NOTES:

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. Further Ministry of Corporate affairs (MCA) vide General Circular No.2 /2022 & General Circular No.3/2022 dated 05.05.2022 has decided to allow the companies whose AGMs are due in the year 2022, to conduct their AGMs on or before 31st December,2022 through VC/OAVM. Further the Securities & Exchange Board of India , citing MCA Circular dated 05.05.2022, have vide their circular SEBI/HO/CFD/CMD2/CIR/P/2022/62DATED 13.05.2022 extended the relaxation upto December,2022 of sending hard copies of annual reports. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of The SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons

KUMBHAT FINANCIAL SERVICES LIMITED

of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.

SHAREHOLDER INSTRUCTIONS FOR E-VOTING

6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.kumbhatfinancialserviceslimited.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020, MCA General Circular No. 2/2022 and MCA General Circular No. 3/2022 dated May 05, 2022, allowing companies whose AGMs are overdue in the year 2022 to conduct their AGMs on or before 31st December, 2022 through VC/OAVM and SEBI circular SEBI/HO/CFD/CMD2/CIR/ P/202/62 dated 13.05.2022 relaxing sending hard copies of Annual Report subject to request from shareholders.
8. In continuation of the Ministry's General Circular No. 20/2020, dated 5th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA Circular No. 02/2021 dated January 13, 2021. Further MCA General Circular No. 2-20222 and General Circular No. 3/2022 dated May 05, 2022 and SEBI circular SEBI/HO/CFD/CMD2/CIR/ P/2022/62 dated 13.05.2022.

THE INTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on 7th August, 2022 at 9.00 A.M. and ends on 9th August, 2022 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 03rd August, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020, under Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords

KUMBHAT FINANCIAL SERVICES LIMITED

by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts / websites of depositories / depository participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

of late CHINA is reported to have closed down its major economic centres like SHANGAI causing a slowdown of economic activity. This has had a ripple effect on other connected economies.

Added to that the RUSSIAN-UKRAINE CONFLICT triggered fossil fuel price increase causing inflationary spiral. A slew of Central Banks of leading nations have to contain inflation by increasing BASE rate and In India RBI increased the REPO rate resulting in increased cost of borrowing.

In this scenario we had elected to have cautious approach in deploying our fund to avoid NPA.

22. MATERIAL ORDERS PASSED BY REGULATORY AUTHORITIES:

There are no significant and material orders passed by the regulators or courts or tribunals during the year impacting the going concern status and Company's operations in future.

23. RISK MANAGEMENT POLICY:

It has been nearly 24 months since COVID-19 pandemic became a global health crisis. We are still grappling with its unprecedented impact on lives and livelihoods as severe economic lockdowns and travel curbs were required to cut the chain of virus transmission. It is quite sad that many people have lost their lives or their loved ones, especially in the intense second wave that occurred this year. Our sincere prayers are for the impacted families to overcome. Added to that, was the OMICRON variation of COVID and the Ukraine - Russian conflict expected to trigger unprecedented oil price hike leading to inflationary spiral. The central banks of leading western world hiked the base rate and the RBI too increased the REPO rate making cost of borrowing more dearer. In the light of the above developments, our Risk Management Committee met two times and have identified the following risks and have drawn the attention of the Board on the same.

The Committee identified the following risks to be taken into account in granting loan and decided that any unutilized funds be parked with sound commercial banks in term deposits with handsome interest rates until identification of safe loans.

Types of Risk Management in non-banking business:

Type 1: Credit Risk

Nonbanking finance companies often lend out money as micro finance. The chance that a loan recipient does not pay back that money can be measured as credit risk. This can result in an interruption of cash flows, increased costs for collection, and more.

Type 2: Market Risk

This refers to the risk of an investment decreasing in value as a result of market factors (such as a recession). Sometimes this is referred to as "systematic risk."

Type 3: Operational Risk

These are potential sources of losses that result from any sort of operational event; e.g. poorly-trained employees, a technological breakdown, or theft of information.

Type 4: Liquidity Risk

With any financial institution, there is always the risk that they are unable to pay back its liabilities in a timely manner because of unexpected claims or an obligation to sell long term assets at an undervalued price.

