ANNUAL REPORT
2021-22

Vardhman Polytex Limited
An Oswal Group[®] Company

Message from Chairman & Managing Director

Dear Shareholders,

The past couple of years have been a tough period which needed immense resilience. We witnessed a global pandemic, geopolitical tensions, volatility in the business environment and many other external and internal upheavals. As the dust settles, and a clearer picture of the world ahead emerges, I strongly believe we are standing at the threshold of a period of great opportunity and growth.

During the year gone by, your company has shown remarkable resilience and adaptability, coming out stronger than ever despite challenging circumstances. Your company was able to achieve total revenue from operations of Rs.928.59 Crores registering a growth of 83% over last year's turnover of Rs.508.27 Crores. EBITDA of the Company was Rs.62.26 Crores showing impressive increase of 269% over last year's figure of Rs.16.85 Crores. However, operations of the company have resulted into net loss of Rs.15.55 Crores which has come down from previous year by 73%.

At another front where your company made significant improvement is resolving banking issues. The matters with lender banks comprising 98% of total debt due by company have been resolved by assignment of debt by seven lender banks to ARC and direct one-time settlement with four lender banks.

Though the future – full of uncertainties – is not something that any of us can claim to predict precisely yet the way forward is clear to us and we are advancing towards our goals with renewed optimism. We will continue to march ahead with much more vigour to achieve better results in the coming years.

We remain indebted to our large family of stakeholders for their unstinting support during these troubled times. As always, their faith makes us stronger and ambitious to achieve more. We will continue to draw inspiration from your support to take on new challenges.

Warm regards,

Adish Oswal

3. The Register of Members and the Share Transfer Books of the Company shall remain closed from Tuesday, 20th September, 2022 to Monday, 26th September, 2022 (Both days inclusive).
4. The copies of relevant documents are open for inspection at the Registered Office of the Company on all working day between 10.30 A.M. to 12.30 P.M. upto the date of the Annual General Meeting.
5. Members desiring any information as regards to accounts are requested to write to the Company at secretarial@vpl.in at least 7 days before the date of Annual General Meeting so as to enable the Management to keep the information ready.
6. Members holding shares in the same/identical name(s) under different folios are requested to apply for consolidation of such folios and send relevant share certificates to the Company/RTA of the Company.
7. In support of the Green Initiative and in compliance with the MCA general circular no. 2/2022 dated 05.05.2022 and SEBI circular SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13.05.2022, your Company proposes to send the documents like Notice calling the Annual General Meeting and Annual Report 2021-22 containing Financial Statements, Director's Report etc and other communications in electronic form only to the members whose email addresses are registered with the Company/ Depository Participant(s).
8. The Notice of AGM can also be accessed from the website of the company at www.vpl.in and from Stock Exchanges at www.bseindia.com and www.nseindia.com. The AGM Notice is also disseminated on the website of CDSL at www.evotingindia.com
9. Mr. Ashwani Khanna, Proprietor of Khanna Ashwani & Associates, Company Secretaries, has been appointed as scrutinizer to scrutinize the evoting process and voting at the meeting.

10. Voting Instructions:

- a) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and other MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency.

The facility of casting votes by a member using remote e-voting will be provided by CDSL.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i) The **E-voting period** begins on Friday, 23.09.2022 (09:00 A.M.) and ends on Sunday, 25.09.2022 (05:00 P.M.). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date** i.e., Monday, 19.09.2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is

at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Financial Performance & Review

Your company achieved total revenue from operations of ₹ 92,859.51 lakh registering increase of 83% over last year's turnover of ₹ 50,827.91 lakh. EBITDA of the Company was ₹ 6225.60 lakh showing growth of 269% over last year's figure of ₹ 1685.24 Crores. However, operations of the company have resulted into net loss of ₹ 1555.55 lakh which has come down from previous year's figure of ₹ 5669.21 lakh by 73%. During the year under review, your company has shown great resilience, emerging stronger than ever despite challenging circumstances.

As the company's bank accounts have been classified as NPA, by the consortium of lenders in accordance with the RBI guidelines, therefore, no interest is being charged by the lenders post the NPA classification. Keeping the accrual concept in consideration, the company has provided for interest based upon terms of the CDR package. The lenders had issued notices U/S 13(2) & 13(4) of Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest (SARFAESI) Act, 2002 which were duly replied and proceedings are pending before Debt Recovery Tribunal (DRT), Chandigarh. State Bank of India, United bank of India, Canara Bank, Bank of Baroda and Bank of Maharashtra, Union Bank of India (For Andhra Bank & Corporation Bank) have already assigned their respective shares to Phoenix ARC. So, Phoenix ARC now hold majority stake in the consortium.

One Time Settlement (OTS) with four of the lender banks – Bank of India, Indian Bank (earlier Allahabad Bank), Jammu & Kashmir (J & K) Bank & Punjab National Bank (PNB) has been done. Complete amount of OTS has been paid in respect of Bank of India, Indian Bank and PNB. Partial payment has been made to J & K Bank and the balance payment of OTS will be made till 31.12.2022. Consequently, J & K Bank & PNB have withdrawn their earlier filed applications with National Company Law Tribunal, Chandigarh (NCLT) u/s 7 of Insolvency and Bankruptcy Code (IBC), 2016. Few Creditors have filed applications u/s 7 & 9 of IBC, 2016, before NCLT for initiating Corporate Insolvency Resolution Process (CIRP) and the same have not been admitted so far. The management is in further discussion with the remaining banks and creditors to arrive at OTS.

29. Auditors:

i) Statutory Auditors

M/s. Romesh K. Aggarwal and Associates, Chartered Accountants, Ludhiana (Firm Registration No. 000711N), Chartered Accountants were appointed as statutory auditors of the Company at 40th Annual General Meeting held on 29.09.2020 for a period of five years i.e., till the conclusion of 45th AGM of the Company.

