NOTES:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020, May 05, 2020 and January 13, 2021 (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Additional information pursuant to Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 Directors seeking appointment / re-appointment at the AGM are furnished and forms a part of the Notice. The Directors have furnished the requisite consents / declarations for their appointment /re-appointment.
3. The relevant Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, setting out material facts in respect of items 4 & 5 are annexed and forms part of this notice.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure

Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

6. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent to the Scrutinizer and to the Company by email through its registered email address to vkmassociates@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com
7. The Register of Members and the Share Transfer Books of the Company will remain closed from Friday, July 30, 2021 to Thursday, August 5, 2021 (both days inclusive) for the purpose of identification of members who shall be entitled to receive Annual report, Dividend and attend Annual General Meeting of the Company.
8. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, M/s Universal Capital Securities Private Limited ("RTA") for assistance in this regard.
9. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form.
10. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to RTA in case the shares are held by them in physical form.
11. Members are entitled to make nomination in respect of shares held by them in physical form. Members desirous of making nominations are requested to send their requests in Form SH-13 which can be obtained from the Company's RTA.
12. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
13. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
14. Consequent upon the introduction of Section 72 of the Companies Act, 2013, Shareholders are entitled to make nomination in respect of shares held by them in physical form. Shareholders desirous of making nominations are requested to send their requests in Form SH-13 which can be obtained from the Company's RTA.
15. Members desirous of getting any information about the accounts and operations of the Company are requested to address their queries and write to the Company on or before August 4, 2021 through email on investors@morarkafinance.in. The same will be replied by the Company suitably.
16. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
17. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 available on www.iepf.gov.in.
18. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, the Notice of the 36th AGM along with the Annual Report 2020-21 and instructions for e-voting, is being sent only through electronic mode to all members whose email addresses are registered with the

Company / Depository Participant(s). Members may note that Soft copy of the Annual report 2020-21 is available on Company's website www.morarkafinance.in, website of BSE Limited at www.bseindia.com and on the website of CDSL www.evotingindia.com.

19. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
20. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
21. At the 33rd AGM held on September 26, 2017 the Members approved appointment of M/s. B. P. Gharda & Co., Chartered Accountants (Firm Registration No. 103155W) as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that AGM till the conclusion of the 37th AGM, subject to ratification of their appointment by Members at every AGM, if so required under the Act. The requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the 36th AGM.
22. SEBI has mandated the submission of PAN by every participant in securities market. Members who are holding the shares in electronic mode are therefore requested to submit the PAN to their depository participants with whom they are having their demat accounts. Members having shares in physical form can submit their PAN details to the company or its RTA.
23. In compliance of provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management & Administration) Rules 2014, as amended from time to time, and Regulation 44 of the SEBI Listing Regulations, the company is pleased to provide its members facility to exercise their votes by electronic means (remote e-voting) and the business may be transacted through e-voting as per the instructions below:
 - a) Details of Scrutinizer: M/s VKM & Associates, Practicing Company Secretaries, has been appointed as the Scrutinizer to scrutinize the e-voting in a fair and transparent manner.
 - b) The Scrutinizer shall, within a period not exceeding three working days from the conclusion of the e-voting period, unblock the votes in the presence of at least two witnesses (not in the employment of the Company) and make out a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.
24. A Member can opt for only one mode of voting i.e. either through remote e-voting or e-voting at the AGM. Since the AGM is held through VC/OAVM and voting through ballot paper will not be provided. The results declared along with the Scrutinizer's Report shall be placed on the Company's website www.morarkafinance.com and on the website of CDSL www.evotingindia.com within two days of the 36th AGM of the Company and shall be communicated to BSE Limited at www.bseindia.com where the shares of the Company are listed.
25. The Notice is being sent to all the Members, whose names appear on the Register of Members / List of Beneficial Owners as received from the Central Depository Services Limited (CDSL) as on July 2, 2021.
26. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
27. Members may note that the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 01, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend. - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility.

36TH ANNUAL REPORT 2020-2021

MORARKA FINANCE LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A) Global Economy

The COVID-19 pandemic has spread with alarming speed, infecting millions and bringing economic activity to a near-standstill as countries imposed tight restrictions on movement to halt the spread of the virus. As the health and human toll grows, the economic damage is already evident and represents the largest economic shock the world has experienced in decades.

