**Item No.7**

The Company is expected to render support for the business requirements of other companies in the group, from time to time. However, owing to certain restrictive provisions contained in the Section 185 of the Companies Act, 2013, the Company was unable to extend financial assistance by way of loan, guarantee or security to other entities in the Sharda Group. In the light of amendments notified effective May 7, 2018, inter-alia replacing the provisions of Section 185 of the Companies Act, 2013, the Company with the approval of members by way of special resolution, would be in a position to provide financial assistance by way of loan to other entities in the group or give guarantee or provide security in respect of loans taken by such entities, for their principal business activities. The members may note that board of directors would carefully evaluate proposals and provide such loan, guarantee or security proposals through deployment of funds out of internal resources / accruals and / or any other appropriate sources, from time to time, only for principal business activities of the entities in the Sharda Group. Hence, in order to enable the company to advance loan to Subsidiaries/ Joint Ventures / associates/ other Companies/ Firms in which Directors are interested directly or indirectly under section 185 of the Companies Act, 2013 requires approval of members by a Special Resolution. The Board of Directors Recommend the Special Resolution for approval by the members. All the Directors except for the Independent Directors are concerned or interested in the aforesaid resolution, financially or otherwise.

34. MANAGEMENT DISCUSSION AND ANALYSIS:**ECONOMY:**

During the Financial year under review, the year 2018 started on an optimistic note with global growth expectations pegged at 3.9% driven by strong economic activity and policy level interventions. But the global growth rate declined to 3.6% in 2018 owing to various factors such as an increase in trade tensions and tariff hikes between the United States and China, the decline in business confidence, tightening of financial conditions and higher policy uncertainty across many economies. In addition to trade wars, geopolitical tensions across regions proved as headwinds. While the first half of 2018 witnessed strong growth at 3.8%, the second half saw a deceleration in global economic activity, in light of the various factors affecting major economies. Growth in China was at 6.6%, its slowest pace since 1990, due to necessary domestic regulatory tightening, slower domestic investment, and tariff hikes and trade tensions with the United States. The United States witnessed a growth of 2.9%, the highest since 2015, with major contributions coming from personal spending, fixed investment, public expenditure and inventories. The Eurozone witnessed slowdown in growth due to political uncertainties like Brexit and the disruption of automobile production in Germany caused by the new emission norms. The region also witnessed softening of overall external demand from emerging Asia. This was further met with a drop in investment in Italy due to widening sovereign spreads. In the Far East, Japan was hit by natural disasters. Growth in India was 7.1%, primarily due to growth in the construction sector (8.9%) and manufacturing sector (8.1%). That said, through the middle of the year 2019, global growth is likely to witness a modest recovery as the economies currently engaged in trade wars have also initiated high-level dialogues to resolve the contentious issues.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Global steel demand grew by 2.1% in the year 2018, largely driven by China, coupled with investment-led recovery in the advanced economies. Global crude steel production reached 1,808.6 million tones (MnT) in the year 2018, up 4.6% from the year 2017 levels, pushing capacity utilization above 70%. Crude steel production in India, increased to 106.5 MnT. India's crude steel production increased by 4.9% over the previous year, making India the second largest crude steel producing country. Despite the slowdown in the economy, global steel demand increased by 2.1% in 2018. The marginal increase over 2017 was mainly supported by government stimulus in China and better than expected economic activity. However, steel demand in developed economies slowed to 1.8% in 2018 as compared to 3.1% in 2017. Steel

demand in the European Union ('EU') grew by 2.2% in 2018 as against 3.4% in 2017. Output growth in the steel consuming sectors in the EU eased in the second half of 2018, especially in the automotive sector. In 2018 the EU was a net importer of steel at 16.9 MnT. Exports from China to the rest of the world decreased again in 2018 to 68.8 MnT. Changing trade flows in the global steel market have caused an increase in the amount of anti-dumping measures. While China leads production volumes with more than 51% share, India displaced Japan as the world's second largest steel producer at the start of the Current year 2019. According to Worldsteel, Japan produced 104.3 MnT in the current year 2018, down 0.3% from the previous year 2017 levels.

