The following are the qualifications given in the report with its explanation given by the Board:

- a. *In terms of the provisions of Section 203 of the Companies Act, 2013, the Company was required to have certain Key Managerial Personnel (KMP) and regulation 33(2)(a) of SEBI (LODR) Regulations, 2015, the chief executive officer and chief financial officer of the listed entity shall certify that the financial results do not contain any false or*

TIVOLI CONSTRUCTION LIMITED
CIN: L45200MH1985PLC037365

misleading statement or figures and do not omit any material fact which may make the statements or figures contained therein misleading (CEO and CFO Certification). After resignation of former Chief Financial Officer (CFO) of the Company, the Company has been unable to appoint a CFO in terms of the provisions of Section 203 of the Companies Act, 2013 and has not obtained CEO and CFO Certification in terms of SEBI (LODR) Regulations, 2015.

- b. *In terms of the regulation 6 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company was required to appoint Compliance Officer within 3 months from the resignation of Company Secretary of Company on 03/01/2024, the Company has appointed Director, who was not qualified company secretary as the compliance officer and he has certified and issued compliance certificate for quarter ended December 2023 and March 2024 for the compliance requirement of Structured Digital Database for handling unpublished price-sensitive information, pursuant to provisions of Regulation 3(5) and 3(6) of SEBI (Prohibition of Insider Trading) Regulations, 2015.*

Explanation:

- a. Due to the small size of the operations of the Company, and since the Company is a loss making Company, despite best efforts, the Company is not able to find a suitable person for the post of CFO, at a reasonable remuneration after the resignation of the former CFO. Therefore, the Company was unable to obtain the CEO and CFO Certification in terms of SEBI (LODR) Regulations, 2015. The Company is hopeful of finding a suitable candidate at the earliest.
- b. Due to the small size of the operations of the Company, and since the Company is a loss-making Company, the Company was not able to find a suitable person for the post of Company Secretary and Compliance Officer at a reasonable remuneration after the resignation of the former CS even after best efforts. However, the Company has appointed Company Secretary and Compliance officer w.e.f. 30th April, 2024, but in the interim the Company had to appoint a Director to oversee all the compliances with all the rules, regulations and filings with Stock Exchange.

The report of the Secretarial Auditor in Form MR – 3 is annexed herewith as **Annexure I**.

38. REPORTING OF FRAUDS BY AUDITORS:

During the year under review, neither the Statutory Auditors nor the Secretarial Auditor has reported to the Audit Committee, under Section 143 (12) of the Companies Act, 2013, any instances of fraud committed against the Company by its officers or employees, the details of which need to be mentioned in the Board's Report.

39. DETAILS OF APPLICATION MADE OR PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016

There is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

40. ONE-TIME SETTLEMENT WITH ANY BANK OR FINANCIAL INSTITUTION:

There was no instance of one-time settlement with any Bank or Financial Institution.

41. CORPORATE SOCIAL RESPONSIBILITY (CSR):

Your Company does not fulfil the criteria mentioned under Section 135 of the Companies Act, 2013, for applicability of the provisions of Corporate Social Responsibility. Hence, your Company is not required to constitute CSR Committee nor does it have to comply with other provisions of Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014.

42. RISK MANAGEMENT AND RISK MANAGEMENT COMMITTEE:

All material risks faced by the Company are identified and assessed. For each of the risks identified, corresponding controls are assessed and procedures are put in place for monitoring, mitigating and reporting risk on a periodic basis.

The provisions of Regulation 21 of SEBI (LODR) Regulations, 2015 are not applicable to the Company. Hence the Risk Management Committee has not been formed.

43. CORPORATE GOVERNANCE:

As per SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the paid-up equity share capital of your Company is less than Rs. 10 crores and Net worth is less than Rs. 25 crores, hence as per Regulation 15(2) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, compliance with the provisions of Regulation 27 i.e. Corporate Governance is not applicable to your Company.

