both online and offline presence.

The future of retail real estate seems increasingly exciting. Focus on providing experiential shopping experience to customers, presence of omnichannel retailing and increased

investor interest are the prime factors expected to drive growth of Indian retail sector. Mall developers are focusing on enhancing infrastructure, deploying sophisticated technology and offering a wide range of food and entertainment options to maximise customer experience. According to Jones Long LaSalle, India is expected to see addition of over 10 million sq. ft of retail real estate in 2019 as the sector continues to boom across the country.

BUSINESS OVERVIEW

Cineline India Limited is a part of Kanakia Group and amongst the most established and trusted real estate players in Mumbai. The Company enjoys a proven track record of identifying successful commercial properties in Mumbai and western parts of the country. It is primarily engaged in the business of renting out retailing, parking and advertising spaces in high-street malls. Numerous fun-filled events and exhibitions are also organised time and again inside the mall premises. Presently, the Company owns nine theatres, of which seven are located in and around Mumbai and the other two are located in Nasik and Nagpur. These multiplexes are leased

to leading film exhibitor, PVR Cinemas on a long-term basis. This arrangement ensures steady and significant revenue in the form of rentals for the Company. Additionally, the Company owns 'Eternity Mall' situated in the prime area of Nagpur. The mall is entirely occupied by leading Indian and international brands and is one of the most prominent retail destinations in the city. The Company generates a healthy income from car-parking, maintenance and advertising at the Eternity Mall, which further augments its revenue. In addition, the Company owns two commercial properties Boomerang and Kanakia Wall Street situated in Chandivali, Powai and Andheri East respectively.

The Company is in process of selling/ transfer its immovable property located at “Kanakia Wallstreet”, Andheri East, Mumbai, its ordinary course of business at fair market value in one or more tranches, subject to requisite approvals from Board of Directors and Members of the Company.

The Company has successfully forayed into the renewable energy business and owns two windmills at Viswada (Gujarat) and Revangaon (Maharashtra) with power generation capacity of 0.6 MWA and 1.6 MWA respectively. This move is in line with the Company’s strategy of diversifying its business and capturing the massive opportunities in the sector with the onset of the clean energy era. Revenue from the sale of power generated at these units forms a considerable chunk of the Company’s total revenue.

REVIEW OF FINANCIAL PERFORMANCE

During the year under review, Gross Revenue of the Company grew 8% to Rs. 3,493.94 Lacs from Rs. 3,234.53 Lacs in FY 2017-18. EBITDA of the Company stood at Rs. 2,678.32 Lacs, up from Rs. 2,462.45 Lacs in the previous year. The Company clocked a Net Profit of Rs. 985.59 Lacs as against Rs. 1,054.81 Lacs attained in FY 2017-18.

OPPORTUNITIES AND OUTLOOK

Over the past two years, a slew of growth promoting regulatory developments and initiatives were announced, which are paving the way for strong growth of the real estate sector. Reforms such as RERA, GST, REITs and IBC have pushed the industry towards a healthier ecosystem. Importantly, all these

efforts have not only instilled financial discipline in the sector but also positioned India as a global hub for investments.

REITs will change the nature of real estate investments by broadening the base of domestic and institutional investors. This will stimulate development of real estate ecosystem and overall economic growth. Further, in the Union Budget 2019-20, Rs. 100 crore was earmarked for infrastructure development in the country over the next five years. This massive allocation will provide immense opportunities for real estate development in the country.

The outlook of the realty industry looks promising with multiple factors likely to propel growth. With big-bang boosters like Smart Cities, Housing for All, Make in India, the government has set the stage for the sector to flourish in the long-term. Going ahead, increasing urbanisation and consumerism, young demographics with higher incomes and eased FDI norms are expected to act as key drivers for retail market in India. Overall, strong economic fundamentals, burgeoning population, proactive reforms and innovative offerings will catalyse the growth of the sector.

Going ahead the Company’s focus will be to expand business in a manner to make it more derisked and sustainable in the longer run, while creating more value for all our stakeholders. We have inherent knowledge and expertise of the real state sector in the western part of the country which will be critical in exploring prospective opportunities. We are confident of the long-term prospects of the real estate industry on the back of India’s improving macro outlook, strong infrastructure impetus and a recovery in private consumption and investment.

The Company is contemplating to sell/ transfer the assets held by it in the commercial project “Kanakia Wallstreet” in order to venture into real estate business.

RISKS AND CONCERNS

High capital costs stalled or delayed projects, liquidity and supply crunch, inventory pileup, regulatory hurdles and labour shortage are the major impediments to the performance and growth of the sector. Since the Company is in the business of leasing properties on a long-term basis, it earns assured and uninterrupted revenue in the form of rental income. This enables it to sustain its position and reduces exposure to the critical risks involved in the realty sector. At the same time, renting out retailing, parking and advertising spaces in malls ensures steady cash flows for the Company. Strong thrust on renewable energy is expected to provide a significant boost to the windmill business of the Company.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES

At Cineline India Limited, human capital is considered the most valuable asset and crucial for the Company's success. The Company aims to foster a transparent, conducive and inspiring work environment and thereby encourage productivity. The HR practices of the Company are focussed on upping employee motivation and satisfaction levels for improved outcome. Besides, adherence to the comprehensive guidelines laid down by the well-defined Code of Conduct must be ensured by the employees while interacting with the stakeholders. Health and safety of its workforce is of utmost importance to the Company. In pursuit of this, stringent safety policies are followed by everyone, which reduces the risk of work-related accidents across the project sites. The Company ensures payment of fair remuneration to the contract labourers at par with the industry standards. At the same time, it strives to enhance the skills and capabilities of people by providing opportunities within the organisation. For this purpose, the Company conducts learning and skill development programmes, trainings and workshops at regular intervals through engaging with internal and external experts. During the year, the Company maintained harmonious relationship with its workforce. As on March 31, 2019, its total employee strength stood at 28.