Risk Management Practices in Financial Business:

Non-Banking financial institutions must prioritize risk management in order to stay on top (and ahead) of the various critical risks they face every day. Risk management in non banking business, also goes far beyond compliance, as banks must be on the lookout for strategic, operational, price, liquidity, and reputational risk. Staying on top of these risks demands a powerful and flexible bank.

KUMBHAT FINANCIAL SERVICES LIMITED

Risks are events, situations or circumstances which may lead to negative consequences on the Company's businesses and financial results. Risk Management is a structured approach to manage uncertainty. Risk Management is the process of identification, assessment and prioritization of risks followed by coordinated efforts to minimize, monitor and mitigate the probability and / or impact of unfortunate events or to maximize the realization of opportunities. Although the Company does not have a formal risk management policy but a formal enterprise- wide approach to Risk Management is being adopted by the Company and key risks will now be managed within a unitary framework. The Company has laid down a Comprehensive Risk assessment and minimization procedure which is reviewed by the Board from time to time. These procedures are reviewed to ensure that executive management controls risks through means of a properly defined framework. Key business risks and their mitigation are also considered in the annual / strategic business plans and in periodic management reviews.

MANAGEMENT DISCUSSION AND ANALYSIS

Economic Overview:

The Global Pandemic COVID-19 has sent the global economy spiraling downwards and India is not an exception to it. During 2021-22 new strains of COVID-19 like OMICRON raised an alarm and many countries were affected. Leading Industrial nation like CHINA has closed down its key economic centers like SHANGAI. This has had a ripple effect on economies closely linked to CHINA.

Added to this, war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest.

Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January.

Beyond 2023, global growth is forecast to decline to about 3.3 percent over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies—1.8 and 2.8 percentage points higher than projected last January. Multilateral efforts to respond to the humanitarian crisis, prevent further economic fragmentation, maintain global liquidity, manage debt distress, tackle climate change, and end the pandemic are essential.

In a nut shell, the world economic order is affected by the following main events

1. COVID-19 pandemic
2. The Ukraine War that triggered fossil fuel price hike per barrel.

KUMBHAT FINANCIAL SERVICES LIMITED

3. It is also being felt in financial markets, where asset prices were buoyed by the unprecedented levels of stimulus showered on the economy during the pandemic. As that support is removed, you have already seen more turbulence.
4. A slew of base rate hike by central banks of leading nations making cost of borrowing dearer.

Opportunities:

The relief package announced by the government is set to affect almost all sectors and the government is keen to restore the position of Indian economy as the fastest growing in the world. Moreover many overseas Companies have expressed setting up their unit in India and the government move towards the same is being watched with much interest.

India has emerged as one of the fastest growing economies in the globe in the current global economic situation.

Russia has approached India for Medical Equipments and other supplies and as a result of food shortage Egypt is importing wheat from India. The government is encouraging many startups.

Threats:

New entrants could be a threat to the various business segments of the Group. However, competition only help the group build a strong business model, employ the best human talent and capitalize on the long years of excellent client relationship and a proven track record.

Segment-wise or product-wise performance:

At present the Company is carrying on only one segment of financing business.

Risks and concerns:

Any change in the interest rate in the market will have impact on the profit of the company. The company has a defined credit policy duly approved and reviewed by the Management from time to time. The company has identified different types of risk which had been covered in the Directors' report under Risk Management Committee. The credit policy is strictly implemented and the debtors are regularly monitored. However any default or downgrade of credit worthiness of customers may affect profitability.

The Company strives to comply with all the statutory laws of the Country. But the same law may be misused by opposite party especially the defaulters. It may happen in financial business that some people may get loan from the financiers with no intention to repay.

Keeping these points in view the company recovered the old loans without default and has started giving loans with utmost caution.

Internal control systems and their adequacy:

The Company has instituted adequate internal control procedure commensurate with the nature of its business and size of its operations. It is based on well-defined individual roles and responsibilities with their limit of authority at various level, as well as effective feedback flow. All the significant observations and follow-up

KUMBHAT FINANCIAL SERVICES LIMITED

actions thereon are reported to the Board of Directors.

