NOTICE

NOTICE is hereby given that the 30th Annual General Meeting of the Members of **ANUPAM FINSERV LIMITED** will be held on Monday, 20th day of September, 2021 at 11.00 am through Other Audio Video Means/Video Conferencing Facility at the registered office of the Company at 502, Corporate Arena, DP Piramal Road, Goregaon West, Mumbai 400104 to transact the following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company for the Financial Year ended March 31, 2021 and the Reports of the Directors and Auditors thereon and in this regard, pass the following resolution as an Ordinary Resolution:

“RESOLVED THAT the audited standalone financial statements of the Company for the financial year ended March 31, 2020 and the reports of the Board of Directors and Auditors thereon laid before this meeting, be and are hereby considered and adopted”

2. To appoint Mrs. Nirmala Gala (DIN 00894497), who retires by rotation as a Director and being eligible offers herself for reappointment and in this regard, pass the following resolution as an Ordinary Resolution:

“RESOLVED THAT pursuant to the provisions of Section 152 of the Companies Act, 2013, Mrs. Nirmala Gala (DIN 00894497), who retires by rotation at this meeting, be and is hereby appointed as a Director of the Company, liable to retire by rotation.”

SPECIAL BUSINESS:

3. **To approve sub division of equity shares from the Face Value of Rs. 10/- (Rupees Ten) per share to Re. 1/- (Rupee One) per share:**

To consider and if thought fit to pass the following resolution as an Ordinary Resolution:

“RESOLVED that pursuant to the provisions of Section 61(1)(d) read with Section 64 and other applicable provisions, if any, of the Companies Act, 2013 and the Rules made thereunder (including any statutory modification(s) or re-enactment thereof, for the time being in force) and in accordance with the provisions of the Memorandum and Articles of Association of the Company and subject to such approvals, consents, permissions and sanctions as may be necessary from the concerned authorities or bodies, subject to the consent of the Members of the Company, the consent of the members of the Board be and is hereby accorded for sub-dividing each of the Equity Share of the Company having a face value of Rs. 10/- (Rupees Ten) each into 10 (Ten) Equity Shares of the face value of Re.1/- (Rupee One) each.

RESOLVED FURTHER that pursuant to the sub-division of the Equity Shares of the Company, the authorised, issued, subscribed and paid-up equity share capital of nominal value of Rs. 10/- (Rupees Ten) each shall stand sub-divided into 10 (ten) Equity Shares of the face value of Re. 1/- (Rupee One) each from the record date and shall rank *paripassu* in all respects with and carry the same rights as the existing fully paid Equity Shares of Rs. 10/- each of the Company.

RESOLVED FURTHER that upon sub-division of the Equity Shares as aforesaid, the existing Share Certificate(s) in relation to the existing Equity Share of the face value of Rs. 10/- (Rupees Ten) each held in the physical form shall be deemed to have been automatically cancelled and be of no effect on and from the Record Date of the sub-division and it is required to surrender the existing physical Share Certificate(s), to the Company/RTA to issue and dispatch the new Share Certificate(s) of the Company, in lieu of such existing issued Share Certificate(s) subject to the provisions of the Companies (Share Capital and Debenture) Rules, 2014 and in the case of the Equity Shares held in the dematerialized form, the number of sub-divided Equity Shares be credited to the respective beneficiary accounts of the Shareholders with the Depository Participants, in lieu of the existing credits representing the Equity Shares of the Company before sub-division.

RESOLVED FURTHER that the Board of Directors of the Company (which expression shall also include a committee thereof) be and is hereby authorised to fix the record date and to take all the necessary steps as may be necessary in relation to the above and to delegate all or any of the power(s) conferred hereinabove as it may in its absolute discretion deem fit, to the Managing Director or any Director(s) or any other Key Managerial Personnel or any other officer(s) of the Company in order to give effect to the aforesaid Resolution(s) including but not limited to fixing record date, implementation of the proposal of sub-division of equity shares of the Company, as it may be required, in relation thereto.

