INDUSTRY UPDATE

Changing behavior of consumer & brands during & after Covid-19

Mr. Panika Mishra, CEO, Apis India Pvt. Ltd.

With working hours & stay at home consumption being the product agenda after what COVID-19 brought, fast-moving consumer good (FMCG) is a sector that went through quite a significant structural change in response to the situation of the pandemic.

Bring out of the biggest sectors in India with diverse businesses, including personal care, household, etc., the FMCG sector underwent a consequential transformation in response to the demand for more convenience, the pandemic, and change in the consumer's behavior. Limited access to the grocery shopping also reduced the consumption of fresh foods, especially fruits, vegetables and milk, which especially impacted the processed food category from the domestic consumer point of view in the initial stages of lockdown.

In the first phase of the pandemic, our government pursued the containment operation to fill the health stores & grocery retailers who were providing the essential consumer health care products, due to which there was a demand spike in this sector. At the e-commerce companies like Grofers and Big Basket also revealed a spike in sales in the initial stages of lockdown with people being confined to their homes and developing a habit of online grocery shopping.

However, the severity of the second wave came with heightened uncertainties, because of people losing their jobs, rise in the spread of the virus, and people getting more precautionary about their savings and spending brought a lot of challenges for the FMCG sector.

Knowing and facing the critical situation, there was a notable shift with consumers adopting a more precautionary saving approach with resources made for medical needs & emergencies.

The situation also prepared brands for the unexpected. Brands had to rethink their strategies to reach consumers in new ways and this is where online shopping picked up the momentum.

Big players like ITC, Godrej, etc., opened up their services to deliver 24*7 "anytime" using the home-delivery through all marketplaces & brands reverted by launching ready-to-eat meal options with immunity-based packaged goods, another thing which pandemic accelerated was the growth of snack category to keep health & safety as the primary focusing line to serve the new need among the millennials as they look forward to keeping a good balance between indulging & being mindful.

Owing to the fear of contracting the virus by going out, digital became the only way to reach out to the consumers because of such communicating with the consumers in another big aspect brands have been focusing upon. Brands have started engaging more proactively with deeper & more conscious conversations, which essentially includes brands talking about their efforts & values in terms of environmental sustainability, community service & most importantly health impacts.

This life-changing event also caused changes in lifestyle behavior of people, leading to which, immunity grew much because the stress of staying away from outside to keep more at home focus on their eating habits. Consumers are increasing more conscious about what they've been eating. Thus, they pay more attention and look for making more responsible choices about what they eat.

Indians especially were re-evaluating immunity because in whatever form possible homemade or ready-made, immunity is known as one of the most effective immunity by foods & the best remedy to add it enough because very high in demand. Honey is known for many health benefits like, strengthening metabolism, keeping the body energized, and building immunity, keeping it sweet, these factors, honey as a product got a surge in popularity among people.

Honey had a pretty much become a part of everybody's lifestyle. Even the Urban Indian also started turning to this age-old method of eating healthy diet, it is honey to make a new meaning in immunity-boosting drink.

Following all the necessary precautions, the interest in health also grew with a great number among the people, everyone became more conscious about their eating habits and overall lifestyle, which also led to the surge in demand for consumer health products such as Apple Cider Vinegar, Sun Chunks, Dates Green Tea, etc.

Now that almost all of the world is fully vaccinated, we are just in one more wait to affect the sustained demand for the healthy food product range.

3. COVID-19 IMPACT ON BUSINESS OUTLOOK

India's Economy suffered a major setback during the first and the second wave of the Covid-19 pandemic but now it is showing signs of steady recovery.

The FMCG or consumer products industry in India had seen a remarkable transformation over the last two years with COVID acting as an inflection point and giving a fillip to natural healthcare products. FMCG industry reported strong growth during 2021-22 driven by price increases. Volume growths were impacted towards the end of the year by high rates of inflations which hurt the consumers' income.

Growing awareness, easier access through online and delivery channels and changing lifestyles have been the key growth drivers for the sector. COVID further transformed the retail and demand landscape in the FMCG industry with consumers shifting to healthier lifestyles and buying immunity-boosters to fight illnesses. Online commerce also gained traction with consumers shifting to contact-free purchases as the fear of COVID hit a peak in the early part of the year. While the businesses largely stabilized and consumer demand revived for discretionary products as the year progressed, the Covid-19-induced drop in income levels coupled with increasing retail

inflation is having an impact on consumption of non-essential groceries.

The Company's focus on liquidity, supported by a strong balance sheet and acceleration in cost optimization initiatives, would help in navigating any near-term challenges in the demand environment.

CORPORATE GOVERNANCE REPORT

(In compliance with Regulation 34(3) read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

I. MANDATORY REQUIREMENTS

1. Corporate Governance: Philosophy

Corporate governance encompasses a transparent set of rules and controls in which shareholders, directors and management have aligned incentives. It provides the framework for attaining a company's objectives while balancing the interests of all its stakeholders.

Corporate governance is also about what the Board of Directors ("the Board") do and how they set the values of the Company and it is to be distinguished from the day to day operational engagement of the Company by full-time executives. The responsibilities of your Board thus include setting the Company's strategic aims, providing the leadership to put them into effect, supervising the management of the Company and reporting to shareholders on their stewardship. Together, the Management and the Board ensure that Apis remains a company of uncompromised integrity and excellence. Your Board has adopted a vision to make your company a 'best in class organization' surpassing the expectations of all stakeholders.

