## Notes:

- 1 The Company sold 103200 MT of Plastic goods and achieved net product turnover of Rs. 1380 Crores during the 4th quarter of the current year against sales of 113921 MT of Plastic goods and achieved net product turnover of Rs. 1487 Crores in the corresponding quarter of previous year achieving volume and product value degrowth of about 9 % and 7 %, respectively. The Company sold 411521 MT of Plastic goods and achieved net product turnover of Rs. 5408 Crores during the year under review against sales of 397983 MT and net product turnover of Rs. 5437 crores in the previous year achieving volume growth about 3 % and product value degrowth about 1 %, respectively.
- 2 Effective April 1, 2019, the Company has adopted Ind AS 116 "Leases" using modified retrospective approach. Due to transition, the nature of expenses in respect of operating leases has changed from "lease rent" to "depreciation cost" and "finance cost" for the right-to-use assets and for interest accrued on lease liability respectively, and therefore, these expenses for the current period are not comparable to the previous periods disclosed. The adoption of the standard did not have any material impact on the profit for the current periods as compared to previous periods.
- 3 In March 2020, the WHO declared the COVID-19 outbreak as a pandemic which continues to spread across the country. On 25<sup>th</sup> March, 2020, the Government of India has declared this pandemic a health emergency, ordered temporary closure of all non-essential businesses, imposed restrictions on movement of goods/material, travel, etc. As the nature of business performed by the Company majorly fell under non-essential category, these restrictions had substantially reduced its operations at various plants between 25 to 35 days. The Company has since, after receiving applicable permissions, partially commenced operations including despatch of goods to its' customers at all of its manufacturing facilities and scaling up the same gradually. In assessing the recoverability of trade receivables measured at amortised cost of Rs. 31260 lakhs and realisation of inventories of Rs. 89057 lakhs, apart from considering the internal and external information up to the date of approval of these standalone financial statements, the Company has also performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these standalone financial statements. Considering the continuing uncertainties, the Company will continue to closely monitor any material changes to future economic conditions.
- 4 In the standalone results, "Other Income" for the current year includes dividend received from Supreme Petrochem Limited, an associate of Rs. 1736 lakhs (Previous periods Rs. 1302 lakhs).
- 5
  - i) The Company elected to exercise the option of lower tax rate permitted under section 115BAA of the Income-tax Act,1961. The Company, accordingly has recognized Provision for Income Tax and re-measured its Deferred Tax Liabilities basis the rate prescribed in the said section.
  - ii) Tax expenses in consolidated results for the quarter and year ended 31<sup>st</sup> March' 2020 includes Rs. 4245 lakhs being deferred tax liability recognised on share of undistributed profits of an associate.
- 6 The Board of Directors has not recommended any further Dividend on equity Shares for Financial Year 2019-20. The 2nd Interim Dividend on Equity Shares declared and paid shall be considered as Final Dividend for the Financial Year 2019-20. The total Dividend paid on 12,70,26,870 Equity Shares of Rs.2/- each during the year under review is Rs. 14 /- per Equity Shares as against Rs. 13 /- per Equity Share during previous year. The total Dividend outgo during the year under review including tax on distribution is Rs. 214 Crores as compared to Rs. 199 crores during previous year.

7 Post GST, pending notification from the West Bengal Government, the Company has not recognized (Amount not ascertainable) benefit of Industrial Promotion Assistance Scheme pertaining to its Kharagpur Unit since July'2017. The Company is hopeful of continuance of the Scheme even under the GST regime and benefits accruing therefrom.

**Independent Auditor's Report**

To  
The Board of Directors of  
**The Supreme Industries Limited**

**Report on the audit of the Consolidated Financial Results****Opinion**

We have audited the accompanying consolidated financial results of **The Supreme Industries Limited** ('the Parent Company') and its subsidiary, its two associates (together referred to as "the group") for the quarter and year ended March 31st, 2020, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate audited financial statements/financial results of the subsidiary and associates, which,

(i) include the financial results of following entities:

Name of Entity	Relationship
The Supreme Industries Overseas FZE, Dubai	Wholly owned Subsidiary
Supreme Petrochem Limited	Associate in which parent company holds 30.01%
Kumi Supreme India Private Limited	Associate in which parent company holds 20.67% (up to March 31 <sup>st</sup> , 2020)

(ii) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

(iii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter and year ended March 31<sup>st</sup>, 2020.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us and other auditors in terms of their report referred to in "Other matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion.