The June, 2020 Global Economic Prospects describes both the immediate and near-term outlook for the impact of the pandemic and the long-term damage it has dealt to prospects for growth. The baseline forecast envisions a 5.2 percent contraction in global GDP in 2020, using market exchange rate weights—the deepest global recession in decades, despite the extraordinary efforts of governments to counter the downturn with fiscal and monetary policy support. Over the longer horizon, the deep recessions triggered by the pandemic are expected to leave lasting scars through lower investment, an erosion of human capital through lost work and schooling, and fragmentation of global trade and supply linkages.

The recovery of banking jurisdictions globally to pre-COVID-19 levels will be slow, uncertain, and highly variable across geographies. For 14 of the top 20 jurisdictions, we estimate that a return to pre-COVID-19 levels of financial strength won't occur until 2023 or beyond (see "Global Banking: Recovery Will Stretch To 2023 And Beyond," published on RatingsDirect on September 23, 2020).

Some emerging market banks will have a difficult year in 2021, and many will struggle to recover quickly from the pandemic. An exception may be China, where recovery of the banking sector to pre-COVID-19 financial strength could be earlier. Even for potential early-exiter banking jurisdictions from COVID-19, such as China, we don't expect recovery until year-end 2022.

COVID-19 IMPACT

Looking at the speed with which the crisis has overtaken the global economy may provide a clue to how deep the recession will be. The sharp pace of global growth forecast downgrades points to the possibility of yet further downward revisions and the need for additional action by policymakers in coming months to support economic activity.

B) Global Outlook

It is evident that the economic slowdown is real, consumer confidence is declining and RBI has pegged the GDP growth rate at 4.5%. Lenders are finding ways to manage their books, demand and stay in the business in long-run. New age non-bank lenders focusing on processes and models driven aided by superior technology express their learning in 2019 and their outlook for 2020.

Growth in assets under management (AUM) of non-banking financial companies, or NBFCs (excluding infrastructure NBFCs), and housing finance firms will revive in FY22 to about 7-9% *vis-a-vis* a flat performance during FY21, said ICRA.

The Global "NBFC Market" report offers a complete research study that includes accurate estimations of market growth rate and size for the forecast period 2020-2025. It offers a broad analysis of market competition, regional expansion, and market segmentation by type, application, and geography supported by exact market figures. The all-inclusive market research report also offers Porter's Five Forces Analysis and profiles some of the leading players of the global NBFC Market. It sheds light on changing market dynamics and discusses about different growth drivers, market challenges and restraints, and trends and opportunities in detail.

NBFC market trends report offers details regarding the valuable estimations of the market such as market size, sales capacity, and profit projections.

C) Domestic Outlook

The Government has taken a series of measures to generate demand and ease the liquidity by ensuring public sector banks lend further to NBFCs, introducing partial credit guarantee scheme, organizing loan mela etc.

Domestic rating agency India Ratings and Research quoted that it has maintained a negative outlook on non-banking financial companies (NBFCs) and housing finance companies (HFCs) for the second half of 2020-21. It said growth in assets under management would be flattish for NBFCs as against its earlier estimate of 8-10 per cent y-o-y, and in lower single digits for HFCs in 2020-21.

The biggest challenge for the industry is access to credit and the cost of credit, therefore. Now is the time to make credit available in the market through budget intervention.

Another way to increase credit supply is to make capital more accessible. NBFC, Includes those that have not been highly evaluated. This is very important for small new NBFCs that are funding individuals and small businesses.

Ideally, the government would create a guarantee scheme for banks to lend to such NBFCs, Bank. It is necessary to create a structure to provide financing to such NBFC. This can be followed uniformly without fear of making the wrong decision.

D) Finance & Capital Market

In the aftermath of NBFC crisis and pandemic, the sources of funds, especially for small and mid-size NBFCs, affected due to risk aversion of banks, while top rated large NBFCs were able to access funds via multiple sources including targeted long-

term repo rates (TLTROs). The increased preference for long-term funds from banks reflects the support through TLTRO. As mentioned in the RBI's Financial Stability Report, NBFCs and HFCs continue to be the largest borrowers of funds from the financial system of which a substantial part of funding is done by the banks. Amidst these challenging times, overall exposure of the banks to NBFCs has been increasing. The Commercial Papers (CPs) and Corporate Debt (CDs) deployed together in NBFCs increased in January, 2021 and reached at level witnessed in January, 2020.