Management Discussion and Analysis

Macroeconomic Review:

India took a big economic leap this year: The country ended fiscal year 2023 to 2024 with a big bang, surpassing all market estimates of GDP, with 8.15% year-over-year (YoY) growth. For three consecutive years, India's economy has exceeded growth expectations (averaging 8.3% annual growth over this period) despite global uncertainties, driven by strong domestic demand and continuous government efforts toward reforms and capital expenditure. Optimism prevails, as highlighted by a Deloitte pre-budget expectation survey, which shows high confidence among industry leaders in India's continued robust growth. With prevalent signs of the rural economy rebounding, strong growth in manufacturing, robust bank balance sheets and credit growth, and stronger exports in services and high-value manufacturing, there is confidence that India's underlying potential will help it outpace growth in the rest of the world. The growth momentum is expected to continue, with a projected annual GDP growth rate of 7.0% to 7.2% in fiscal 2024 to 2025 and 6.7% to 7.3% in the following fiscal year. Inflation remained at 5.4 percent in F.Y.2023-24.

Firstly, **private consumption** spending fared better last year than reported earlier. There were upward revisions to the third-quarter data, suggesting consumers spent more generously in the quarter of festivals and during the Cricket World Cup than previously believed. Third-quarter GDP growth was revised to 8.6%, up from the earlier estimate of 8.4%, on the back of a 50-basis point upward revision of private consumption spending. That said, private consumption growth remained capped at 4.03% over fiscal 2023 to 2024 owing to modest growth in the agriculture sector and persistent inflation that weighed on rural demand.

Secondly, **Indian exports** surged by an impressive 8.1% YoY in the fourth quarter—the highest this fiscal year. Merchandise exports improved remarkably that quarter (even though the quarter's performance could not prevent annual merchandise export growth from contracting). Notably, high-value manufactured goods like pharmaceuticals, chemicals, engineering products, and electronics achieved record export levels this quarter, propelling overall growth in merchandise exports in the high value-added segment. This positive trend bodes well for India as it aims to strengthen its integration into the global value chain and increase its exports to US\$2 trillion over the next six years. Growth in the traditional basket of exports, however, continued to decline.

The growth range predicted for next year is higher, as these uncertainties can swing economic activities quite distinctly. That said, we will continue to see the difference between actual GDP and no-COVID-19 levels progressively narrowing as growth picks up pace.

India's Construction and Infrastructure Sector

India's construction and infrastructure sector is expected to grow by 11.2% to reach INR 25,316 billion in 2024. The growth momentum is expected to continue over the forecast period, recording a CAGR of 9.4% during 2024-2028. The construction output in India is expected to reach INR 36,221.6 billion by 2028. Here are some key drivers of growth in this sector:

TIVOLI CONSTRUCTION LIMITED
CIN: L45200MH1985PLC037365

-Government Initiatives: The government's infrastructure push, coupled with the burgeoning housing market, will drive the industry growth over the medium term.

- Rapid Urbanization: Rapid urbanization is driving the market, with the government allocating 3.3% of GDP to the infrastructure sector in FY 2024.

- Foreign Direct Investments: Surge in foreign direct investments is driving the market, with the sector being one of the leading recipients of foreign direct investment (FDI)

- New Projects: Several new projects have been announced, including the GIFT City in Gujarat, the Surat DREAM City, and the Dholera SIR .

- Transportation Infrastructure: The government has set ambitious goals, aiming to construct a 2 lakh-km national highway network by 2025, expand airports to 220, operationalize 23 waterways by 2030, and establish 35 Multi-Modal Logistics Parks (MMLPs).

In Interim Budget 2024-25, capital investment outlay for infrastructure has been increased by 11.1% to Rs. 11.11 lakh crore (US\$ 133.86 billion), which would be 3.4 % of GDP. As per the Interim Budget 2023-24, a capital outlay of Rs. 2.55 lakh crore (US\$ 30.72 billion) has been made for the Railways, an increase of 5.8% over the previous year. Starting with 6,835 projects, the NIP project count now stands at 9,142 covering 34 sub-sectors, as per news reports. Under the initiative, 2476 projects are under the development phase with an estimated investment of US\$ 1.9 trillion. Nearly half of the under-development projects are in the transportation sector, and 3,906 are in the roads and bridges sub-sector.. India's logistics market is estimated to be US\$ 317.26 billion in 2024 and is expected to reach US\$ 484.43 billion by 2029, growing at a CAGR of 8.8%. India intends to raise its ranking in the Logistics Performance Index to 25 and bring down the logistics cost from 14% to 8% of GDP, leading to a reduction of approximately 40%, within the next five years. In December 2023, AAI and other Airport Developers have targeted capital outlay of approximately Rs. 98,000 crore (US\$ 11.8 billion) in airport sector in the next five years for expansion and modification of existing terminals, new terminals and strengthening of runways, among other activities.