INTERNAL CONTROL SYSTEMS

The Company has adequate and well-framed internal control systems for ethical conduct of business. These internal controls are commensurate with the size, nature and complexity of its business operations. The control framework has well-documented policies, procedures and processes. These ensure compliance with the applicable laws and regulations, safeguarding of assets, prevention of frauds and errors and timely and accurate reporting of transactions. The Company has appointed internal and external auditors to review and audit the internal controls and assess their efficacy. Any inconsistency/deviation is immediately reported. The Senior Management of the Company monitors the mechanism and undertakes necessary action on the discrepancies flagged by the auditors.

CAUTIONARY STATEMENT

This report contains forward looking statements that involve risks and uncertainties including, but not limited to, the risk inherent in the Company's growth strategy, acquisition plans, dependence on certain businesses, reliance on the availability of qualified and trained manpower and other factors. Actual results, performances or achievements could differ materially from those expressed or implied by such forward-looking statements. This report should be read in conjunction with the financial statements included herein and the notes thereto.

CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended 31st March, 2019, in terms of Regulation 34(3) read with schedule V of the SEBI (Listing Regulations and Disclosure Requirements), 2015 ("Listing Regulation").

I. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate governance is about maintaining an appropriate balance of accountability between three key players: the corporation's owners, the directors whom the owners elect and the managers whom the directors select. Accountability requires not only good transparency, but also an effective means to take action for poor performance or bad decisions.

Corporate governance is about commitment to values and ethical business conduct. It is about how an organization is managed. This includes its corporate and other structures, its culture, policies and the manner in which it deals with various stakeholders. Accordingly, timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the company is an important part of corporate governance. This improves public understanding of the structure, activities and policies of the organization. Consequently, the organization is able to attract investors and enhance the trust and confidence of the stakeholders.

We believe that sound corporate governance is critical to enhance and retain investors trust. Accordingly, we always seek to ensure that we attain our performance goals with integrity. Our Board exercises its fiduciary responsibilities in the widest sense of the term.

Our disclosures always seek to attain the best practices in international corporate governance. We also endeavor to enhance long-term shareholder value and respect minority rights in all our business decisions.

Our corporate governance philosophy is based on the following principles:

1. Satisfy the spirit of the law and not just the letter of the law. Corporate governance standards should go beyond the law.
2. Be transparent and maintain a high degree of disclosure levels.

ANNEXURE-B TO DIRECTOR'S REPORT

3. Communicate externally, in a truthful manner, about how the Company is run internally.
4. Have a simple and transparent corporate structure driven solely by business needs.

The Company, through its Corporate Governance envisages an attainment of transparency, accountability, integrity and propriety in total functioning of the Company and conduct of business, both internally and externally. The Company defines Corporate Governance as a set of guidelines that are followed by the Board of Directors and the Management of the Company voluntarily.

9. Share Transfer System:

The transfer of shares in physical form is processed and completed by Registrar & Transfer Agent within a period of 30 days from the date of receipt thereof provided all documents are in order. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. In compliance with the Listing Agreement with the Stock Exchanges, a Practicing Company Secretary carries out audit of the System of transfer and a certificate to that effect is issued. On March 31, 2019, there were no unprocessed transfers pending.

10. Dematerialization of Shares and liquidity:

99.99% of the Company's paid up Equity Share Capital is in dematerialized form as on 31st March, 2019. The Company has entered into agreements with NSDL/CDSL whereby shareholders have an option to dematerialise their shares with either of the Depositories.

**11. Reconciliation of Share Capital Audit Report:**

As stipulated by SEBI, a qualified Practicing Company Secretary carries out Secretarial Audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. The audit is carried out every quarter and the report thereon is submitted to the Stock Exchanges where the Company's shares are listed. The audit confirm that the total Listed and Paid-up capital is in agreement with the aggregate of the total number of shares held in dematerialised form (held in NSDL and CDSL) and total number of shares in physical form.

12. ECS Mandate:

To service the investors better, the Company requests all the shareholders who hold shares in dematerialized form to update their bank particulars with their respective depositories immediately. Shareholders holding shares in the physical form may kindly forward the bank particulars to our Registrars to the address mentioned herein.

