UPDATE AND PRESS RELEASE

FAMILY CARE HOSPITALS, MAHIM (DIVISION OF SCANDENT IMAGING LIMITED)

Update on Family Care Hospital, Mahim, Mumbai

Mumbai, July 30, 2020: This is to bring to the notice of all concerned that our hospital at Mahim has been served a suspension notice by Brihanmumbai Municipal Corporation for a period of one month regarding a medical case of Covid-19 gone bad early this week and over their perspective of overcharging bills to patients.

Our company is closely working with the concerned authorities to clarify on our hospital role and regain normal functioning for this center.

We expect to resolve the issue as soon as possible and are extremely sad for the authorities to have taken action before understanding the specific details and taking necessary clarifications from the hospital management. We believe this is on the basis of a vested interest propogated viral video.

We hope to conclude our representations soon to seek normalcy in our operations.