Human Resource/Industrial Relation:

Your Company believes that its employees represent the backbone of its success. The Company, on one hand provides its people with an environment in which they develop, excel and innovate, while on other, it sets challenging targets and rewards superior performance.

The HR Policies of the company have been designed to achieve the following goals:

- Better quality and safety;
- Research and development capabilities; and
- Lesser attrition rate.

Industrial relations at all the works of the Company remained cordial and harmonious during the current period under review. Despite severe competition, the enthusiasm and unstinting efforts of the employees have enabled the company to remain at the forefront of the industry. There is no transaction conflicting with the interest of the company.

Cautionary statement

KUMBHAT FINANCIAL SERVICES LIMITED

INDEPENDENT AUDITORS' REPORT

To the Members of Kumbhat Financial Services Limited

Opinion

We have audited the Ind AS financial statements of **KUMBHAT FINANCIAL SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss, statement of changes in equity and Cash Flow Statement for the year ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern

KUMBHAT FINANCIAL SERVICES LIMITED

basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

KUMBHAT FINANCIAL SERVICES LIMITED

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of section 143 of The Companies Act 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

KUMBHAT FINANCIAL SERVICES LIMITED

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) No dividend has been declared or paid during the year by the Company.
- vi) With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act:
- In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us

- (x)
 - (a) No moneys were raised by way of initial public offer or further public offer (including debt instruments) during the year.
 - (b) The company has not made any private placement or issued rights share during the year. Hence provisions of clause 3(x)(b) of the Order are not applicable to the Company and hence not commented upon.
- (xi)
 - (a) No fraud by the company or any fraud on the company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4.
 - (c) No whistle blower complaints were received during the year by the company.
- (xii) The Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) In our opinion, and according to the information and explanations given to us, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the financial statements, as required by the applicable accounting standards.

KUMBHAT FINANCIAL SERVICES LIMITED

- (xiv) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
- (xv) The Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.

- (xviii) There has been no resignation of the statutory auditors during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report so as to indicate that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) The provisions of Section 135 of the act are not applicable. Therefore, the provisions of clause 3(xx) of the order are not applicable to the Company and hence not commented upon.
- (xxi) Since this audit report is on the standalone financial statements, the provisions of clause 3(xxi) of the order are not applicable to the Company and hence not commented upon.

KUMBHAT FINANCIAL SERVICES LIMITED

ANNEXURE B REFERRED TO IN PARAGRAPH 2 (g) OF THE SECTION ON “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **KUMBHAT FINANCIAL SERVICES LIMITED** as of March 31, 2022 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established under the COSO 2013 criteria, which considers the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records

KUMBHAT FINANCIAL SERVICES LIMITED

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KUMBHAT FINANCIAL SERVICES LIMITED

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Company Overview

Kumbhat Financial Services Limited (“the Company”) is a Public company incorporated in India in 1993 and is having registered at 5th Floor, Kumbhat Complex, No. 29, Rattan Bazaar, George Town, Chennai – 600 003. The Company is registered as a Non-Banking Financial Company (Non-Deposit taking and Non-Systemically Important) with Reserve Bank of India and is primarily engaged in the business of financing of commercial loans. The equity shares of the Company are listed on Bombay Stock Exchange.

Basis of preparation and presentation

➤ Compliance with Ind AS

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act. In addition, the directions of Reserve Bank of India, the Guidance Notes and announcements issued by the Institute of Chartered Accountants of India are also applied, except where the compliance with other statutory provisions requires different treatment.

➤ Historical Cost Convention

The Financial Statements have been prepared under the historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below.

The financial statements have been prepared on a going concern basis, as the management is satisfied that the Company shall be able to continue its business for the foreseeable future and no material uncertainty exists that may cast significant doubt on the going concern assumption. The outbreak of COVID-19 has not affected the going concern assumption of the Company. The Company uses accrual basis of accounting except in case of significant uncertainties.

All the amounts included in Standalone Financial Statements are reported in Indian Rupees in Lakh, which is the functional currency of the Company.

