**Force majeure closure of substantial operations pursuant to spread of Covid-19 -
Intimation pursuant to Regulation 30 of SEBI (LODR) Regulation 2015**

Dear Sir,

As you are aware, in view of District Administration/Central/State governments' directives to remain indoors and temporarily close down all non-essential industries in order to contain the spread of Covid-19, the production in factories, including that of ours, has been temporarily suspended.

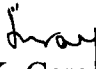

Whereas we have fully suspended manufacture of electronic gauges, there has been significantly lower production of coated fabrics. Since we had some orders for supply of coated fabrics for meeting hospital supplies, we received a Special Permission Certificate from Government of Haryana for their manufacture.

The Company is trying to meet a part of its fixed expenses and to minimize losses which may arise consequent upon aforesaid closures. The lock-down/closure started w.e.f. 23rd March 2020 and resumption of operations would depend upon Government directives.

The above is for your information.

Thanking you,

Yours faithfully,
For Jasch Industries Ltd

J.K. Garg
Managing Director