ANNEXURE - C TO DIRECTORS REPORT

PRACTISING COMPANY SECRETARY'S CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members of
CINELINE INDIA LIMITED

I have examined the compliance of conditions of Corporate Governance by Cinline India Limited ('the Company'), for the Financial Year ended 31st March 2019, as stipulated in Regulations 17 to 27 and Clauses (b) to (i) of Regulation 46(2) and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

In my opinion and to the best of my information and according to our examination of the relevant records and the explanations given to me and the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and Clauses (b) to (i) of Regulation 46(2) and Para C, D and E of the Schedule V of the Listing Regulations during the period ended March 31, 2019.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Cinline India Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

- 1 We have audited the accompanying standalone Ind AS financial statements of Cinline India Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information ('Standalone Ind AS financial statements').
- 2 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

- 3 We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder; and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- 4 Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the year under audit. We have determined that there is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- 5 The Company's management and Board of Directors is responsible for the preparation of the other information, comprising of the information such as Directors' Report including Annexures to Directors' Report, and such other disclosures included in the company's annual report, excluding the standalone Ind AS financial statements and auditors report thereon ('Other Information'). The other information is expected to be made available to us after the date of this auditors' report. Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the other Information and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charges with governance as required under SA 720 'The Auditor's responsibilities in relation to other Information'

Responsibility of Management for Standalone Ind AS Financial Statements

- 6 The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under

prescribed Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

- 7 Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements. Our audit process in accordance with the SAs is narrated in "Annexure 1" to this report.

Other Matter

- 8 The comparative financial information of the Company for the previous year ended March 31, 2018 included in these Standalone Ind AS financial statements, are based on the previously issued statutory financial statements prepared

in accordance with the Companies (Indian Accounting Standard) Rules, 2015, as audited by Walker Chandiook & Co LLP, Chartered Accountants for the year ended March 31, 2018 whose reports dated May 28, 2018 expressed an unmodified opinion on those Standalone Ind AS financial statements. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- 9 As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 2", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 10 As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.
 - e. On the basis of the written representations received from the directors as on March 31, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such

controls, refer to our separate Report in "Annexure 3".

- g. In terms of provisions of section 197(16), in our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors is not in excess of the limits laid down under section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report as under:
- (i) The Company has disclosed the impact of pending litigations on the financials position in its standalone Ind AS financial statements - Refer Note 44 to the Standalone Ind AS financial statements.
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 1 to the Independent Auditors' Report

[referred to in para 7 titled "Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements"]

As part of our audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure 2 to the Independent Auditors' Report

[referred to in para 9 under 'Report on Other Legal and Regulatory Requirements']

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a programme of physical verification of its fixed assets under which all fixed assets are verified in a phased manner over a period of three years. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) In our opinion and according to the information and explanations given to us and on the basis of our

examination of the records of the Company, the title deeds of immovable properties (included under the head Property, plant and equipment) verified by us in course of audit, are held in the name of the Company.

- ii. The Company does not have any inventory. Accordingly, the paragraph 3(ii) of the Order is not applicable to the Company.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, the requirement of clause (iii)(a), (iii)(b) and (iii)(c) of paragraph 3 of the Order are not applicable to the company.
- iv. According to the information and explanations given to us and the representations made in course audit, in our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act, with respect to the loans given, investments made, guarantees given and security provided.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public during the year in terms of the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not specified maintenance of cost records under section 148(1) of the Act in respect of the services provided by the company. Accordingly, the paragraph 3(vi) of the Order is not applicable to the company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Income-tax, Sales-tax, Service tax, Goods and Service Tax, Cess and other statutory dues generally have been regularly deposited during the year by the Company with the appropriate authorities. There are no undisputed

statutory dues payable in respect to the above statutes, outstanding as at March 31, 2019 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no dues of Goods and Service Tax, Service tax, Value added tax, excise duty and duty of Customs which have not been deposited as on March 31, 2019 on account of disputes.
- viii. In our opinion and according to the information and explanations given to us, and based on the records of the Company, the Company has not defaulted in the repayment of loans or borrowings to financial institutions, banks and government. The Company has not issued any debentures.
- ix. According to the information and explanations given to us, the term loans have been applied by the Company during the year for the purposes for which they were obtained. The Company did not raise money by way of initial public offer or further public offer (including debt instruments) during the year.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such instance by the management.
- xi. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, reporting under paragraph 3(xii) of the Order is not applicable.

- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, the transactions with the related parties are in compliance with the Sections 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, reporting under paragraph 3(xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly, reporting under paragraph 3(xv) of the Order is not applicable to the Company.
- xvi. According to the information and explanations given to us, the Company is not required to be registered under Section 45 - IA of the Reserve Bank of India Act, 1934.

Annexure 3 to the Independent Auditors' Report

[referred to in paragraph 10(f) under 'Report on Other Legal and Regulatory Requirements']

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Cinline India Limited ("the Company") as at March

31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal

control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting
A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of

changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion considering the nature and size of the operations, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on

Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

1. Corporate information

Cineline India Limited (the 'Company') is a company domiciled in India, incorporated under the Companies Act, 1956 on 22 May 2002. The Company is listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The Company is into the business of renting out premises owned by the Company and operating windmills.

2. Significant accounting policies

a. Statement of Compliance:

The Company has prepared the financial statements which comprise the balance sheet as at 31 March 2019, the statement of profit and loss, the statement of cash flows and the statement of changes in equity for the year ended 31 March 2019, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "financial statements").

These financial statements are prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013 ("the Act"), other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

b. Basis of preparation

The financial statements have been prepared on a going concern basis under the historical cost basis except for the following –

- Certain financial assets and liabilities have been measured at fair value (refer accounting policy regarding financial instruments); and
- Defined benefit plans – measured using actuarial valuation.

The financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements, except where the Company had applied certain accounting policies and exemptions upon transition to Ind AS.

Functional and presentation currency

The financial statements are prepared in Indian Rupees, which is the Company's functional and presentation currency. All financial information presented in Indian Rupees has been rounded to the nearest lakhs, unless otherwise stated.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of business and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as not exceeding twelve months for the purpose of current / non-current classification of assets and liabilities.

c. Critical estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make estimates, assumptions and exercise judgement in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amounts of income and expenses during the year.

The management believes that these estimates are prudent and reasonable and are based upon the management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialised.

Below is an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

- **Useful lives of property, plant and equipment and investment property** - Property, plant and equipment and investment property represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management, based on those prescribed under Schedule II to the Act, at the time the asset is acquired and reviewed periodically, including at each financial year end.
- **Defined benefit obligation** - The cost of post-employment benefits is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long term nature of these plans, such estimates are subject to significant uncertainty. The assumptions used are disclosed in the notes to these financial statements.
- **Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.
- **Impairment of assets** – In assessing impairment, management estimates the recoverable amounts of each asset (in case of non-financial assets) based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future cash flows and the determination of a suitable discount rate.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

- **Income tax** - Significant judgments are involved in determining the provision for income tax, including the amount expected to be paid or recovered in connection with uncertain tax positions.
- **Provisions** - Provisions are recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement obligation and compensated expenses) are not discounted to its present value and are determined based on the best estimate required to settle obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

d. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised only when it can be reliably measured and it is probable that the economic benefits will flow to the Company. Amount disclosed as revenue are reported net of applicable taxes, which are collected on behalf of the government or on behalf of third parties.

i. Leased operations and windmill income

- a) Revenue from rent and common area maintenance is recognised based upon the agreement, for the period the property has been let out and when no significant uncertainty exists regarding the amount of consideration that will be derived. Ind AS 17 mandates straight lining of lease rental income, only if the escalation rate is not in line with the general inflation rate.
- b) Revenue from sale of power is booked on monthly basis as per the power generation reports at wind farm and the same is sold to the State Government.
- c) Revenue from car parking is based on the actual collection depending on the vehicles parked at the respective sites or as per the agreement entered into for the property.
- d) Advertisement income is recognised as and when advertisements are displayed at the property.

ii. Other income

- a) Other income is recognised when no significant uncertainty as to its determination or realisation exists.
- b) Interest income is recognised using the effective interest method.
- c) Dividend income is accounted for when the right to receive the income is established.

e. Leases

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the lessee is classified as a finance lease.

i. The Company as lessee

Operating lease – Rentals payable under operating lease are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease as required under Ind AS 17 “Leases”, since the escalation rate is higher than general inflation rate.

Finance lease – The Company does not have any finance lease as lessee.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

ii. The Company as lessor

Operating lease - Rental income from operating leases is recognised in the statement of profit and loss based upon the agreement, for the period the property has been let out. Ind-AS 19 mandates straight lining of lease rental income, only if the escalation rate is not in line with the general inflation rate and hence no straight lining of rental income is done.

Finance lease - The Company does not have any finance leases as lessor.

f. Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income ('OCI') or directly in equity.

Current tax

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current income-tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the balance sheet date. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in the OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in the OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off such amounts.

Minimum alternate tax

Minimum alternate tax (MAT) paid in accordance with the tax laws gives rise to future economic benefits in the form of adjustments of future income tax liability. The same is considered as an asset if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT credit is recognised as a deferred tax asset in the balance sheet when it is probable that the future economic benefits associated with it will flow to the Company and the asset can be measured reliably.

g. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Recognition, initial measurement and derecognition

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liability.

The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows under an eligible transaction.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

ii. Subsequent Measurement

Non-Derivative Financial Instruments

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through statement of profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the twelve month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

h. Investment in subsidiary

The Company's investment in subsidiary is carried at cost.

i. Equity shares

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

j. Cash and cash equivalents and Cash Flows

Cash and cash equivalents comprise cash on hand and demand deposits, together with other current / short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

The Cashflow Statement of the company is prepared under 'Indirect' method as per Ind AS.

k. Property, plant and equipment (including capital work-in-progress)

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes inward freight and expenses incidental to acquisition and installation, net of tax credits up to the point the asset is ready for its intended use. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss when incurred.

Assets acquired but not ready for use or assets under construction are classified under capital work in progress and are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets, and are recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

l. Depreciation

Depreciation is provided on property, plant and equipment on pro rata basis for the period of use, on the straight line method (SLM) as per the useful life of the assets prescribed under Schedule II to the Companies Act, 2013, which is in line with the management's estimate of useful life.

Freehold land is not depreciated. Depreciation on assets under construction commences only when the assets are ready for their intended use.

Depreciation method, useful life and residual value are reviewed periodically and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use.

m. Investment property

Investment property are those that are held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company in a period exceeding one year and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

Investment properties are depreciated using the SLM method over their estimated useful lives, based on the rates prescribed under Schedule II to the Companies Act, 2013.

n. Impairment of non-financial assets

The carrying amount of the non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal /external factors. An impairment loss is recognised whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Impairment loss is recognised in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there were no impairment.

o. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

p. Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

Other borrowing costs are expensed in the period in which they are incurred.

q. Employee benefits

• Defined contribution plans

The Company contributes to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 that is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the employee renders services.