Your Company adheres to high levels of corporate governance standards and best practices and commits itself to accountability and fiduciary duty in the effective implementation of mechanisms that would ensure Corporate Responsibility to the members and other stakeholders.

The Company's philosophy on Corporate Governance is to ensure the best possible management team with experienced professional people. The Company firmly believes that sound practices adopted in the governance of its affairs based on openness, transparency, capability and accountability are essential elements for long term success, building the confidence of its stakeholders its functioning and conduct of business.

The Company has always maintained a strong legacy of fair, transparent and ethical governance practices. The Company has adopted a Code of Conduct for its employees including the Managing Director and the Executive Directors. In addition, the Company has adopted a Code of Conduct for its Board Members, The Code of Conduct for regulating & Monitoring Trading by the Insiders and the Code of Practices and Procedures Fair Disclosure of Unpublished Price Sensitive Information, are available on the Company's website.

The Company has been complying with the Corporate Governance requirements, as stipulated under Regulation 34(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with Stock Exchange.

2. Board of Directors

The Company firmly that an active, well-informed and independent Board is necessary to ensure that highest standard of Corporate Governance to bring objectively and transparency in the management. The Board of Directors is entrusted with the ultimate responsibility of the management, general affairs, direction and performance of the Company and has vested with the requisite powers, authorities and duties.

Selection of the Board

In terms of the requirements of the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to 'Listing Regulations') the Nomination and Remuneration Committee has been designated to evaluate the need for change in the composition and size of the Board of Company and to select members to fill Board vacancies and nominating candidates for election by

the Shareholders at the Annual General Meeting.

MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

Being into the business of rearing and hiving honey bees for the purpose of generation and export of honey the Company basically carries on the business of apiculture and falls in the Agricultural Industry. The Companies operated in an unexplored apiculture market and focused for bright growth opportunities in future.

GLOBAL ECONOMY

The COVID crisis, which had impacted lives and livelihood across the world and thrown economies into distress, continued to wreak havoc in 2021-22. The year saw the emergence of the delta variant of COVID which left behind a trail of destruction and deaths. While the situation improved by second quarter, the emergence of the Omicron variant towards the end of December once again threw a spanner in the global economy leading to fresh mobility restrictions and slow-down in economic activity.

The year 2021-22 was also characterised by high inflation, at levels which had not been seen before. This was further aggravated by the Russia-Ukraine crisis which began in February 2022 leading to a sharp increase in commodity and oil prices.

As per the World Economic Outlook April 2022 by IMF, the Russia-Ukraine crisis unfolded while the global economy was on a mending path but had not yet fully recovered from the COVID-19 pandemic. Russia's invasion of Ukraine and the economic sanctions on Russia that have followed have put global energy supplies at risk. Russia supplies around 10% of the world's energy, including 17% of its natural gas and 12% of its oil. The jump in oil and gas prices will add to industry costs and reduce consumer real incomes.

In addition to the war, frequent and wider-ranging lockdowns in China—including in key manufacturing hubs—have also slowed activity there and could cause new bottlenecks in global supply chains. Higher, broader, and more persistent price pressures also led to a tightening of monetary policy in many

countries. Overall risks to economic prospects have risen sharply and policy trade-offs have become ever more challenging.

In the April Outlook, IMF has further moderated its global growth outlook to 3.6% in 2022 and 2023, 0.8 and 0.2 percentage points respectively, lower than their January forecast. This growth forecast assumes that the conflict remains confined to Ukraine, further sanctions on Russia exempt the energy sector, and the impact of the pandemic abates over the course of 2022.

INDIAN ECONOMY

The macro headwinds of new variants of Covid and inflation impacted India as well. GDP growth which had gone into negative territory in 2020-21 recovered albeit at a slower than expected level.

According to the Economic Survey, India's GDP is projected to grow by 8-8.5 per cent in real terms in fiscal 2022-23.

The Government of India has taken several initiatives to improve the economic condition of the country. The past 12 months have seen the government announce an outlay of ₹ 1.97 Lakh Crores for the Production- Linked Incentive (PLI) Schemes across 13 key sectors, including Food Processing, to create national manufacturing champions and generate employment opportunities for the country's youth. This initiative and the emphasis on building infrastructure and promoting Make in India programmes along with resilient domestic demand and consumption are likely to help sustain growth in the Indian economy.

Outlook

With the Russia-Ukraine crisis pushing up overall costs of production, including the cost of raw material, transportation and packaging material, Inflation continues to be the biggest concern as we enter the 2022-23 fiscal.

Even so, India is expected to be one of the fastest growing economies in the world. As per IMF GDP growth in India is expected to grow by 8.2% in 2022 and 6.9% in 2023.

INDIAN FMCG SECTOR

The FMCG or consumer products industry in India had seen a remarkable transformation over the last two years with COVID acting as an inflection point and giving a fillip to natural healthcare products. FMCG industry reported strong growth during 2021-22 driven by price increases. Volume growths were impacted towards the end of the year by high rates of inflations which hurt the consumers' income.

Growing awareness, easier access through online and delivery channels and changing lifestyles have been the key growth drivers for the sector. COVID further transformed the retail and demand landscape in the FMCG industry with consumers shifting to healthier lifestyles and buying immunity-boosters to fight illnesses. Online commerce also gained traction with consumers shifting to contact-free purchases as the fear of COVID hit a peak in the early part of the year. While the businesses largely stabilized and consumer demand revived for discretionary products as the year progressed, the Covid-19-induced drop in income levels coupled with increasing retail inflation is having an impact on consumption of non-essential groceries.