The observations of Auditor in their Report (both Standalone and Consolidated), read with the relevant notes to accounts are self explanatory and therefore do not require further explanation pursuant to Section 134(3)(f)(i) and require no comments except the following observation:

“Note No. 48 of the Standalone Ind AS financial statements regarding crediting a profit of ₹396.44 lakhs due on payment of FCCB liability to the statement of profit & loss during the year ended March 31, 2017 which should have been credited in the statement of profit & loss on payment of FCCB liability which is still outstanding to the tune of 554,160 USD as on March 31, 2022 is not in compliance with the requirements of para 27 of the Ind AS 1- Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, the profit and loss has been overstated by the above mentioned amount.

We further report that, had the impact of our observations made in para above been considered, the net loss and the net worth, for the period ended, would have increased and decreased respectively by ₹396.44 lakhs.”

The Management hereby states that the company had credited the amount on the basis of settlement of FCCB liability and out of the settled amount a major part has already been paid till the year ended on 31st March, 2017. The company is undergoing debt resolution plan with the entire of its lenders including Axis Bank Ltd which is holder of FCCB and the issue will be addressed at the time of settlement with Axis Bank.

ii) Secretarial Auditors

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s Khanna Ashwani & Associates, Practising Company Secretary, Ludhiana to conduct the secretarial audit of the Company for the financial year 2021-22, and reappointed the same for FY 2022-23 also.

Report of the secretarial auditor is annexed herewith as ‘Annexure D’, which forms part of this report. Secretarial Audit Report is self-explanatory and there are no such observations/remarks made by the Secretarial Auditors’ in their report which needs further explanation except the observation regarding compliance u/r 33 of (Listing Obligations and Disclosure Requirements) Regulations, 2015 for delayed filing of Consolidated Cash Flow Statement & Consolidated Statement of Assets and Liabilities for the year ended 31.03.2022.

The Management hereby states that the company was having subsidiary namely FM Hammerle Verwaltungs, GMBH Austria (FMH) for the first two Quarters for the Financial Year 2021-22. Later on the subsidiary was liquidated. In the Board Meeting held on 30.05.2022, Standalone Financial Results for the year ended 31.03.2022 which included Statement of Profit and Loss, Statement of Assets and Liabilities, Cash Flow Statement and Annual Consolidated Statement of Profit and Loss were approved and submitted to the Stock Exchanges. Consolidated Statement of Assets and Liabilities as on 31.03.2022 and Cash Flow statement were not prepared and submitted due to reason that FMH ceased to exist as on 31.03.2022. But BSE and NSE required the company to submit the consolidated Statement of Assets and Liabilities and Cash Flow Statement in addition to the already submitted financial results for the quarter/year ended 31.03.2022. Accordingly, these statements were submitted to NSE and BSE on 23.06.2022 after Board’s approval. Both Stock exchanges treated this submission as delayed compliance of Regulation 33 of LODR and imposed a fine and the same was paid to NSE and BSE within stipulated time.

iii) Cost Auditors

M/s Ramanath Iyer & Company, Cost Accountants, New Delhi were appointed as the Cost Auditors of the Company for FY 2021-22 to audit the cost accounts of the Company. The information on conservation of energy, technology absorption and foreign exchange earnings and outgo stipulated under Section 134(3) (m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Rules, 2014, is annexed herewith as 'Annexure F'.

37. Annual Return

The Annual Return (Form MGT-7), as required under Section 92 of the Act read with rules, is available on the Company's website viz. http://oswalgroup.com/investor_pdf/Annual_Returns_2021.pdf

38. Company Petition

Vardhman Polytex Ltd (VPL) being holding company of erstwhile FM Hammerle Textiles Limited had filed a petition u/s 397, 398 of the erstwhile Companies Act, 1956 in the Hon'ble Company Law Board, Principal Bench, New Delhi

against minority shareholder of FMH-Maschinen Umwelttechnik Transportanlagen Gesellschaft mbH, Austria [(MUT)- another shareholder], IRIS Textile GmbH (erstwhile foreign Collaborator), Mr. Josef Hahnl, Director and Mr. Ishwinder Maddh (erstwhile Alternate director to Mr. Josef Hahnl) alleging that the activities and acts of Mr. Josef Hahnl and Mr. Ishwinder Maddh are in the manner oppressive to VPL. VPL also filed petition before the CLB to declare that allotment of 1,90,15,920 shares to IRIS (presently held by MUT) as void ab initio for want of consideration and rectify the register by cancelling the allotment made to IRIS. In furtherance of the petition filed by the Company, the MUT filed an application against OFMHT for oppression and mismanagement. The Company Law Board (CLB) vide its consolidated order dated 13.08.2015 has dismissed all the petitions. The matter pertaining to rectification of register of members was disposed off against VPL. The same was challenged before the Punjab & Haryana High Court at Chandigarh and a stay has been granted in the matter by the Hon'ble High Court. In response to the order of CLB dated 13.08.2015, Hahnl Group filed two applications at CLB for execution of above CLB order and for amendment/rectification in the order. Also MUT had got an order dated 13.10.2017 from Supreme Court of India for adding Vardhman Polytex limited as a party to purchase the shares pursuant to CLB Order dated 13.08.2015. Punjab & Haryana High Court, Chandigarh vide its interim order dated 04-12-2019 has directed to determine the market value of shares held by minority shareholders of FM Hammerle Textiles Ltd. Resolution plan of FMH was approved on 13.03.2020 by NCLT vide which existing shares of FMH have extinguished. As per Supreme Court order VPL and MUT shared equally the fees paid to E & Y for valuation of shares of FMH. It is pertinent to note that MUT cannot claim consideration from VPL in lieu of its erstwhile minority shareholding in FMH due to reason that MUT's shares in FMH have been extinguished vide NCLT order approving resolution plan.

39. Significant and material orders passed by the regulators or courts or tribunals

Except as stated in the report, there are no significant and material orders passed by the Regulators or Courts or Tribunals which would impact the going concern status of the Company.

