To

Board of Directors of Coffee Day Enterprises Limited

1. We were engaged to review the accompanying Statement of unaudited consolidated financial results of Coffee Day Enterprises Limited ("the Parent Company") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit after tax and total comprehensive income of its associates and joint ventures for the quarter ended 30 September 2019 ("the Statement"), being submitted by the Parent Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. It is the responsibility of the Parent Company's Management and Board of Directors to compile this Statement from the individual final accounts prepared by the management of the subsidiaries in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The statement has been approved by the Parent Company's Board of directors.
3. Our responsibility is to conduct a review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

We are also responsible for performing procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Because of the matters described in the paragraph 5 below, we were not able to obtain sufficient evidence to provide a basis for conclusion on the Statement and hence we do not express a conclusion on the Statement.

4. The Statement includes the results of the entities as per the attached Annexure I.

5. Basis for disclaimer of conclusion

- a. Auditor of 1 subsidiary which in turn has 13 step-down subsidiaries and 2 joint ventures (together constituting 42% of revenue), based on its review, has expressed an unmodified conclusion on the underlying unaudited consolidated financial results. The review report is dated 8th November, 2019 and is therefore of a date much earlier than the date of this report.

Auditors of 4 subsidiaries which in turn has 20 subsidiaries, 2 joint ventures and 1 step down subsidiary (constituting 55% of revenue), based on their review, have issued a disclaimer of conclusion on the underlying unaudited financial results due to the possible impact of the recoverability of dues from Mysore Amalgamated Coffee Estates Limited ("MACEL"), a related party. The auditor in respect of one subsidiary while giving disclaimer of opinion has drawn attention in the emphasis of matter paragraph to the treatment of impairment in respect of leasehold improvements, capital work in progress and capital advances would be provided for on a regular basis depending on the profitability, future increase in major expenses and on the cafes becoming inoperative permanently.

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

The review reports of the Parent Company reviewed by us (constituting 0.50% of revenue) express disclaimer of conclusion on the underlying unaudited financial results due to inter alia: possible impact of the recoverability of dues from MACEL of Rs.3,535 crores to the subsidiaries of CDEL listing, compliance and recoverability of related party transactions and balances and impact of subsequent events to the date of this report.

Based on the above, we have not been able to obtain adequate evidence which could support a conclusion other than a disclaimer for the Group as a whole.

- b. In a letter dated 27 July 2019 signed by late Mr. V.G.Siddhartha, the Promoter and then Chairman and Managing Director of the Parent Company, which has come to light, it was inter-alia stated that the Management and auditors were unaware of all his transactions. Attention is drawn to note 11 of the Statement, wherein, consequently, the Board of Directors have initiated an investigation into the circumstances leading to the statements made in the letter and to scrutinize the books of accounts of the Company and its subsidiaries.

The investigation report submitted on 24th July,2020 has concluded that a sum of Rs.3,535 crores is due from MACEL a related entity to the subsidiaries of CDEL as on 31st July,2019. The report further concludes that out of this sum, Rs.842 crores was due to the subsidiaries as on 31st March,2019 and the balance sum of Rs.2,693 crores is the incremental outstanding which needs to be addressed.

We are unable to comment on the appropriateness of the transactions, including regulatory non-compliances, if any, and the recoverability of the amounts due in the absence of requisite evidence not being made available to us and its impact to the Statement.

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

- c. In respect of some of the subsidiaries, adequate evidence with respect to compliance with debt covenants or details of defaults in repayment of borrowings and consequent actions, if any taken by bankers/ lenders as provided in the relevant loan agreements (refer note 22 of the Statement) have not been provided to us.

We are therefore unable to comment on the consequential adjustments that might impact this statement on account of non-compliance with debt covenants.

- d. We have not been provided appropriate evidence about the recognition of fair value of the estimated loss allowance on corporate guarantee given to its subsidiary (as detailed in note 20 of the Statement) as required by Ind AS 109, 'Financial Instruments'.

- e. Impairment for Goodwill of Rs.491 crores arising on consolidation has not been considered in this statement. (refer note 13 of the Statement). The above impairment is required by Ind AS 36, 'Impairment of Assets', in view of the developments during the period including the investigation report submitted to the company.

We are therefore unable to comment on whether any provisions on account of impairment is required and the impact of the same on this statement.

- f. In the case of 1 subsidiary, which in turn has 13 step-down subsidiaries and 2 joint ventures, and two associate companies and a step-down subsidiary reviewed by other auditors, the relevant review report on consolidated unaudited financial results is dated much earlier than the date of this report. In the case of this group as well as for other subsidiaries sufficient appropriate evidence regarding subsequent events as required by Ind AS 10, "Events after the Reporting Period" has not been provided, and therefore relevant procedures could not be performed.