Banks' outstanding credit to NBFCs registered a slower growth of 6.6% in January, 2021 (as compared with 35.8% in January, 2020) largely due to high base effect and investment by banks in NBFCs through various capital market instruments supported by RBI/Government of India. CPs, Bonds and Debentures raised by SCBs stood at ₹ 6.6 lakh crore as on December, 18, 2020 and November 20, 2020 (₹ 6.5 lakh crore as on December 20, 2019). If we compare it with September, 2018, banks outstanding to NBFC increased by 62.0%, and in absolute terms, it increased from ₹ 5.5 lakh crore to ₹ 8.9 lakh crore in January, 2021.

The MF debt exposure (CPs and CDs together) to NBFCs witnessed an increase from ₹1.47 lakh crore in December, 2020 to ₹1.78 lakh crore in January, 2021 (at highest level since January, 2020). However, data in Figure 1 do not include liquidity made available to NBFCs by banks via the securitisation route (DA & PTC) and investments made by banks in the NBFCs capital market issuances.

The Government of India has taken various steps to deepen reforms in the capital market, including simplification of the IPO process, which allows qualified foreign investors (QFIs) to access the Indian bond market. In 2019, investment in Indian equities by foreign portfolio investors (FPIs) touched five-year high of ₹ 101,122 crore (US\$ 14.47 billion). Investment by FPIs in India's capital market reached a net ₹ 12.52 lakh crore (US\$ 177.73 billion) between FY02-21 (till August 10, 2020).

Indian stock markets—S&P Sensex and Nifty50—rose 15.75 and 14.90% respectively in 2020. For the decade ended 2020, the Sensex gained a whopping 173% and Nifty surged by 169%.

In January 2021, the National Stock Exchange (NSE) launched derivatives on the Nifty Financial Service Index. This service index is likely to provide institutions and retail investors more flexibility to manage their finances.

OPPORTUNITIES, THREATS AND STRATEGIES

Non-banking finance companies (NBFCs) form an integral part of the Indian financial ecosystem. By extending the line of secured and unsecured credit to millions of underbanked and unbanked individuals and businesses across the country, these companies provide them an opportunity to be a part of the financial mainstream.

New-to-credit segment presents a massive opportunity for NBFCs to expand their market base. This market is largely untapped or underpenetrated in villages and tier 2 & 3 towns across the country. The segment also sees comparatively less competition due to probable risk. Potential customers in this segment, if educated and nurtured correctly, can become long term business proposition for NBFCs. Furthermore, the NBFC lending model is also under pressure as a result of increased internal and external forces such as:

1. Operational Risk

It arises when the flow of and controls over the operations of the company are lacking, which has adverse impact on the continuity of business, reputation and profitability of the company.

2. Credit Risk

It is a risk of default or non-repayment of loan by a borrower which involves monetary loss to the company, both in terms of principal and interest.

3. Business Risk

Morarka Finance being a NBFC is exposed to various external risks which have direct bearing on the sustainability and profitability of the Company. Foremost amongst them are Industry Risk and Competition Risk. The volatile macro-economic conditions and changes in sector attitude in various economic segments cause ups and downs in the business, and result in loan asset impairment.

4. Regulatory Risk

It is the risk of change in laws and regulations materially impacting the business.

5. Human Capital Risk

Human capital risk is the gap between the goals of the organisation and the skills of its workforce.

6. Technology advances (e.g., cloud computing, and big data analytics) that are enabling personalisation, realtime and social mobility, in addition to reducing cost to-serve and an increased ability to launch new product and reach new customer segments.

Despite concerns surrounding the sector, we believe such NBFCs with robust business models, strong liquidity mechanism, governance and risk management standards are well positioned to take advantage of the market opportunity. Hence, it is even more critical for incumbent and new-to-market NBFCs to define and implement a balanced strategy that meets table-stakes across essential, core capabilities and differentiates across high value-adding capabilities.