40. Acknowledgements

Your directors are pleased to place on record their sincere gratitude to the Government, Financial Institutions, Bankers and Business Constituents for their continued and valuable co-operation and support to the Company. They also take this opportunity to record their appreciation of the valuable contribution made by the employees in the successful operations of the Company during the year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC OVERVIEW

Global Economy

Global growth is expected to slow significantly in 2022, largely as a consequence of the war in Ukraine. Economic damage from the conflict will contribute to a significant slowdown in global growth and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022. Multilateral efforts to respond to the humanitarian crisis, prevent further economic fragmentation, maintain global liquidity, manage debt distress, tackle climate change, and end the pandemic are essential.

Indian Economy

The dawning of the year 2022 brought in a sense of fresh optimism and opportunity, even while India as well as the world continue to navigate turbulence; such as the economic consequences of the hopefully-abating COVID-19 pandemic, rising geopolitical situations dislocating global supply chains and unsettling energy markets, inflation and global currency instability. However, India currently looks set to be on a path of recovery from pandemic-induced downturns, with the government's estimate of GDP being 8.7 per cent for FY22. The International Monetary Fund (IMF) has slightly lowered its growth forecast for FY23 to 8.2 per cent. Recent developments in Europe and its attendant effects on global energy markets, the COVID-19 induced supply logjams in China and the consequences of inflation, all reveal the need for governments and firms to stay watchful and agile, and to respond in real-time to increasingly accelerating change and evolution in the physical, social, and economic environment. The above stated factors have impacted the economy particularly in terms of rising inflation, with the Consumer Price Index (CPI) rising to a high of nearly 7.8 per cent in April 2022. In FY22, India's fiscal deficit is estimated to be 6.7 per cent of the GDP, lower than the 9.2 per cent that was recorded in FY21.

INDUSTRY STRUCTURE & DEVELOPMENTS

Global Textile Industry

The global textile market size was valued at USD 993.6 billion in 2021 and is anticipated to grow at a compound annual growth rate (CAGR) of 4.0% from 2022 to 2030. Increasing demand for apparel from the fashion industry coupled with the growth of e-commerce platforms is expected to drive the market growth over the forecast period. The industry works on three major principles, designing, production, and distribution of different flexible materials, such as yarn and clothing. Several processes, such as knitting, crocheting, weaving, and others, are largely used to manufacture a wide range of finished and semi-finished goods in bedding, clothing, apparel, medical, and other accessories. (source: <https://www.grandviewresearch.com>).

The outbreak of Coronavirus disease (COVID-19) has acted as a massive restraint on the textile manufacturing market in 2021 as supply chains were disrupted due to trade restrictions and consumption declined due to lockdowns imposed by governments globally. However, it is expected that the textile manufacturing market will recover from the shock across the forecast period as it is a 'black swan' event and not related to ongoing or fundamental weaknesses in the market or the global economy.

Indian Textiles Industry

The textile industry is one of the oldest business options in India since the ancient age. Different types of textile fibers are produced in India, among which cotton, jute, silk, and wool are the major ones. Both skilled laborers and unskilled officials are needed to run this business smoothly. Thus, the textile industry serves as the platform offering a huge number of employment opportunities to eligible people in India. The products of the Indian textile industry with the traditional designs and textures are very popular all over the world. People associated with this industry hope to see a great comeback in 2022, overcoming the setback during the past 2 years due to the pandemic situation.

The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector on the other end. The decentralised power looms/ hosiery and knitting sector forms the largest component in the textiles sector. India's textiles industry has around 4.5 crore employed workers including 35.22 lakh handloom workers across the country. Exports of textiles (RMG of all textiles, cotton yarns/fabs/made-ups/handloom products, man-made yarns/fabs/made-ups, handicrafts excluding handmade carpets, carpets and jute mfg. including floor coverings) stood at US\$ 29.8 billion between April-December 2021. The Indian textiles market is expected to be worth more than US\$ 209 billion by 2029.

India is the world's largest producer of cotton. Production stood at 360.13 lakh bales for the crop year October 2021-September 2022. Domestic consumption for the 2021-22 crop year is estimated to be at 335 lakh bales. Production of fibre in India reached 2.40 MT in FY21 (till January 2021), while that for yarn, the production stood at 4,762 million kgs during same period. India's home textile exports grew at a healthy rate of 9% in FY21 despite the pandemic. In the year 2020-21, 1.13 million tonnes of cotton yarn were exported from India. The textiles industry (including dyed and printed) attracted Foreign Direct Investment (FDI) worth US\$ 3.93 billion from April 2000-December 2021. (source: <https://www.ibef.org/>)

The Indian textile and apparel market reached a value of US\$ 151.2 Billion in 2021. Looking forward, the market to reach US\$ 344.1 Billion by 2027, exhibiting a CAGR of 14.8% during 2022-2027 (IMARC Group's research report: "Indian Textile and Apparel Market")

Opportunities & Threats
Opportunities

Indian textile industry is the second largest employer, providing direct and indirect employment to nearly 100 million people in India. The domestic textiles and apparel industry contribute 2% to India's GDP, 7% of industry output in value terms and 12% of the country's export earnings.

Despite the setbacks caused by Covid-19 and consequent effects, implementing the following can lead India to be a global textile hub:

1. Active role of government and various textile associations and experts.
2. Capitalizing on Anti-Chinese sentiment of the world.
3. New strategies to be implemented by manufactures and sellers.
4. Venturing in new avenues such as Meditech, technical textiles which have demand in future.
5. Strengthening India's supply chain and garment industry.
6. Focus on "Atma-nirbharta" and strategies to dominate globally.
7. Ameliorating digitalization and sustainability in such times.
8. Understanding the new consumer behaviour.