• Defined benefit plans

The Company's gratuity benefit scheme is a unfunded defined benefit plan. The Company's obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their services in the current and prior periods recognised as a liability at the present value of the defined benefit obligations at the balance sheet date based on an actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method. The discount rates used for determining the present value of the obligations under the defined benefit plan are based on the market yields on government bonds as at the balance sheet date.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined. Re-measurement recognized in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss in the subsequent period

• Other long-term employee benefits

Liability in respect of compensated absences is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

• Short-term employee benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

r. Provisions, contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimate of the amount required to settle the obligation at the date of the balance sheet. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, existence of which would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognised in the financial statements. However, it is disclosed only when an inflow of economic benefits is probable.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

s. Earnings per share

Basic earnings per share are computed by dividing net profit after tax (excluding other comprehensive income) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share after considering the income tax effect of all finance costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share.

t. Operating segments

An operating segment is a component of a Company that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relates to transactions with any of the Company's other components, for which discrete financial information is available, and such information is regularly reviewed by the Company's Chief Operating Decision Maker (CODM) to make key decision on operations of the segments and assess its performance.

u. Non-current assets (or disposal groups) classified as held for disposal

Assets are classified as held for disposal and stated at the lower of carrying amount and fair value less costs to sell. To classify any Asset as "Asset held for disposal" the asset must be available for immediate sale and its sale must be highly probable. Such assets or group of assets are presented separately in the Balance Sheet, in the line "Assets held for disposal". Once classified as held for disposal, these non-current assets are no longer amortised or depreciated.

3. Recent accounting pronouncements

i. Ind AS 116 "Leases:

On March 30, 2019, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2019, notifying Ind AS 116 'Leases', effective from accounting period beginning on and after April 1, 2019, which replaces the existing standard Ind AS 17 'Leases'. Under Ind AS 116, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right of use asset) at the commencement date of lease. Lessees will be required to separately recognise interest expense on the lease liability and depreciation expense on the right of use asset. Lessor accounting under Ind AS 116 remains substantially unchanged from accounting under Ind AS 17. The Company is in process of assessing the potential impact of this Standard.

ii. Others

Ministry of Corporate Affairs ("MCA") has notified following amendments to Ind AS on March 30, 2019 which is effective for the annual period beginning on or after April 01, 2019.

1. Ind AS 12 - Appendix C, Uncertainty over Income Tax Adjustments

The amendment requires an entity to determine probability of the relevant tax authority accepting the uncertain tax treatment that the Company have used in tax computation or plan to use in their income tax filings.

Summary of significant accounting policies and other explanatory information to the financial statements as at and for the year ended 31 March 2019

2. Amendment to Ind AS 12 – Income taxes

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events

3. Ind AS 19 - Plan amendment, curtailment or settlement

The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

These assumptions were developed by the management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

Sensitivity analysis

The financial results are sensitive to the actuarial assumptions. The changes to the defined benefit obligations for increase & decrease of 1% from assumed salary escalation, withdrawal and discount rates are given below. The following table summarises the effects of changes in these actuarial assumptions on the defined benefit liability at 31 March 2019.

other assumptions. This analysis may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another since some of the assumptions may be co-related.

Compensated absences

The Company has a defined benefit compensated absences plan. It is payable to all the eligible employees at the rate of daily salary subject to a maximum of forty two days. The obligation for compensated absences is recognised in the same manner as gratuity and net charge to the statement of profit and loss for the year is ₹ 2.02 lakhs (Previous year: net charge of ₹ 0.80 lakhs).

- (b) The carrying value of borrowings, trade payables, other financial liabilities recorded at amortised cost is considered to be a reasonable approximation of fair value.

ii) Fair values heirarchy and method of valuation

Fair values heirarchy

Financial assets and financial liabilities measured at fair value in the balance sheet are grouped into three levels of a fair value heirarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Valuation process and technique used to determine fair value

The fair values for instruments at amortised cost are based on discounted cash flows using a discount rate determined based on market interest rate for an equivalent instrument.

Note 36.2: Risk Management

The Company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

The Company's risk management is carried out by finance team under policies approved by the Board of Directors. The Board of Directors provide written principles for overall risk management, as well as policies covering specific areas, interest rate risk, credit risk and investment of excess liquidity.

A) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks and financial institutions, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date.

The Company continuously monitors defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties.

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. Trade receivables consist of a large number of customers. The Company has very limited history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good.

The credit risk for cash and cash equivalents and loans is considered negligible, since the counterparties are reputable organisations with high quality external credit ratings.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Contractual maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying amounts as the impact of discounting is not significant.

C) Market risk - foreign exchange

The Company is not exposed to any foreign exchange risk arising from foreign currency transactions.