India currently has the fifth-largest metro network in the world and will soon overtake advanced economies such as Japan and South Korea to become the third-largest network. Metro rail network reached 810 kms and is operational in 20 cities. In the last 10 years, 697 km have been added to Metro Rail Network across the country. In 2024, about 945 km of metro rail lines are operational in 21 cities and 919 km is under construction in 26 different cities. At almost 20 kms, Mumbai monorail is the third largest route in the world after China with 98 kms and Japan with 28 kms. FDI in construction development (townships, housing, built-up infrastructure and construction development projects) and construction (infrastructure) activity sectors stood at US\$ 26.61 billion and US\$ 33.91 billion, respectively, between April 2000-March 2024. Indian logistics market is estimated to touch US\$ 320 billion by 2025. The overall infrastructure capex is estimated to grow at a CAGR of 11.4% over 2021-26 driven by spending on water supply, transport, and urban infrastructure. Investment in infrastructure contributed around 5% of the GDP in the tenth five-year plan as against 9% in the eleventh five-year plan. Further, US\$ 1 trillion investment in infrastructure was proposed by the India's planning commission during the 12th five-year plan, with 40% of the funds coming from the private sector.

Opportunities and threats

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well-designed projects in strategic locations, strong balance sheet, and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your company is ideally placed to further strengthen its development potential by acquiring new land parcels.

Outlook

India's high growth imperative in 2024 and beyond will significantly be driven by major strides in key sectors with infrastructure development being a critical force aiding the progress. Infrastructure is a key enabler in helping India become a US \$26 trillion economy. Investments in building and upgrading physical infrastructure, especially in synergy with the ease of doing business initiatives, remain pivotal to increase efficiency and costs.

The government's focus on building infrastructure of the future has been evident given the slew of initiatives launched recently. The US\$ 1.3 trillion national master plan for infrastructure, Gati Shakti, has been a forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway. Infrastructure support to the nation's manufacturers also remains one of the top agendas as it will significantly transform goods and exports movement making freight delivery effective and economical.

The infrastructure sector is a key driver of the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from the Government for initiating policies that would ensure the time-bound creation of world-class infrastructure in the country. The infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development. In other words, the infrastructure sector acts as a catalyst for India's economic growth as it drives the growth of the allied sectors like townships, housing, built-up infrastructure, and construction development projects.

To meet India's aim of reaching a US\$ 5 trillion economy by 2025, infrastructure development is the need of the hour. The government has launched the National Infrastructure Pipeline (NIP) combined with other initiatives such as 'Make in India' and the production-linked incentives (PLI) scheme to augment the growth of the infrastructure sector. Historically, more than 80% of the country's infrastructure spending has gone toward funding for transportation, electricity, and water, and irrigation.

While these sectors still remain the key focus, the government has also started to focus on other sectors as India's environment and demographics are evolving. There is a compelling need for enhanced and improved delivery across the whole infrastructure spectrum, from housing provision to water and sanitation services to digital and transportation demands, which will assure economic growth, increase quality of life, and boost sectoral competitiveness.

Some of the recent government initiatives and investments in the infrastructure sector are as follows: Under Interim Budget 2024-25:

TIVOLI CONSTRUCTION LIMITED
CIN: L45200MH1985PLC037365

- The Central government has increased its capital expenditure (capex) allocation to US\$ 133.9 billion (Rs. 11.11 trillion) for the fiscal year beginning April 1, 2024, with a focus on advancing India's infrastructure, as part of a strategic move to stimulate economic growth. An increase of 11.1% from the previous year, the FY25 interim budget allots US\$ 133.9 billion (Rs. 11.11 trillion) for capital expenditures, or 3.4% of GDP.
- With a 37% increase in the current fiscal year, capital expenditures (capex) are on the rise, which bolsters ongoing infrastructure development and fits with Vision 2028
- In order to anticipate private sector investment and to address employment and consumption in rural India, the budget places a strong emphasis on the development of roads, shipping, and railways.
- India's ambitious plan calls for spending US\$ 1.723 trillion (approximately Rs. 143 trillion) on infrastructure between FY24 and FY30, with a particular emphasis on power, roads, and developing industries like renewable energy and electric vehicles.
- In Interim Budget 2024-25, capital investment outlay for infrastructure has been increased by 11.1% to Rs.11.11 lakh crore (US\$ 133.86 billion), which would be 3.4 %of GDP.
- The government has decided to allocate Rs. 2.76 lakh crore (US\$ 33.4 billion) towards the Ministry of Roads for 2024-25.
- A capital outlay of Rs. 2.55 lakh crore (US\$ 30.72 billion) has been made for the Railways, an increase of 5.8% over the previous year.
- The allocation for solar power grid reached Rs. 8,500 crores (US\$ 1.02 billion) from the previous allocation of Rs. 4,970 crores (US\$ 598.80 million).
- The Interim Budget 2024-25 allocated Rs. 1,11,876.6 crore (US\$ 13.5 billion) for the Department of Telecom.
- The government announced Rs. 77,523.58 crore (US\$ 9.3 billion) to the Ministry of Housing and Urban Affairs.