Threats

Textile sector suffered a significant downturn due to the pandemic. Still, as the outbreak fades, the Indian textile market is also expected to rebound. The Home Textile industry is facing significant headwinds given the rise in input cost, logistical challenges, inflationary pressures, and a volatile global environment, which is putting untoward pressure on margin and demand. What is even more worrying is that China and Pakistan are chipping away at the market share of Indian cotton imports in the US, says a recent study. Trouble for the industry stems from the fact that raw cotton prices in India increased YoY and are currently at par with international prices. As yarn and fabric prices are rising in tandem, companies are facing a huge challenge in terms of passing on higher prices internationally. What has exacerbated the matter is that depreciation in the US Dollar (USD). Cotton prices have seen a sharp spike due to non-availability of cotton, but the report adds that these elevated price levels are unsustainable and expect it to normalize after another good cotton season.

Outlook

Although there are significant headwinds in the near term, the industry remains positive on demand in the mid to long run, due to expansion in export opportunities on account of the Foreign Trade Agreements (FTA) signed by India with nations such as Australia and the UAE. An FTA with the UK is expected to be finalized soon. Discussions on an FTA with Europe is set to begin by Jun'22. Such FTAs, along with the government's steps to support the Indian Textile exports, reflects positively on the long-term outlook for the industry.

During FY 2022-23, major focus of the company shall be on cost cutting measures, improving productivity, reduction in wastage, efforts on taking quality to next level, deriving efficiency to make products further cost competitive and debt settlement with the lender banks. Despite all odds, the company expects to bounce back. It is a testing times for all of us, but with our good brand image and network in the market, we expect to be back on track soon.

Management perception of Risk & Concerns

Textile sector faces an array of challenges many of which have been accelerated by the Covid-19 pandemic. Challenges include rising labour costs, production and process automation, 'reshoring' and 'nearshoring', as well as increased pressure to transition towards a more sustainable business model, with improved wages and working conditions.

In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. Besides the effects of COVID-19, the main risks inter alia include strategic risk, operational risk, financial risk and compliances & legal risk. The fast technology obsolescence, high cost of manufacturing and economic uncertainty in key global markets are the major risk/ concerns of the business.

The Company has devised and implemented a mechanism for risk management and has developed a Risk Management Policy. The Audit Committee also evaluates risk management system of the Company periodically. To cover foreign exchange risk, the Company transacts its all exports through secured mode either against LC or partial advance payment and foreign currency is being hedged simultaneously against almost all confirmed contracts. The company has very agile corporate team of professionals keeping tab on business developments and working efficiently to mitigate the various risks.

Internal Control System & their adequacy:

The Company has a well-established framework of internal controls in all areas of its operations, including suitable monitoring procedures and competent personnel. In addition to statutory audit, the financial controls of the Company at various locations are reviewed by the Internal Auditors, who report their findings to the Audit Committee of the Board. The Audit Committee is headed by an Independent Director and this ensures independence of functions and transparency of the process of supervision. The Committee meets on a regular basis to review the progress of the internal audit initiatives, significant audit observations and planning and implementation of the follow-up action required. The Company conducts its business with integrity and high standards of ethical behavior and in compliance with the all applicable laws and regulations that govern its business.

The company was having subsidiary namely FM Hammerle Verwaltungs, GMBH Austria (FMH) for the first two Quarters for the Financial Year 2021-22. Later on the subsidiary was liquidated. In the Board Meeting held on 30.05.2022, Standalone Financial Results for the year ended 31.03.2022 which included Statement of Profit and Loss, Statement of Assets and Liabilities, Cash Flow Statement and Annual Consolidated Statement of Profit and Loss were approved and submitted to the Stock Exchanges. Consolidated Statement of Assets and Liabilities as on 31.03.2022 and Cash Flow statement were not prepared and submitted due to reason that FMH ceased to exist as on 31.03.2022. But BSE and NSE required the company to submit the consolidated Statement of Assets and Liabilities and Cash Flow Statement in addition to the already submitted financial results for the quarter/year ended 31.03.2022. Accordingly, these statements were submitted to NSE and BSE on 23.06.2022 after Board's approval. Both Stock exchanges treated this submission as delayed compliance of Regulation 33 of LODR and imposed a fine and the same was paid to NSE and BSE within stipulated time.

CERTIFICATE OF COMPLIANCE FROM AUDITOR

To
The Members of
Vardhman Polytex Limited

We have examined the compliance of conditions of Corporate Governance by Vardhman Polytex Limited ("the Company") for the year ended 31st March, 2022, as stipulated in Regulations 17-27, clause (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') pursuant to the Listing Agreement of the Company with Stock exchanges.

Management's Responsibility for Compliance with the Conditions of Listing Regulations

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Auditors' Responsibility

We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

In our opinion, and to the best of our information and according to explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITOR'S REPORT

To The Members of Vardhman Polytex Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Vardhman Polytex Limited ("the Company"), which comprise the standalone Balance Sheet as at March 31, 2022, and the standalone Statement of Profit and Loss (including Other Comprehensive Income), the standalone Statement of Changes in Equity and the standalone Statement of Cash Flows for the year ended, and notes to the standalone financial statement, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter stated in the "Basis for Qualified Opinion" section of this report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies (Indian Accounting Standards) Rules, 2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified opinion

Note No. 48 of the Standalone Ind AS financial statements regarding crediting a profit of ₹ 396.44 lakhs due on payment of FCCB liability to the statement of profit & loss during the year ended March 31, 2017 which should have been credited in the statement of profit & loss on payment of FCCB liability which is still outstanding to the tune of 554,160 USD as on March 31, 2022 is not in compliance with the requirements of para 27 of the Ind AS 1- Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, the profit and loss has been overstated by the above mentioned amount.

We further report that, had the impact of our observations made in para above been considered, the net loss and the net worth, for the period ended, would have increased and decreased

respectively by ₹ 396.44 lakhs.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind As Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to this matter. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Sr. No.	Key Audit Matter	Auditor's Response
1.	Evaluation of uncertain tax positions: The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. Refer Notes to the Standalone Ind AS Financial Statements	Principal Audit Procedures: Obtained details of completed tax assessments and demands till the year ended March 31, 2022 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management

Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Management and Board of Directors of the companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, the respective Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of the Company of which we are the independent auditors.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. A) As required by Section 143(3) of the Act, based on our audit we report that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including Other Comprehensive Income), the standalone Statement of Changes in Equity and the standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statement of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2".

