Dear Sir / Madam,

Subject: Revised intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 - Shutdown of Plants in the wake of COVID-19 outbreak

This is to inform you that in the wake of COVID-19 outbreak and directives across Central and State Government, we at GRP Ltd have shutdown all our manufacturing facilities located in the State of Maharashtra, Gujarat, Madhya Pradesh & Tamil Nadu with immediate effect and in compliance with the directive. In addition to that, our Head Office at Mumbai, plant and offices of all our group companies are also closed down. We are operating from home wherever possible.

Safety and well-being of the employees remains our top priority in these uncertain times. This situation will have adverse financial impact on the company which is difficult to assess currently.

In case the Central or State Government issue fresh directives on shutdown, we shall abide by the same. We will intimate the stock exchanges once we achieve normalcy in operations at our manufacturing units.

We are hopeful and confident that the measures taken by the Government will help to contain the spread of COVID-19.

Thanking you,

Yours faithfully,
For **GRP Ltd.**
