Dear Sir,

Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR) Regulations

This is to inform you that the Company has received a letter dated 29th June, 2019 from the Gujarat Pollution Control Board (GPCB) directing the Company to suspend its operations at one of its units in Dahej, Gujarat following a safety incident while dechoking a blocked discharge line of the Agitated Thin Film Dryer (ATFD) unit of the effluent treatment plant. While there was no environmental and material impact to the plant, unfortunately it resulted in a hot liquid burn injury to two workmen. The Company is taking appropriate steps to restore the said unit's operations at the earliest.

The Company does not expect any adverse impact on the business as it is holding sufficient stocks of finished goods.

Thanking you,

**Yours faithfully,
For Rallis India Limited**