**Management's Responsibilities for the Consolidated Financial Results**

These Consolidated quarterly financial results have been prepared on the basis of the consolidated annual financial statements. The Parent Company's Board of Directors are responsible for the preparation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the group and its associates in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the entities included in the group responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial results, the Board of Directors of the entities included in the group are responsible for assessing the respective entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the group are also responsible for overseeing the financial reporting process of the Group.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the respective Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the respective entities ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We are not required to perform procedures in accordance with the circular issued by the Securities Exchange Board of India (SEBI) under regulation 33(8) of the Listing Regulations, to the extent applicable.

**Other Matters:**

- (i) We did not audit the financial statements of a subsidiary included in the consolidated financial statements, whose financial statements reflects total revenue of Rs. 56 Lakhs and Rs. 360 Lakhs , net loss and total comprehensive income of Rs. 35 Lakhs and Rs. 41 Lakhs for the quarter and year ended March 31, 2020, respectively as considered in the consolidated financial statement. The financial statement of the subsidiary have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the said subsidiary, is based solely on the report of other auditor.
- (ii) We did not audit the financial statements of an associate included in the consolidated financial statements, whose financial statements reflects group's share in net profit and total comprehensive income of Rs. 688 lakhs and Rs. 3,062 lakhs for the quarter and year ended March 31, 2020, respectively, as considered in the consolidated financial statement. The financial statement of the associate have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the said associate, is based solely on the report of other auditor.
- (iii) We did not audit the financial statements of an associate included in the consolidated financial statements, whose financial statements reflects group's share in net profit/(loss) and total comprehensive income of Rs. (1) lakhs and Rs. 49 lakhs for the quarter and year ended March 31, 2020, respectively, as considered in the consolidated financial statement. The financial statement of the associate have been certified by the Management and furnished to us and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the said associate, is based solely on the management certified unaudited financial statements. In our opinion and according to the explanations given to us by the Management, these financial statements are not material to the Group.
- (iv) On account of the COVID 19 related lockdown restrictions, Management was not able to perform the year end physical verification of inventories, except at 2 locations (holding 6 % of the total inventory) Consequently, we have performed alternative audit procedures to audit existence of inventory as per the guidance provided in SA 501 "Audit Evidence – Specific consideration to Selected items" which includes cyclical counts performed by the management during the year, roll forward procedures and their supporting documents relating to purchases, production and sales and have obtained sufficient audit evidence to issued our unmodified opinion on these consolidated financial results.

- (v) The consolidated financial results include the results for the quarter ended March 31, 2020 being the balancing figure between audited figures in respect of full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of these matters.

**Independent Auditor's Report**

To  
The Board of Directors of  
**The Supreme Industries Limited**

**Report on the audit of the Standalone Financial Results****Opinion**

We have audited the accompanying standalone financial results of **The Supreme Industries Limited** ('the Company') for the quarter and year ended March 31st, 2020, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, these standalone financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter and year ended March 31st, 2020.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Management's Responsibilities for the Standalone Financial Results**

These standalone quarterly financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation of these standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**[J] Capex**

The initiatives taken up-to-date by the Government are gathering momentum. With an expected growth in the businesses of several verticals, the Company took steps to put new production units and also expand capacity in several of its' existing units and incurred capex of Rs. 241 crores in the year 2019-20 and further committed Capex of about Rs.182 Crs. which shall fructify for production & usage during the course of current year.

During the current year i.e. 2020-21, the Company envisages New Capex in the range of about Rs. 150-200 crores, mainly on the following:

- To increase PVC Pipe capacity at Kanpur, Gadegaon and Kharagpur.
- To increase HDPE Pipe capacity at Malanpur, Gadegaon and Kharagpur.
- To increase DWC Pipe capacity at Kharagpur.
- To increase CPVC Pipe capacity at Malanpur and Kharagpur.
- Adding several capacities of Water Tank moulds and additional Roto Moulding machines
- The Company has negotiated purchase of 30 acre land to put up Plastic Piping complex at Orissa. Due to lockdown the legal possession of the land has been delayed. The Company will initiate actions to put the complex after the possession of the Land.
- The drawings of various equipment to put up Cross Plastic Film project at Get Muvala at Halol in Gujarat are under preparation in Romania and Switzerland. Due to Covid-19 lockdown the process is taking more time to finalise the drawings. The Company will move expeditiously after working drawings are frozen to put up the Plant.

### **[K] COVID 19 and its impact:**

In March 2020, the WHO declared the COVID-19 outbreak as a pandemic which continues to spread across the country. On 25<sup>th</sup> March, 2020 the Government of India has declared this pandemic a health emergency, ordered temporarily closure of all non-essential businesses, imposed restrictions on movement of goods/material, travel etc. As the nature of business performed by the Company, majorly, fell under non-essential category, these restrictions had substantially reduced its operations at various plants between 25 to 35 days. The Company has since, after receiving applicable permissions, partially commenced operations including despatch of goods to its' customers at all of its manufacturing facilities and scaling up the same gradually.