OPPORTUNITIES AND THREATS:

Your Company is poised to seize the opportunities in the Iron & the Steel Industry (both for steel & intermediary saleable products) through its strengths of locational and logistical advantages, raw material linkages, technology edge and management expertise. These opportunities will be linked directly to the growing demand from the automobile and auto components, infrastructure, construction and power sectors. Your Company's strategic location in Nagpur offers scope for seamless value addition in its manufacturing process from hot metal to stainless steel. The threats for your Company would come from adverse fluctuations in the input and capital costs, foreign exchange variations and taxes & duties. The buoyancy in the Iron & Steel Sector has attracted many players, resulting in reduced availability of skilled manpower and contractor workforce. Delay in opportunity grabbing may result in loss in revenue generation and rise in costs.

SEGMENTWISE OR PRODUCT-WISE PERFORMANCE:

The Company operates in only one segment, i.e. iron & steel. During the financial year 2018-19 the Company achieved production of Steel product as under:

Own Unit – 19,128.237 MT (Previous Year 16,886.254 MT)

Sales (Rs.) – 10,582.38 Lacs (Previous Year 8,597.88 Lacs)

Conversion Service – 14,529.328 MT (Previous Year 8,113.106MT)

Sales (Rs.) – 834.25 Lacs (Previous Year 273.32 Lacs)

OUTLOOK FOR STEEL INDUSTRY:

As per WSA, global steel demand is forecasted to reach 1,735 MnT in 2019, an increase of 1.3% over 2018. In 2020, global steel demand is expected to reach 1,752 MnT, reflecting an increase of 1%. Although steel demand is expected to grow, the rate of growth will be lower owing to a slowdown in the global economy. Further, China's deceleration, uncertainty surrounding trade policies and the political situation in many regions suggest a possible moderation in business confidence and investment. China plans for a major structural overhaul of the steel sector by 2020. Further, it plans to reduce the steel output, which would ease the uneven supply-demand situation in the sector, modernise the steel mills to achieve energy consumption and pollutant emissions within the nation standard by 2020. Steel demand in developing Asia excluding China is expected to grow by 6.5% and 6.4% in 2019 and 2020 respectively, making it the fastest growing region in the global steel industry.

In the ASEAN region, infrastructure development is expected to support demand for steel. Steel demand in advanced economies is expected to grow at a slower pace owing to trade tensions and lower spend on construction activities. Steel demand in India is expected to grow at 7% in

2019 as well as in 2020. Steel demand in India will be driven by broad based growth across sectors. Construction is expected to grow, boosted by government spending on infrastructure. The automotive sector is expected to grow at about 7.5% in 2019 which slows lower than that of 2018 as sales towards the end of 2018 and early 2019. Policy to support the real estate sector will lead to stronger growth in 2019. Recovery in the capital goods sector witnessed in 2018 is expected to sustain in 2019. The sector is expected to grow above 7%, aided by increasing demand for construction and Earthmoving equipment.

RISK & CONCERNS :

Your Company has identified major areas of risk and concerns and increased focus thereon to ensure achievement of the organizational objectives. The Company has a well defined structure and proactive approach to assess, monitor and mitigate risks associated with these areas, as briefly enumerated below:

- a) Systems – Your Company has implemented ERP, the software for Enterprise Resource Planning and integrated its operations to use best business and commercial practices.
- b) Statutory compliances – Procedure is in place for monthly reporting of compliance of statutory obligations and reported to the Board of Directors at its meetings.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company employs an adequate and effective system of internal control commensurate with its size and nature of that provides for assurance of the efficiency of operations, security of Company's assets, accurate and prompt recording of transactions, efficient Management Information Systems and compliance with the prevalent statutes, accounting standards.

The internal control is supplemented by an extensive review by internal auditors. The prime objective of internal audit is to test the adequacy and effectiveness of internal controls laid down by the management and to suggest improvements. Observations of the internal auditors are subject to periodic review and compliance monitoring. The Audit Committee of the board reviews the significant observations made by internal auditors along with status of action thereon.

The Company has in place adequate internal financial controls with reference to the financial statements. During the year, such controls were tested and no reportable material weakness was observed in the design or implementation.