The Company presents its Balance Sheet in the order of liquidity

➤ Critical accounting estimates and judgements

The preparation of the Company’s financial statements in conformity with Ind AS requires the management of the Company to make use of estimates, assumptions and judgements. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management’s estimates are based. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment
- Fair value of financial instruments
- Effective Interest Rate (EIR)
- Impairment on financial assets (ECL)
- Provisions and other contingent liabilities
- Provision for tax expenses
- Residual value and useful life of property, plant and equipment

KUMBHAT FINANCIAL SERVICES LIMITED

1. Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1. Revenue Recognition

(i) Interest income

The Company recognises interest income on an accrual basis, using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). The EIR is the rate that exactly discounts estimated future cash receipts (including all fees, transaction costs and other premiums or discounts paid or received) through the expected life of the financial instrument to the carrying amount on initial recognition. Accordingly EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

Delayed payment interest (penal interest), if any, levied on customers for delay in repayments/non-payment of contractual cash flows as per the agreed terms and conditions of the loan, is recognised on realisation.

(ii) Dividend income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of dividend be measured reliably.

(iii) Other revenue from operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(iv) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

KUMBHAT FINANCIAL SERVICES LIMITED

1.2. Cash and cash equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank Cash Credits repayable on demand, as they are considered an integral part of the Company's cash management.

Cash flow statements are reported using indirect method and the cash flows from operating, investing and financing activities of the Company are segregated.

1.3. Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset for one entity and a financial liability or equity instrument for another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instrument.

Financial Assets and Liabilities - Initial Recognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

All financial assets and Liabilities are initially recognised at fair value.

Transaction costs directly attributable to the acquisition or issue of financial assets and financial liabilities that are measured at amortised cost are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in profit or loss.

For tradable securities, the Company recognises the financial instruments under Settlement date Accounting.

Classification and Subsequent measurement

Financial Assets:

The Company classifies its financial assets as subsequently measured at either amortized cost or fair value depending on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

A financial asset is measured at Amortised Cost only if both of the following conditions are met

- The asset is held with a Business model whose objective is to hold them to collect contractual cash flows and
- The contractual terms of the financial assets give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the amount outstanding.

Such Financial assets are subsequently measured at amortised cost using the Effective Interest rate method.

Financial assets are subsequently measured at Fair Value Through Other Comprehensive Income (FVTOCI) if:

KUMBHAT FINANCIAL SERVICES LIMITED

- The financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on principal and the interest (SPPI) on the principal outstanding.

Any financial instrument, which does not meet the criteria for categorisation as amortized cost or as Fair Value Through Other Comprehensive Income (FVTOCI), is classified as at Fair Value Through P&L (FVTPL).

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt and equity instruments are recognised on net basis through profit or loss.

Financial Liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method except for financial liabilities at FVTPL. A financial liability is classified as FVTPL if it is held-for-trading or it is a derivative or it is designated as FVTPL on initial recognition. Interest expense, foreign exchange gains (losses) and any gains and losses on de-recognition are recognised in the profit or loss.

Derecognition of Financial Assets and Financial Liabilities

Financial Assets:

The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when and only when :

- The right to receive cash flows from the asset have expired, (or)
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognised, the Company does not have any continuing involvement in the same.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains all or substantially all the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

On de-recognition of a financial asset, the difference between the carrying amount of the asset and the consideration received is recognised in profit or loss.

Financial liabilities:

The Company de-recognises a financial liability when its contractual obligations are discharged, cancelled or expired.

Impairment of financial assets

The Company assess on the forward looking basis the expected credit losses associated with its financial assets held under amortised cost and at FVOCI. The impairment methodology applied depends on

KUMBHAT FINANCIAL SERVICES LIMITED

whether there has been a significant increase in credit risk. Based on the methodology the Company is formulating the risk evaluation based impairment framework.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised.

Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet when, and only when,

- there is an enforceable legal right to offset the recognised amounts and
- an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

During the financial year no offsetting of financial instruments has been made in the financial statements.

1.4. Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities

Fair value measurements are categorised into Level 1,2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices unadjusted in active markets for identical assets or liabilities that the entity can access at the measurement date
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly and
- Level 3 inputs are unobservable inputs for the asset or liability.

1.5. Taxes

Income Tax expense represents the aggregate amount included in the determination of Profit or Loss for the period in respect of Current Tax and Deferred Tax.

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid/payable to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the reporting date.