2. OPPOTUNITIES AND THREATS

There is a huge opportunities for honey market to grow in India because of availability of raw material and other incentives provided by the Government. The opportunity in honey product will remain high considering enhanced demand in the international market as well as increase in consumption of domestic market. In India there is ample opportunity for new Retail food business taken up by the company as being increase in per capita income and growing spending on leisure activities.

Due to inflationary pressures, the fluctuation in prices of raw material and high prices of packing material will remain a major threat for honey market. But your Company is taking steps by negotiating with the buyers to get the requisite prices. In the Retail Food Division the product category being new in India, Company has to establish it among consumers and match the Taste preference of customers.

Fluctuation in Foreign Currency rates may result into both opportunity and threat for us

since your Company is predominantly is Export oriented.

3. OUTLOOK

The Company will continue to explore the honey market as a whole and even aims at business expansion and exploration of unhidden areas of work.

4. RISK AND CONCERNS

Due to Increase in demand for the Raw Honey there might be an increase in the price of Raw Material which in turn might affect the margins of the company. The Competition is expected to be more aggressive driving the price pressures. Uncertainty in global economic growth coupled with inflationary pressures might impact the growth of the Company. For its Food division company has to compete with already well established Food chain operators and make a niche for its product in the highly competitive market.

The shares of the company are non – frequently traded and there is no change in the price of the shares since January, 2020, the last traded price was ₹ 18.40.

5. RISK MANAGEMENT:

Your Company has laid down procedures to inform the Board members about the risk assessment and risk minimization procedures. The Company is exposed to risk from foreign exchange and price risks.

Foreign Exchange Risk

The Company's policy is to actively manage its long term foreign exchange risk within the framework laid down by the Board. A Volatile dollar rate is always a threat for the business but the Company had minimized such risk by taking dollar based fund facilities from Banks.

Price Risk

There is substantial increase in Raw Material Prices. But your Company is continuously negotiating with the existing vendors to get the requisite price hike.

6. INTERNAL CONTROL & THEIR ADEQUACY:

Your Company believes in formulating adequate and effective internal control system

and implementing the same to ensure the protection against misuse or loss of assets and interest of the Company are safeguarded and reliability of the accounting data and accuracy are ensure with proper checks and balances.

The Audit Committee meets periodically reviews the effectiveness and suggests improvement for strengthening them. The culture of self-governance and internal control sustained through varied set of activities including well defined policies and self-certification on adherence to the policies and procedure. Good governance, sound internal controls forms the habitat in this environment.

The Audit Committee of the Board of Directors, Statutory Auditors and the Business Heads are periodically appraised of the internal audit findings and corrective action taken.

7. SEGMENT WISE PERFORMANCE

Segment wise reporting is not applicable to the Company for the year 2021-22.

8. FINANCIAL OPERATION AND PERFORMANCE:

In the current year, your Company has been successfully achieved the Standalone Net Sales of ₹ 29,522.37 Lakh as compare to previous year ₹ 27,335.21 Lakh. The Company's Exports of ₹ 12,944.38 Lakhs as compare to previous year ₹ 8,424.39 Lakh during the year under review.

During the year, Company's profit before tax has amounted to ₹ 600.14 Lakh (previous year ₹ 534.79 Lakh). Earnings per share were ₹ 9.85 as compared to ₹ 9.14 for the previous year.

10. INDUSTRIAL RELATIONS AND HUMAN RESOURCE MANAGEMENT:

In an ever-increasing competitive and challenging world, Apis India continues to focus on its 'people pillar' as a key to achieve its core objective of sustainable growth and social objectives. The Company acknowledges the role of the Human Resource (HR) community as a strategic business partner in the organization and continues to invest in a wide variety of HR activities.

During the year under review, the Company continued with its HR strategy and a sharp focus on the following themes:

Employee Engagement

With 'One Family' as one of the core values of the Company, it actively engages with the employees at all levels. The Company looks at engagement as beyond the traditional event-based engagement programmes and at a holistic engagement initiative where the endeavor is to provide clear job knowledge; clarity about the scope of opportunities (both horizontal and vertical); an environment, which promotes learning and sharing; open communication and others. The Company endeavors to provide an engaging environment by ensuring that the above parameters are met. A robust Internal Job Posting system ensures that employees are aware of available prospects. The leadership team actively participates in the quarterly 'town halls' as it answers any and every questions

from the employees. Finally, each location has a list of events to continuously engage with the employees and, at times, their families as well. The Hungary plant has a regular programme for employees and their family members called 'Family Factory Visit' and gives an opportunity to the closest relatives of the employees to visit the plant. The Indian plants held various events like festival celebrations, Women's Day celebrations, running and wellness programmes and others.

Performance Management

The performance management process, 'Horizon', completed its third annual cycle. The Company's performance management system gives ample opportunities to each employee to discuss not only about the performance but also the opportunities available in the organization.

Talent Management

In an increasingly competitive world, talent management has become a key focus area for the HR function in the organisation. The Company actively endeavors that its employees look at job enlargement and rotation opportunities. For the Company, supporting such a journey is a win-win arrangement wherein employees discover

avenues of growth and the organisation can leverage well-inducted candidates with a deep understanding of its business and culture. Multiple people across the organisation were given the opportunity to work in new functions or move to a new location.