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- a) The standalone financial statements disclosed the impact of pending litigations as at 31 March 2022 on the financial position of the company. Refer note 39 to the standalone financial statements.

b) The Company has long-term contracts as at March 31, 2022 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at March 31, 2022.

ANNEXURE 2 to the Independent Auditor's Report of even date on the Standalone Ind As Financial statements

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vardhman Polytex Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain

reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- c) These financial statements are presented in Indian Rupees (Rs) which is also its functional currency.

1A Significant accounting policies
a) Statement of compliance & Basis of preparation & presentation

The financial statements are prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read along with Companies (Indian Accounting Standards) Rules, as amended and other provisions of the Act. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013. The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

b) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) Revenue recognition

Revenue is recognised at fair value of the consideration received or receivable. The amount disclosed as revenue is inclusive of and net of returns, trade discounts, Goods & Service Tax related taxes and amount collected on behalf of third parties.

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

i) Sale of goods

Revenue from sale of goods is recognized when significant risk and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be reliably estimated and there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably. Revenue is recognized in respect of export sales on the basis of bill of lading.

ii) Export Incentives

Revenue in respect of export incentives / benefits are accounted for on post export basis.

iii) Dividends

Revenue in respect of dividends is recognized when the shareholders' right to receive payment is established by the balance sheet date.

iv) Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

v) Insurance Claim

Claims with insurance companies are accounted on accrual basis to the extent, No significant uncertainty exist and these are measurable and ultimate collection is reasonably certain.

d) Inventories

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence. Cost of inventories comprises of cost of purchase, conversion and other cost including manufacturing overhead net of recoverable taxes incurred in bringing them to their respective present location and condition. The cost in respect of various items of inventory is computed as under:

- i. Stores, spares and raw materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
 - ii. In case of work in progress at raw material cost plus conversion cost depending upon the stage of completion.
 - iii. Finished goods are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. By products are valued at net realizable value.
 - iv. Cost is determined on the basis of weighted average method.
- e) **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of an other entity.

I. Initial recognition and measurement

On initial recognition, all the financial asset and liabilities are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss account. Transaction costs of financial asset and liabilities carried at fair value through profit and loss are immediately recognized in the Statement of Profit or Loss.

II. Subsequent Measurement (Non Derivative Financial Instrument)

a) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments on principal and interest on the principal amount outstanding.

b) Financial Asset At Fair Value Through Other Comprehensive Income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets At Fair Value Through Profit or Loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

d) Financial Liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

f) Property, plant and equipment

Land is carried at cost and all other items of property plant, equipments and fixtures are stated at cost less accumulated depreciation. The cost of property, plant and equipment includes

- 1) its purchase price including import duties and non refundable taxes after reducing trade discount and rebate if any.
- 2) any attributable expenditure directly attributable to bring an assets to the location and the working condition for its intended use.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method except the assets costing Rs 5000 or below on which depreciation is charged at the rate 100% p.a. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used in the production of goods and services or for the administrative purposes is classified as investment property. Investment property is measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less

accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to investment properties are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Investment properties are depreciated using the straight line method over the estimated useful lives.

g) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over expected useful life on a straight line basis from the date they are available for use.

h) Impairment of assets

I. FINANCIAL ASSETS

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

II. Non-Financial Assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for cash generating unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior year..

i) Foreign exchange transactions/translation

a. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c. Exchange Differences

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as an expense.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

d. Forward exchange contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

j) Employee benefits

i. Short Term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of Profit and loss of the year in which the related service is rendered.

ii. Post Employee Benefits

A) Defined Contribution Plans

i. Provident Fund & ESI

The company makes contribution to Statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

Superannuation benefit

The Company makes contribution to superannuation fund which is a post employment benefit in the nature of a defined contribution plan & contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

B) Defined Benefit Plans

Gratuity

The company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees of the company. The gratuity plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the standalone balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

k) Taxes on income

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case, it is also recognized in equity or other comprehensive income respectively.

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Deferred tax is recognized in respect of temporary differences arising between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes (including those arising from consolidation adjustments such as unrealized profit on inventory etc.). Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

l) Government grants and subsidies

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

m) Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

n) Provisions, contingent liabilities and contingent assets

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. A contingent liability is recognized for:

- i. a present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made; and
- ii. a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are neither accounted for nor disclosed in the financial statements.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

o) Earning per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and in hand, including offsetting bank overdrafts, and short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in fair value and have a maturity of three months or less from the acquisition date.

Net deferred tax liability/(Assets) (A) + (B)	(5,016.18)	(5,016.18)

The company has deferred tax liability till the end of the current year on account of differences arising between carrying cost of fixed assets as per books of accounts and that as per income tax. However, deferred tax assets are much higher than the deferred tax liability. In view of this, no further deferred tax assets are being recognised as at March 31, 2022. Based on the company's virtual certainty of the profit, the company is carrying a deferred tax asset of ₹ 5,016.18 lakh as on March 31, 2022. Further despite the net worth being eroded the management is taking all due steps to revive the company. Therefore the financial statements have been prepared on going concern basis.

45. FINANCIAL RISK MANAGEMENT

The principal financial assets of the Company include loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

Market Risk

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, currency risk and other price risk, such as equity risk. Financial instruments affected by market risk include loans & borrowings and deposits. The sensitivity analyses in the following sections relate to the position as at 31 March 2022 and 31 March 2021.

(i) Foreign Currency risk management

The company undertakes certain transactions denominated in foreign currencies. Hence, exposures to exchange rate fluctuations arise.