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

We are therefore unable to comment on the adjustments, if any, arising from such events in the case of these subsidiaries which may have occurred in the time period between 30 September 2019 and the date of this report.

- g. In case of the Parent Company and certain subsidiaries, the review reports contain a disclaimer of conclusion relating to going concern; the review reports of certain other subsidiaries contain a paragraph stating that there was material uncertainty relating to going concern assumption. However, the management has prepared the consolidated financial results on a going concern basis as detailed in note 23. On a consideration of the overall position and in view of the matters stated in paragraphs above we are unable to comment on whether the going concern basis for preparation of the Statement is appropriate.

6. Disclaimer of conclusion

In view of the nature of the matters described in paragraph 6, '**Basis for disclaimer of conclusion**'; above for which absence of sufficient evidence has resulted in limitation on work and the consequent adjustments not being determined and based on the consideration of the review reports of the other auditors referred to in paragraph 8 below, we are unable to state whether the accompanying statement has been prepared in accordance with the recognition and measurement principles laid down in the relevant Indian Accounting Standards and other accounting principles generally accepted in India, or that the Statement discloses the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement. Thus, we do not express a conclusion on the accompanying financial results.

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

7. Emphasis of Matter

- a. As detailed in note 19 of the Statement, sufficient appropriate evidence is not available to support a subsidiary's compliance with Section 45-IA of the Reserve Bank of India (RBI) Act, 1934. Further, the Parent Company and another subsidiary had filed applications seeking exemption from registering themselves as Non-Banking Financial Company (NBFC). As at the date of this review report, a response from RBI is awaited. Further with respect to one subsidiary, it has not filed an application with the RBI till date seeking condonation of the above non-compliance.

Accordingly, we are unable to comment on the compliance with the aforesaid regulations and consequential impact, if any on the Statement.

- b. The Parent Company has also received a notice from Registrar of Companies, Karnataka, calling for information in connection with a proposed enquiry under Section 206 of the Companies Act, 2013. Which has been responded to by the company.

Pending the outcome of the enquiry and related proceedings, we are unable to comment on the impact of the same on the Statement.

8. Other matters

- a. The unaudited financial results of 42 subsidiaries, 2 Associates, and 5 Joint ventures included in the Statement (reviewed by other auditors) reflect total revenues of Rs.708.07 crores and total net profit after tax of Rs.19.01 crores for the quarter ended 30 September 2019, as considered in the unaudited consolidated financial results. The unaudited financial results reviewed by other auditors whose reports have been furnished to us by the Management, and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures, is based on the reports of the other auditors.

- b. The financial results of 4 subsidiaries which are yet to commence operations for the quarter ended 30 September 2019, as considered in the Statement have not been reviewed either by us/ other auditors. However, the relevant financial information of these entities has been approved by the Management of the Parent Company. According to the information and explanations given to us by the Management, these financial results are not material to the Group.
- c. We further draw your attention to the Note No. 24 to the Statement, which describes the extent to which the COVID-19 pandemic will impact the company's financial results. The same will depend on future developments, which are highly uncertain.

3. Our responsibility is to conduct a review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Because of the matters described in the paragraph 4 below, we were not able to obtain sufficient appropriate evidence to provide a basis for conclusion on the Statement and hence we do not express a conclusion on the Statement.

the estimated loss allowance on corporate guarantee given to its subsidiary (as detailed in note 15 of the Statement) as required by Ind AS 109, 'Financial Instruments'.

We are therefore unable to comment on the recoverability of the stated balance from group companies, fair value of estimated loss allowance on corporate guarantee given to a subsidiary, and the impact on this Statement.

- b. We have not been provided with Management's assessment of the indicators and consequential assessment of impairment of its investments in subsidiaries, associates and joint ventures with a carrying value of Rs. 1,943 crores as at 30 September 2019, as required by Ind AS 36, 'Impairment of Assets', particularly consequent to developments during this period. As detailed in note 9 of the Statement, the company makes an assessment of impairment only at the end of the financial year.

We are therefore unable to comment on the impairment if any on investments in subsidiaries, associates and joint ventures and the effect, if any, on this Statement.

- c. This Statement has been prepared by the Management and Board of Directors using the going concern assumption. The matters detailed in the above paragraphs may have a consequential implication on the Company's ability to continue as a going concern. We are therefore unable to comment on whether the going concern basis for preparation of the Statement is appropriate.

5. Disclaimer of conclusion

Because of the substantive nature of the matters stated in paragraph 4, '**Basis for disclaimer of conclusion**', above for which we have not been able to obtain sufficient evidence, we are unable to state whether the accompanying Statement has been prepared in accordance with the applicable accounting standards and other recognized accounting

practices and policies or that the Statement discloses the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement. Thus, we do not express a conclusion on the accompanying financial results.