Our opinion is not modified in respect of the above.

4. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no matters to be described as key audit matters.

5. INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

A. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information to the extent applicable, but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the standalone financial statements does not over the other information and we do not express any form of assurance

conclusion thereon.

B. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

6. MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind-AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

B. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to

continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

- B. The Board of Directors are responsible for overseeing the Company's financial reporting process.

7. AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

- A. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit we also :
- (i) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control.

- (ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- C. Materiality is the magnitude of

misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

II. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1. As required by Section 143(3) of the Act, based on our audit report we report that:
 - A. We have sought and obtained all

the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- B. In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books.
- C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the aforesaid standalone financial statements.
- D. In our opinion, the aforesaid standalone financial statements comply with the "Ind-As" specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- E. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- F. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- G. With respect to the other matters

to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company have pending litigations in various matter as reported in **Note 30** for which management cannot estimate the impact on its financial position and shown as contingent liability.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or

entity, including foreign entity ("Intermediaries"), With the understanding whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate Beneficiaries;

- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by company from any person or entity, including foreign entity ("Funding parties"), with the understanding, whether recorded in writing or otherwise, that the company shall. Whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party ("Ultimate Beneficiaries") or provide any guarantee, Security or the like on behalf of Ultimate Beneficiaries;
- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under

sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

specified in paragraphs 3 and 4 of the Order to the extent applicable.

- v. During the year, company has declared or paid dividend on preference shares during the year which is in compliance with section 123 of the Companies Act, 2013.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure C" a statement on the matters

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in 1(f) under ‘Report on Other Legal and Regulatory Requirements’ Section of our reports to the Members of APIS India Limited of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 SECTION 143 OF THE COMPANIES ACT, 2013 (‘THE ACT’)

We have audited the internal Financial Controls over financial reporting of (“the Company”) as at March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants

of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls

over financial reporting were operating effectively as at 31st March 2022, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF STANDALONE AUDITED FINANCIAL STATEMENTS

CORPORATE INFORMATION

APIS India Limited (the Company) was incorporated on March 22, 1983 as a public limited Company under the provisions of Companies Act, 1956, vide Company Identification Number L51900DL1983PLC164048. The registered office of the Company is situated at Delhi. The Company is a market leader in the honey processing business having unit at Roorkee (Uttarakhand). The Company has its presence in domestic as well as in International market.

The financial statements for the year ended March 31, 2022, are approved by the Board of Directors and authorised for issue on June 16, 2022.

1 BASIS OF PREPARATION AND PRESENTATION

1.1 STATEMENT OF COMPLIANCE

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provisions of the Companies Act, 2013 (the Act) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and the relevant amendment rules issued thereafter.

1.2 ACCOUNTING CONVENTIONS

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

1.3 OPERATING CYCLE

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the

Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimation of uncertainties relating to pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic, COVID-19, in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial

statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

2.2 PROPERTY PLANT & EQUIPMENT

- a) Property, plant and equipment are stated at cost net of taxes less accumulated depreciation and/or impairment loss, if any. All costs such as freight, non recoverable duties & taxes and other incidental expenses until the property, plant and equipment are ready for use, as intended by management and borrowing cost attributable to the qualifying property, plant and equipments are capitalized. Assets costing less than Rs. 5,000/- are fully depreciated in the year of purchase in merging unit.
- b) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.
- c) Capital work in progress represents expenditure incurred in respect of capital projects which are carried at cost. Cost includes land, related acquisition expenses, development and construction costs, borrowing costs and other direct expenditure.
- d) The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

- e) Depreciation on property, plant and equipment has been provided in accordance with written down value method and in the manner prescribed in Schedule II to the Companies Act, 2013.

Intangible assets, Brand Developments and Trademarks, have been amortised to their nominal values and used SLM method for amortisation of the assets and computer software, have been amortised to their nominal values and used WDV method for amortisation of the Assets.

- f) In respect of assets added/discharged off during the year, depreciation is charged on pro-rata basis with reference to the month of addition/dischposal.
- g) Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

2.3 INTANGIBLE ASSET

Intangible assets are recognized as per the criteria specified in Indian Accounting Standard (Ind As) 38 "Intangible Assets" issued by the Ministry of Corporate Affairs, Government of India.

2.4 FINANCIAL INSTRUMENTS

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement*Financial assets carried at amortised cost*

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements.

Investment in associates

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

The Company's investment in its associates is accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Company share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with Ind AS 109 "Financial Instruments" issued by the Ministry of Corporate Affairs, Government of India. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

2.5 IMPAIRMENT**Financial assets**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

Non-financial assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss, if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net

of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.6 PROVISIONS

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

2.7 BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets to the extent they relate to the period till such assets are ready to be put to use, while other borrowing costs are recognized as expenses in the year in which they are incurred. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

2.8 INVENTORIES

- i) Raw materials, consumables stores and spares are valued at lower of

cost and net realizable value. Work in progress and finished goods are valued at lower of cost and net realizable value.

The costs of work in progress and finished goods include costs of raw material, conversion cost and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average/FIFO/specific identification, as applicable.

- ii) Scrap is valued at the net realisable value.

Net Realisable Value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

2.9 FOREIGN CURRENCY TRANSACTIONS

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency i.e. foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

3.0 TAXATION

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other

years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in

equity respectively.