D) Market risk - interest rate risk

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's variable rate borrowings. The Company is not exposed to changes in market interest rates in so far it relates to fixed rate borrowings.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Note 37: Capital management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern
- to provide an adequate return to shareholders

The Company monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

The Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in the economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

INDEPENDENT AUDITOR'S REPORT

To the Members of Cinline India Limited

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

- 1 We have audited the accompanying Consolidated Ind AS financial statements of Cinline India Limited ('hereinafter referred to as "the Holding Company") and its Subsidiary (the Holding Company and its Subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
- 2 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2019, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

- 3 We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Act and the Rules thereunder; and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- 4 Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS financial statements for the year under audit. We have determined that there is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- 5 The Holding Company's Board of Directors is responsible for the preparation of the other information, comprising of the information included in the Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report, and such other disclosures included in the company's annual report, excluding the Standalone as well as Consolidated Ind AS financial statements and auditors report thereon ('Other Information'). The other information is expected to be made available to us after the date of this auditors' report. Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the other Information and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charges with governance as required under SA 720 'The Auditor's responsibilities Relating to other Information'

Responsibility of Management for Consolidated Ind AS Financial Statements

- 6 The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Group in accordance with the accounting principles

generally accepted in India, including the Accounting Standards specified under prescribed Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

7 Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements. Our audit process in accordance with the SAs is narrated in "Annexure 1" to this report.

Report on Other Legal and Regulatory Requirements

8 As required by section 143(3) of the Act, based on our audit, we report to the extent :

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.
- e. On the basis of the written representations received from the directors of the Group as on March 31, 2019, taken on record by the respective Board of Directors, none of the Directors of the Group is disqualified as on March 31, 2019 from being appointed as a director in terms of section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2".
- g. In terms of provisions of section 197(16), in our opinion and according to the information and explanations given to us, the remuneration paid by the Holding company and subsidiary to its directors is not in excess of the limits laid down under section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report as under:

- (i) The Group has disclosed the impact of pending litigations on the financials position in its Consolidated Ind AS financial statements. Refer Note 41 to the Consolidated Ind AS financial statements.
- (ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Group during the year ended March 31, 2019.

Annexure 1 to the Independent Auditors' Report

(referred to in para 7 titled "Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements")

As part of our audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure 2 to the Independent Auditors' Report

[referred to in paragraph 8(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the Consolidated Ind AS financial statements of the Holding Company as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of Cineline India Limited ("hereinafter referred to as "the Holding Company") and its Subsidiary company (the Holding Company and its Subsidiary together referred to as "the Group"), as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the group, in all material respects, have an adequate internal financial controls system over financial reporting and such internal financial controls

over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

- The consolidated financial statements have been prepared on the following basis:

The consolidated financial statements incorporate the results of Cineline India Limited and its subsidiary, being the entity that it controls. The financial statements of the subsidiary is prepared for the same reporting year as the Parent Company, using consistent accounting policies to the extent applicable. The financial statements of the Group have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses. The intra-group balances, intra-group transactions and resulting unrealised profits and losses have been fully eliminated.

- Following company has been considered in the preparation of Consolidated financial statements:

Name of the Subsidiary Company	% holding as at	
	March 31, 2019	March 31, 2018
Transquare Realty Private Limited (w.e.f February 11, 2019)	100%	NA

c. Basis of preparation

The consolidated financial statements have been prepared on a going concern basis under the historical cost basis except for the following –

- Certain financial assets and liabilities have been measured at fair value (refer accounting policy regarding financial instruments); and
- Defined benefit plans – measured using actuarial valuation.

These financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements, except where the Group had applied certain accounting policies and exemptions upon transition to Ind AS.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

Functional and presentation currency

The consolidated financial statements are prepared in Indian Rupees, which is the Group's functional and presentation currency. All financial information presented in Indian Rupees has been rounded to the nearest lakhs, unless otherwise stated.

Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is classified as current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Based on the nature of business and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as not exceeding twelve months for the purpose of current / non-current classification of assets and liabilities.

d. Critical estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS requires management to make estimates, assumptions and exercise judgement in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amounts of income and expenses during the year.

The management believes that these estimates are prudent and reasonable and are based upon the management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialised.

Below is an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

- Useful lives of property, plant and equipment and investment property - Property, plant and equipment and investment property represent a significant proportion of the asset base of the Group. The charge in respect of

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Group's assets are determined by the management, based on those prescribed under Schedule II to the Act, at the time the asset is acquired and reviewed periodically, including at each financial year end.

- Defined benefit obligation - The cost of post-employment benefits is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long term nature of these plans, such estimates are subject to significant uncertainty. The assumptions used are disclosed in the notes to these financial statements.
- Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.
- Impairment of assets – In assessing impairment, management estimates the recoverable amounts of each asset (in case of non-financial assets) based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future cash flows and the determination of a suitable discount rate.
- Income tax - Significant judgments are involved in determining the provision for income tax, including the amount expected to be paid or recovered in connection with uncertain tax positions.
- Provisions - Provisions are recognised when the Group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement obligation and compensated expenses) are not discounted to its present value and are determined based on the best estimate required to settle obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

e. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised only when it can be reliably measured and it is probable that the economic benefits will flow to the Group. Amount disclosed as revenue are reported net of applicable taxes, which are collected on behalf of the government or on behalf of third parties.

i. Leased operations and windmill income

- a) Revenue from rent and common area maintenance is recognised based upon the agreement, for the period the property has been let out and when no significant uncertainty exists regarding the amount of consideration that will be derived. Ind AS 17 mandates straight lining of lease rental income, only if the escalation rate is not in line with the general inflation rate.
- b) Revenue from sale of power is booked on monthly basis as per the power generation reports at wind farm and the same is sold to the State Government.
- c) Revenue from car parking is based on the actual collection depending on the vehicles parked at the respective sites or as per the agreement entered into for the property.
- d) Advertisement income is recognised as and when advertisements are displayed at the property.

ii. Other income

- a) Other income is recognised when no significant uncertainty as to its determination or realisation exists.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

- b) Interest income is recognised using the effective interest method.
- c) Dividend income is accounted for when the right to receive the income is established.

f. Leases

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the lessee is classified as a finance lease.

i. The Group as lessee

Operating lease – Rentals payable under operating lease are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease as required under Ind AS 17 “Leases”, since the escalation rate is higher than general inflation rate.