The Company and promoters have always shown their commitment as a responsible corporate citizen and stood with the Government authorities in their fight against this pandemic. Supreme Industries along with promoter families have contributed Rs. 835 lakhs in aggregate to PM CARES FUND and relief funds of various state governments.

Although business conditions are very disruptive and uncertain, Company is neither looking at any lay off nor any reduction in salaries of its' employees which are its' biggest assets and strength. Further all regular payments to employees as well as vendors are made on time in normal course without resorting to any deferrals.

### **[L] Business Outlook**

**Mr. M. P. Taparia, Managing Director, The Supreme Industries Limited, said:**

At the end of the year i.e. beginning second half of March 2020 the business was severely affected due to Covid-19 Pandemic. The Lockdown is now entering in its fourth stage. As the time passes, the focus of Government is moving to create a balance between Health and Safety of the Countrymen while keeping eyes to revive the economy back on growth path.

Government is taking incremental steps every day in different parts of the country to give desired boost to the economy. With the Country's preparedness over the last two months to prepare to fight against Covid-19 Pandemic which is being suitably supported by various relief measures announced by central Government which is around 10% of India's annual GDP, it is

expected that during second quarter of the year 2020-21 the economy would start to revive to serve the country with a higher growth potential.

Considering the bright future prospects, the Company has not slowed down its investment plans. The same was however delayed due to cessation of activities in different parts of the country as a result of Lockdown which still remains partially applicable in various parts of the country.

Various initiatives taken by the center and state governments have given desired boost to the plastic pipe business. There is quantum jump in construction of affordable houses. The infrastructure activities comprising supplying drinking water and to boost the sewage system have gathered momentum.

Raw material scenario is likely to be comfortable. Prices have started showing increasing trend after reaching to bottoms during the year under review except PVC Resin. Overall it is expected that raw material prices shall remain range bound and affordable.

The Company expects that by September this year the business should be returning to normalcy and will move to growth path by November, 2020.

### Impact of COVID- 19 pandemic on the Business

In March 2020, the WHO declared the COVID-19 outbreak as a pandemic which continues to spread across the country. On 25<sup>th</sup> March, 2020, the Government of India has declared this pandemic a health emergency, ordered temporary closure of all non-essential businesses, imposed restrictions on movement of goods/material, travel, etc. As the nature of business performed by the Company majorly fell under non-essential category, these restrictions had substantially reduced its operations at various plants between 25 to 35 days. The Company has since, after receiving applicable permissions, partially commenced operations including despatch of goods to its' customers at all of its manufacturing facilities and scaling up the same gradually.

Mumbai Office of the Company is still under lockdown. Other offices in various parts of the country are functional complying with the Covid guidelines by the Central/State Governments. Most of the staff is equipped to work from home and all functions are being performed smoothly.

Some of the plants are working at less than optimal level due to non-availability of associates, many of whom have migrated to their native. It would continue to affect production in some of the plants. However, Company is taking all steps to ensure no disruption in its supply chain and meeting its' customers' demand.

Demand for Agri products was quiet brisk during April and continued in the month of May also. Various piping products for Agriculture, Cross Laminated Film products like Covers, Tarpaulins and Pond lining etc. have shown good business potential. Performance Packaging film which is intermediary to essential commodities is doing well from second week of April onwards. Plants of Protective Packaging products and Material Handling products are also working albeit at lower capacity utilisation. Since shops and markets are not opened up in major part of the country, demand for furniture products is at low level. The Industrial component customers are unable to commence their operations thereby impacting Company's demand and supply to them. Piping Products demand for construction and housing is started in a small manner and would impact the business and profitability till normalcy is restored in major part of the country.

Company has sufficient liquidity in hand and is able to meet all its' obligations in timely manner. Although business conditions are very disruptive and uncertain, Company is neither looking at any lay off nor any reduction in salaries of its' employees which are its' biggest assets and strength. Further all regular payments to employees as well as vendors are made on time in normal course without resorting to any deferrals. Company has plans to incur Capex of about Rs.300 Crs. during the year and looking at the market potential, the same is being continued.

Polymer suppliers have also adjusted their demand supply scenario and accordingly raw material prices which attained the bottom have also started increasing trend. Prices in international market have also gone up by USD 50 to 90 per MT. Company is able to pass on such increase in the polymer prices.

Company's receivable, inventories and other current assets are in good shape. Company is confident in realising their values in due course. Company's cash fixed expenses are in the range of about 35 to 40 Crores a month. With resumption of operations at all its plants, Company is hopeful of recovering all its fixed cost and generating cash surplus from May, 2020 onwards.

Considering the continuing uncertainties, the Company will continue to closely monitor any material changes to future economic conditions and plan accordingly.
