Notes Related to Standalone Financial Results :-

- The above results have been reviewed by the Audit Committee and thereafter approved and taken on record by the Board of Directors at their Meeting held on 02nd February, 2021
- The above financial results for the quarter ended on December 31, 2020 has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognised accounting practices and policies to the extent applicable.
- The Company is mainly engaged in Agro based Commodities and as such there are no separate Reportable Segment as per Indian Accounting Standard " Operating Segment" (Ind AS-108). Thus, no separate disclosure for Segment Reporting is made.
- The figures for the December quarter (i.e three months ended on 31.12.2020), represent the difference between limited reviewed figures of year to date figures for current period ended at 31.12.2020 and six months period ended on 30.09.2020.
- Due to outbreak of COVID-19 pandemic, the company's management has made initial assessment of likely adverse impact on business and financial risks. As per current assessment, no significant impact on carrying amounts of property, plant and equipments, inventories, goodwill, intangible assets, trade receivables, investments and other financial assets is expected, and the company continue to monitor changes in future economic conditions.
Being a part of the essential commodities industry, we were allowed to continue operations/ manufacturing facilities of the unit with minimum labor and staff with a condition to provide food, shelter and safety measures; hence, the company was able to manage the same at optimum level.
From the measures taken as above, the management believes that there is not much adverse impact on the business and financial risk and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risk in the company's ability to continue as a going concern and meeting its liabilities as and when they become due subject to the situation doesn't worsen from the current position of the pandemic.
Given the uncertainties associated with nature, condition and duration of COVID-19, the impact assessment on the company's financial statements will be continuously made and provided for as and when required. However, a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- Previous year figures have been regrouped or rearranged wherever necessary to meet with the current year's reporting requirements.

Independent Auditor's Review Report for the Quarter and Nine Months Ended on 31st
December, 2020.

Un-Audited Interim Standalone Financial Results (Pursuant to the Regulation 33 of the
SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as
amended.)

To,
The Board of Directors of,
Gokul Agro Resources Limited
CIN - L15142GJ2014PLC080010
Ahmedabad.

1. We have reviewed the accompanying statement of unaudited standalone financial results of Gokul Agro Resources Limited ("the Company") for the quarter and nine months ended December 31, 2020, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations').
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, is the responsibility of the Company's management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of the company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note No. - 5 of the standalone financial result, which describes the uncertainties and the impact of Covid-19 pandemic on the company's operations and results as assessed by the management.

Our conclusion on the statement is not modified in respect of this matter.