Finance lease – The Group does not have any finance lease as lessee.

ii. The Group as lessor

Operating lease - Rental income from operating leases is recognised in the statement of profit and loss based upon the agreement, for the period the property has been let out. Ind-AS 19 mandates straight lining of lease rental income, only if the escalation rate is not in line with the general inflation rate and hence no straight lining of rental income is done.

Finance lease - The Group does not have any finance leases as lessor.

g. Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income ('OCI') or directly in equity.

Current tax

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current income-tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the balance sheet date. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in the OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in the OCI or directly in equity.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off such amounts.

Minimum alternate tax

Minimum alternate tax (MAT) paid in accordance with the tax laws gives rise to future economic benefits in the form of adjustments of future income tax liability. The same is considered as an asset if there is convincing evidence that the Group will pay normal income tax after the tax holiday period. Accordingly, MAT credit is recognised as a deferred tax asset in the balance sheet when it is probable that the future economic benefits associated with it will flow to the Group and the asset can be measured reliably.

h. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Recognition, initial measurement and derecognition

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liability.

The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows under an eligible transaction.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

ii. Subsequent Measurement

Non-Derivative Financial Instruments

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through statement of profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii. Impairment of financial assets

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the twelve month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

i. Equity shares

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

j. Cash and cash equivalents and Cash Flows

Cash and cash equivalents comprise cash on hand and demand deposits, together with other current / short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

The Cashflow Statement of the group is prepared under 'Indirect' method as per Ind AS.

k. Property, plant and equipment (including capital work-in-progress)

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes inward freight and expenses incidental to acquisition and installation, net of tax credits up to the point the asset is ready for its intended use. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss when incurred.

Assets acquired but not ready for use or assets under construction are classified under capital work in progress and are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Gains or losses arising on the disposal of property, plant and equipment are determined as the difference between the disposal proceeds and the carrying amount of the assets, and are recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

i. Depreciation

Depreciation is provided on property, plant and equipment on pro rata basis for the period of use, on the straight line method (SLM) as per the useful life of the assets prescribed under Schedule II to the Companies Act, 2013, which is in line with the management's estimate of useful life.

Freehold land is not depreciated. Depreciation on assets under construction commences only when the assets are ready for their intended use.

Depreciation method, useful life and residual value are reviewed periodically and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use.

m. Investment property

Investment property are those that are held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Group. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group in a period exceeding one year and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Investment properties are depreciated using the SLM method over their estimated useful lives, based on the rates prescribed under Schedule II to the Companies Act, 2013.

n. Impairment of non-financial assets

The carrying amount of the non-financial assets are reviewed at each balance sheet date if there is any indication of impairment based on internal /external factors. An impairment loss is recognised whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. The recoverable amount of the assets (or where applicable, that of the cash generating unit to which the asset belongs) is estimated as the higher of its net selling price and its value in use. Impairment loss is recognised in the statement of profit and loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there were no impairment.

o. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

p. Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

q. Employee benefits

- **Defined contribution plans**

The Holding Company contributes to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 that is a defined contribution plan and contribution paid or payable is recognised as an expense in the period in which the employee renders services.

- **Defined benefit plans**

The Holding Company's gratuity benefit scheme is a unfunded defined benefit plan. The Holding Company's obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their services in the current and prior periods recognised as a liability at the present value of the defined benefit obligations at the balance sheet date based on an actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method. The discount rates used for determining the present value of the obligations under the defined benefit plan are based on the market yields on government bonds as at the balance sheet date.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined. Re-measurement recognized in OCI is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss in the subsequent period

- **Other long-term employee benefits**

Liability in respect of compensated absences is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

- **Short-term employee benefits**

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

- r. **Provisions, contingent liabilities and contingent assets**

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimate of the amount required to settle the obligation at the date of the balance sheet. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, existence of which would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent assets are not recognised in the financial statements. However, it is disclosed only when an inflow of economic benefits is probable.

- s. **Earnings per share**

Basic earnings per share are computed by dividing net profit after tax (excluding other comprehensive income) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share after considering the income tax effect of all finance costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share.

- t. **Operating segments**

An operating segment is a component of a Group that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relates to transactions with any of the Group's other components, for which discrete financial information is available, and such information is regularly reviewed by the Group's Chief Operating Decision Maker (CODM) to make key decision on operations of the segments and assess its performance.

- u. **Non-current assets (or disposal groups) classified as held for disposal**

Assets are classified as held for disposal and stated at the lower of carrying amount and fair value less costs to sell. To classify any Asset as "Asset held for disposal" the asset must be available for immediate sale and its sale must be highly probable. Such assets or group of assets are presented separately in the Balance Sheet, in the line "Assets held for disposal". Once classified as held for disposal, these non-current assets are no longer amortised or depreciated.