RESOLVED FURTHER that for the purpose of giving effect to this Resolution, the Board of Directors of the Company (which expression shall also include a committee thereof) and/or the Managing Director and / or any other key managerial personnel be and are hereby severally authorised to accept and make any alteration(s), modification(s) to the terms and conditions as they may deem necessary, concerning any aspect of the sub-division of equity shares, in accordance with the statutory requirements as well as to give such directions as may be necessary or desirable, to settle any question, difficulty or doubt

that may arise in this regard and generally, to do all acts, deeds, matters and things as they may, in their absolute discretion deem necessary, expedient, usual or proper in relation to or in connection with or for matters in relation / consequential to the sub-division of Equity Shares including execution and filing of all the relevant applications, writings, deeds and documents with the Stock Exchange, Depositories and other appropriate authorities, in due compliance of the applicable rules and regulations, without seeking any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this resolution.”

4. To alter Capital Clause in Memorandum of Association of the Company:

To consider and if thought fit to pass the following resolution as an Ordinary Resolution:

“**RESOLVED that** pursuant to the provisions of Sections 13, 61 and all other applicable provisions, if any, of the Companies Act, 2013 and the Rules made thereunder (including any statutory modification(s) or re-enactment thereof, for the time being in force), Clause V of the Memorandum of Association of the Company be and is hereby amended and substituted by the following Clause V:

“The Authorized Share Capital of the Company is Rs. 12,00,00,000 (Rupees Twelve Crores Only) divided into 12,00,00,000 (Twelve Crore) equity shares of Re. 1 (Rupee One) each.”

RESOLVED FURTHER that for the purpose of giving effect to this Resolution, the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds, matters and things and give such directions as it may in its absolute discretion deem necessary, proper or desirable and to settle any question, difficulty or doubt that may arise in this regard and also to delegate to the extent permitted by law, all or any of the powers herein conferred to any committee of Directors or the Managing Director or any Director(s) or any other Key Managerial Personnel or any other officer(s) of the Company.”

With a view to improve the liquidity, the Board at its meeting held on 13th August, 2021, considered and approved the sub-division of 1 (One) Equity Share of the Company having a face value of Rs.10 (Rupees Ten) each into 10 (Ten) Equity Shares of face value of Re. 1/- (Rupee One) each subject to approval of the members and any other statutory and regulatory approvals as applicable. The Record date for the aforesaid sub-division of the equity shares will be fixed after approval of the members is obtained.

Presently, the authorised share capital of your company is Rs. 12,00,00,000 (Rupees Twelve Crores only) divided into 1,20,00,000 (One Crore Twenty Lacs) Equity Shares of Rs. 10/- (Rupees Ten) each and the paid up share capital of the Company is Rs.10,51,25,000 (Ten Crores Fifty One Lakhs Twenty Five Thousand only) divided into 1,05,12,500 (One Crore Five Lakhs Twelve Thousand Five Hundred) Equity Shares of Rs.10/- (Rupees Ten) each fully paid up. There will not be any change in the amount of authorized, issued, subscribed and paid up share capital but the number of shares will change to 12,00,00,000 (Twelve Crores) and 1,05,12,500 (One Crore Five Lakh Twelve Thousand Five Hundred) Equity Shares in the authorised and paid up share capital of the Company respectively.

The sub-division as aforesaid would require consequential amendment to the existing Clause V of the Memorandum of Association of the Company on the terms set out in item no. 4 of the notice to reflect the change in face value of each equity share of the company from existing Rs.10/- each to proposed Re. 1/- each. As per the provisions of the Sections 13 and 14 of the Companies Act, 2013, any alteration in the Memorandum of Association of the Company shall be effected only after the approval of the members by passing an ordinary resolution.

Accordingly, the approval of shareholders is required by way of ordinary resolution for sub-division of Equity Shares of the Company and consequential amendment to the capital clause of the Memorandum of Association in pursuance of the provisions of the Companies Act, 2013 and the applicable Rules, Regulations and laws.

Accordingly, your Directors recommend the Resolutions as set out in Item Nos. 3 and 4 of the Notice for approval of the Members.

None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested financial or otherwise in the Resolution(s) as set out at Item Nos. 3 and 4 of the Notice except to the extent of their shareholding.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Impact of the CoVID-19 Pandemic on business in general

The Company is engaged in the business of Non Banking Finance more specifically granting of short and long term finance and credit and allied services. The unexpected outbreak of COVID-19 pandemic led to a pause in growth and smooth operations of the Company.