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Particulars	As at 31 March 2022	As at 31 March 2021
Variable rate instruments		
Long term borrowings	43.29	141.94
Current maturities of long term debt	98.59	115.29
Short term borrowings	52,754.36	52,087.05

Cash flow sensitivity analysis for variable rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. A change of 100 basis points in interest rates for variable rate instruments at the reporting date would have increased/(decreased) profit or loss for the below years by the amounts shown below. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	(₹ in Lakh)	
	As at 31 March 2022	As at 31 March 2021
Increase/ (decrease) in 100 basis point	528.96	523.44

Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has outstanding bank borrowings. The Company is passing through a phase of liquidity stress and there is a mismatch in cash flows. Due to this, the capacities of the Company are running at sub-optimal level. The Company is working towards devising a plan which would correct the cash flow mismatch. The Company believes that the Company would be able to generate enough cash inflows to meet its working capital requirements in the medium and long run. The company manages liquidity risk by maintaining adequate reserves, continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Credit Risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On

account of adoption of Ind AS 109, the company uses expected credit loss model to assess the impairment loss or gain. The Company has exposure to credit risk from trade receivable balances on sale of Yarns & Readymade Garments. The Company ensures concentration of credit does not significantly impair the financial assets since the customers to whom the exposure of credit is taken are well established and reputed industries engaged in their respective field of business. The creditworthiness of customers to which the Company grants credit in the normal course of the business is monitored regularly.

INDEPENDENT AUDITOR'S REPORT

To The Members of Vardhman Polytex Limited
Report on the Audit of the Consolidated Ind AS Financial Statements
Qualified Opinion

We have audited the accompanying consolidated Ind As financial statements of Vardhman Polytex Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and on the other financial information of the subsidiaries, except for the effects of the matter stated in the "Basis for Qualified Opinion" section of this report, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies (Indian Accounting Standards) Rules, 2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, their consolidated profit and their consolidated total comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Qualified opinion

The Holding company had credited a profit of ₹ 396.44 lakhs due on payment of FCCB liability to the statement of profit & loss during the year ended March 31, 2017 which should have been credited in the statement of profit & loss on payment of FCCB liability which is still outstanding to the tune of 554,160 USD as on March 31, 2022 is not in compliance with the requirements of para 27 of the Ind AS 1- Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, the profit and loss has been overstated by the above mentioned amount.

We further report that, had the impact of our observations made in para above been considered, the net loss and the net worth, for the period ended, would have increased and decreased respectively by ₹ 396.44 lakhs.

We conducted our audit of the consolidated Ind As financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For matter below, our description of how our audit addressed the matter is provided in that context. We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to this matter. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Sr. No.	Key Audit Matter	Auditor's Response
1.	Evaluation of uncertain tax positions The Holding Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. Refer Notes to the Consolidated Ind AS Financial Statements	Principal Audit Procedures: Obtained details of completed tax assessments and demands till the year ended March 31, 2022 from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions.

Other Information

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, total consolidated comprehensive income, consolidated changes in equity and consolidated cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Ind AS Financial Statements, the respective board of directors in the group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective board of directors in the group are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient audit evidence regarding the financial information of the Holding Company or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial

statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated annual financial results include the unaudited financial results of a subsidiary F.M. Hammerle Verwaltung GmbH, Austria. The subsidiary is liquidated and ceased to exist with effect from 30th September, 2021 vide a court order dated 03rd December, 2021. Accordingly, consolidated annual financial results include the income and expense of the subsidiary for the period 1st April 2021 to 30th September 2021. This unaudited financial statement has been furnished to us by the Board of Directors. The Holding Company's management has converted the financial statements of the subsidiary located outside India from accounting principles generally accepted in their country to Ind AS. We have audited these conversion adjustments made by the Holding Company's management. Our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of Section 143 (3) of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports as mentioned above.

Report on Other Legal and Regulatory Requirements

1. As required by paragraph 3(xxii) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we report that there are no qualifications or adverse remarks included in the CARO report in respect of the standalone financial statements of the Holding Company which are included in these Consolidated Financial Statements.

2. In our opinion, and according to the information and explanations given to us, CARO 2020 is not applicable to the subsidiary companies included in these Consolidated Financial Statements, hence, this report does not contain a statement on the matter specified in paragraph 3(xxii) of CARO 2020 in relation to the subsidiary companies.

- (A) As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies, incorporated in India, are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" which is based on the Auditor's report of the Holding Company.

Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of the Holding Company.

- B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us we report that :
- a) The consolidated financial statements disclose the impact of pending litigations as at 31 March 2022 on the consolidated financial position of the Group. Refer Note 39 to the consolidated financial statements.
 - b) The Group has long-term contracts as at March 31, 2022 for which there were no material

foreseeable losses. The Company did not have any derivative contracts as at March 31, 2022.

- c) There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company during the year ended 31 March 2022.
- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies, associate companies and joint venture companies and joint operation companies incorporated in India shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the

representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement

- e) The Holding and subsidiary Company has neither declared nor paid any dividend during the year.

3. In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure 1 to the Independent Auditor’s Report of even Date on the Consolidated Ind As Financial Statements

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated IND AS financial statements of the Group as of and for the year ended 31 March, 2022, we have audited the internal financial controls over financial reporting of Vardhman Polytex Limited (“the Holding Company”), as of that date. Reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is not applicable to the subsidiary company as they are not incorporated in India namely F.M. Hammerle Verwaltung GmbH,

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company, which is incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Holding company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Group.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company, which is incorporated in India, has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The principal activity of group is manufacturing of yarn and garments. The company is listed on two stock exchange i.e at National Stock Exchange & Bombay Stock Exchange.
- b) These consolidated financial statements are presented in Indian Rupees (Rs) which is also its functional currency.
- c) The consolidated financial results include results of F.M. Hammerle Verwaltung Gmbh, Austria . The subsidiary Company is located outside India whose financial statements and other financial information have been prepared in accordance with the accounting principles generally accepted in their respective country. The company’s management has converted the above mentioned financial statement and other financial information of such subsidiary company located outside India from accounting principles generally accepted in their respective country to accounting principles generally accepted in India.
- d) F.M.Hammerle Verwaltung GMBH(FMH) was subsidiary during part of the year upto 30.09.2021. Then the F.M.H was liquidated. So Annual results for the year ended 31.03.2022 have been consolidated which includes the Financial results of subsidiary upto 30.09.2021.