3. Recent accounting pronouncements

- i. **Ind AS 116 "Leases:**

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

On March 30, 2019, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2019, notifying Ind AS 116 'Leases', effective from accounting period beginning on and after April 1, 2019, which replaces the existing standard Ind AS 17 'Leases'. Under Ind AS 116, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right of use asset) at the commencement date of lease. Lessees will be required to separately recognise interest expense on the lease liability and depreciation expense on the right of use asset. Lessor accounting under Ind AS 116 remains substantially unchanged from accounting under Ind AS 17. The Group is in process of assessing the potential impact of this Standard.

ii. Others

Ministry of Corporate Affairs ("MCA") has notified following amendments to Ind AS on March 30, 2019 which is effective for the annual period beginning on or after April 01, 2019.

1. Ind AS 12 - Appendix C, Uncertainty over Income Tax Adjustments

The amendment requires an entity to determine probability of the relevant tax authority accepting the uncertain tax treatment that the Group have used in tax computation or plan to use in their income tax filings.

2. Amendment to Ind AS 12 – Income taxes

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events

3. Ind AS 19 - Plan amendment, curtailment or settlement

The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Actuarial assumptions used

	As at 31 March 2019
Discount rate (per annum)	7.40%
Salary growth rate (per annum)	10.00%

Demographic assumptions used

	As at 31 March 2019
Mortality table	IALM(2012-14)
Retirement age	60 years
Average remaining life (years)	6.79
Withdrawal rates for all ages	12% per annum

These assumptions were developed by the management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

Sensitivity analysis

The financial results are sensitive to the actuarial assumptions. The changes to the defined benefit obligations for increase & decrease of 1% from assumed salary escalation, withdrawal and discount rates are given below. The following table summarises the effects of changes in these actuarial assumptions on the defined benefit liability at 31 March 2019.

(₹ in lakhs)

	As at 31 March 2019	
	Increase by 1%	Decrease by 1%
Discount rate		
Increase/ (decrease) in the defined benefit liability	(1.30)	1.46
Salary escalation rate		
Increase/ (decrease) in the defined benefit liability	1.18	(1.09)
Withdrawal rates		
Increase/ (decrease) in the defined benefit liability	(0.18)	0.20

The present value of the defined benefit obligation calculated with the same method (projected unit credit) as the defined benefit obligation recognised in the balance sheet. The sensitivity analysis is based on a change in one assumption while not changing all other assumptions. This analysis may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in the assumptions would occur in isolation of one another since some of the assumptions may be co-related.

- (a) The carrying value of trade and other receivables, security deposits, cash and bank balances and other financial assets recorded at amortised cost, is considered to be a reasonable approximation of fair value.
- (b) The carrying value of borrowings, trade payables, other financial liabilities recorded at amortised cost is considered to be a reasonable approximation of fair value.

ii) Fair values heirarchy and method of valuation

Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the balance sheet are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates.

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Valuation process and technique used to determine fair value

The fair values for instruments at amortised cost are based on discounted cash flows using a discount rate determined based on market interest rate for an equivalent instrument.

Note 34.2: Risk Management

The Group's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

The Group's risk management is carried out by finance team under policies approved by the Board of Directors. The Board of Directors provide written principles for overall risk management, as well as policies covering specific areas, interest rate risk, credit risk and investment of excess liquidity.

A) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Group causing financial loss. It arises from cash and cash equivalents, deposits with banks and financial institutions, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Group's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

The Group continuously monitors defaults of customers and other counterparties, identified either individually or by the Group, and incorporates this information into its credit risk controls. The Group's policy is to deal only with creditworthy counterparties.

In respect of trade and other receivables, the Group is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. Trade receivables consist of a large number of customers. The Group has very limited history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good.

The credit risk for cash and cash equivalents and loans is considered negligible, since the counterparties are reputable organisations with high quality external credit ratings.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Group maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates. In addition, the Group's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Financing arrangements

The Group had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in lakhs)

	As at 31 March 2019

	1,628.49

Contractual maturities of financial liabilities

The tables below analyse the Group's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying amounts as the impact of discounting is not significant.

C) Market risk - foreign exchange

The Group is not exposed to any foreign exchange risk arising from foreign currency transactions.

D) Market risk - interest rate risk

The Group's policy is to minimise interest rate cash flow risk exposures on long-term financing. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's variable rate borrowings. The Group is not exposed to changes in market interest rates in so far it relates to fixed rate borrowings.

Interest rate risk exposure

Below is the overall exposure of the Group to interest rate risk:

(₹ in lakhs)

Particulars	As at 31 March 2019
Variable rate borrowing	15,791.51

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on variable rate borrowing, as follows:

Gain / (loss) on profit before tax

(₹ in lakhs)

Particulars	31 March 2019
Interest rate increases by 50 basis points	(78.96)
Interest rate decreases by 50 basis points	78.96

Note 35: Capital management

The Group's capital management objectives are:

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

The Group monitors capital on the basis of the carrying amount of equity less cash and cash equivalents as presented on the face of balance sheet.

Summary of significant accounting policies and other explanatory information to the consolidated financial statements as at and for the year ended 31 March 2019

The Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Group's various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in the economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.