Three significant economic railway corridor initiatives—energy, port connectivity, mineral and cement, and high traffic density—will be carried out by the railway industry.

Real Estate

Indian real estate sector has witnessed high growth in the recent times with rise in demand for office as well as residential spaces. The Private Equity Investments in India's real estate sector, stood at US\$ 4.2 billion in 2024 as compared to the Private Equity Investments in India's real estate sector, stood at US\$ 3.4 billion in 2023.

By 2040, the real estate market will grow to Rs. 65,000 crore (US\$ 9.30 billion) from Rs. 12,000 crore (US\$ 1.72 billion) in 2019. Real estate sector in India is expected to reach US\$ 1 trillion in market size by 2030, up from US\$ 200 billion in 2021 and contribute 13% to the country's GDP by 2025. Retail, hospitality, and commercial real estate are also growing significantly, providing the much-needed infrastructure for India's growing needs. India's real estate sector is expected to expand to US\$ 5.8 trillion by 2047, contributing 15.5% to the GDP from an existing share of 7.3%. In FY23, India's residential property market witnessed with the value of home sales reaching an all-time high of Rs. 3.47 lakh crore (US\$ 42 billion), marking a robust 48% year-on-year increase. The volume of sales also exhibited a strong growth trajectory, with a 36% rise to 379,095 units sold. Indian real estate developers

operating in the country's major urban centers are poised to achieve a significant feat in 2024, with the completion of approximately 558,000 homes.

In 2024, demand for residential properties surged in the top 8 Indian cities, driven by mid-income, premium, and luxury segments despite challenges like high mortgage rates and property prices. India's physical retail landscape is poised for a substantial boost, with nearly 41 million sq. ft of retail developments set to be operational between 2024 and 2028 across the top 7 cities, encompassing projects in various stages from construction to planning. For the first time, gross leasing in India's top seven markets surpassed the 60 million sq ft mark, reaching an impressive total of 62.98 million sq ft, marking a substantial 26.4% increase compared to the previous year. Notably, the December quarter emerged as the busiest quarter on record, with gross leasing hitting 20.94 million sq ft. Technology companies held the highest share in leasing activity at 22% during first quarter of 2024. Engineering and manufacturing (E&M) companies accounted for 13%, and banking, financial services and insurance account for 12%. Flexible space operators increase by 48%, showcasing their notable contributions. According to Savills India, real estate demand for data centers is expected to increase by 15-18 million sq. ft. by 2025.

In 2024, office absorption in the top seven cities stood at 41.97 million Sq. ft. and Gross Leasing Volume is at 62.98 million sq. ft. Fresh real estate launches across India's top seven cities grabbed a 41% share in the first quarter of 2024 (January-March), marking an increase from the 26% recorded in the same period four years ago. Out of approximately 1.14 lakh units sold across the top seven cities in the first quarter of 2024, over 41% were fresh launches.

According to the Economic Times Housing Finance Summit, about three houses are built per 1,000 people per year compared with the required construction rate of five houses per 1,000 population. The current shortage of housing in urban areas is estimated to be ~10 million units. An additional 25 million units of affordable housing are required by 2030 to meet the growth in the country's urban population.

Risks and Concerns:

The industry is affected by the factors like increased cement & steel cost, power cost; increase in labour cost and transportation cost due to petrol/diesel price increase etc. could contribute to inflation. The Company considers good corporate governance as a pre-requisite for meeting the needs and aspiration of its shareholders. The main risk to the Company which may arise is mainly due to Government policies and decisions, fluctuations in prices of Raw materials, Exchange rate fluctuations, Industry demand etc.