4.00 REVENUE RECOGNITION

(i) Revenue from contracts with customers

Pursuant to the application of Ind AS-115, the Company has applied following accounting policy for revenue recognition:

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the entity performs; or
- b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations, where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period to time based on various conditions as included in the contracts with customers.

(ii) Other

- a) Sales are recognised on dispatch of goods except in the case of exports which are accounted for on the date of custom clearance. However in some cases export is accounted on the

terms of contract executed with respective customers.

- b) Interest income is recognized using effective interest method.
- c) Export benefits are recognised on accrual basis at the anticipated realisable value.
- d) Forfeiture due to non fulfilment of obligations by counter parties is accounted as Revenue on unconditional appropriation.
- e) Service receipts and interest from customers is accounted for on accrual basis.
- f) Divided income is recognised when the shareholder or unit holder's right to receive payment is established, which is generally when shareholder approve the dividend.
- g) Share of profit/loss from firm in which the Company is a partner is accounted for in the financial year ending on the date of the Balance Sheet.
- h) Interest on arrears of allotment money is accounted in the year of receipt.

4.01 OPERATING SEGMENT

Operating segments are reported in the manner consistent with the internal reporting provided to the chief operating decision (CODM). The Chief financial officer of APIS India Limited has been identified as CODM and he is responsible for allocating the resources, assess the financial performance and position of the Company and makes strategic decisions.

The Company has identified one reportable segment based on the information reviewed by the CODM."

4.02 CASH FLOW STATEMENT

The Cash Flow Statement is prepared by the indirect method set out in Indian Accounting Standard-7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Company. The Company considers all highly liquid financial instruments, which are readily convertible into cash, to be cash equivalents.

4.03 EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

4.04 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

4.05 FINANCIAL ASSETS

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

4.06 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- ii) Held primarily for the purpose of trading.
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle.
- ii) It is held primarily for the purpose of trading.
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

4.07 LEASES

The Company evaluates if an arrangement

qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

4.08 RECENT PRONOUNCEMENTS

On March 23, 2022, the Ministry of Corporate Affairs ("MCA") notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time as below:

Ind AS 16- Property, plant and equipment:

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37- Provisions, Contingent liabilities and Contingent assets:

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that related directly to the contract'. Costs that related directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example

would be the allocation of depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

41 Impact of COVID-19 (pandemic)

The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to changes in cost budgets of fixed price contracts.

The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these financial statements owing to the nature and duration of COVID-19.

42 "Subsequent event"

The Board of Directors of the Company have proposed a final dividend of Rs.4/- per share on preference shares in respect of the year ended March 31, 2021 subject to the approval of shareholders at the Annual General Meeting. The proposal is subject to the approval of shareholders at the Annual General Meeting, and if approved, would result in a cash outflow of approximately 14 Lakhs.

43 Financial Instruments

Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

(₹ lakhs)

Particulars	March 31,2022	March 31,2021
Borrowings (long-term and short-term, including current maturities of long term borrowings)	10,253.09	7,971.95
Trade payables	4,158	3,969
Other payables	450	639
Less: Cash and cash equivalents	(70.96)	(88.85)

Capital and net debt	23,508	20,666
Gearing ratio (Net debt/Capital and Net debt)	62.91%	60.44%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

44 Fair value measurements

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorising the financial instruments measured at fair value into Level 1 to Level 3: Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices). Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Trade receivables, cash & cash equivalents, other bank balances, loans, other current financial assets, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to short-term maturities of these instruments.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end..

45 Financial risk management objectives

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and land advances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ realestate risk. Financial instruments affected by market risk include loans and borrowings.

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

c) Trade receivables

- i) Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- ii) Receivables resulting from other than sale of properties: Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively.

d) Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments.

e) Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans.

46 During the year, the Company assessed the investment in equity instrument of subsidiary and associate companies carried at cost for impairment testing. These companies are start-ups or are at early stage of their operations and are expected to generate positive cash flows in the future years. Detailed analysis has been carried out on the future projections and the Company is confident that the

investments do not require any impairment.

47 The Code on Social Security, 2020, (Code) relating to employees benefits during employment and post-employment benefits received President assent in September, 2020. The Code has been published in the Gazette of India. However, the data on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To
The Members
APIS India Limited
18/32, East Patel Nagar,
New Delhi-110008

I. REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. OPINION

- A. We have audited the accompanying consolidated financial statements of APIS India Limited (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary together referred to as "the Group") and its associate entity, which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").
- B. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2022, the consolidated profit and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the

year ended on that date.

2. BASIS FOR OPINION

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

3. EMPHASIS OF MATTERS

We draw the attention on the trade receivables amounting to Rs. 211.89 Lakhs which is classified by holding company as disputed trade receivables-considered good. Management of holding company has made a provision of expected credit loss on for Rs. 21.19 lakhs on their foreign debtors that is classified under disputed trade receivables. However, as explain to us, management is in position to recover the amount and same is also covered under ECGC.

Further, the delays in receipt of proceeds denominated in foreign currency against export of goods made by the Company to its overseas customers aggregating to 288.73 lakhs as on 31st March 2022, beyond the timelines stipulated under the Foreign Exchange Management Act, 1999. The management of the holding Company has filed the necessary applications with the appropriate authority for condonation of such delays to regularize the default. Pending condonation of such delay by the appropriate authority, management

is of the view that the possible penalties that may be levied are currently unascertainable but would not be material and accordingly, no consequential adjustments have been made to the accompanying statement with respect to such delay/default.

