Participation in India Energy Week 2025

New Delhi, Monday, February 10, 2025 United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is excited to announce its **participation in India Energy Week 2025** to be inaugurated by Hon`ble Prime Minister of India, Shri Narendra Modi. This event is scheduled to be held from **February 11 to February 14, 2025 at Yashobhoomi, Dwarka, Bharthal, Delhi, 110061** and our booth located at **stand 1L59-Hall 1**.

UDTL are proud to contribute to India's energy transition by showcasing our latest advancements in drilling technology, including high-performance connectors, gas lift units, Wireline & Well service equipment(s), and Downhole Tools which designed redefine industry standards and high-quality products of field-proven test designs in conformity with international standards.

Our presence at the event signifies our commitment to pushing the boundaries of innovation in the oil drilling equipment(s) sector. Thus, we invite prospective collaborators or customers or partners to visit our booth, explore our products, and join us in shaping the future of the industry.

About India Energy Week

The third **India Energy Week** is poised to solidify its position as a premier platform for the global energy industry. India Energy Week operates under the patronage of the **Ministry of Petroleum and Natural Gas, India** and is jointly organised by the **Federation of Indian Petroleum Industry (FIPI)** and **dmg events**.

This global gathering will convene energy leaders, policymakers and innovators from around the world to address the sector's most pressing challenges and drive actionable solutions for a sustainable energy future.

As one of the world's fastest-growing economies and a pivotal player in the global energy transition, India offers a dynamic model for balancing economic growth with sustainability. **India Energy Week 2025** will highlight cutting-edge technologies, ambitious decarbonisation initiatives and investment opportunities that align with global energy goals.

With a focus on energy access, security, affordability and sustainability, the event is a catalyst for international collaboration, fostering partnerships that transcend borders.

By showcasing innovative solutions and measurable progress, **India Energy Week 2025** underscores its role as a global leader in shaping the future of energy for all.

About UDTL

Striding successfully since 1985, based out of Noida, Uttar Pradesh, India, UDTL is a *leading Manufacturer of large OD casing pipe with connector, Wireline & well service equipment, Gas lift equipment and Downhole Tools*. All the equipments can

be supplied with most reliable designs and quality and are very competitively priced as compared to other suppliers.