The Company has resumed complete operations from the registered office rotating the staff and ensuring strict compliance towards safety and measures such as physical distancing, sanitization, compulsory wearing of masks at workplace has been taken to protect the health and safety of the workforce. The Company has provided for vaccination of employees as well.

The current situation has severely affected the Finance industry as a whole. In the present situation, it is difficult to ascertain the overall impact of the outbreak on the Company. The Company is fairly uncertain about the period of repayments which might have an impact on the operations, profitability, liquidity and future growth plans of the Company.

Presently the Company has liquidity to fund the fixed costs and expects the same to continue till normalcy of returns. Net NPA rate is under control. Internal financial reporting and control are fully functional. No other material matters can be identified at present.

Industry Structure and Development:

The Company is registered as a Non Deposit taking Non Systematically Important Non Banking Finance Company. As the NBFC Industry continued to grow its share in the Financial markets, on a whole it remained stressed out in FY2019-2020 and F Y 2020-2021. Nevertheless, on overall analysis of the NBFC sector, and the liquidity position of the Company and its quality of assets, the management is very optimistic of the future growth and prospectus of the Company.

Opportunity and Threats:

Being a Loan NBFC, fluctuating interest rates, nonperforming assets and the current Pandemic pose a threat to the business of the Company. However the same can be converted into opportunities by focusing on proper planning and implementation, conservative liquidity management, strengthening collections, operating expenses management.

Segment Wise/ Product Wise Performance:

As the Company is in only one line of business, product wise and/or segment wise disclosure of performance is not required to be made.

Business Outlook:

The Management of the Company is looking for steady growth of the Company and aims at maximizing the shareholders wealth by earning maximum profits at low costs. Due to the willingness of the management of the Company to keep on exploring various opportunities, the future of the Company is promising and growth centered.

Risk/ Concerns and Mitigation:

1. With Non Banking Finance Sector becoming increasingly competitive, the Company's growth will depend on its ability to maintain a low effective cost of funds; and minimization of nonperforming assets. Inability to do so could have a material adverse effect on its business, financial condition and results of operations.
2. The Company's interest income and profitability is dependent on the continued growth of its asset portfolio. Any decline in its net interest margins in the future can have a material adverse effect on its business, financial condition and results of operations.
3. As an NBFC, the Company is required to adhere to certain exposure limits and prudential norms as approved by the Board and the regulatory authorities. Any change in the regulatory regime viz Net owned funds, provisioning norms, prudential norms on asset classification, income recognition, provisioning etc. may adversely affect its business, financial condition and results of operations.
4. The Company may make equity investments in various sectors in the future and such investments may erode/ depreciate.
5. As the Company adopts IT, the risk exists for the possibilities of IT frauds.

The Company has a dynamic Risk Management framework to identify, evaluate business risks and opportunities. The framework helps in identifying risks, exposure and potential impact analysis for the Company level.

Internal Control System and their adequacy:

The Company has an in-house internal audit department which examines and ensures adequate internal checks and control procedures. It also ensures proper accounting, records authorization, control of operations and compliance with law.

Further, the Internal Auditor and Audit committee periodically reviews the effectiveness of the Internal Financial control and makes suggestions for constant improvements.

The company also believes in the importance of technology and systems in improving controls at various levels and strives to enhance them on a continuous basis. Further the Company is continuously working to improve and strengthen internal check and control system to align with the expected growth in operations.

Discussion on Financial Performance with respect to Operational performance:

At Anupam Finserv Limited, our constant endeavor is to grow. The company has accelerated its operations and is progressing.

Human Resources and Industrial Relations:

The Company considers human resource as a valuable ingredient of the Company. The Company has appropriate policies in place for recruitment, training, skill development and compensation for its workmen, employees and staff. The Company makes an effort to keep on building good relationship with its associates, competitors and all the stakeholders in the various industries wherein it operates.

AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members,
Anupam Finserv Limited
502, Corporate Arena, D.P. Piramal Road,
Goregaon (W), Mumbai - 400104

We have examined the compliance of conditions of Corporate Governance by Anupam Finserv Limited ('the Company'), for the year ended 31 March 2021 as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as "SEBI Listing Regulations, 2015").