Further, we draw the attention on the Para no 51 to the consolidated financial result, board directors of the parent company at their meeting held on Thursday, May 30, 2019 approved a Comprehensive Scheme of Amalgamation of APIS Natural Products Private Limited ('APIS Natural') and Modern Herbals Private Limited ('Modern Herbals') with APIS India Limited (herein after referred to 'APIS India' or the 'Company'), and their respective shareholders and creditors (hereinafter referred to as the 'scheme'), under section 230 to 232 read with section 66 and other applicable provisions, if any, of the companies Act, 2013, including any statutory modification(s) thereto or re-enactment(s) thereof, placed before them.

Subsequently, the Company filed the applications in terms of regulation 37 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 with the Stock Exchanges and SEBI for their 'No Observation Letter' to the scheme. The company received 'No objection letter' from Stock Exchange i.e. BSE Limited (BSE) received vide their letter dated 18th September, 2019. The company had filed its Second motion application before National Company Law Tribunal Bench (NCLT), New Delhi Bench for approval of scheme for approval of scheme, the hearing will be schedule on 1st July 2022.

Our opinion is not modified in respect of the above.

4. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no matters to be described as key audit matters.

5. INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

- A. The Holding company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information to the extent applicable, but does not include the Consolidated Financial Statements and our auditor's report thereon. Our opinion on the Consolidated financial statements does not over the other information and we do not express any form of assurance conclusion thereon.
- B. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

6. MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

- A. The Holding company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company in accordance with the Ind-AS and other accounting principles generally accepted in India. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- B. In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process of the companies included in the group.

7. AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

- A. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the

aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that

- a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- C. Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements maybe influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- F. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. OTHER MATTERS

We did not audit the financial statements/ financial information of 2 (Two) subsidiaries, whose financial statements/ financial information reflect total assets of Rs. 727.18 Lakhs as at March 31, 2022, total revenues of Rs. 2.35 Lakh for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of Rs. 235.61 Lakhs for the year ended March 31, 2022, as considered in the consolidated financial statements, in respect of 2 (Two) associates, whose financial statements/ financial information have not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

II. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, based on our audit report we report, to the extent applicable, that:

- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- B. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- C. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Statement of consolidated Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- D. In our opinion, the aforesaid Consolidated financial statements comply with the Ind-AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- E. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary and associate companies, none of the directors of the Group company, its associate company is disqualified as on March 31, 2022, from being

appointed as a director in terms of Section 164 (2) of the Act.

F. With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure-B which is based on the auditor's reports of the Company and its subsidiaries and associate companies. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies

G. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i) The consolidated financial statements disclose pending litigations on the consolidated financial position of the Group, its associate— Refer Note 30 to the consolidated financial statements shown as contingent liability.

ii) The Group did not have any long-term contracts including derivative contracts for which there were any

material foreseeable losses.

iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv) a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), With the understanding whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate Beneficiaries;

b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by company from any person or entity, including foreign entity ("Funding

parties"), with the understanding, whether recorded in writing or otherwise, that the company shall. Whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party ("Ultimate Beneficiaries") or provide any guarantee, Security or the like on behalf of Ultimate Beneficiaries;

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

v) During the year, The holding company has declared or paid dividend on preference shares during the year which is in compliance with section 123 of the Companies Act, 2013.

TO THE INDEPENDENT AUDITORS REPORT

(REFERRED TO IN 1(F) UNDER 'REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS' SECTION OF OUR REPORTS TO THE MEMBERS OF APIS INDIA LIMITED OF EVEN DATE)

Report on the Internal Financial Controls under Clause (i) of sub-section 3 Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal Financial Controls over financial reporting of APIS INDIA LIMITED hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary together referred to as 'the Group') and its associate entity ('the Company') as at March 31, 2022 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, Company's which are companies covered under the Act are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements of the holding company, and its subsidiary companies,

as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In conjunction with our audit of the consolidated financial statements of Apis India Ltd. (hereinafter referred to as ("the Holding Company")) as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and such companies incorporated in India under the Companies Act, 2013 which are its subsidiary companies, its associate companies and its jointly controlled companies, as of that date.

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, its associate companies and jointly controlled companies, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Other matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 2 (Two) subsidiaries companies, 2 (Two) Associates companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India

NOTES FORMING PART OF CONSOLIDATED AUDITED FINANCIAL STATEMENTS

CORPORATE INFORMATION

APIS India Limited (the Company) was incorporated on March 22, 1983 as a public limited Company under the provisions of Companies Act, 1956, vide Company Identification Number L51900DL1983PLC164048. The registered office of the Company is situated at Delhi. The Company is a market leader in the honey processing business having unit at Roorkee (Uttarakhand). The Company has its presence in domestic as well as in International market.

The Company with its subsidiary and associate is herein after referred to as the Group.

The Group's consolidate financial statements (CFS) for the year ended March 31, 2022, are approved by the Board of Directors and authorised for issue on June 16, 2022.

1 BASIS OF PREPARATION AND PRESENTATION

1.1 STATEMENT OF COMPLIANCE

These CFS are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis, the provisions of the Companies Act, 2013 (the Act) (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and the relevant amendment rules issued thereafter.