36TH ANNUAL REPORT 2020-2021

MORARKA FINANCE LIMITED

The overall investment philosophy stems from our objective of delivering superior risk adjusted returns to investors over an extended time frame. The investment philosophy is rooted in a set of well-established but flexible principles that relies extensively on fundamental research. It is our belief that over the time, stock prices will reflect a business' underlying intrinsic values and its long term prospects. As a result, our near strategy is to arrive at a comprehensive understanding of a company's business including the nature of its interactions with customers, suppliers, competitors and regulators. While doing so our strategy is to rely on various earnings multiples besides analyzing private market value and appropriate regional and global comparisons. The basic principles that serve as the foundation for the above investment approach are managing risk, maintain a balanced outlook on the market and focus on the long term. Even in these trying times the Company is motivated and positive in having better growth and market share in the near future.

BUSINESS & OPERATIONAL OVERVIEW

The company, in current fiscal has made profits of ₹ 68.50 lakhs as against profit of ₹ 494.65 lakhs for the Previous year. The revenue from the rental income and management consultancy fees will be contributing regularly and steadily rather than dependence on volatile capital market revenue generation.

RISK MANAGEMENT

INDEPENDENT AUDITOR'S REPORT

To the Members of Morarka Finance Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **Morarka Finance Limited** (hereinafter referred to as "the Company") which comprises the Balance Sheet as at 31st March, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Statement of Cash flows for the year then ended and Notes to the Financial Statements, including a summary of Significant Accounting Policies and other Explanatory Information (hereinafter referred to as "Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information as required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its Cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the **Auditor's Responsibilities for the Audit of the Financial Statements** section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key Audit Matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the year ended 31st March, 2021. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter in our audit of the Company for the year ended 31st March, 2021:

Key Audit Matter	Auditor's Response
Fair Valuation of investments	
The Company's investments are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity / preference requires significant judgment as a result of quoted prices being unavailable and limited liquidity in the markets.	We have assessed the Company's process to compute the fair value of various investments. For quoted instruments we have independently obtained market quotations and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.
Placing reliance on Electronic Evidence and Performing of Audit Procedures during the Mandatory National Lockdown due to Covid-19 Pandemic.	
The Company procedures of recording and storing information necessary for preparation of Financial Statements and having them audited is combination of electronic and manual processes. These processes were required to be audited by us remotely without visiting the Company premises due to the mandatory national lockdown and thereafter. Consequently, we have placed reliance on completeness and accuracy of the data and records made available to us electronically through e-mail. Had we been physically present at the company premises, we would have otherwise verified the physical copies of critical documents and we would have collected the audit evidence in physical copies.	We have carried out the validation of the electronic evidence provided by the management by performing the following procedures: <ul style="list-style-type: none"> • Inquiring with the Management of the controls they have implemented to convert physical documents into electronic versions and understanding them • Inquiring with the Management the method and controls used to extract information from various Registers maintained and of operating expenses, etc., and understanding how the Management ensures completeness and accuracy • Correlating various data obtained to ensure consistency and integrity • Obtaining representations from the management wherever necessary.

36TH ANNUAL REPORT 2020-2021

MORARKA FINANCE LIMITED

Information Other than the Financial Statements and Auditor's Report Thereon

5. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon.
6. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Financial Statements

8. The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the financial statements, management and Board of Directors are responsible for assessing the ability of the company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors of the company are also responsible for overseeing the financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - (ii) Obtain an understating of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management of the company.
 - (iv) Conclude on appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance of the Company included in the financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies(Auditor's Report) order, 2016 (" the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B Statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
16. As required by Section 143 (3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - The Balance Sheet, Statement of Profit and Loss (including other Comprehensive income), the Statement of changes in equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act.
 - On the basis of written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of section 164 (2) of the Act;
 - With respect to the adequacy of the internal financial controls over financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report;
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations having major implication on its financial position in its financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

36TH ANNUAL REPORT 2020-2021 MORARKA FINANCE LIMITED

ANNEXURE “A” TO INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 16(f) of the Independent Auditors’ Report of even date to the members of **Morarka Finance Limited** on the financial statement for the year ended 31st March, 2021.