DISCUSSIONS ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE :

During the fiscal year 2018-19, the Company achieved the sales turnover of Rs. 11,416.63 Lacs (Own Unit Rs. 10,582.38 Lacs (19,128.237 MT) and Conversion / Service Rs.834.25 Lacs (14,529.328 MT) as against Rs. 8,871.19 Lacs {Own Unit Rs. 8,579.88 Lacs (16,886.254 MT) and Conversion/ Service Rs. 273.32 Lacs (8,113.106 MT)} during the previous year. After providing depreciation of Rs. 26.71 Lacs and Rs.74.44 Lacs towards interest and further adjusting Rs. 250.37 Lacs for taxation (net) the Company posted a net profit after tax of Rs. 677.32 Lacs as against Rs. 411.36 Lacs during the last year. The operational performance of the Company has improved. Since the Company has witnessed a tremendous increase in the amount of manufacturing work and job work, due to increase in the total activity in steel end use sectors especially automotive sector, has witnessed huge growth during the year. Hence, to meet the requirement, double shift operation has been performed in most of the month during the year under review, which resulted in better turnover and more profit.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

The Company recognizes the importance of human resources in realizing its growth ambitions and believes in nurturing talent within the organization to take up leadership positions. The Company increased its more concentration on the development of Human Resources than any other Resources. The Company took adequate steps for maintaining safety and healthy environment for the workers. The Industrial relations continue to be cordial, throughout the year. Your Directors place on record their sincere appreciation for the excellent team work displayed by the employees of the Company. During the year ended 31.03.2019 the total number of employees employed by the Company was 38 (Thirty eight).

35. ACKNOWLEDGEMENT:

The directors would like to express their sincere appreciation of the co-operation received from the Banks, Government Authorities, Customers, Vendors and Shareholders during the year under review. Your Directors also wish to place on record their deep sense of appreciation for the committed service of the executives, staff and workers of the Company.

**INDEPENDENT AUDITORS' REPORT**

To the Members of,
Sharda Ispat Limited

Report on the IND AS Financial Statements**Opinion**

1. We have audited the accompanying IND AS Financial Statements of Sharda Ispat Limited ('the Company'), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss (including the statement of Other Comprehensive Income), the Cash flow Statement and the Statement of Changes in Equity for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS Financial Statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2019, its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the IND AS Financial statement in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the INDAS Financial statement.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the IND AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key audit matter	How our audit addressed the key audit matters
Valuation of Inventories (as described in note VIII of the INDAS Financial statement) As at March 31, 2019, inventories constitute approximately 19.94% of total assets of the company.	Our audit procedures include the following: - We evaluated the inventory valuation accounting policies. - We assessed the key assumption made by the management in valuing inventories.

Inventories are valued at lower of cost or net realizable value. a) Identification, completeness and correctness of direct and indirect cost in valuation of inventory is a key audit matter. b) Calculation of net realizable value is also a key audit matter due to significant movement in price of raw-material and finished goods.	- We verified the cost of finished goods based on cost sheet prepared by the management in accordance with valuation principles prescribed under INDAS-2 "Inventory". We have verified the net realizable value of finished goods based on actual sales transaction incurred subsequent to reporting date

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the IND AS financial statements and our auditor's report thereon.

Our opinion on the IND AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the IND AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the IND AS Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these IND AS Financial Statements that give a true and fair view of the state of affairs (financial position), profit and loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the IND AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibility**

10. Our objectives are to obtain reasonable assurance about whether the IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,
 - Identify and assess the risks of material misstatement of the IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the IND AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in

extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
16. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Financial Statements dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid IND AS Financial Statements, comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued there under;
 - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a Director in terms of Section 164 (2) of the Act;
 - (f) We have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per "Annexure B" expressed an unmodified opinion;
 - (g) As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in the IND AS financial statements as at March 31, 2019. Refer Note 31 to the IND AS financial statements on Contingent Liabilities;
 - ii. The company did not have any material foreseeable losses on long term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2019

