## **Press Release**

### **RITES signs MoU with CRIS to explore rail tech opportunities**

**Gurugram, July 12, 2022:** RITES Ltd., the leading Transport Infrastructure Consultancy and Engineering company, has signed a memorandum of understanding (MoU) with Centre for Railway Information Systems (CRIS), to explore information technology-based opportunities in the railway sector and new-age areas.

*Senior officials of CRIS & RITES Ltd at the MoU-signing ceremony in Gurugram*

The MoU will facilitate both entities to leverage each other's expertise and collaborate to drive digitalization in railway technologies. Together, CRIS and RITES will be working on national and international projects. With this partnership, the parties will devise smart, intelligent IT solutions for railway operations, apart from modernizing existing technology and telecommunication in the sector.

Mr. Sanjay Gupta, Chief Information Technology Officer, RITES Ltd., said, "The MoU with CRIS will help in offering state-of-art solutions to our clients and will pave the path towards building the digital future as we continue to innovate and leverage our technical expertise across the world."