Report on the Internal Financial Controls with reference to financial statements under Clause(1) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls with reference to financial statements of **Morarka Finance Limited (“the Company”)** as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

6. A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

36TH ANNUAL REPORT 2020-21

MORARKA FINANCE LIMITED

NOTES TO FINANCIAL STATEMENT AS AT MARCH 31, 2021

1. Company overview

Morarka Finance Limited (the company) was originally incorporated as Morarka Holding Limited dated March 15, 1985 with registrar of companies, Maharashtra at Mumbai.

The name of the company has been changed to Morarka Finance Limited on May 28, 1993.

The company is registered with RBI as NBFC-ND-NSI-Investment company on February 20, 1998 vide certificate of registration no. 13.00042 in Mumbai, to carry on the business of non-banking financial institution.

The company is listed on the Bombay Stock Exchange of India (BSE). These financial statements are presented in Indian Rupees.

2. Significant accounting policies

2.1 Basis of preparation of financial statements

A. Compliance with Ind-AS

The financial statements of the Company comply in all material aspects with Indian Accounting Standards ('Ind-AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. Any directions issued by the RBI or other regulators are implemented as and when they become applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use

B. Presentation of financial statements

The Balance Sheet, the Statement of Changes in Equity and the Statement of Profit and Loss are presented in the format prescribed under Division III of Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies ('NBFCs') that are required to comply with Ind-AS.

The Statement of Cash Flows has been presented as per the requirements of Ind-AS 7 Statement of Cash Flows.

C. Basis of preparation

The financial statements have been prepared under the historical cost convention on the accrual basis except for certain financial instruments, which are measured at fair values at the end of each reporting period as explained in the accounting policies below.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest INR in compliance with Schedule III of the Act, unless otherwise stated.

D. Use of estimates and judgements

The preparation of financial statements in conformity with Ind-AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognised in the periods in which the Company becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognised prospectively in the period in which the estimate is revised and future periods. The estimates and judgements that have significant impact on the carrying amount of assets and liabilities at each balance sheet date are discussed in Note 3.

2.2 Financial Instruments

A. Date of recognition

Financial assets and financial liabilities are recognised in the Company's balance sheet when the company becomes a party to the contractual provisions of the instrument

B. Initial measurement

Recognised financial instruments are initially measured at transaction price, which equates fair value.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in the statement of profit and loss.

C. Classification and subsequent measurement

(i). Financial assets

Based on the business model, the contractual characteristics of the financial assets and specific elections where appropriate, the Company classifies and measures financial assets in the following categories:

- Amortised cost
- Fair value through other comprehensive income (FVTOCI)
- Fair value through profit and loss (FVTPL)

(a). Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows ('Asset held to collect contractual cash flows'); and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding

The company records investment in preference shares at amortised cost

(b). Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that are held within a business model whose objective is both to collect the contractual cash flows and to sell the assets, ('Contractual cash flows of assets collected through hold and sell model') and contractual cash flows that are SPPI, are subsequently measured at FVTOCI.

Movements in the carrying amount of such financial assets are recognised in Other Comprehensive Income ('OCI'), except dividend income which is recognised in statement of profit and loss.

Amounts recorded in OCI are not subsequently transferred to the statement of profit and loss. Equity instruments at FVTOCI are not subject to an impairment assessment.

The company records investment in equity shares at FVTOCI

(c). Financial assets at fair value through profit and loss (FVTPL)

Financial assets which do not meet the criteria for categorisation as at amortised cost or as FVTOCI, are measured at FVTPL. Subsequent changes in fair value are recognised in the statement of profit and loss.

The Company records investments in mutual funds at FVTPL.

(ii). Financial liability and equity instrument

(a). Equity instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. An equity instrument issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs

(b). Financial liability

Financial liabilities are measured at amortised cost. The carrying amounts are determined based on the EIR method. Interest expense is recognised in statement of profit and loss.