"ANNEXURE A" TO
INDEPENDENT AUDITOR'S REPORT

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties are held in the name of the company.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods in-transit and stocks lying with third parties. For stocks lying with third parties at the year-end, written confirmations have been obtained by the management.
- (b) The Company is maintaining proper records of inventory and material discrepancies noticed on physical verification have been properly dealt with in the books of account.
- (iii) The Company has granted loan, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. The term and condition of the grant of loan are not prejudicial to the company interest.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investment, guarantees and security.
- (v) In our opinion, the Company has complied with the directives issued by the Reserve Bank of India, the provisions of Sections 73 to 76 and other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) as applicable, with regard to the deposits accepted. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal, in this regard.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/ services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities and there is no undisputed amount payable in respect of the same which were in arrear at the year-end for a period of more than six months from the date they become payable.

(b) The dues of the Income Tax, Sales Tax, Excise Duty, Service Tax and Value added tax as on 31st March 2019 which have not been deposited on account of dispute and the forum where the disputes are pending are as under:

**“ANNEXURE B” TO
THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
FINANCIAL STATEMENTS OF M/S SHARDA ISPAT LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal financial controls over financial reporting of M/s Sharda Ispat Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on, “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.” These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India."

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2019****Note 1. Company Overview And Significant Accounting Policies****1.1 Company Overview**

Sharda Ispat Limited is a listed public limited company domiciled in India, incorporated under the Companies Act, 1956. The Company is engaged in Manufacturing and job work of alloy steel flat / rolled products which are used in automobile component industries.

- 1.2 The financial statements are approved for issue by the Company's Board of Directors on 30th May, 2019.

Note 2. Basis of Preparation of Financial Statements

These financial statements are prepared in accordance with Indian Accounting Standards (IndAS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accounting policies are applied consistently to all the periods presented in the financial statements.

Note 3: Significant Accounting Policies:**I Revenue recognition**

The company derives revenues primarily from sale of manufactured goods, traded goods and related services.

Effective 01 April 2018, the company has adopted Indian Accounting Standard 115 (IndAS 115) - 'Revenue from Contracts with Customers' using cumulative catch-up transition method, applied to contracts that were not completed as on transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of IndAS 115 was insignificant.

Revenue is recognised on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the company expects to receive in exchange for those products or services.

The specific recognition criteria described below must also be met before revenue is recognised

A. Sale of goods

Revenue from sale of products and services are recognised at a time on which the performance obligation is satisfied.

B. Interest and dividend:

Interest income including income arising on other instruments recognised on time proportion basis taking into account the amount outstanding and the rate applicable

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

C. Others :

Other revenues / incomes and costs / expenditure are accounted on accrual, as they are earned or incurred.

**II. Property plant and equipment, investment property and depreciation / amortisation**

- A. Tangible fixed assets are stated at cost of acquisition or construction including attributable interest and finance cost, if any till the date of acquisition/installation of the assets, less accumulated depreciation/amortisation and accumulated impairment losses, if any.
- B. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.
- C. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions to assets or on sale/disposal of assets is calculated on pro-rata basis.

Asset Category	Estimated useful life (in Years)
Plant and Machinery	15
Computer servers and network systems	6
Computer desktops and laptops	3
Office Equipments	5
Vehicles	8
Furniture and Fixture	10
Factory Equipment	5
Factory Building	30

The residual values, useful lives and methods of depreciation of property plant equipment are reviewed at each financial year and adjusted prospectively, if appropriate.

III. Intangible assets and amortisation

Acquired computer softwares are classified as intangible assets and are stated at cost less accumulated amortisation. These are being amortised over the estimated useful life of five years, as determined by the management.

IV. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets**i. Initial recognition**

Financial assets are initial measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

**ii. Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

a) Financial Assets at Amortised Cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

iii. De-recognition of Financial Assets :

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

B. Financial Liabilities

Financial liabilities issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

I Financial Liabilities**1. Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2. Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

**- Financial liabilities at FVTPL**

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

- Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3. De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

C. Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

V. De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for de-recognition under IndAS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

VI. Impairment**a. Financial assets**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to life time ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in the statement of profit or loss.

**b. Non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, including impairment on inventories, are recognised in the statement of profit and loss.

i. Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

ii. Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

VII. Taxation**i. Current Tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the financial statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using rates that have been enacted or substantively enacted by the end of the reporting period.

In case the Company is liable to pay income tax u/s 115JB of Income Tax Act, 1961 (i.e. MAT), the amount of tax paid in excess of normal income tax is recognized as an asset (MAT Credit entitlement) only if there is convincing evidence for realization of such asset during the specified period. MAT credit entitlement is reviewed at each Balance Sheet date.

**ii. Deferred Tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

iii. Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

VIII. Inventories

All inventories are stated at lower of 'Cost or Net Realizable Value'.

The cost includes duties & taxes other than credits availed under modvat and is arrived at on First in First out basis.

IX. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after reporting period. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

X. Trade receivable

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

XI. Employee benefits**a) Defined Contribution Plan**

Contributions to defined contribution schemes such as provident fund, labour welfare fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of

Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b) Defined Benefit Plan

The Company provides for gratuity which is a defined benefit plans the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods.

The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c) Leave Entitlement

The company has a scheme for leave encashment for employees. The liability for which is determined on estimation basis as per rules of the company.

XII. Borrowings and Borrowing costs

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit or Loss when the liabilities are de-recognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Interests and other borrowing costs included under finance costs calculated as per effective interest rate attributable to qualifying assets, which takes substantial period of time to get ready for its intended use are allocated as part of the cost of such assets. Such allocation is suspended during extended periods in which active development is interrupted and, no costs are allocated once all such activities are substantially complete. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are charged to the Profit and Loss Account.

XIII. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

XIV. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**XV. Cash and Cash Equivalents**

"Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value."

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

XVI. Provisions, contingent liabilities and contingent assets

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are neither recognised nor disclosed in the financial statements.

Sensitivity Analysis:

As of 31st March, 2019, every percentage point increase in discount rate will affect our gratuity benefit obligation Rs. 44,26,884

As of 31st March, 2019, every percentage point decrease in discount rate will affect our gratuity benefit obligation Rs. 46,93,945

As of 31st March, 2019, every percentage point increase in salary escalation rate will affect our gratuity benefit obligation Rs. 46,85,862.

As of 31st March, 2019, every percentage point decrease in salary escalation rate will affect our gratuity benefit obligation Rs. 44,32,145.

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation by one percentage, keeping all other actuarial assumptions constant.

Projected service cost as on 31st March, 2020 is Rs. 362,996

Narrations:**1 Analysis of Defined Benefit Obligation**

The number of members under the scheme have decreased by 5.00%. The total salary has decreased by 3.32% during the accounting period. The resultant liability at the end of the period over the beginning of the period has increased by 6.42%.

2 Expected rate of return basis:

Scheme is not funded EORA is not applicable.

3 Description of Plan Assets and Reimbursement Conditions

4 Investment / Interest Risk

Since the scheme is unfunded the Company is not exposed to Investment / Interest risk.

5 Longevity Risk

The Company is not exposed to risk of the employees living longer as the benefit under the scheme ceases on the employee separating from the employer for any reason.

6 Risk of Salary Increase

The Company is exposed to higher liability if the future salaries rise more than assumption of salary escalation.

7 Discount Rate

The discount rate has decreased from 7.29% to 6.85% and hence there is an increase in liability leading to actuarial loss due to change in discount rate.

Note 34. Financial Risk Management Objectives and Policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

1) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument which fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk include loans and borrowings.

a) Interest rate risk

Majority of the long-term borrowings of the Company bear fixed interest rate, thus interest rate risk is limited for the Company.

b) Foreign currency risk

The company imports certain material against Letter of Credit for which hedging instruments are not required.

**c) Equity price risk**

The Company's equity securities are not majorly susceptible to market price risk. However, the company's board of directors reviews and approves all equity investment decisions after taking due diligence which may affect the market related risk.

2) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

3) Liquidity risk

The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Note 35. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the company's management is to maximise shareholders value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may issue new shares. Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total net debt (borrowings offset by cash and cash equivalents) divided by total capital of the company.