6. Emphasis of Matter

- a. In a letter dated 27 July 2019 signed by late Mr. V. G. Siddhartha, the Promoter and then Chairman and Managing Director of the Company, which has come to light, it was inter-alia stated that the Management and auditors were unaware of all his transactions.

The holding company has provided clarification as follows to the stock exchanges, vide its letter dated 24.07.2020.

Query raised	Clarification
<u>Para 6(f) of the report</u> In case of certain subsidiaries, we have not received sufficient appropriate evidence of the indicators and the consequential assessment of impairment of non-financial assets for the quarter ended 30 June 2019 i.e. for leasehold improvements, capital work-in-progress and capital advances aggregating to Rs. 248 crores.	After the demise of our chairman we had a huge liquidity issue. Further due to COVID 19 our retail business had a huge impact on liquidity. The share price of SICAL and the company is at the lowest level. This is a temporary phenomenon. The business of the company is running and there is no need to impair any investment for the quarter ending June 2019 and the decision will be taken to analyse the requirement of impairment of investment and loans and advances at the end of the financial year.
<u>Para 6(i) of the report</u> As explained in note 8 of the Statement, a subsidiary transferred a part of its business to its step-down subsidiary whose parent subsequently became a joint venture. Sufficient justification and basis of accounting for such transfer and compliance of the same with the requirements of the Indian Accounting Standards have not been provided.	The required valuation certificate will be made available to the Auditors for valuation of F&G business for transfer of F&G business to a new company before the completion of second quarter limited review report.

a) In respect of Para 6(f) - Out of Rs.248 crores, Rs.193 crores pertains to this company. And this mainly include the leasehold improvements of the cafes. The company had closed 280 cafes during Q1 of financial year 2019-20 and related leasehold improvements has been fully depreciated in the books of accounts. The decision for closure of cafes will be taken on regular basis based on various factors including the profitability, future increase in major expenses etc. However the remaining cafes are being operational, and has some hindrance, only due to lock down under Covid-19 conditions. Accordingly impairment of all the leasehold improvements is not warranted in Q1 itself.

M/s.COFFEE DAY GLOBAL LIMITED

b) In respect of Para 6(i) - Valuation report has been obtained for the F&G division being sold and the value as per the report is Rs.25.88 crores compared to the transaction value of Rs.26 crores.

Other points raised in the review report pertaining to this company is addressed in other respective notes to this Statement.

- 8 a) Post the unfortunate demise of the group Chairman, despite some temporary disruptions, the company has been able to smoothly carry on the operations in an uninterrupted manner under the guidance of the Executive Committee.
- b) The company has incurred cash losses for the period. However has achieved positive EBIDTA and the management is hopeful of coming out of this temporary phenomenon
- c) There is a continued support from the group companies on sale of non core assets of the group.
- d) Exports operation has been stopped due to lower margin and higher working capital requirement, and around 64 outlets are closed during the quarter, based on various factors including the profitability, future increase in major expenses etc. This will result in continuing the remaining cafes (approximately 1430) profitably and adding value for the company as a whole to continue as going concern.
- e) One of the bank has classified the company facilities as NPA. Further there is default in payment of dues to various banks and financial institutions to the tune of Rs.140.61 crores upto Feb 2020, including dues to that bank. There is a continued support from bankers and financial institutions and none of the lender has recalled the loans and no official communciation recalling the loan has been received by the company so far. Under the above circumstances the financial results are prepared on going concern basis.
- 9 Ind AS 116 - Leases, has become applicable effective annual reporting period beginning April 1, 2019. The Group has adopted the standard beginning April, 1 2019, using the modified retrospective approach for transition. Accordingly, the Group has not restated the comparative information, instead the cumulative effect of initially applying the standard has been recognised as an adjustment to the opening balance of retained earnings as on April, 1 2019. This has resulted in recognising (including reclassification from other assets) a "Right of use asset" of Rs. 547.22 Crore and a corresponding "Lease Liability" of Rs. 715.28 Crore by adjusting retained earnings of Rs. 168.06 Crores as at April, 1 2019.

Consequently in the statement of unaudited profit and loss for the current period, the "Other Expense" in the financial statements stand reduced to the extent of Rent pertaining to operating leases and the amounts under "Depreciation and amortization expense" for the right of use assets and "Finance cost" for interest accrued on lease liability, stand increased. As a result the "Other expenses", "Depreciation and amortization expense" and "Finance Cost" of the current period is not comparable to the earlier periods. In the present financial information the effect is given based on the initial assessment. The complete assessment is under process, including but not limited to of identifying the leases for which new provisions should be applied, adoption of appropriate discount rate, accounting for estimated restoration cost, etc.

To the extent the performance of the current period is not comparable with previous results, the reconciliation of above effect on statement