1.2 BASIS OF CONSOLIDATION

"The CFS comprise the financial statements of the Company and its subsidiary as at March 31, 2021. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- (i) "Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);"
- (ii) Exposure, or rights, to variable returns from its involvement with the investee, and
- (iii) The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- (i) The contractual arrangement with the other vote holders of the investee.
- (ii) "Rights arising from other contractual arrangements."
- (iii) The Group's voting rights and potential voting rights.
- (iv) The size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

"CFS are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the CFS for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the CFS to ensure conformity with the group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended

on March 31. When end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidated procedure:

- i) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiary. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the CFS at the acquisition date.
- ii) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- iii) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the CFS. Ind AS12 'Income Taxes' applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or Loss and each component of 'Other Comprehensive Income' (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if, this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The financial statements of the Group companies are consolidated on a line-by-line

basis and intra-group balances and transaction including unrealized gain/ loss from such transaction are eliminated upon consolidation. These CFS are prepared by applying uniform accounting policies in use at the Group. Non-controlling interests which represent part of the net profit or loss and net asset of subsidiaries that are not, directly or indirectly, owned or controlled by the company, are excluded.

Associates are entities over which the Group has significant influence but not control. Investment in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

1.3 OPERATING CYCLE

Based on the nature of products/ activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 USE OF ESTIMATES

The preparation of the CFS in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the CFS and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these CFS. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding

the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the CFS.

Estimation of uncertainties relating to pandemic from COVID-19

The Company has considered the possible effects that may result from the pandemic, COVID-19, in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company’s financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

2.2 PROPERTY PLANT & EQUIPMENT

- a) Property, plant and equipment are stated at cost net of taxes less accumulated depreciation and/or impairment loss, if any. All costs such as freight, non recoverable duties & taxes and other incidental expenses until the property, plant and equipment are ready for use, as intended by management and borrowing cost attributable to the qualifying property, plant and equipments are capitalized. Assets costing less than Rs. 5,000/- are fully depreciated in the year of purchase in merging unit.
- b) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured

reliably.

- c) Capital work in progress represents expenditure incurred in respect of capital projects which are carried at cost. Cost includes land, related acquisition expenses, development and construction costs, borrowing costs and other direct expenditure.
- d) The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.
- e) Depreciation on property, plant and equipment has been provided in accordance with written down value method and in the manner prescribed in Schedule II to the Companies Act, 2013.

Intangible assets, Brand Developments and Trademarks, have been amortised to their nominal values and used SLM method for amortisation of the assets and computer software, have been amortised to their nominal values and used WDV method for amortisation of the Assets.

- f) In respect of assets added/ disposed off during the year, depreciation is charged on pro-rata basis with reference to the month of addition/disposal.
- g) Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

2.3 INTANGIBLE ASSET

Intangible assets are recognized as per the criteria specified in Indian Accounting Standard (Ind As) 38 “Intangible Assets” issued by the Ministry of Corporate Affairs, Government of India.

2.4 FINANCIAL INSTRUMENTS

Initial recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition in accordance with Ind AS 109 "Financial Instruments" issued by the Ministry of Corporate Affairs, Government of India. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

2.5 IMPAIRMENT

Financial assets

The Group recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component

is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

Non-financial assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss, if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.6 PROVISIONS

A provision is recognized if, as a result of a past event, the Group has a present

legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved. Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

2.7 BORROWING COST

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets to the extent they relate to the period till such assets are ready to be put to use, while other borrowing costs are recognized as expenses in the year in which they are incurred. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

2.8 INVENTORIES

- i) Raw materials, consumables stores and spares are valued at lower of cost and net realizable value. Work in progress and finished goods are valued at lower of cost and net realizable value.

The costs of work in progress and finished goods include costs of raw material, conversion cost and

other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average/FIFO/specific identification, as applicable.

- ii) Scrap is valued at the net realisable value.

Net Realisable Value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

2.9 FOREIGN CURRENCY TRANSACTIONS

In preparing the financial statements of the Group, transactions in currencies other than the Group's functional currency i.e. foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated

Exchange differences on monetary items are recognised in the Consolidated Statement of Profit and Loss in the period in which they arise.

3.0 TAXATION

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax

Deferred tax is recognised on temporary

differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

4.00 REVENUE RECOGNITIONS

i) Revenue from contracts with customers

The Company adopted Ind AS 115 “Revenue from Contracts with

Customers” w.e.f. April 1, 2018, issued by the Ministry of Corporate Affairs, using the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018.

Pursuant to the application of Ind AS-115, the Company has applied following accounting policy for revenue recognition:

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the Company’s performance as the entity performs; or
- b) The Company’s performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c) The Company’s performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations, where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period to time based on various conditions as included in the contracts with customers.

(ii) Others:

- a) Sales are recognised on dispatch of goods except in the case of exports which are accounted for on the date of custom clearance. However in some cases export

is accounted on the terms of contract executed with respective customers.

- b) Interest income is recognized using effective interest method.
- c) Export benefits are recognised on accrual basis at the anticipated realisable value.
- d) Forfeiture due to non fulfilment of obligations by counter parties is accounted as Revenue on unconditional appropriation.
- e) Service receipts and interest from customers is accounted for on accrual basis.
- f) Divided income is recognised when the shareholder or unit holder's right to receive payment is established, which is generally when shareholder approve the dividend.
- g) Share of profit/loss from firm in which the Company is a partner is accounted for in the financial year ending on the date of the Balance Sheet.
- h) Interest on arrears of allotment money is accounted in the year of receipt.