Any gain or loss on de-recognition of financial liabilities is also recognised in statement of profit and loss

D. Reclassification

Financial assets are not reclassified subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line or in the period the Company changes its business model for managing financial assets. Financial liabilities are not reclassified

E. Derecognition

(i). Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when:

- The contractual rights to receive cash flows from the financial asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset and the Company has transferred substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

If the Company neither transfers nor retains substantially all of the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for the amount it may have to pay.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised and the proceeds received are recognised as a collateralised borrowing

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in statement of profit and loss

(ii). Financial liabilities

Financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability.

In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in statement of profit and loss

F. Impairment of financial assets

The company applies 'simplified approach' measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instrument and are measured at amortized cost e.g. loans, debt securities, deposits, and bank balance.
- Trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognized impairment loss allowance based on lifetime expected credit loss at each reporting date, right from its initial recognition.

G. Write-offs

The gross carrying amount of a financial asset is written-off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

However, financial assets that are written-off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in statement of profit and loss.

H. Offsetting

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, the Company has a legally enforceable right to offset the recognised amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

2.3 Cash and cash equivalents

Cash and cash equivalents include cash at banks and on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

The Company follows the policy of crediting the customer's account only on receipt of amount in the bank and as such no cheques in hand are taken into consideration.

2.4 Property, plant and equipment

A. Recognition and measurement

Tangible property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment comprise purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

B. Subsequent expenditure

Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future economic benefits / functioning capability from / of such assets.

C. Depreciation and amortisation

Depreciation on tangible assets is provided on straight line method over the useful life of assets estimated by the Management.

Property, Plant and Equipment which are added / disposed of during the year, depreciation is provided pro-rata basis with reference to the month of addition / deletion.

2.5 Impairment of non-financial assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired due to events or changes in circumstances indicating that their carrying amounts may not be realised. If any such indication exists, the Company estimates the recoverable amount of the asset or the cash generating unit ('CGU').

If such recoverable amount of the asset or the recoverable amount of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount.

The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the revised recoverable amount, subject to maximum of the depreciated historical cost.

2.6 Revenue recognition

Revenue (other than for those items to which Ind-AS 109 Financial Instruments is applicable) is measured at fair value of the consideration received or receivable. Amounts disclosed as revenue are net of goods and services tax ('GST') and amounts collected on behalf of third parties.

Ind-AS 115 Revenue from Contracts with Customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers.

The Company recognises revenue from contracts with customers based on a five-step model as set out in Ind 115:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

2.7 Provisions and contingences

The Company recognises a provision when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure is made in the financial statements.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that may arise from past events but probably will not require an outflow of resources to settle the obligation.

When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resource is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed in the financial statements.

2.8 Leases

Effective from 1st April 2019, the company has adopted Ind-AS 116 – Lease and applied to lease contract existing on 1st April 2019 with Dwarikesh Sugar Industries Limited (DSIL) (Lessee).

As per requirement of Ind-AS 116, The Company (lessor) has recognised lease payment received from DSIL as an operating lease on a straight-line-basis.

2.9 Goods and service tax paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the goods and services tax paid, except when the tax incurred on a purchase of assets or services is not recoverable from the tax authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

The net amount of tax recoverable from, or payable to, the tax authority is included as part of receivables or payables, respectively, in the balance sheet.

2.10 Income tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

A. Current tax

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 in respect of taxable income for the year and any adjustment to the tax payable or receivable in respect of previous years.

B. Minimum alternative tax (MAT)

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward.

In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as “MAT Credit Entitlement.”

The Company reviews the “MAT credit entitlement” asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

C. Deferred tax

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit and loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit and loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same tax authority.

2.11 Earning per share

The Company reports basic and diluted earnings per equity share. Basic earnings per equity share have been computed by dividing net profit / loss attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share have been computed by dividing the net profit attributable to the equity shareholders after giving impact of dilutive potential equity shares for the year by the weighted average number of equity shares and dilutive potential equity shares outstanding during the year, except where the results are anti-dilutive.

2.12 Statement of cashflow

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3. Critical accounting estimates and judgements

In the process of applying the Company's accounting policies, management has made the following estimates and judgements, which have a significant impact on the carrying amounts of assets and liabilities at each balance sheet date.

A. Fair value of financial instruments

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind-AS are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs) that the Company can access at measurement date.