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

The certificate is addressed and provided to the Members of the Company solely for the purpose of enabling the Company to comply with the requirement of the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

To
The Members of Anupam Finserv Limited

Opinion

We have audited the accompanying financial statements of **Anupam Finserv Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the statement of Profit and Loss, including the statement of Other Comprehensive Income, the cash flow statement and the statement of changes in equity for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 39 to the financial statements, which describes the uncertainty caused by Novel Coronavirus (COVID-19) pandemic with respect to the Company's estimates of impairment of loans to customers and that such estimates may be affected by the severity and duration of the pandemic. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2021. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the following matters to be the key audit matters to be communicated in our report:

Sr. No.	Key Audit Matter	Auditor's Response
a.	<p>Impairment of financial assets (expected credit losses) (as described in Note No 4 of the financial statements)</p> <p>Ind AS 109 requires the Company to recognise impairment loss allowance towards its financial assets (designated at amortised cost) using the expected credit loss (ECL) approach. Such ECL allowance is required to be measured considering the guiding principles of Ind AS 109 including:</p> <ul style="list-style-type: none"> • unbiased, probability weighted outcome under various scenarios; • time value of money; • impact arising from forward looking macro-economic factors and; • availability of reasonable and supportable information without undue costs. <p>Applying these principles involves significant estimation in various aspects, such as:</p> <ul style="list-style-type: none"> • grouping of borrowers based on homogeneity; • staging of loans and estimation of behavioural life; • determining macro-economic factors impacting credit quality of receivables; • estimation of losses for loan products with no / minimal historical defaults. <p>Considering the significance of such allowance to the overall financial statements and the degree of estimation involved in computation of expected credit losses, this area is considered as a key audit matter.</p>	<p>Principal Audit Procedures:</p> <p>We read and assessed the Company's accounting policies for impairment of financial assets and their compliance with Ind AS 109 read with RBI guidelines.</p> <ul style="list-style-type: none"> • We tested the criteria for staging of loans based on their past-due status to check compliance with requirement of Ind AS 109 read with RBI guidelines. Tested a sample of performing (stage 1) loans to assess whether any loss indicators were present requiring them to be classified under stage 2 or 3 and vice versa. • We evaluated the reasonableness of the management estimates by understanding the process of ECL estimation and tested the controls around data extraction and validation. • Tested the ECL model, including assumptions and underlying computation.
b.	<p>Evaluation of Loans and Advances Given:</p> <p>Being a non-banking finance Company holding registration under section 45IA of the Reserve Bank of India Act, 1934, the loans and advances given by the Company constitute the major component out of the total assets of the Company. Therefore, there is a significant inherent exposure of such risk-bearing assets to the uncertainties of default in interest or principle or both.</p>	<p>Principle Audit Procedures:</p> <p>Our Audit Procedures involved assessment of Company's policy and control system along with the review of procedures adopted for determining eligibility and thereafter sanctioning of the loans and advances. Furthermore, we have selected a sample of loan agreements/ contracts and through inspection of evidence and material available and placed on record, verified whether the same comply with set policies of the Company for determining the operating effectiveness of such controls.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended 31st March, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid/ provided for any remuneration to its directors during the year.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) the company has no branch offices whose accounts are audited by branch auditors;

- (d) the Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income and the Statement of Cash Flow and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (e) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015;
- (f) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. there are no pending litigations against the Company.
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2021.

Annexure –B to the Independent Auditors’ Report

Annexure B referred to in paragraph under the heading ‘Report on other legal and regulatory requirements’ of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Anupam Finserv Limited** (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

1. CORPORATE INFORMATION

1.1 Nature of Operations

Anupam Finserv Limited ('the Company') is a company limited by shares, incorporated on May 16, 1991 under the provisions of the Companies Act, 1956 and domiciled in India. The company is a non-deposit accepting Non-Banking Finance Company (NBFC) registered with the Reserve Bank of India (RBI) with effect from 20th April, 1998 with Registration No. B-13.00707.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 29 June, 2021, Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its annual general meeting.

1.2 Basis of preparation and statement of compliance with Ind AS

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction - Non-Banking Financial Company - Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

1.3 Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity.

Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- the normal course of business
- the event of default
- the event of insolvency of bankruptcy of the Company/ or its counter-parties

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

1.4 Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management's estimates are based.