4.01 OPERATING SEGMENT

“Operating segments are reported in the manner consistent with the internal reporting provided to the chief operating decision (CODM). The chief financial officer of APIS India Limited has been identified as CODM and he is responsible for allocating the resources, assess the financial performance and position of the Group and makes strategic decisions.

The Group has identified one reportable segment based on the information reviewed by the CODM.”

4.02 CASH FLOW STATEMENT

The Consolidated Cash Flow Statement

is prepared by the indirect method set out in Indian Accounting Standard-7 on Cash Flow Statements and presents cash flows by operating, investing and financing activities of the Group. The Group considers all highly liquid financial instruments, which are readily convertible into cash, to be cash equivalents.

4.03 EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

4.04 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

4.05 FINANCIAL ASSETS

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

4.06 FIRST-TIME ADOPTION - MANDATORY EXCEPTIONS, OPTIONAL EXEMPTION

Overall principle

“The Group has prepared the opening balance sheet as per Ind AS as of April 1, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to an optional exemptions availed by the Group as detailed below:”

Investments in subsidiaries and associates

The Group has elected to continue with the carrying value of its investments in subsidiary companies and associate companies as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

4.07 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- ii) Held primarily for the purpose of trading.
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least

twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i) It is expected to be settled in normal operating cycle.
- ii) It is held primarily for the purpose of trading.
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current

4.08 LEASES

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being

evaluated or for a portfolio of leases with similar characteristics.

4.09 RECENT PRONOUNCEMENTS

On March 23, 2022, the Ministry of Corporate Affairs (“MCA”) notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time as below:

Balance Sheet:

- (a) Lease liabilities should be separately disclosed under the head ‘financial liabilities’, duly distinguished as current or non-current.
- (b) Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- (c) Specified format for disclosure of shareholding of promoters.
- (d) Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset

under development.

- (e) If a Company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- (f) Specific disclosure under ‘additional regulatory requirement’ such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of Profit and Loss:

- (a) Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head ‘additional information’ in the notes forming part of financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

39 Impact of Covid-19

The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition owing to changes in cost budgets of fixed price contracts.

The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these financial statements owing to the nature and duration of COVID-19.

40 "Subsequent event"

The Board of Directors of the Company have proposed a final dividend of Rs.4/- per share on preference shares in respect of the year ended March 31, 2022 subject to the approval of shareholders at the Annual General Meeting. The proposal is subject to the approval of shareholders at the Annual General Meeting, and if approved, would result in a cash outflow of approximately 14 Lakhs.

43 FINANCIAL INSTRUMENTS**Capital Management**

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

(₹ lakhs)

Particulars	March 31, 2022	March 31, 2021
Borrowings (long-term and short-term, including current maturities of long term borrowings)	10,253.09	7,971.95

Total capital	9,247.15	8,489.85
Capital and net debt	24,033.98	20,984.17
Gearing ratio (Net debt/Capital and Net debt)	61.52%	59.54%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

44 Fair value measurements

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorising the financial instruments measured at fair value into Level 1 to Level 3: Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1

that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices). Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Trade receivables, cash & cash equivalents, other bank balances, loans, other current financial assets, trade payables and other current financial liabilities: Approximate their carrying amounts largely due to short-term maturities of these instruments.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

45 Financial risk management objectives

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and land advances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/realestate risk. Financial instruments affected by market risk include loans and borrowings.

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- i) Receivables resulting from sale of Goods: Customer credit risk is managed by requiring customers to pay advances before Sale of Goods, therefore, substantially eliminating the Company's credit risk in this respect.
- ii) Receivables resulting from other than sale of Goods: Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments.

C. Liquidity risk

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans.

46 During the year, the Company assessed the investment in equity instrument of subsidiary and associate companies carried at cost for impairment testing. These companies are start-ups or are at early stage of their operations and are expected to generate positive cash flows in the future years. Detailed analysis has been carried out on the future projections and the Company is confident that the investments do not require any impairment.

47 The Code on Social Security, 2020, (Code) relating to employees benefits during employment and post-employment benefits received President assent in September, 2020. The Code has been published in the Gazette of India. However, the data on which the Code will come into effect has not been notified and the final rules/interpretation have not yet been issued. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

24. Any person, who acquires shares of the Company and become member of the Company after dispatch of the Notice of 40th Annual General Meeting and holding shares as of the cut of date i.e. Friday, September 23, 2022 may follow the same procedure as mentioned in the instructions below. However if you are already registered with CDSL for remote e-voting then you can use your existing password for casting your vote. If you have forgotten your login password then go to website www.evotingindia.com then click on shareholders, enter the User ID and the image verification code and click Forgot Password and enter the details as prompted by the system.
25. Shareholders/Proxies are requested to produce at the Registration Counter(s) the attendance slip sent along with the Annual Report 2021-22, duly completed and signed, for admission to the meeting hall. The route map showing directions to reach the venue of Fortieth (40th) Annual General Meeting is given at the end of this Notice as per the requirement of the Secretarial Standards - 02 on "General Meeting".

However, in case of non-receipt of attendance slip, members may download the same from Company's website www.apisindia.com or write to the Company at its Registered Office for issuing the duplicate attendance slip.

26. VOTING OPTIONS

A. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) (i)The voting period begins on Tuesday, September 27, 2022 (09:00 A.M.) and ends on Thursday, September 29, 2022 (05:00 P.M). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, September 23, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above-said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode is given below:
