Tru Cap Finance

Lender to India's MSME Needs

TRU Promise

We stand by the belief that technology & capital can be employed to catalyze the growth journey of MSMEs. It can bring positive social impact by creating opportunities & supporting livelihoods through fostering of talent and facilitating people to lead a more meaningful life.

We want our customers to feel confident dealing with money instead of dread, frustration & helplessness. It is a moment of pride for us if a woman entrepreneur breaks conventional barriers to establish a business and create in turn employment for people to earn their livelihood.

We want businesses to feel secure while expanding their units without the fear of lack of money by ensuring that our support will make their cash inflows run an extra mile to build capacity and improve their profitability.

We want our stakeholders to believe that capital is not difficult but flexible, and we have their back as they chase sustainable economic & business growth.