Gearing Ratio

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements. Breaches in meeting the financial covenants would permit the lenders to immediately call loans and borrowings.

The gearing ratio at the reporting period was as follows

Annexure 6 to Board's Report

The information required under Section 197 (12) of the Companies Act, 2013 read with rule 5 (1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are given below:

1. The percentage increase or decrease in remuneration of each Director, Chief Financial Officer, Company Secretary or Manager, if any, in the financial year 2018-19, the ratio of the remuneration of each director to the median remuneration of each Key Managerial Personnel (KMP) against the performance of the Company are as under:

Sr. No.	Name of Director/ KMP and Designation	Remuneration of Director/ KMP for Financial Year 2018-19 (Amount in Rs.)	% increase/ (decrease) in Remuneration in the Financial Year 2018-19	Ratio of remuneration of each Director/to median remuneration of employees (times)	Comparison of the remuneration of the KMP against the performance of the Company
1.	Shri. Nandkishore Sarda (Chairman & Managing Director)	36,00,000	No Change	11.89	Profit before tax increased by 49.05% and profit after tax increased by 64.65% in financial year 2018-19. There was a change in remuneration of KMP and its increase by 3.50%.
2.	Smt. Poonam Sarda (Whole-time Director & Chief Financial Officer)	30,00,000	No Change	9.91	
3.	Shri. Amit B. Mundada (Company Secretary & Compliance Officer)	4,81,507	3.50	-	

2. The median remuneration of employees of the Company during the financial year 2018-19 was Rs. 3,02,717/- per annum.
3. In the financial year 2018-19, there was no increase in the median remuneration of employees.
4. There were 38 permanent employees on the rolls of the Company as on March 31, 2019.
5. The Relationship between average increase in remuneration and Company performance: There was no increase in the remuneration of the directors but an increase of 3.50% in the remuneration of Company Secretary & Compliance officer during the financial year 2018-19. During the year under review, there was no increase in the median remuneration of the employees. The remuneration increase of the employees is in line with the market trend in the industry. In view of the fact the average percentage increase made in the salaries of the employees other than managerial personnel in the last financial year is not comparable with managerial remuneration.
6. Comparison of the remuneration of the key managerial personnel against the performance of the company:
Profit before tax increased by 49.05% and profit after tax increased by 64.65% in financial year 2018-19. There was a change in remuneration of KMP and is increased by 3.50%.
7. a) Variations in the market capitalization of the Company: The market capitalization as on 31.03.2019 was Rs. 3,452.22 Lacs (Rs. 4739.19 Lacs as on 31.03.2018).

- b) The Price Earnings ratio of the Company was 5.10 as at 31.03.2019 and was 11.52 as at 31.03.2018.
- c) Percentage increase over/ decrease in the market quotations of the shares of the Company as compared to the rate at which the Company came out with the last public offer in the year:
The Company came out with a public offer in 1995. An amount of Rs. 20/- in the said last public offer would be worth Rs. 68/- as on 31.03.2019 indicating an increase of 240%.
8. There was an increase of 0.71% in the salaries of the employees other than the managerial personnel in the last financial year 2018-19 and no change in managerial remuneration during the same financial year.
9. Since there has been no variation in components of the remuneration of the directors and KMP the information, i.e. the key parameters for any variable component of remuneration, under this clause is not relevant.
10. The ratio of the remuneration of the highest paid director to that of the employee who are not directors, but receive remuneration in excess of the highest paid director during the financial year 2018-19: Not Applicable.
11. It is hereby affirmed that the remuneration paid is as per the Nomination & Remuneration Policy for directors and key managerial personnel.

FOR THE FINANCIAL YEAR ENDED 31-03-2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members
Sharda Ispat Limited,
(CIN: L74210MH1960PLC011830)
Kamptee Road, Nagpur-440026

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sharda Ispat Limited** (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the "**Sharda Ispat Limited**" books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Sharda Ispat Limited** ("**The Company**") for the financial year ended on 31st March, 2019 and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit according to the provisions of:

- (i) The Companies Act, 2013 (**the Act**) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("**SCRA**") and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("**SEBI Act**") to the extent applicable to the Company :-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
