Re: INDEPENDENT AUDITOR'S REVIEW REPORT ON STANDALONE UNAUDITED QUARTERLY FINANCIAL RESULTS AND YEAR TO DATE RESULTS OF THE COMPANY PURSUANT TO REGULATION 33 OF SEBI (LISTING OBLIGATION AND DISCLOSURE REQUIREMENTS) REGULATION, 2015 (AS AMENDED) FOR THE QUARTER ENDED 30th SEP 2020

1. We have reviewed the accompanying statement of unaudited Financial Results of **Alexander Stamp & Coin Limited** for the quarter ended on **Sep 30, 2020** attached herewith. This statement has been prepared and submitted by the company in accordance with regulation 33 of the securities and exchange board of India (listing Obligation and disclosure Requirement) Regulations, 2015 as amended (the "Listing Regulations" for which auditor firm is in process to get peer review and has been initialed by us for identification purpose. This statement, which is responsibility of the company's management and approved by the board of director, has been prepared in accordance with the recognition and measurement principals laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 and other accounting principals generally accepted in India and in accordance with regulation 33 of the securities and exchange board of India (listing Obligation and disclosure Requirement) Regulations, 2015 approved by board of directors. Our responsibility is to issue a report on this statement based on our review.
2. We conducted our review of the Statement in accordance with the standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the institute of chartered accountant of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements result are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than audit. A review is substantially less in scope than an Audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an Audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. *Based on our review conducted as above, following critical matters and points has come to our attention which cause us to believe that accompanying unaudited standalone financial results does not prepare in accordance with the applicable accounting standards and other recognized accounting practices and policies. Our conclusion on the statement is modified in respect of below mentioned facts.*

Basis for modified opinion

1. Inventories (Valuation of Inventory not done as per IND AS 2)

Traded Finished goods stock has been valued by the company on the basis of internal valuation and the value adopted by them is not as per cost or market value whichever is lower basis which in turn contrary to the IND AS-2 and Accounting Slandered on valuation of inventory issued by ICAI. Impact on profitability if any could not be ascertainable as no comparable data is available. Looking at the nature of business of the company it is very difficult to ascertain value of inventory held by the company hence we have relied upon management valuation and certificate issued by independent Chartered Accountant. We have strongly recommended company management to appoint independent department to keep and manage stock movement and stock in hand to have transparency in managing the operations of the company. In absence of the proper response and justification of our above adverse observation from the management, we are unable to comment on the impact of the said transaction on financial results.

2. Matters concerning to compliances of Companies Act, 2013

Authorized share capital of the company is Rs.6,00,00,000 whereas paid-up share capital of the company is Rs. 8,64,00,000 hence company has not increase it's authorized share capital. Company has not provided for interest/penalty for the said default in the financial statement.

3. Share Application Money

The company had received share application money of ` . 60 lacs from investors as a part of preferential allotment however till the date of signing of the financial statements the company has neither allotted shares against application money nor repaid the same to the investor and the said money has been utilized by the company even after the expiry of 60 days from the receipt of the same and the company has also failed to compliance of chapter V of the companies Act, 2013 resultant to the company has to bear the cost of interest on outstanding amount till the same is refunded to respective investors. The company fails to provide for in the books of account w.r.t. interest and penalty if any.
