Details of the variations of the ESOP Scheme 2019 are provided below:

1. Variations in the ESOP Scheme 2019:

Clause No.	Existing Provision	New Provision
6.1	Subject to Clause 17, the maximum number of Shares that may be issued pursuant to exercise of all Options granted to the Participants under this Scheme shall not exceed 1,00,000 Options. The Company reserves the right to increase or reduce such number of Shares as it deems fit, in accordance with Applicable Laws.	Subject to Clause 17, the maximum number of Shares that may be issued pursuant to exercise of all Options granted to the Participants under this Scheme shall not exceed 5,00,000 Options. The Company reserves the right to increase or reduce such number of Shares as it deems fit, in accordance with Applicable Laws.

2. Rationale for the variation of the ESOP Scheme 2019

The current scheme has pool of One Lakh (100,000) Stock Options. Looking at the expansion programmes of the Company, the Company has appointed and propose to appoint employees in different streams. To motivate and retain existing and new employees it is proposed to increase the stock option pool in ESOP Scheme 2019 to Five Lakh (500,000) stock options. The proposed amendment is not detrimental to the interests of the option holders.

3. Details of the employees who are beneficiaries of such variation

All option holders and eligible employees to whom the options would be granted would benefit from the variation.

The Board recommends passing of the resolutions as set out under Item No. 3 of the Notice for approval of the members as a Special resolution.

None of the Directors or Key Managerial Personnel of the Company including their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution(s) except to the extent of the stock options that have been granted or may be granted to them.

Industry structure and developments:

India has emerged as a leading growth economy in the world and its GDP is growing consistently over last few decades. Financial services sector has also grown leaps and bounds over these years, but there is a vast scope for further growth considering the huge population that is expected to start consuming the services of financial market participants in days to come.

We can say that the pool of customers that will avail financial services of diverse nature is like a gold mine and the financial service providers are the prospects (mining companies) that are trying to encash upon the growth story by bringing in more customers through innovative technology driven solutions.

Back during the 1849 California Gold Rush, few prospectors struck it rich. Most of the people who made money back then were those who sold shovels (including jenas, tents, pickaxes and other supplies) to the prospectors who lived hard lives planning for gold. The perspectives of these two types of entrepreneurs (the shovel sellers and the prospectors) were different. The prospectors used their knowledge to stake a territorial claim and search for gold (which might or might not be discovered). Shovel sellers, on the other hand, sold to a defined market with serious needs who had money to pay. One such shovel seller in those days was Levi's Strauss (yes, the leading jeans and denim company of today) who sold dressings of jeans to prospectors for the use of their workers.

Your company is one of the shovel sellers that enables the financial services companies achieve their objective and makes a business model out of their requirements and necessities.

Covid 19 pandemic and the global lockdowns pursuant thereto have increased the reliance on technology to enable businesses to function and your company's technology driven endeavours are being well received by customers.

It will be an omnibus solution that can be used by any and all types of businesses and companies right from small businesses to ultra large multinationals.
4. Procuring TradePlus Back-office product suit: Your Company has recently entered into a deal wherein it has acquired complete product suite including source code, and exclusive rights to enhance and sell the solutions for equity and commodity back office, depository participant back office and few other solutions for securities market participants from TradePlus Technology LLP and has also entered into a consultancy agreement with TradePlus Technology LLP for 2 years. INDEPENDENT AUDITOR'S REPORT (STANDALONE)

To the Members of
SecMark Consultancy Limited

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of SecMark Consultancy Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its profit and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance

with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's

ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Auditors' Report

To the Members of

SecMark Consultancy Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SecMark Consultancy Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 2 : Significant accounting policies

a) Basis of preparation of financial statements:

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the provisions of the Companies Act, 2013 (the Act) (except as specifically mentioned), and the accounting principles generally accepted in India and comply with the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2014 issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable.

The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

b) Use of estimates:

The preparation of Financial statements in conformity with the generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amounts of income and expenses of the period, assets and liabilities and disclosures relating to contingent liabilities as of the date of financial statements. Actual results could differ from those estimated. Any revision to accounting estimates is recognised prospectively in future periods.

c) Revenue recognition:

The company derives its revenue from its services. Revenue is recognized at pre-determined rates as defined under contracts with clients and accounted for at the time of execution of transactions/ events. Interest income is recognized using the time proportion method, based on the transactional interest rates.

d) Investments:

Investments are classified into non current investments and current investments. Investments which are intended to be held for more than one year are classified as non current investments and investments which are intended to be held for less than one year, are classified as current investments. Non current investments are stated at cost and a provision for diminution in value of non current investments is made only if the decline is other than temporary in the opinion of the management. Current investments are valued at cost or market/fair value whichever is lower.

e) Provisions, Contingent Liabilities and Contingent Asset:

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or present obligation in respect of which the likelihood of outflow of resource is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

f) Fixed assets and depreciation:

- i. Fixed assets are carried at cost of acquisition (including directly attributable costs such as freight, installation, etc.) or construction less depreciation.
- ii. Depreciation on assets is provided on the written down value method as per the income tax rate. Depreciation on newly purchase assets is provided proportionately as per income tax basis.

g) Taxation:

Provision for tax is based on the taxable profit for the accounting year after taking into consideration the relevant provisions of the Income Tax Act, 1961.

h) Earnings per share:

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the number of equity shares outstanding on the last day of reporting period.

