DEAR SIR/MADAM,

We are holding the following 700 shares of 'IFGL Refractories'. We had sent our shares for dematerialisation but the company returned it as the certificate was old. We would like to inform you that we have misplaced our new share certificate. We have tried to find them at all possible places including our home & office, but we have failed to locate them. Kindly send the procedure for issuance of duplicate share certificate(s). I am also enclosing the scanned copy of my old share certificate.