KUMBHAT FINANCIAL SERVICES LIMITED

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(iii) Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the companies will pay normal income tax during the specified period.

1.6. Property, Plant and Equipment (PPE)

Cost model is adopted for Property, Plant and Equipment. The cost of an item of property, plant and equipment is recognised as an asset if, and only if,

- (a) it is probable that future economic benefits associated with the item will flow to the entity and
- (b) the cost of the item can be measured reliably.

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and

KUMBHAT FINANCIAL SERVICES LIMITED

rebates, any non-refundable import duties and other taxes, any directly attributable expenditure on making the asset ready for its intended use by the Management, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to Statement of Profit and Loss in the period in which the costs are incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

On transition to Ind AS, the Company has continued with the carrying value of all its PPE recognized as at 01st April, 2018, measured as per previous GAAP and use that carrying value as its deemed cost of the PPE as at that date.

1.7. Intangible Assets

An intangible asset is recognised if, and only if (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and (b) the cost of the asset can be measured reliably as per the assessment of the management.

Intangible assets with finite useful lives that are acquired separately are initially recognized at Cost which comprises of the purchase price, including import duties and non-refundable purchase taxes and any directly attributable costs of preparing the asset for its intended use, and subsequently carried at cost less accumulated amortization and accumulated impairment losses.

In respect of Computer software, it is the policy of the Company to capitalize the Cost of the software and recognised as intangible assets based on materiality, accounting prudence and significant benefits expected to flow there from for a period longer than one year.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

As at the date of the Financial Statements the Company doesn't have any Intangible Assets in use.

1.8. Depreciation on Property, Plant and Equipment

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of an asset is the period over which an asset is expected to be available for use by an entity.

Amortisation is recognised on a straight- line basis over the estimated useful lives.

Depreciation and amortization on property, plant and equipment and intangible assets added/disposed off during the year has been provided on pro-rata basis with reference to the date of addition/disposal.

Depreciation and amortization methods, useful lives and residual values are reviewed periodically as appropriate in the views of the management and also at the end of each reporting period and adjusted if required.

KUMBHAT FINANCIAL SERVICES LIMITED

There are no assets under Financial Lease during the Financial year.

Estimated useful lives of the assets are considered as prescribed in Schedule II to the Companies Act, 2013 and in respect of an item of PPE having individual value up to Rs. 5,000/- is depreciated fully in the financial year of purchase of asset.

1.9. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss based on the internal and external factors. Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount where the recoverable amount is the higher of the net selling price of the assets and their value in use.

There are no Intangible Assets with indefinite useful lives.

1.10. Provisions and contingent liabilities

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent Liabilities

A disclosure for contingent liabilities is made where there is:

- a. possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity (or)
- b. a present obligation that arises from past events but is not recognized because 1). it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or 2). the amount of the obligation cannot be measured with sufficient reliability.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

1.11. Foreign currency translation

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting

KUMBHAT FINANCIAL SERVICES LIMITED

date. Non- monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

All exchange differences are accounted in the Statement of Profit and Loss.

During the year, there are no foreign currency transactions.

1.12. Employee benefits

Short term Employee benefits

Short term employee benefits for services rendered by employees are recognised during the period when the services are rendered.

Post Employment benefits

As the number of persons employed by the Company on roll fall below the limits (at any point of time during the year) prescribed Employee Provident Fund Act, 1952 and Employee State Insurance Act, 1948 the Company is not covered under the said Acts and hence no obligation arises on the part of the Company to contribute for the post employments benefit funds as per the respective acts.

Likewise the Company is not covered by Payment of Gratuity Act, 1972 as it doesn't have number employees beyond the threshold limit. Hence the Company is not required to carry out actuarial valuation for the Gratuity liabilities and make provisions accordingly. However the Company, for the sake of the employee benefits, is making provisions for Gratuity at the rate prescribed under the Payment of Gratuity Act, 1972 and the estimations are made on the basis of number of years served by the employee consecutively for a period more than 5 years.

1.13. Earning Per Share:

Basic earnings per share is calculated by dividing profit/(loss) for the year attributable to ordinary equity holders of the Company (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period.

Diluted earnings per share is computed by dividing the profit/ (loss) for the year attributable to equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.