1.5 Functional and presentation currency and Rounding off of the amounts

The functional and presentation currency of the company is Indian Rupees (INR). These financial statements are presented and stated in INR and have been rounded off to the nearest rupee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Income

(i) Interest income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no. 2.4(i)] regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired [as outlined in note no. 2.4(i)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non-payment of contractual cash flows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

(ii) Dividend income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

(iii) Other revenue from operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

a) Fees and commission

The Company recognises loan processing fees to its loan customers on satisfactory completion of service delivery.

b) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

(iv) Taxes

Incomes are recognised net of the Goods and Services Tax/Service Tax, wherever applicable.

2.2 Expenditures

(i) Finance costs

Borrowing costs on financial liabilities are recognised using the EIR [refer note no. 2.1(i)].

(ii) Fees and commission expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

(iii) Taxes

Expenses are recognised net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

2.3 Cash and cash equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.4 Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

(i) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified into four categories:

- (a) Debt instruments at amortised cost
- (b) Debt instruments at FVOCI
- (c) Debt instruments at FVTPL
- (d) Equity instruments designated at FVOCI

(a) Debt instruments at amortised cost

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR). For further details, refer note no. 2.1(i).

(b) Debt instruments at FVOCI

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI). The interest income on these assets is recognised in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long term investments in Government securities to meet regulatory liquid asset requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

(c) Debt instruments at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

The Company's investments into shares and mutual funds (trading portfolio) for trading and short term cash flow management have been classified under this category.

Derecognition of Financial Assets

The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognised, the Company does not have any continuing involvement in the same.

On derecognition of a financial asset in its entirety, the difference between:

- the carrying amount (measured at the date of derecognition) and
- the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

Impairment of financial assets

ECL are recognised for financial assets held under amortised cost, debt instruments measured at FVOCI and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

Treatment of the different stages of financial assets and the methodology of determination of ECL

(a) Credit impaired (stage 3)

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days;
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months-post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognised by applying the EIR to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

(b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD using a rate which is a reasonable approximation of EIR.

- Determination of PD is covered above for each stages of ECL.
- EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities.
- LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

A more detailed description of the methodology used for ECL is covered in the 'credit risk' section of note no. 31.

(ii) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR [Refer note no. 2.1(i)]. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

(iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.5 Property, Plant and Equipment (PPE)

Property, plant & equipments are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. PPE is recognized when the cost of an asset can be reliably measured and it is probable that the entity will obtain future economic benefits from the asset.

PPE is measured initially at cost. Cost includes the fair value of the consideration given to acquire the asset (net of discounts and rebates) and any directly attributable cost of bringing the asset to working condition for its intended use (inclusive of import duties and non-refundable purchase taxes).

The Company has elected to use the exemption available under Ind AS 101 to continue the carrying value for all of its PPE as recognised in the standalone financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition (April 1, 2018).

2.6 Depreciation/Amortization

Depreciation on Property, plant & equipments is calculated as per the useful life specified in Schedule II to the Act.

The management believes that the estimated useful lives are realistic and reflects fair approximation of the period over which the assets are likely to be used. At each financial year end, management reviews the residual values, useful lives and method of depreciation of property, plant and equipment and values of the same are adjusted prospectively where needed.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

2.7 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Cost comprises the acquisition price, development cost and any attributable / allocable incidental cost of bringing the asset to its working condition for its intended use. The useful life of intangible assets is assessed as either finite or indefinite. All finite-lived intangible assets, are accounted for using the cost model whereby intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised over the estimated useful economic life. Residual values and useful lives are reviewed at each reporting date. Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

When an intangible asset is disposed of, the gain or loss on disposal is determined as the difference between the proceeds and the carrying amount of the asset, and is recognised in the statement of profit and loss within 'other income' or 'other expenses' respectively.

2.8 Impairment of non-financial Assets

The company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets be impaired. If any such indication exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.9 Fair value measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial assets and liabilities. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statement are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

- Level 1 – quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3 – inputs that are unobservable for the asset or liability

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.10 Leases

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months and for leases of low-value assets. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

2.11 Employee benefits

The liability for retirement benefits, if any payable as per applicable laws and common practices followed by the Company, is provided for in books of accounts.

2.12 Income Taxes

The tax expense for the period comprises current and deferred tax. Taxes are recognised in the statement of profit and loss, except to the extent that it relates to the items recognised in the comprehensive income or in Equity in which case, the tax is also recognised in the comprehensive income or in Equity.