Internal Control Systems and their adequacy:

The Company has an adequate system of internal controls to ensure accuracy of accounting records, compliance with the applicable laws & regulations. In a developing and dynamic economy such as India, regulatory environment keeps on progressing to keep pace with the global dynamics in the fields of environment, taxation, competition, governance, etc. Non-compliance of applicable regulations may lead to imposition of penalties, suspension of operations, among others apart from reputational damage. This may also hinder the pace of innovation, upgradation, transformation within the organisation. To mitigate the same, the

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the
Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
TIVOLI CONSTRUCTION LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Tivoli Construction Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Management's responsibility

The Management along with the Board of Directors are responsible for ensuring that the Company complies with the provisions of all applicable laws and maintains the required statutory records and documents in the prescribed manner.

Auditor's responsibility

Independent Auditor's Report

To the Members of Tivoli Construction Limited

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Tivoli Construction Limited** ("**the Company**") which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "**the standalone financial statements**").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("**the Act**") in the manner so required and give a true and fair view in conformity with the *Indian Accounting Standards* (Ind AS) specified under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and Profit including Other Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. Based on the circumstances and facts of the Audit, there are no key audit matters to be reported.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive Income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The standalone financial statements dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none the directors are disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g. As required by section 197(16) of the Act, we report that the Company has not paid/provided remuneration to its Director during the year.
 - h. Refer note no.25 of the financial statement regarding appointment of Chief Financial Officer.
 - i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has neither declared nor paid the dividend during the year.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year from 4th April, 2023 for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- i. The Company does not have any fixed asset and hence clause (i) (a) to (e) of the Order is not applicable to the Company.
- ii. As informed to us, the Company does not have any inventory during the year under review and also not availed working capital limit from banks or financial institution. Hence clause (ii)(a) to (b) of the Order is not applicable to the Company.
- iii. During the year the Company has not made investment in, nor provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to Companies, firms, Limited Liability Partnerships, or other parties, therefore reporting under clause 3 (iii)(a) to (f) of the Order is not applicable to the company.
- iv. The Company has complied with the provisions of Section 185 and 186 of Companies Act, 2013 in respect of loans granted, investments made, guarantees and security provided.
- v. The Company has not accepted any deposits from the public in accordance with the provisions of Section 73 to 76 of the Act and the rules framed thereunder. Hence, reporting under clause 3(v) of the Order is not applicable to the company.
- vi. The Central Government has not prescribed the maintenance of cost records under Section 148 (1) of the Act, for any of the activities carried on by the Company.
- vii. According to the information and explanations given to us in respect of Statutory dues :
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Income Tax, Goods and Service Tax, Customs Duty, Professional Tax, Cess and other material statutory dues wherever applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Income Tax, Goods and Service Tax, Customs Duty, Professional Tax, Cess and other material statutory dues in arrears as at 31st March, 2024 for a period of more than six months from the date they became payable except Professional Tax of Rs.12,700/- which is outstanding for more than six months as on 31st March, 2024.
 - (c) There were no dues of Income Tax, Sales Tax, Service Tax, Excise Duty and Value Added Tax which have not been deposited as at 31st March, 2024 on account of dispute.
- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during the year.

- ix. The Company neither availed any loans or borrowings nor declared as wilful defaulter by any financial institution, banks, government or debenture holders during the year. Accordingly, clause 3(ix)(a) to (f) of the Order is not applicable.
- x. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and not availed any term loans from banks or financial institutions during the year. Hence reporting under clause 3 (x) of the order is not applicable to the company.
- xi. (a) No material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (b) No report sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4.
- (c) As informed to us, the Company didn't receive any complaints from whistle-blower.
- xii. The Company is not a nidhi company. Hence, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Ind AS.
- xiv. (a) In our opinion, the Company has adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedure.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them during the year. Accordingly, clause (xv) of the Order is not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934. Hence reporting under clause 3 (xvi) (a) to (d) of the order is not applicable to the company.
- xvii. The Company has not incurred cash loss in the current financial year. However, the Company has incurred cash losses of Rs. 10.45 Lakhs in the immediately preceding financial year.
- xviii. There is no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements our knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of

balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The Company is exempt from complying with Sec.135 of Companies Act, 2013.

Annexure - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in Para 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tivoli Construction Limited** ("the Company") as of 31st March 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate Internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control and financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TIVOLI CONSTRUCTION LTD
Notes forming part of the Financial Statements

Note 1: Corporate Information:

TIVOLI CONSTRUCTION LTD (the "Company"), is a public limited company incorporated in India and has its registered office situated at 4th Floor, Raheja Chambers, Linking Road and Main Avenue, Santacruz (West), Mumbai 400 054.

The Company is primarily engaged in the business of construction.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Material Accounting Policies and Recent Accounting Pronouncements:

(i) Compliance with IND AS

These standalone financial statements have been prepared in accordance with the Indian Accounting Standard (hereinafter referred to as the 'Ind AS') as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other relevant provisions of the Act.

(ii) Basis of preparation

- (a) These standalone financial statements have been prepared on a historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented in financial statements.
- (b) Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (c) Current Assets do not include elements which are not expected to be realised within 1 year and Current Liabilities do not include items which are due after 1 year, the period of 1 year being reckoned from the reporting date.

(iii) Critical accounting estimates and judgements

The preparation of these standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- (a) Impairment testing:** The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which include turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, and future economic and market conditions.

(b) Income Taxes: Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charges in the Statement of Profit or Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

(iv) Material Accounting Policies:

(a) Revenue recognition:

(i) Income from operations

Revenue from operations is accounted on accrual, is net of indirect taxes, returns and discounts. Revenue is measured at the fair value of the consideration received or receivable.

(ii) Interest:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(iii) Dividend Income:

Dividend income is recorded when the right to receive payment is established.

(b) Investments in subsidiaries

Investment in a subsidiary is a long-term investment and is carried at cost.

(c) Taxation

- (i) Provision for current taxation has been made in accordance with the Income Tax laws applicable to the assessment year.
- (ii) Deferred tax is recognized on timing difference being the difference between taxable incomes and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation, or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.
- (iii) Minimum Alternate Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer a convincing evidence that the Company will be liable to pay normal income tax during the specified period.

(d) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceeds its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

Previously recognized impairment loss is increased or reversed depending on changes in circumstances.

(e) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law because the Company created valid expectations on the part of the third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

(f) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

(g) Earnings per Share

Basic earning per share is computed, by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

(h) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification:

- **Cash and Cash Equivalents** — Cash comprises cash/cheques on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.
- **Debt Instruments** - The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent

solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive Income, except for the recognition of impairment gains or losses, interest revenue are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

(II) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss,

(III) Impairment of financial assets

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance.

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Tivoli Construction Limited** ("*the Holding Company*") and its subsidiary (the Holding Company and its Subsidiary together referred to as "*the Group*") which comprise the consolidated Balance Sheet as at 31st March, 2024, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "*the consolidated financial statements*").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("*the Act*") in the manner so required and give a true and fair view in conformity with the *Indian Accounting Standards* ("*Ind AS*") specified under section 133 of the Act and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March, 2024, and Loss including other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. Based on the circumstances and facts of the Audit, there are no key audit matters to be reported.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, total comprehensive Income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of the records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors / management of the companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report

because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
 - c. Consolidated Financial Statements dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors of Holding Company and Subsidiary Company as on 31st March, 2024 taken on record by the Board of Directors, none of the directors of Group Company are disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its Subsidiary Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure "A".
 - g. As required by section 197(16) of the Act, we report that the Holding Company and Subsidiary Company has not paid/provided remuneration to its Director during the year.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group does not have any pending litigations which would impact its financial position.
 - ii. The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.

iv. (a) The respective Managements of the Company and its subsidiary whose financial statements have been audited under the Act have represented to us, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries, associates and joint ventures to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the Company and its subsidiary, whose financial statements have been audited under the Act have represented to us, to the best of their knowledge and belief, no funds have been received by the Company or any of such subsidiary from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiary, shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries, associates and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of the Act, 2014 contain any material mis-statement.

v. The Holding Company has neither declared nor paid the dividend during the year. The interim dividend declared and paid by the Subsidiary Company during the year is in compliance with section 123 of Companies Act, 2013.

vi. Based on our examination which included test checks, the Holding Company and its Subsidiary has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year from 4th April, 2023 for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Annexure - A TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tivoli Construction Limited** ("the Holding Company") and its subsidiary company (together referred to as 'the Group') as of 31st March, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Nature & Purpose of Reserve

(a) Capital reserve

The Group recognises profit and loss on purchase, sale, issue or cancellation of the Group's own equity instruments to capital reserve.

(b) Capital redemption reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

(c) Reserve fund of RBI Act, 1954

The Company has created a Reserve Fund in terms of Section 45-1C(1) of Reserve Bank of India Act, 1934 and now it is not required to be registered, accordingly no further transfer is made.

(d) General reserve

The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

(e) Retained earnings

Retained earnings represents the amount of accumulated earnings of the Company.

TIVOLI CONSTRUCTION LTD

Notes forming part of the Consolidated Financial Statements

Note 1: Corporate Information:

TIVOLI CONSTRUCTION LTD (the "Company") and its subsidiary (together referred to as 'the Group'), is a public limited company incorporated in India and has its registered office situated at 4th Floor, Raheja Chambers, Linking Road and Main Avenue, Santacruz (West) Mumbai 400054. The Group is primarily engaged in the business of construction and providing loans.

Note 2: Basis of Preparation, Critical Accounting Estimates and Judgements, Material Accounting Policies and Recent Accounting Pronouncements:

(i) Compliance with IND AS

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standard (hereinafter referred to as the 'Ind AS') as prescribed under Section 133 of the Companies Act, 2013 (the 'Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other relevant provisions of the Act.

(ii) Basis of preparation

- (a) These consolidated financial statements have been prepared on a historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented in financial statements.
- (b) Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (c) Current Assets do not include elements which are not expected to be realised within 1 year and Current Liabilities do not include items which are due after 1 year, the period of 1 year being reckoned from the reporting date.

(iii) Principles of consolidation and equity accounting

(a) Subsidiary

Subsidiary is an entity (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of that entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group.

The Group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intra-Group transactions, balances and unrealised gains on transactions between entities within the Group are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Balance Sheet respectively.

(b) Capital Reserve

Capital reserve comprises the portion of the purchase price for an acquisition that lowers the Group's share in the identifiable assets, calculated on the date of acquisition.

(iv) Critical accounting estimates and judgements

The preparation of these consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

(a) Impairment testing: The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which include turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, and future economic and market conditions.

(b) Income Taxes: Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charges in the Statement of Profit or Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

(v) Material Accounting Policies:

(a) Revenue recognition:

(i) Income from operations

Revenue from operations is accounted on accrual, is net of indirect taxes, returns and discounts. Revenue is measured at the fair value of the consideration received or receivable.

(ii) Interest:

Interest income is accrued on a time proportion basis using the effective interest rate method.

(b) Taxation

(i) Provision for current taxation has been made in accordance with the Income Tax laws applicable to the assessment year.

(ii) Deferred tax is recognized on timing difference being the difference between taxable incomes and accounting income that originates in one period and is capable of reversal in one or more subsequent periods. Where there is unabsorbed depreciation, or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets.

(iii) Minimum Alternate Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during

the specified period. Such asset is reviewed at each balance sheet date and the carrying amount is written down to the extent there is no longer a convincing evidence that the Company will be liable to pay normal income tax during the specified period.

(c) Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date, to assess any indication of impairment. If any such indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized wherever the carrying amount of the assets exceeds its recoverable amount. The recoverable amount is greater of the net selling price or value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, based on an appropriate discounting factor.

A previously recognized impairment loss is increased or reversed depending on changes in circumstances.

(d) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law because the Company created valid expectations on the part of the third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

(e) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

(f) Earnings per Share

Basic earning per share is computed, by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share.

(g) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification:

- **Cash and Cash Equivalents** — Cash comprises cash/cheques on hand and demand deposits with banks. Cash equivalents are short-term balances with an original maturity of three months or less from the date of acquisition, highly liquid investment that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Debt Instruments - The Company classifies its debt instruments as subsequently measured at amortised cost, fair value through Other Comprehensive Income or fair value

through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest. Interest income from these financial assets is included as a part of the Company's income in the Statement of Profit and Loss using the effective interest rate method.

(ii) Financial assets at fair value through Other Comprehensive Income (FVOCI)

Financial assets are subsequently measured at fair value through Other Comprehensive Income if these financial assets are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest. Movements in the carrying value are taken through Other Comprehensive income, except for the recognition of impairment gains or losses, interest revenue are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from Other Comprehensive Income to the Statement of Profit and Loss. Interest income on such financial assets is included as a part of the Company's income in the Statement of Profit and loss using the effective interest rate method.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on such debt instrument that is subsequently measured at FVTPL and is not part of a hedging relationship as well as interest income is recognised in the Statement of Profit and Loss.

(II) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, and through the amortisation process.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a de-recognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the Statement of Profit and Loss,

(III) Impairment of financial assets

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS-109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance.