2 Significant accounting policies

a) Statement of compliance & Basis of preparation & presentation

The Consolidated financial statements of the Company have been prepared in accordance Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the act. Upto the year ended March 31, 2017, the Company prepared its financial statements in accordance with the requirements of previous Indian GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

The Consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

b) Principal of Consolidation

- i) The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, afterfully eliminating intra-group balances and intra-group transactions.
- ii) Profits or losses resulting from intra-group transactions that are recognised in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- iii) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year.
- iv) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- v) Since Foreign Subsidiary is in same line of business which function in different regulatory environment, certain policies such as in respect of reinstatement of forex liabilities are different from the policies followed by the Holding Company. The notes on accounts and policies followed by subsidiary and holding company are disclosed in their respective financial statements.
- vi) Figures pertaining to the subsidiaries have been reclassified wherever necessary to bring them in the line with parent company’s consolidated financial statements.

The Consolidated Financial Statements comprises of Vardhman Polytex Limited and its subsidiaries, being the entities that it controls. Controls are assessed in accordance with the requirement of Ind AS 110 - Consolidated Financial Statements.

c) Use of estimates & Judgements

The preparation of consolidated financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the date of the financial statements. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an ongoing basis.

d) Revenue recognition

Revenue is recognised at fair value of the consideration received or receivable. The amount disclosed as revenue is inclusive of net of returns, trade discount, Goods & Service Tax related taxes and amount collected on behalf of third parties.

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

i) Sale of goods

Revenue from sale of goods is recognized when significant risk and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be reliably estimated and there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably. Revenue is recognized in respect of export sales on the basis of bill of lading.

ii) Export Incentives

Revenue in respect of export incentives / benefits are accounted for on post export basis.

iii) Dividends

Revenue in respect of dividends is recognized when the shareholders' right to receive payment is established by the balance sheet date.

iv) Interest

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

v) Insurance Claim

Claims with insurance companies are accounted on accrual basis to the extent, No significant uncertainty exist and these are measurable and ultimate collection is reasonably certain.

e) Inventories

Items of inventories are measured at lower of cost and net realizable value after providing for obsolescence. Cost of inventories comprises of cost of purchase, conversion and other cost including manufacturing overhead net of recoverable taxes incurred in bringing them to their respective present location and condition. The cost in respect of various items of inventory is computed as under:

- i. Stores, spares and raw materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
- ii. In case of work in progress at raw material cost plus conversion cost depending upon the stage of completion.
- iii. Finished goods are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. By products are valued at net realizable value.
- iv. Cost is determined on the basis of weighted average method.

f) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of an other entity.

I. Initial recognition and measurement

On initial recognition, all the financial asset and liabilities are recognized at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability except financial asset or financial liability measured at fair value through profit or loss account. Transaction costs of financial asset and liabilities carried at fair value through profit and loss are immediately recognized in the Statement of Profit or Loss.

II. Subsequent Measurement (Non Derivative Financial Instrument)
a) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments on principal and interest on the principal amount outstanding.

b) Financial Asset At Fair Value Through Other Comprehensive Income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets

and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets At Fair Value Through Profit or Loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

d) Financial Liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

III. Derivative Financial Instruments

The company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

Although the company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/Liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

g) Property, plant and equipment

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Land is carried at cost and all other items of property plant, equipments and fixtures are stated at cost less accumulated depreciation. The cost of property, plant and equipment includes

- 1) its purchase price including import duties and non refundable taxes after reducing trade discount and rebate if any.
- 2) any attributable expenditure directly attributable to bring an assets to the location and the working condition for its intended use.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method except the assets costing Rs 5000 or below on which depreciation is charged at the rate 100% p.a. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

h) Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over expected useful life on a straight line basis from the date they are available for use.

i) Impairment of assets

I. FINANCIAL ASSETS

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

II. Non-Financial Assets
Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for cash generating unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior year.

j) Foreign exchange transactions/translation
a. Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b. Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

c. Exchange Differences

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as an expense.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

d. Forward exchange contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

k) Employee benefits
i. Short Term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of Profit and loss of the year in which the related service is rendered.

ii. Post Employee Benefits
A) Defined Contribution Plans
Provident Fund & ESI

The company makes contribution to Statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

Superannuation benefit

The Company makes contribution to superannuation fund which is a post employment benefit in the nature of a defined contribution plan & contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

B) Defined Benefit Plans
Gratuity

The company provides for gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees of the company. The gratuity plan provides a lump-sum payment to vested employees at retirement, death,

incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the standalone balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

l) Taxes on income

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case, it is also recognized in equity or other comprehensive income respectively.

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Deferred tax is recognized in respect of temporary differences arising between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes (including those arising from consolidation adjustments such as unrealized profit on inventory etc.). Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

m) Government grants and subsidies

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred revenue in the balance sheet and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

n) Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

o) Provisions, contingent liabilities and contingent assets

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. A contingent liability is recognized for:

- i. a present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made; and
- ii. a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are neither accounted for nor disclosed in the financial statements.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

p) Earning per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and in hand, including offsetting bank overdrafts, and short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in fair value and have a maturity of three months or less from the acquisition date.

The Holding company has deferred tax liability till the end of the current year on account of differences arising between carrying cost of fixed assets as per books of accounts and that as per income tax. However, deferred tax assets are much higher than the deferred tax liability. In view of this, no further deferred tax assets are being recognised as at March 31, 2022. Based on the company's virtual certainty of the profit, the company is carrying a deferred tax asset of ₹ 5,016.18 lakh as on March 31, 2022. Further despite the net worth being eroded the management is taking all due steps to revive the company. Therefore the financial statements have been prepared on going concern basis.

Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below:

Period	As on: 28-02-2022
Defined Benefit Obligation (Base)	3,73,88,609@ Salary Increase Rate : 7%, and discount rate :5%

45. Financial Risk Management

The principal financial assets of the Company include loans, trade and other receivables, and cash and bank balances that derive directly from its operations. The principal financial liabilities of the company, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

Market Risk

Market risk is the risk that the fair values of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, currency risk and other price risk, such as equity risk. Financial instruments affected by market risk include loans & borrowings and deposits. The sensitivity analyses in the following sections relate to the position as at 31 March 2022 and 31 March 2021.

(i) Foreign Currency risk management

The company undertakes certain transactions denominated in foreign currencies. Hence, exposures to exchange rate fluctuations arise.

(ii) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Particulars	As at 31 March 2022	As at 31 March 2021
Variable rate instruments		
Long term borrowings	43.29	141.94
Current maturities of long term debt	98.59	115.29
Short term borrowings	52754.36	52087.05

Cash flow sensitivity analysis for variable rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. A change of 100 basis points in interest rates for variable rate instruments at the reporting date would have increased/(decreased) profit or loss for the below years by the amounts shown below. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	(₹ in Lakh)	
	As at 31 March 2022	As at 31 March 2021
Increase/ (decrease) in 100 basis point	528.96	523.44

Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has outstanding bank borrowings. The Company is passing through a phase of liquidity stress and there is a mismatch in cash flows. Due to this, the capacities of the Company are running at sub-optimal level. The Company is working towards devising a plan which would correct the cash flow mismatch. The Company believes that the Company would be able to generate enough cash inflows to meet its working capital requirements in the medium and long run. The company manages liquidity risk by maintaining adequate reserves, continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

Credit Risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess the impairment loss or gain. The Company has exposure to credit risk from trade receivable balances on sale of Yarns & Readymade Garments. The Company ensures concentration of credit does not significantly impair the financial assets since the customers to whom the exposure of credit is taken are well established and reputed industries engaged in their respective field of business. The creditworthiness of customers to which the Company grants credit in the normal course of the business is monitored regularly.

The Following is the detail of revenues generated from top five customer of the company and allowance for life time expected credit loss:

Particulars	(₹ in Lakh)	
	As at 31 March 2022	As at 31 March 2021
(a) Revenue from top five customers		
- Amount of Sales	81,635.49	44,827.86
- % of total Sales	87.91%	88.15%
(b) Allowance for doubtful debts		
Balance at the beginning of the period	384.98	358.11
Recognized during the year	768.93	26.87
Amount Write Off	-	-
Balance At the end of the period	1,153.91	384.98

The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables as disclosed at Note 6 & 10.

Write off policy

The financial assets are written off in case there is no reasonable expectation of recovering from the financial.

45A CAPITAL MANAGEMENT

The Company's objectives when managing capital is to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. The director's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. No Changes were made in the objectives, policies or processes during the years ended 31st March 2022 and 31st March 2021.

- 47 The Holding Company is paying rentals for office premises taken on rent which are not in the nature of operating lease agreements. Therefore, disclosure requirements of IND AS-17 are not applicable.
- 48 In case of the Holding Company, The Company has made an assessment of the impact of the continuing COVID-19 pandemic on its current and future operations, liquidity position and cash flow giving due consideration to the internal and external factors. The Company is continuously monitoring the situation and does not foresee any significant impact on its operations and the financials position as at March 31, 2022.
- 49 Despite the fact that the net worth of the Group has been fully eroded in the current year, the Management is of the view that the company is an operative company and with all necessary steps and continuing professional management, is confident to turnaround the company and accordingly Deferred Tax assets will be recognised. In view of the same, the financial statements have been prepared on going concern basis.
- 50 Vardhman Polytex Ltd (VPL) being holding company of erstwhile FM Hammerle Textiles Limited had filed a petition u/s 397, 398 of the erstwhile Companies Act, 1956 in the Hon'ble Company Law Board, Principal Bench, New Delhi against minority shareholder of FMH-Maschinen Umwelttechnik Transportanlagen Gesellschaft mbH, Austria [(MUT)- another shareholder], IRIS Textile GmbH (erstwhile foreign Collaborator), Mr. Josef Hahnl, Director and Mr. Ishwinder Maddh (erstwhile Alternate director to Mr. Josef Hahnl) alleging that the activities and acts of Mr. Josef Hahnl and Mr. Ishwinder Maddh are in the manner oppressive to VPL. VPL also filed petition before the CLB to declare that allotment of 1,90,15,920 shares to IRIS (presently held by MUT) as void ab initio for want of consideration and rectify the register by cancelling the allotment made to IRIS. In furtherance of the petition filed by the Company, the MUT filed an application against OFMHT for oppression and mismanagement. The Company Law Board (CLB) vide its consolidated order dated 13.08.2015 has dismissed all the petitions. The matter pertaining to rectification of register of members was disposed off against VPL. The same was challenged before the Punjab & Haryana High Court at Chandigarh and a stay has been granted in the matter by the Hon'ble High Court. In response to the order of CLB dated 13.08.2015, Hahnl Group filed two applications at CLB for execution of above CLB order and for amendment/rectification in the order. Also MUT had got an order dated 13.10.2017 from Supreme Court of India for adding Vardhman Polytex limited as a party to purchase the shares pursuant to CLB Order dated 13.08.2015. Punjab & Haryana High Court, Chandigarh vide its interim order dated 04-12-2019 has directed to determine the market value of shares held by minority shareholders of FM Hammerle Textiles Ltd. Resolution plan of FMH was approved on 13.03.2020 by NCLT vide which existing shares of FMH have extinguished. As per Supreme Court order VPL and MUT shared equally the fees paid to E & Y for valuation of shares of FMH. It is pertinent to note that MUT cannot claim consideration from VPL in lieu of its erstwhile minority shareholding in FMH due to reason that MUT's shares in FMH have been extinguished vide NCLT order approving resolution plan.