In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduce profit / loss per share are included.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no key audit matters to be disclosed.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters

in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

Annexure - A

To the Independent Auditor's Report on the Consolidated Financial Statements of SecMark Consultancy Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SecMark Consultancy Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company, internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, have in all material respects, an adequate internal financial control system with reference to consolidated financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2021, based on the internal controls with reference to financial statements criteria established by the Company, considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Note 2 : Significant accounting policies

a) Basis of preparation of financial statements:

The financial statements are prepared and presented under the historical cost convention, on the accrual basis of accounting and in accordance with the provisions of the Companies Act, 2013 ('the Act') (except as specifically mentioned), and the accounting principles generally accepted in India and comply with the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2014 issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable.

The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

b) Principles of consolidation

- i) The consolidated financial statements have been prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21-'Consolidated Financial Statements.

- ii) The financial statements of the Company and its subsidiaries have been combined to the extent possible on a line by line basis by adding together like items of assets, liabilities, income and expenses. The results of subsidiaries acquired or disposed off during the year are included in the consolidated Statement of Profit and Loss from the effective date of acquisition or up to the effective date of disposal, as appropriate. All significant intra group balances and transactions have been eliminated on consolidation. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the Balance Sheet of the Company and its share in the post – acquisition increase in the relevant reserves of the subsidiaries.
- iii) The excess of cost to the Company of its investments in subsidiaries over its share of the equity of the subsidiaries at the date on which the investment in the subsidiaries are made, is recognized as “Goodwill on Consolidation” being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of the investment is in excess of cost of investment of the Company, it is recognized as “Capital reserve” and shown under the head “Reserves and surplus”, in the consolidated financial statements. Impact of currency translation on such “Goodwill” and “Capital reserve” is adjusted in the respective carrying amounts. The unamortized carrying value of goodwill is tested for impairment as at each Balance Sheet date. For the purpose of impairment testing, goodwill is allocated to each of the Group’s cash-generating units that are expected to benefit from the synergies of the business combination. Cashgenerating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised in goodwill is not reversed in a subsequent period.
- iv) Minority interest in the net income and net assets of the consolidated financial statements are computed and shown separately. Losses applicable to minority in excess of the minority’s interest in the subsidiary’s equity are allocated against the interests of the group.
- v) As far as possible, the consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company’s financial statements.

b) Use of estimates

The preparation of Financial statements in conformity with the generally accepted accounting principles in India requires management to make estimates and assumptions that affect the reported amounts of income and expenses of the period, assets and liabilities and disclosures relating to contingent liabilities as of the date of financial statements. Actual results could differ from those estimated. Any revision to accounting estimates is recognised prospectively in future periods.

c) Revenue recognition:

The company derives its revenue primarily from management & consultancy services. Revenue is recognized at predetermined rates as defined under contracts with clients and accounted for at the time of execution of transactions/events.

Interest income is recognized using the time proportion method, based on the transactional interest rates.

d) Investments:

Investments are classified into non current investments and current investments. Investments which are intended to be held for more than one year are classified as non current investments and investments which are intended to be held for less than one year, are classified as current investments. Non current investments are stated at cost and a provision for diminution in value of non current investments is made only if the decline is other than temporary in the opinion of the management. Current investments are valued at cost or market/fair value whichever is lower.

e) Provisions, Contingent Liabilities and Contingent Asset :

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or present obligation in respect of which the likelihood of outflow of resource is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

f) Fixed assets and depreciation :

- i. Fixed assets are carried at cost of acquisition (including directly attributable costs such as freight, installation, etc.) or construction less depreciation.
- ii. Depreciation on assets is provided on the written down value method as per the income tax rate. Depreciation on newly purchase assets is provided proportionately as per income tax basis.

g) Taxation :

a) Current Tax:

Provision for tax is based on the taxable profit for the accounting year after taking into consideration the relevant provisions of the Income Tax Act, 1961.

h) Earnings per share :

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the number of equity shares outstanding on the last day of reporting period. In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduce profit / loss per share are included.

Estimation of uncertainties relating to the global health pandemic from COVID-19 (COVID-19)

The World Health Organization declared the outbreak of COVID-19 as a public health emergency of international concern on January 30, 2020 and a pandemic on March 11, 2020. The Government of India announced a nation-wide lockdown on March 24, 2020 and imposed several restrictions.

However given that Our Company had established its own cloud infrastructure much before the Pandemic, there has been no impact on the functioning of Our Company. The team members have been working from home during lockdown and have been able to execute their responsibilities and service clients without any disruption, difficulty or delay.

The Management has considered the possible effects, if any, that may result from the pandemic on the carrying amounts of its current and non-current assets, after considering internal and external sources of information as at the date of approval of these financial statements. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of Trade Receivables. In assessing recoverability of trade receivables, the Company has considered subsequent recoveries, past trends and credit risk profiles of the clients and all internal and external information available up to the date of issuance of these financial statements. Based on the above assessment, the Company is of the view that carrying amounts of trade receivables are expected to be realisable. The impact of COVID-19 may be different from that estimated as at the date of approval of these financial statements, and the Company will continue to closely monitor the developments.

Note 29 : Revenue from Contracts with Clients:

The Company has evaluated the impact of COVID-19 resulting from (i) the possible constraints to continue its operations and revisions in costs to fulfill the pending obligations (ii) penalties, if any, relating to breaches of agreements and (iii) termination or deferment of contracts by clients. The Company has concluded that the impact of COVID-19 is not material based on these estimates. Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.