2.12.1. Current tax

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

2.12.2. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary timing difference. Deferred tax assets are recognized for deductible temporary differences to the extent that they are probable that taxable profit will be available against which the deductible temporary difference can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted on the reporting date.

Current and deferred tax for the year are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

2.12.3. Minimum Alternate Tax (MAT) Credit

Deferred Tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

2.13 Earnings per share

Basic EPS is calculated by dividing the profit or loss for the period attributable to the equity holders of the parent company by the weighted average number of ordinary shares outstanding (including adjustments for bonus and rights issues).

Diluted EPS is calculated by adjusting the profit or loss and the weighted average number of ordinary shares by taking into account the conversion of any dilutive potential ordinary shares.

Basic and diluted EPS are presented in the statement of profit and loss for each class of ordinary shares in accordance with Ind AS 33.

2.14 Provisions, Contingent Liabilities and Contingent Assets

2.14.1 Provisions

- a. Provisions are recognized when the company has present obligation (legal or constructive) as a result of past event and it is probable that outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense related to a provision is presented in the statement of profit and loss net of any reimbursement/contribution towards provision made.
- b. If the effect of the time value of money is material, estimate for the provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- c. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- d. When some or all the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

Anupam Finserv Limited

Notes to the financial statements for the year ended March 31, 2021

2.14.2 Contingent liability

a. Contingent liability is disclosed in the case;

- When there is a possible obligation which could arise from past event and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or;
- A present obligation that arises from past events but is not recognized as expense because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or;
- The amount of the obligation cannot be measured with sufficient reliability.

b. Commitments

Commitments include the value of the contracts for the acquisition of the assets net of advances.

2.14.3 Contingent assets

Contingent asset is disclosed in case a possible asset arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

2.15 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within 3 months from the date of acquisition that are readily convertible into known amounts of cash along with bank overdrafts and which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities.

2.16 Cash flow statements

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments.

28 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework which is responsible for developing, implementing and monitoring Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. The risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by Internal Audit. Internal Audit undertakes regular reviews of risk management controls and procedures. The observations, management action plans and adherence to those action plans are reported to Audit Committee from time to time.

The Company has exposure to following risks arising from financial instruments:

- A) Credit risk
- B) Liquidity risk
- C) Market risk
- D) Operational risk

A) Credit risk:

Credit risk' is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's loans and advances to customers and investment debt securities.

Management of credit risk

The Company has put in place well defined product programs with credit policy parameters defining the credit appetite for each product. The credit policy gets administered through credit underwriting managers for each product across branches. In order to retain the independence of the credit function, functional reporting of the credit managers is separated from sales. The Company has put in place review mechanisms to identify and measure credit risk arising out of customer acceptance as well as credit behaviour. Further, collections teams are responsible for managing credit impaired customers with usage of appropriate tools including negotiations, legal actions and recovery proceedings. The Company has put in place a collections policy defining the role and responsibilities of collections function. The Company has also put in place mechanisms to identify risk indicator signals and take appropriate actions to address the concerns arising out of the risk indicator signals.

Credit quality analysis / Expected credit loss measurement

Ind AS 109 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below. The objective of the impairment requirements is to recognise lifetime expected credit losses for all financial instruments for which there have been significant increases in credit risk since initial recognition - whether assessed on an individual or collective basis - considering all reasonable and supportable information, including that which is forward-looking.

A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Company.

If significant increases in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired.

If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3'. Financial instruments in 'Stage 1' have their ECL measured at an amount equal to 12 months ECLs. Instruments in Stage 2 or 3 have their ECL measured based on expected credit losses on a lifetime basis. Purchased or originated credit-impaired financial assets are those financial assets that are credit impaired on initial recognition. Their ECL is always measured on a lifetime basis (Stage 3).

The measurement of ECL is calculated using three main components:

- (i) Probability of default (PD)
- (ii) Loss given default (LGD) and
- (ii) Exposure at default (EAD)

28 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Credit quality analysis / Expected credit loss measurement contd...

The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected credit losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

The Company's policies for computation of expected credit loss (ECL) are set out below:

ECL on loans and advances

ECL is computed for loans and investments portfolio of the Company. The loans and advances portfolio comprises of the following:

- (i) Demand loans
- (ii) Term loans

Investments measured at amortised cost is subjected to ECL.

