(2) The Company has assessed the possible effects that may result from the pandemic relating to

COVID-19 on the carrying amounts of Receivables, Inventories and other assets / liabilities. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of the pandemic, the Company, as at the date of approval of the statement has used available internal and external sources of information. The Company believes that the pandemic is not likely to have a significant impact on the recoverability of the carrying value of its assets. The Company is closely monitoring the developments and possible effects that may result from the current pandemic on its financial condition, liquidity and operations and is actively working to minimise the impact of this unprecedented situation. As the situation is continuously evolving, the eventual impact may be different from the estimates made as of the date of approval of the statement.