Staging criteria:

Following staging criteria is used for Loans and investments :

- (i) standard and 0 - 30 days past due (DPD) as stage I;
- (ii) 31- 90 DPD as Stage II; and
- (iii) outstanding > 90 DPD as stage III.

Probability of Default (PD%)

PD represents the likelihood of a borrower defaulting on its financial obligation, either over the next 12 months (12M PD), or over the remaining lifetime (Lifetime PD) of the obligation.

The 12 month PD% is computed as follows:

In the case of both demand loans and term loans lending portfolio, the PD% is computed based on average percentage of PD for financial years namely 2017-18, 2018-19 and 2019-20.

Loss Given Default (LGD%)

It is the part of an asset that is lost provided the asset defaults. The recovery rate is derived as a ratio of discounted value of recovery cash flows (incorporating the recovery time) to total exposure amount at the time of default. Loss given default is computed as (1-recovery rate) in percentage terms. LGD has been applied on the basis of past observable trend of recoveries from the defaulted assets.

The following factors have been considered for computation of LGD:

- (i) Time to recovery - Time taken to recover the dues
- (ii) Amount recovered - Amount recovered against total dues (including interest accrued thereon along with any charges due)
- (iii) Discounted value of recovery cash flows

Exposure At Default (EAD)

EAD is the total amount of an asset the entity is exposed to at the time of default. EAD is defined based on the characteristics of the asset. EAD is dependent on the outstanding exposure of an asset, sanctioned amount of a loan and credit conversion factor for non-funded exposures. The current outstanding balance of loans as on 31st March 2020, 31st March 2019 and 1st April 2018 are considered for ECL computation purpose.

Write off policy

Financial assets are written off either partially or in their entirety only when the Company has stopped pursuing the recovery. Any subsequent recoveries are credited to impairment on financial instrument in statement of profit and loss.

B) Liquidity risk:

Liquidity risk is the risk that Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. Company closely monitors its liquidity position and deploys a robust cash management system.

Such scenarios could occur when funding needed for illiquid asset positions is not available to the Company on acceptable terms. To limit this risk, management has arranged for diversified funding sources and has adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on regular basis. The Company has developed internal control processes and contingency plans for managing liquidity risk. This incorporates an assessment of expected cash flows and the availability of cash, cash equivalents and high grade collateral which could be used to secure additional funding if required.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow. In accordance with the Company's policy, the liquidity position is assessed under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Company.

Maturity profile of undiscounted cash flows for financial liabilities as on balance sheet date have been provided below:

C) Market risk:

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates. The Company primarily deploy funds in liquid securities as a part of its liquidity management approach. The Company regularly reviews its average borrowing/lending cost including proportion of fixed and floating rate borrowings/loans so as to manage the impact of changes in interest rates.

The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

i) Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments. The Board has established limits on the interest rate gaps for stipulated periods. The Company monitors on a regular basis to ensure positions are maintained within the established limits.

D) Operational and business risk:

Operational risk is the risk of loss arising from systems failure, human error, fraud or external events. When controls fail to operate effectively, operational risks can cause damage to reputation, have legal or regulatory implications, or lead to financial loss. The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include maker-checker controls, effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes.

29 CAPITAL MANAGEMENT

(i) Capital management

Objective

The Company's objective is to maintain appropriate levels of capital to support its business strategy taking into account the regulatory, economic and commercial environment. The Company aims to maintain a strong capital base to support the risks inherent to its business and growth strategies. The Company endeavours to maintain a higher capital base than the mandated regulatory capital at all times.

Planning

The Company's assessment of capital requirement is aligned to its planned growth which forms part of an annual operating plan which is approved by the Board and also a long range strategy. These growth plans are aligned to assessment of risks- which

NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

- 39 The COVID-19 pandemic has affected several countries across the world, including India. This uncertainty is reflected in the Company's assessment of impairment loss allowance on its loans which are subject to a number of management judgements and estimates. In relation to COVID-19, judgements and assumptions include the extent and duration of the pandemic, the impacts of actions of governments and other authorities, and the responses of businesses and consumers in different industries, along with the associated impact on the global economy.

Further in accordance with the RBI guidelines relating to COVID-19 Regulatory Package' dt. March 27, 2020, some of its borrowers have availed for the EMI moratorium.
